# Former Nippon Sharyo facility sells

BY JENNIFER SIMMONS MANAGING EDITOR

ROCHELLE—A57acre property previously used by Nippon Sharyo, a Japanese railcar maker, has been purchased; however, the buyer and what the two buildings will be used for has not vet been identified.

"All we know is what is in the public record regarding the purchase of buildings that were once home to the Nippon Sharyo manufacturing facilities," City of Rochelle Economic Development Director Jason Anderson said. "We are waiting to meet with the company representatives and it will be up to them to make an announcement on the name of the company and what the use of the facilities will be."

According to public

record, the facility is listed under the name of a limited liability company, 1600 Ritchie Court. That LLC was filed on Nov. 7 in the state of Delaware under The Trust Corporation of Wilmington, Delaware, in New Castle County, Delaware.

The two building, 800,000 square foot facility was previously owned by the railcar manufacturer and was opened in 2012. The company announced its closure in 2018; prior to closing, there were several rounds of layoffs at the facility.

"I think it closed on the 12th of December," Anderson said. "I am not sure when we will meet. The broker is the "go-between" and he says they will contact us when they are ready

"Originally, the call was a car fire, but actually it seems something put into the garbage started on fire and then it climbed up the outside of the garage," Sawlsville said. "The owner was home and was alerted when he heard some popping noises."

Sawlsville said the fire damage was pretty much contained to the garage,

# New year will bring a higher minimum wage, legalization of marijuana

# Hundreds of state laws take effect in January

**By JERRY NOWICKI** 

**CAPITOL NEWS ILLINOIS** 

**SPRINGFIELD** – The state's minimum wage will increase by \$1 hourly, recreational marijuana will go on sale to those over 21 years of age, and some state taxes and licensing fees will increase when the calendar hits January.

The changes are among hundreds resulting from laws passed during a busy legislative session which adjourned in early June.

Minimum Wage: The minimum wage will increase by \$1 to \$9.25 hourly on Jan. 1, the first such increase since 2010. The wage will increase to \$10 hourly in July before increasing \$1 each January until it hits \$15 by 2025.

Marijuana Legalization: With the legalization of adult-use marijuana in the state, Illinois residents will be allowed to possess 30 grams of cannabis flower, 500 milligrams of a marijuana-infused product and 5 grams of cannabis concentrate. Non-residents can

possess half those amounts.

Consumption of marijuana will still be banned in public places, however, unless a licensed marijuana facility or certain lounges obtain local government clearance for allowing use at their facilities.

Marijuana legalization will also provide for the expungement of low-level cannabis convictions and criminal records in the state, the first of which were filed in Chicