One injured in trailer fire **BY ANDREW HEISERMAN**

STAFF WRITER

ROCHELLE – One woman sustained minor injuries in a trailer fire and was transported to Rochelle Community Hospital Friday afternoon.

The Rochelle Fire Department, with assistance from the Ogle-Lee Fire Protection District and the Ogle County Sheriff's Office, responded to a trailer fire at Shangri La trailer park around 2:15 p.m. Friday just west of Rochelle.

The Rochelle Fire Department received a call at 2:16 p.m. of a trailer on fire at 102 Lilac Lane. By the time Rochelle firefighters arrived on scene, the Flagg Center firefighters were attempting to put out the fully engulfed trailer.

At the time of the fire one resident was inside. She was able to escape with minor injuries.

"When we arrived, the

only resident had managed to get out of the building, but she was having trouble breathing," explained Rochelle Fire Chief Dave Sawlsville. "She was transported to Rochelle Community Hospital to be treated for smoke inhalation."

After making sure that no one else was hurt, firefighters began to put out the flames that were shooting out of a hole on the west side of the

On scene were the Rochelle Fire Department, Flagg Center Fire Department, Steward Fire Department and the Hillcrest Fire Department. The Creston Fire Department took over command at the Rochelle Fire Department while crews were on scene at Shangri La.

Since the trailer was fully engulfed at the time of arrival, the only way to get the fire under control was with lots of water.

"When we arrived, we were a little behind the curve already, and at that point the only thing that could stop the fire was lots and lots of water," added Sawlsville. There were three engines

on scene, one that held 800 gallons of water, one that held 1,000 gallons and Flagg Center's engine that held 3,000 gallons of water. The trailer along with the

contents were a total loss.

There was no damage to any surrounding property. The cause of the fire re-

mains under investigation.

Body of one missing boater recovered

BY JENNIFER SIMMONS MANAGING EDITOR

DIXON—The body of one missing Ogle County boater was recovered Friday from the Rock River in Dixon. The body of James

Swift, 64, of Forreston, was recovered near the dam in Dixon, according to Lee County Coroner Jesse Partington. Swift was one of two boaters to go missing Nov. 20 when the boat he and another fisherman were in capsized near Oregon on the Rock River.

"The body was transported to the Ogle County morgue and was positively identified by tattoos on the body," Partington said. adding an autopsy on the body would most likely be conducted Monday.

Forever a part of Rochelle history

BY ANDREW HEISERMAN STAFF WRITER

ROCHELLE – Bet-

ty Lu Barnes, a local resident and historian who passed away on Dec. 20. 2019, will forever be remembered for all that she did within the community and preserving its history for future generations.

Barnes was born on May 25, 1918 in Princeton, graduated from Rochelle Township High School in 1936 and then went on to study and graduate from the Northern Illinois State Teacher's College with an associate's degree in education. She taught in a one-room school house for two years before marrying her husband Floyd "Barney"

After getting married her passion for history began to grow, she began traveling to different local schools giving presentations on the history of the area. While Barnes was interested in all things history, she was especially interested in genealogy and Native American history.

in the community she was part of many different local organizations such as the Rochelle Women's Club, the Daughters of American Colonists and the Camp Fire Girls, as well as serving on their national board of directors. On top of being a part of these organizations she

would hear or read something she thought was interesting, she would write it down on a notecard or cut it out and document it in boxes for the future.

"She was very meticulous with writing things down and holding on to things, from obituaries to extensive research she had done into genealogy, as well as even holding onto clothing," said Jan Devore, Flagg museum director. "All of her donations have totaled up to about 50 boxes

Barnes has always shown an interest in local history and was even part of the original historical society, the group who was responsible for establishing the museum in the 1970s.

Throughout the years of collecting historical documents and storing them in boxes, one of her daughters would send them to the museum anytime it was something she thought would be good to display.

Ducks Unlimited chapter to hold banquet Feb. 29 at RRC

OREGON – The Four Rivers Chapter of Ducks Unlimited will hold its second annual banquet at the Rock River Center of Oregon on Saturday, Feb. 29 at 5 p.m.

"The Ducks Unlimited success story," said Chapter Chairman Pete Oliver, "is one that makes me proud to be a volunteer. Local Ducks Unlimited fundraising events held throughout the country last year contributed \$66 million towards Ducks Unlimited's Rescue our Wetlands campaign. But what is even more important to realize is that this national fundraising total must increase this year if the North American waterfowl habitat race is to be won."

Each year, the United States loses some 100,000 acres of wetland habitat. Since its inception, Ducks Unlimited has raised over \$5 billion and enhanced, restored, or protected over 191 million acres of wetland habitat, collectively an area greater than the State of Texas. Projects funded by DU provide habitat for over 900 wildlife species, including waterfowl, river otters, sandhill cranes and numerous species of

While Ducks Unlimited has accomplished a great deal since its founding in 1937, the rapid draining of our wetlands demands that the organization continue to accelerate its work. Efforts like those of the Four Rivers Chapter are a vital part of Ducks Unlimited's efforts.

For information on how you can support Ducks Unlimited's program of wetlands conservation, contact Trevor Hogan at 815-703-9596 for tickets and further details.

ROCHELLE – The Future Farmers of America Youth Organization is turning 90 years old in the United States as well as at Rochelle Township High School, and the community is hosting a big bash to celebrate the special occasion.

The FFA is an organization that was founded at Rochelle Township High School in November of 1929 and is the oldest

continued running program or club at the school. The organization is open members to anyone at the school who has an interest in agriculture or business to celebrate in agriculture and is taking at least one agriculture class.

While the and 90 organization aimstoeducate its members on agriculture and farming, the focus is on improving certain areas

of an individual that also prepares members to become future chemists, veterinarians, government officials. entrepreneurs, bankers, international business leaders, teachers and premier professionals in many career fields.

At the end of it, the three things that we focus on are leadership, because the future leaders of the country are the kids at the high school right now. The second one that we focus on is personal growth and the third one is career success," explained Donna Page, agriculture teacher and FFA advisor at RTHS. "We are trying to

find a way to link those students with potential careers that they might be interested in.

The FFA at RTHS currently has

106 members with approximately 55 being active members, meaning they did at least one thing during the first semester of the year. To cele-

brate 90 years at the high school and in the community the FFA and RTHS are hosting a 90th birthday bash. The celebration will take place on Saturday,

Jan. 11 from 2 to 4 p.m., at Bearrows Auction House located on Fowler Road in Rochelle. The event will include an open house with current and former members of the FFA there chat with and reconnect with.

Current RTHS employees and members of the FFA are hoping that everyone comes out to celebrate the impact that the FFA has made on both the high school and the community.

"We would love to see any members or alumni come out to celebrate 90 years at RTHS and 90 impacting the community," added

Roller rink has new owner

Jones adds skating business to her growing portfolio

BY BRAD JENNINGS

OGLE COUNTY LIFE EDITOR

MOUNT MORRIS Growing up, Oregon native Rebecca Jones used to go skating at the White Pines Roller Skating Center.

As of Dec. 23, she now owns it.

"Oh my gosh, yes," she said with a laugh when asked if she skated there when she was growing up. "I spent a lot of time here when I was a kid."

The roller rink, located at 6929 W. Pines Road, fits perfectly with her other businesses. On April 1, 2019, Jones became the owner of the Pine Creek Canyon Wedding venue, three acres next to the venue, office space and the Pine Creek Cabins. The area is now Pine Creek Escape. Add-

The roller rink was built in 1947 and still has its original marble floor.

ing the skating center means she now owns 12 acres in that area.

"It kind of romantically fits into my portfolio," Jones said, adding that she never thought she would own a skating

She said her plan is to keep it open as a skating center for people to enjoy.

The rink first opened in 1947, and Jones said it still has its original marble floor.

"It's in impeccable shape," she said. "Not one crack in it."

Jones bought the property from Dave and Maggie Johnson. Dave purchased the business

in 1984 and had run it since, but Jones said the couple had moved to Tennessee.

"I had a feeling that they were thinking about selling this property," Jones said.

And now she owns a business with deep roots in the community and her own family. Not only did Jones skate there as a kid, but her grandmother also skated there throughout high school. Her grandmother's sister even met her husband at the rink.

The rink is open Friday 7-10 p.m., Saturday 1-5 p.m. and 7-11 p.m. and Sunday 1-4 p.m. It is also open for a variety of special events and is for rent for private parties and events.

The space also has a concession stand and a full arcade.

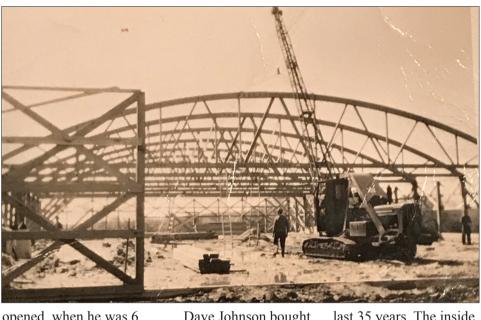

Jones said he main goal for now is to clean up the front entrance and continue to operate, "a safe, fun place where kids can be active instead of sitting in front of a TV."

History of rink goes back to WWII

THE story goes that the rink, built in 1947, was an airplane hangar from WWII brought down from Minnesota. There used to be an airport style searchlight on the top of the rink years ago, and it had a tag on it stating it was a WWII surplus. The terrazzo floor

was laid for the 160foot by 80-foot skating area, one of the largest in the Midwest and is still there today, in perfect condition.

Ken Sheely, who owned The Canvon for years, remembers attending the day it

opened, when he was 6 years old. Back then it was 5 cents for a soda at The Rink.

Dave Johnson bought The Rink in 1984, when he was 21 years old and has operated it for the

last 35 years. The inside has been remodeled over the years and even offers a large arcade today.

At the time of the boaters' initial disappearance, recovery efforts were made by dive teams. At one time, a body was located; however, worsening river conditions and strong currents prevented recovery of the body.

Taking a look ahead into the new year

ERE we are, four L days into 2020 and the world does not seem any better.

Increasing ten-

sions in the Middle East, wildfires destroying houses and wild-

Terry Dickow life in Austra-

lia, reports of shootings in churches and stabbings in homes. Sometimes I just want to put my head in the sand and hope it all goes away. I sometimes forget

the small army of people who work holidays while I loll in my easy chair. Nurses, doctors, police, firefighters, tow truck drivers, servers, cooks, utility workers...like I said, a whole army of people who work to keep us safe and provide comfort to us. Thank you all for what you do.

The New Year brings the start of a new age to Illinois... the Age of Pot. From news reports I saw, a lot of people could not wait to buy legal marijuana. There are also dire warnings that this marijuana is not the same stuff that was smoked 40 years ago. This weed is stronger, more potent. Tread carefully, my friends.

Looking for a new career? I think cookie and brownie makers would do well in today's Illinois.

If you wonder what our lawmakers do, take comfort in the 250 new laws that went into effect Jan. 1.

Of course there was the marijuana legalization, but several other laws affect us.

The minimum wage starts the incline to \$15 per hour. If you trade in a car you will pay a tax on your vehicle. Traffic fines go up, so it will now cost you \$300 to pass that stopped school bus. A second offense will be \$1,000 — so be alert.

License plate fees go up as well. This is not a surprise because those fees never go down, do they?

There is also a tax on parking lots and garages. I am not sure how this works for homeowners near Wrigley Field who rent out their yards for some extra bucks, but the big garages and lots will now pay a tax, which will be passed on to those parking there.

I have seen a couple of warnings about dating papers with 20, as in 6/19/20. The fear is that someone could add numbers, changing the effective date of the contract or lease — 6/19/20becomes 6/19/2017 when altered. Something to think about.

New pot law probably won't change much

RE you having a hard time **L**breathing through the giant cloud of pot smoke now hanging over Illinois thanks to the new legalization

No? I didn't think so. Notice anything at all, really? Probably not.

Here's the truth about marijuana – people who want to smoke it and who do smoke it were pretty much already smoking it in 2019. And in 2018, and so on. Making it legal didn't suddenly turn the entire state into a bunch of tie-dye loving, Twinkie eating, Grateful Dead listening pot heads.

Not that you would think anything short of the overrun of our fine state by a bunch of hippies aiming to ruin everything would happen if you paid attention to some people. I had to chuckle when people worried about the demise of mature society when the sticky icky

became legal. People have been smoking pot for a long, long time. And those people certainly include plenty of people you might not want to invite to the church social. But they also include lawyers, doctors, mechanics, businesses owners - you name it.

I am not one of those who partakes, and I haven't in so long I can't remember the last time I did. **Jennings** Not that I never have. I mean, I grew up on the border of California and Mexico and started high school in 1977, so pot was readily available. Everyone from the class president to the homecoming queen smoked pot on occasion. And those people grew up to

be responsible adults. I know that I have smoked it once or twice since getting out of the military decades ago, but honestly, marijuana never really sat right with me. Made me paranoid or sleepy. But I know plenty of people – people who might

surprise you – who do partake and they lead perfectly wonderful

Of course, most of those people don't smoke anything. You

can get pot edibles in almost any form from cookies to gummies – and you can ingest it from vaping or in a liquid. I have never tried any of **Brad** these and probably won't now that you can go to a local store and buy it.

I know that municipalities all over the state have struggled with how to handle this new law, and I understand that struggle. It has been legal in a number of states for some time, and there are still problems. One of the biggest is that it is still against federal law. Also, banking for pot businesses is sketchy at

Ogle County elected to not have pot sales or growth in unincorporated areas of the county for now. And maybe that is a smart move – wait until

laws and regulations are more settled. Other county cities have voted to approve sale. Rockford has as well.

Yes, that will mean new taxes, and I will also bet long lines at the area locations selling the now-legal substance.

Love it or hate it, it will be popular – always has been.

Will it bring more problems, like impaired driving? Maybe, but I am not certain of that. It will be a headache at the beginning for law enforcement, but like any new law that will even out. Honestly, most people I know who smoke or use edibles with THC in them are not the types to

cause problems. Basically, get ready to see ... not much change. Sure, you might see more people smiling and eating Cheetos, but I don't expect we will see roaming hordes of potheads trying to give us all hugs.

ROCHELLE—When many people hear the name Mike Rowe they might first think of the celebrity's hit television show Dirty Jobs, where he travels across the country and demonstrates the most disgusting jobs people do for a living.

But Rowe might now be better known to Rochelle area residents for his generous donation to Rochelle's very own The Kitchen Table, operated by Carolyn and Grant Brown and other volunteer board members.

Rowe produces a new internet series titled "Returning

the Favor," in which he searches for stories of organizations and people who put others in the community before themselves

Local non-profit organization The Kitchen Table was selected a few months ago to be featured on an upcoming episode in the fourth season of the series which will air on July 22 through Facebook Watch.

"The Kitchen Table recently received both the attention and a \$50,000 donation from celebrity Mike Rowe as a part of his new internet streaming series," said Mark Schwendau, kitchen table board member, in a press release.

ROCHELLE—City of Rochelle staff is continuing with its downtown beautification project by planting islands in the parking lot located off Main Street

Work will begin on Saturday, July 20 at 10 a.m., and the parking lot will be closed during the planting and reopen later in the day once work is complete

The parking lot is often used to host many of the big events throughout the year including the Food Truck Festival and the Lincoln Highway Heritage Festival among others, and city officials want to improve the surroundings.

'We have put brand new LED street lights in and they look amazing, we have also increased the electricity so now when vendors are there, they have a place to plug into at the base of those lights," explained Michelle Pease, community

development director.

ROCHELLE — Rochelle Township High School football players used their day off from weightlifting and training this week vacuuming out cars and cooking a meal for the residents of Lincoln Manor Senior Housing of LSSI. Kerri Villa-Nantz, the assistant property manager at Lin-

coln Manor, and her son have been doing this consistently throughout the years and it has grown into an annual event. When they first started, Nantz's son was in fifth grade and it was just him and his team. Each year it has continued to grow with 25 players participating last year and nearly 50 this year.

ROCHELLE—Workers from Americold Logistics and children ages 7-12 at the Rochelle Child Care Center teamed up Tuesday afternoon to build benches, learn to work as a team and support the day care operation. The Rochelle Child Care Center recently

reached out to different corporations in the community seeking donations. Americold was contacted and came up with the idea of hosting a team building exercise rather than simply donating money. "As Americold we look for opportunities

to give back to our community. The theme today is building towards the future, and these are the youth that are going to be driving the next employees," said Dan Lundquist, Americold general manager. Wednesday, July 31

ROCHELLE — Rail fans from near and far gathered at the Ken Wise Railroad Park Tuesday morning to witness the Union Pacific Big Boy steam engine No. 4014 live in action.

In honor of the 150th anniversary of the completion of the transcontinental railroad, Union Pacific has sent its newly restored steam engine on a cross-country tour making stops in different cities. The renovation process took two years to finish and makes the big boy the world's only operational locomotive.

Even people who aren't dedicated rail fans couldn't pass up a chance to see this piece of history.

STEWARD—A local team will be running in the Chicago Marathon this year as part of a life-changing mission.

Jennifer Knetsch from Steward and her team from Heartland Community Church in Rockford will be participating in the Chicago Marathon this year as part of Team World Vision, a fundraising program of World Vision International. This program focuses on providing lower income families across the world with access to clean water.

"They are the largest non-governmental supplier of

clean water and every \$50 earned brings clean water to one person forever, not just a year or a month, but forever,"

While Team World Vision will have thousands of runners in the marathon, the goal of Knetsch and her team is to earn \$300,000.

ROCHELLE — As a continuation on Rochelle's rebranding project, the city is partnering with Western Illinois University in a "Mapping the Future of Your Community" program starting in September.

"Rochelle Revved Up!" is a new community-wide campaign geared at creating involvement of residents to not only identify a vision for the future of the city but to also help execute a plan to achieve the goals.

"We have seen many exciting changes over the past few years," said Jenny Thompson, City of Rochelle marketing and public relations manager. "We have a renewed excitement with community events, new downtown businesses, new wayfinding signage, downtown lights with banners and new murals and now we want to take things to the next level." ROCHELLE – Americold of Rochelle officials hosted a grand opening ceremony for their new \$93 million cold storage facility Tuesday morning.

The event took place outside in the parking lot of the Americold facilities in Rochelle and included food, comments from the CEO of Americold and the Rochelle mayor, a ribbon cutting ceremony and tours inside the new facility.

The new building, features 173,000 square feet of refrigerated space and 7,000 square feet of non-refrigerated space for offices, electrical and engine rooms, maintenance and other operational duties. Everything within the new facility will be 100 percent fully automated and it will also feature a state-of-the-art fire protection system, eliminating the need for a traditional sprinkler system.

The cars were all part of the North Central Region of the 2019 Corvette Caravan that is heading across the country. The caravan features Corvette owners from all around that get together to drive to the National Corvette Museum in Bowling Green, Kentucky. The museum is expecting 8,000 Corvette owners to convene on the museum to celebrate its 25th anniversary.

For some, this was their first time participating in the caravan, and for others, they take part every five years. No matter how often or how many times they have participated, everyone attending the event shares a love for the same type of car.

ROCHELLE — Wednesday marked the beginning of a new era for the Hub City, as members of the Rochelle community gathered at Helms South to celebrate the start of construction on the \$14 million park district recreation center with a special groundbreaking ceremony.

Representatives from several groups involved in the project took part in the groundbreaking ceremony including the Flagg-Rochelle Community Park District Board of Commissioners and Rochelle Mayor John Bearrows, who was one of four people to speak during Wednesday's ceremony. Township residents voted in favor of funding the community center back in April.

ROCHELLE – On Friday, officials from Washington, D.C., Chicago and Springfield assembled for an event promoted as Rochelle's Infrastructure Celebration Day.

The event was held to commemorate the more than a dozen infrastructure projects that the City of Rochelle is building to attract new businesses and industries.

"This investment is what secures the city's future, as we are among a small number of communities that can say they are truly "open for business" because we have what companies need and want to build and expand," mayor John Bearrows said when acknowledging the more than \$50 million investment the city has put into the projects. Some of the major projects that support the mayor's

charge is the \$7 million upgrade to the wastewater treatment plant and the more than \$15 million spent on improving a number of wells and water mains to increase Rochelle's

ROCHELLE – With the United States Census being counted next year, the City of Rochelle is doing everything in its power to ensure an accurate number is recorded.

Every 10 years the U.S. Constitution mandates that the U.S. government conducts a complete count of the country's population. To prepare Rochelle residents for the upcoming count next year, the city has created census partners, a group that has joined forces with many local non-profits and businesses to help spread the word to the community.

"The main goal of the group is to Inform, educate and encourage the community to complete the census," explained Rochelle City Clerk Sue Messer. "In the 2010 census it was estimated that there were roughly 8,560 people who went uncounted in Ogle County and it is estimated that each uncounted person corresponds to a minimum of \$1,535.

ROCHELLE – A record-breaking snowstorm hit the community on Halloween and the city street department did everything in its power to keep travel in the 'Hub City' safe.

Many portions of the state were impacted by a snowstorm extremely early this season, including Rochelle, and the city's street department used all available resources to keep the roads clear.

While the city knew the storm was coming, current projects around town limited their resources during the storm.

"We are still in the middle of other projects, so we had to scramble a little bit to get salt spreaders on and plows hooked up to the trucks," explained street department director Tim Isley. "We were also a little short on trucks, so we had to use some trucks that we normally wouldn't use."

Senior Night stunner

Harding, Portzen honored before Friday night showdown with Morris

BY RUSSELL HODGES

SPORTS EDITOR

ROCHELLE — The Lady Hubs were less than five minutes away from sending seniors Lilly Portzen and Gabby Harding out with a win when the Rochelle girls hosted Morris for their annual Senior Night basketball game on

Dominant defense and solid scoring performances from Josie Lundquist and Sam House helped the Lady Hubs build a sevenpoint halftime advantage and remain ahead five points after three quarters. Morris didn't lead for the majority of the contest, but the Redskins rallied behind Alexis Johnson and Mackenzie Lind, who combined for 13 fourthquarter points as Morris erased its deficit and escaped Rochelle with a 40-35 win. The Lady Hubs are now 3-14.

"Gabby's a very vocal player whether she's on the court or off the court," head coach Tony Rowan said. "I'm very proud of her. She had a very bad injury on the first day of summer, but she came to everything she could. We talk about

having leadership characteristics in our program, and she has them... Lilly's a very positive player and she always tries to put a smile on our faces. She strives to improve herself and her teammates."

Rochelle has faced the three-quarter court press many times this season, but the Lady Hubs were the players getting active defensively early in the game. Morris guards had trouble getting the ball over the half-court line, and the Redskins mustered only one field goal in the first quarter, which Rochelle led 6-4 entering the second quarter. All six points came from Lundquist, who finished the night with a team-best 12 points.

"The girls were great in the first half," Rowan said. "We worked on our press today and we've seen a lot of different presses throughout the season. We knew how to run the press simply from knowing how other teams ran the press against us."

Six different Lady Hubs scored points in the second quarter including House, who was dynamite in the mid-range area all evening long. Sophomore Abby

Luxton made two putback layups over Morris defenders in the quarter, allowing Rochelle to build an 18-11 lead at halftime. House canned four mid-range jumpers in the second half, finishing the game with 10 points.

Johnson gave the Redskins their first lead of the game, knocking down a 3-pointer from the top of the line that put Morris ahead 29-27 with about four minutes remaining. Lind added two layups, including one on an inbounds

pass, that helped the Redskins remain ahead 36-33 with 45.6 seconds to play. Johnson sunk three free throws in the final minute of the fourth quarter, where Morris outscored Rochelle 19-9. Johnson led all scorers with 13 points.

"They spaced the floor well and they took good shots," Rowan said. "When we rotate slow on defense, it opens up shooting lanes for them, and they started taking advantage of those shooting lanes in the fourth quarter."

HUB SPOTLIGHT

Burdin bringing scoring mentality to the Hubs

BY RUSSELL HODGES

SPORTS EDITOR

OCHELLE guard Garrett Burdin looks up to some of the greatest scorers in school history. Those players include Hall of Famer Ben Rand, Grant Prusator and Matt Rosenwinkel, who all played collegiately and found success as NCAA Division I student-athletes.

With those players in mind, it's no surprise that head coach Tim Thompson credited Burdin for having a scorer's mentality after the 6-foot-2 guard strung together his best performances of the season during the E.C. Nichols Holiday Classic in Marengo. Burdin's 24-point effort and six made 3-pointers propelled the Hubs over Belvidere in dominant fashion, and his 25-point outing led Rochelle to a near-upset against Crystal Lake Central this past weekend.

"Having a scorer's mentality fuels my game," Burdin said. "I like picking up the scoring for my team and doing whatever it takes to win. It all starts over the offseason, and our program is great when we dedicate ourselves because it's all about how much work we want to put in. Working over the offseason and at home has helped me a lot, and our team chemistry is great because we feed off each other and we help each other get better."

Burdin has been exposed to higher competition since his freshman season, when he played up with the sophomores and helped Rochelle win the Plano Christmas Classic and compile over 20 victories. He averaged over 10 points per game in his first varsity season last year, but an improved offensive arsenal including mid-lane floaters and short-range jump-stops has allowed him to increase his scoring output and average nearly 16 points per game this season.

"I've been creating goals and dreams for myself ever since I touched a basketball," Burdin said. "My dream is to play Division I basketball and I'm willing to do whatever it takes to make that dream come true... I want to shoot at a higher percentage than I am right now, and when I'm shooting a high percentage, I can create more opportunities for my teammates."

Burdin enjoys scoring the basketball as much as he enjoys playing to the crowd, and the talented guard had that chance when Rochelle and Kaneland engaged in a high-octane shootout this past season. The battle pitted Thompson against his coaching mentor Russ Zick, and the game featured several high-level scoring efforts including a 22-point night from Burdin, who canned four triples in the second quarter and six 3-pointers for the game.

"My favorite moment was the Senior Night game against Kaneland when we

won 88-84," Burdin said. "It was a highscoring and fast-paced game and that's how I like to play... It was a really fun moment in the home gym. I feel that when I can bring energy to the floor, it brings out energy from everybody, and I want to be that high-energy player who hypes everybody up. Shooting is contagious, and I feel that energy is contagious too."

Burdin and his Rochelle teammates are looking to build off their strong finish to the Marengo tournament this past weekend. While the Hubs (4-8) struggled with some early-season adjustments, Burdin is confident that the team's renewed chemistry will result in more wins for the purple and

white over the next few months. "I felt like we struggled during the early part of the season, but I feel like we've become closer since we got through the Christmas tournament," Burdin said. "I think that tournament can be a big turning point in our season, and I feel that we have a lot of games coming up that we can win. I think we're going to start hitting our stride as we get ready for February and March."

Harvey, Wyatt earn RTHS Scholar-Athlete Awards

Former Hubs honored during January basketball game

BY RUSSELL HODGES

SPORTS EDITOR

ROCHELLE — Rochelle Township High School crowned the two newest winners of its Rochelle News-Leader Scholar-Athlete Award when the varsity boys basketball team hosted Plano on Wednesday.

RTHS recognized former Hub and Lady Hub student-athletes Alex Harvey and Jacie Wyatt during halftime of Wednesday's game. Both Harvey and Wyatt excelled in sports throughout the 2017-18 school year before graduating RTHS in 2018.

Harvey currently attends Washington University in St. Louis, while Wyatt attends Colorado State University. Wyatt currently studies business administration at Colorado State, while Harvey studies biomedical engineering at Wash-U

"I'm extremely honored to have been selected for this award and I think that recognizing both academics and athletics is awesome," Harvey said. "So far college has been a very fun challenge. I've had to adapt to a lot of new things, but I've made new friends that have helped me along the way, which is probably my favorite part about college. I enjoy the collaboration and the ability to meet new people."

"I'm so thankful to have received this award," Wyatt said. "It's an honor to be recognized for balancing athletics and academics at the same time throughout high school. My college experience has been great so far. I'm meeting so many new people and learning a lot about myself. I've enjoyed getting involved on campus."

Harvey graduated RTHS as one of Rochelle's most accomplished football players, earning First-Team Academic All-State and First-Team All-Conference honors his senior year. He also placed twice at the individual state wrestling championships, and he led the Hubs to

fourth place at the state dual championships his senior season.

"I miss the atmosphere of high school sports," Harvey said. "There's nothing like Friday night lights and playing for your hometown with friends you've known for your entire life... RTHS academics built a solid foundation for me to improve upon in college. Many of the ideas and problem-solving techniques I was taught in high school have been an integral part of my college education."

Wyatt led Rochelle on the volleyball court, earning First-Team All-Conference honors over her junior and senior seasons. In addition to receiving an Academic All-State Honorable Mention her senior year, Wyatt stood out in track and field, qualifying for the state championships over all four years and medaling in the 1600-meter relay during her sophomore, junior and senior seasons.

"I miss being part of a

team the most," Wyatt said.
"I miss seeing my teammates and coaches every day after school and just having a blast at practices.

RTHS academics have definitely helped me prepare for college. I learned time management and study skills that I still use in college. All my teachers prepared me so much that the transition to college work was a lot easier than I thought it would be."

Rare spare helps Shank reach IHSA Sectional

RTHS grad advanced out of January regional event

BY RUSSELL HODGES

FREEPORT — The 4-6-7-10 split, known as "The Big Four" or "Grandma's Teeth" by many players, stands as one of the most difficult splits to convert in the sport of bowling. According to data gathered from the PBA website, the chances of successfully making the split are roughly 1 percent.

Rochelle senior Brady Shank left the 4-6-7-10 split during the IHSA Freeport Regional at Four Seasons Bowling Center on Saturday. The tough conversion chance left Shank discouraged, but when he lined himself up to throw his spare ball at the 6-10 combination, something magical happened.

The senior hit the 6-10 combo with enough speed and power that one of the pins ricocheted off the back wall and flew into the 4-7 combo, knocking over both pins to complete the split conversion. It was only the second time

that Rochelle head coach Doug Koch had seen the 4-6-7-10 made during high school competition.

"I was a little upset when I left the split and so I carried on like usual and threw at the 6-10," Shank said. "I was very excited and I was actually really shocked. It's very rare to see somebody pick that split up, and to see all the bowlers surrounding me cheer me on and give me high-fives was a fun and exciting experience."

It couldn't have come at a better time for Shank, who led the Hubs with an 1,163 series over six games to place 13th in the regional tournament. The big conversion helped Shank qualify for the IHSA Rockford Jefferson Sectional as a top-10 atlarge player, and Shank will compete at Don Carter Lanes this coming Saturday for a chance to reach the IHSA State Championship.

"I felt a wave of excitement and motivation when I heard my name called," Shank said. "I have lots of support from bowlers in

other towns who knew I'd make it and who believed in me. Having their support helps so much more. I'm more than happy."

Rochelle finished ninth out of 10 teams at the regional tournament, with Freeport knocking down 6,003 pins for first place. The Hubs recorded 4,909 pins behind Shank and seniors Dallas Driver and Tyler Johnson, who recorded 1,049 pins and 1,035 pins, respectively. Senior Nick Stevens added 938 pins, with freshmen Devansh Patel and Sergio Guevara combining for 724.

Shank began the tournament with 216 in his opening game before rolling 185 and 172 to finish with a 573 series. The senior shot a tournament-best 222 to begin the second half of competition, adding 191 and 177 games to finish with a 590 series and seal an at-large bid.

"I think everything went smoothly for the most part," Shank said. "There were some rollercoaster emotions but that just comes from my de-

termination for the sport. I was able to jump back up and get my feet under me, and I continued going with my plan to bowl well. I'll need to be prepared to pick up my spares and come in with a hungry attitude next week."

Rochelle totaled 800 pins in the first game before adding 780 pins

in the second game and recording 831 pins during the third game behind Johnson's 215. Driver's 232 helped the Hubs knock down 937 pins in the fourth game, and Rochelle wrapped up the tournament with 787 in the fifth game and 774 in the sixth game.

"I will be practicing for

at least 2-to-3 hours every day and I will be working a lot on my spares, especially single-pin spares," Shank said. "I want to spend some time getting back to the fundamentals and getting to the root of my game. I'll be doing a lot of mental preparation and positive thinking this week."

network reportedly has approached "Modern Family's" Sofia Vergara. If this comes to fruition, I'd like to nominate her co-star Eric Stonestreet to be a judge in the form of his character Cameron.

Q: Do you know if "Midnight Caller" or "Paper Chase" will ever be shown on cable TV oldies stations, like Cozi, MeTv, etc.? -- K.H. A: For those who don't remember, "Mid-

night Caller" was a drama that ran from 1988 to 1991, starring Gary Cole as an ex-cop who hosts a radio talk show in San Francisco. It costarred Wendy Kilbourne ("North & South" miniseries) and Mykelti Williamson ("Forest Gump"). Cole, as you probably know, has gone on to have a thriving acting career in movies like "Office Space" and TV shows like "The Good Fight.'

"The Paper Chase" is considered a classic, having run from 1978 to 1986, and it starred John Houseman as a strict law school professor. Fortunately, unlike "Midnight Caller," "The Paper Chase" is available for purchase on DVD. If I were you, I would write both networks (www.cozitv.com/contact and www.metv.com/contact/shows/) to suggest these series be added to their channel lineups. Good luck!

Hubs topple Interstate 8 Conference opponents

Rochelle grapplers defeat Morris, Ottawa in home double dual

BY RUSSELL HODGES

SPORTS FOITOR

ROCHELLE

An opening-round loss couldn't hold Rochelle senior Hezekiah Jefferson back from delivering a critical victory for the Hubs during their Interstate 8 Conference double dual against the Morris Redskins and the Ottawa Pirates on Friday.

Jefferson faced a tough opponent in Rochelle's first dual with the Redskins, falling against 195-pounder and fourthranked state wrestler Robby Bates. The Hubs needed Jefferson to step up in their dual with Ottawa, and the senior came through with an enormous cradle against Pirate grappler Brett Galletti in the final seconds of the first period to help Rochelle defeat Ottawa 56-24. The Hubs (12-2 overall) topped Morris 49-26 earlier in the day.

"I took my loss and I remained focused," Jefferson said. "I had to figure out what I could do to win the next match... I tried shooting a high crotch, and when the wrestler came into my leg, that's when I had the opportunity to put him in a cradle. It's a good win for me, and as long as I do what I have to do, that's all the matters."

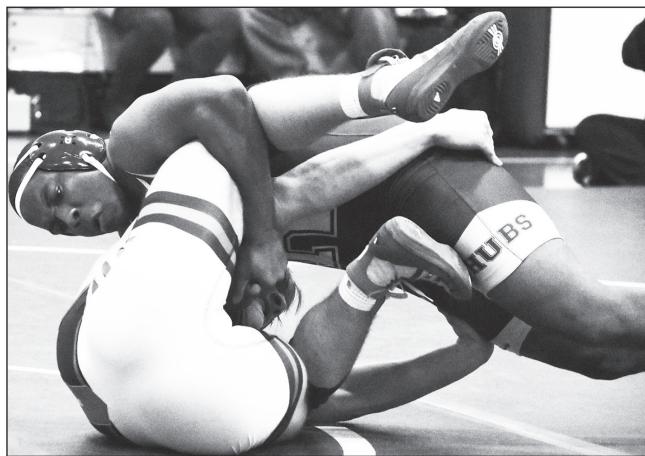

Ottawa gained the early advantage after 160-pounder Hunter Duffy pinned Rochelle's Zeke Horn early in the

second period. The Hubs bounced back when 170-pounder Bryan Garza notched a first-period fall over Colton Johnson and Ben Harvey edged Pirate wrestler Cedric Fairrow by 6-3 decision in the 182-pound bout.

Jefferson's fall over Galletti gave Rochelle a 15-6 lead and preceded Gavin Ansteth's secondperiod fall over Brandon O'Brien in the 220-pound bout. Back-to-back pins from 285-pounder Zack Capes and 106-pounder Ivan Pineda capped off the team's 33-point scoring run.

"It's a big relief and it's refreshing for me to be back," said Ansteth, who has returned to the Rochelle lineup after recovering from an ankle injury during the football season. "I'm happy to be back down to weight and have my ankle healthy. As long as we keep chugging along, we'll be in good shape. We need to keep working hard in practice, and our practices have been more intense recently. I think that's helped us beat a lot of these teams."

113-pounder Riley Hanson's fall over Weldon Nay snapped Rochelle's scoring streak, but the Hubs were quick to strike back after forfeiting the 120-pound bout. Caleb Nadig made slight work in the 126-pound bout with a 58-second fall over Cole Flores, and Grant Thompson won the 132-pound

bout with a fall.

State-ranked wrestler Luke Fleming claimed Ottawa's fourth and final win with a fall over Wade Samp in the 138-pound bout. Keegan Davis-Carter dominated the 145-pound bout, totaling five takedowns and three near-falls for an 18-3 technical fall. Ethan Tooley capped off the dual victory with a forfeit win in the 152-pound bout.

Morris

The Redskins claimed two consecutive bouts to

open the first dual, with Bryce Claypool defeating Zeke Horn in the 152-pound matchup by 16-4 major decision and Diego Escobar forfeiting the 160-pound matchup after suffering a knee injury near the end of the first period. Bryan Garza put Rochelle on the scoreboard with a third-period fall in the 170-pound bout.

Ben Harvey compiled three scoring moves (reversal, takedown and nearfall) for a 7-0 decision against Drayden McKerrow in the 182-pound bout

before Robby Bates defeated Hezekiah Jefferson by fall in the 195-pound bout. Gavin Ansteth turned Juan Gutierrez over in the final seconds of the first period for a fall in the 220-pound bout. Both Zack Capes and Ivan Pineda took forfeits in the 285-pound and 106-pound matchups to give the Hubs a 27-16 lead.

Weldon Nay continued his recent winning ways with a third-period fall over Nolan Washburn in the 113-pound bout. After Rochelle forfeited the

120-pound bout, Caleb Nadig crushed Cameron Skoff in the 126-pound bout, winning by fall in only 36 seconds. The Hubs took two of the final three bouts, with Keegan Davis-Carter pinning Milton Mondragon at 138 pounds and Ethan Tooley notching a 14-4 major decision at 145 pounds.

Rochelle will continue conference competition with a home dual against Sandwich on Thursday, Jan. 9. The Hubs will then wrestle in the Sycamore Invitational on Jan. 11.

DANCE: State performance highlights 2018-19 season

From page 3

Rochelle will dance at the state championships for the second time in three years after the team placed second at the sectional level and advanced during the 2016-17 school year. Senior Taylor Kreider is one of a few dancers who remain from Rochelle's last state-qualifying team, and she said the team's competitive spirit was a prime motivator for getting back to the state level.

"We all have the same goal when it comes to competing, and that's making it to state," Kreider said.
"You really have to have good chemistry as a team, and we and believe in one another and know that we can all do it. When they announced our name for state, I instantly started crying out of joy. I was so excited to hear that were were actually going."

The Rochelle dance team capped off an impressive 2018-19 competitive season with a trip to the IHSA State Championships in Bloomington. The team featured Margaux DaCosta, Kayden Kannheiser, Kelsey O'Brien, Taylor Ponto, Jasmine Sarabia, Kayla Keilman, Lindsey Lidren, Jessica Vagle, Erin Decker, Sarah Dreska, Kaitlyn Drilling, Tatianna Contreras, Taylor Kreider, Hayley Davis, Alva Valle and Logan Lidren.

Valle, the performance was a complete demonstration of the hard work she and her teammates put in since the start of the school year.

"It's all about pulling each other in for support and helping one another to have confidence during practice and performances," Valle said. "This is a great way to end my senior

year with a song and style that has meant so much to me all my life. Going to state is literally a dream come true for us seniors, and we will cherish every moment while having fun at state."

Sixteen dancers make up the Rochelle squad this year including senior Logan Lidren, who performs as the only boy on the team. Lidren has danced since he was in second grade, and while he's been used to dancing with mostly girls throughout his life, he said he hopes to be a role model for younger male dancers.

"I think the hardest part of being the only boy on the team this year was my first basketball game," Lidren said. "I was terrified to mess up because I knew everyone would be watching, but it went very well

and it was great to surprise the audience, especially when I slid down into the splits. Dance is a hobby and a sport for me, and hopefully more boys will not be afraid to join the dance team."

Mickley reaches IHSA Sectional bowling meet

Lady Hub rolls at February regional

BY RUSSELL HODGES SPORTS EDITOR

DEKALB — Rochelle freshman Alyssa Mickley

was shocked to hear her name called as an at-large sectional qualifier during the IHSA Sycamore Regional at Mardi Gras Lanes this past Saturday. Mickley knocked down

1,006 pins over six games to place 28th out of 67 bowlers and qualify for the IHSA Rockford Jefferson Sectional at Don Carter Lanes this coming Saturday. Mickley edged out Kaneland's Alexis Vittal by three pins for the 10th and final at-large qualifying spot. Rochelle finished 11th out of 12 teams with 3,643

"My teammates were telling me that they knew I could do it," Mickley said. 'I was pretty shocked when everything happened...I'm going to make sure I stay positive at the sectional and

not get down on myself if I miss my shots."

Mickley began the tournament with one of her best three-game performances of her freshman season, rolling 191, 215 and 159 during the first half of competition for a 565 series. The Lady Hub bowler was ranked 13th individually with three games remaining on the afternoon.

"I made sure I was throwing my strike ball really well and I was concentrating hard on picking up my spares," Mickley said. "I made sure I was looking at my mark, and I was throwing the ball where I wanted to.'

Aslow start to Mickley's second three-game series (116) meant she needed to throw back-to-back solid games to have a chance at qualifying for the sectional. The freshman tossed 157 and 168 for a 441 series to close out the tournament, and despite a tough

fourth game, Mickley said that encouragement from head coach Joey Johanning helped her stay positive.

'I was getting pretty upset by how I was bowling, but my family and my teammates were encouraging me to try doing my best," Mickley said. "Joey talked to me after the game, and he was making me laugh which helped me bounce back.'
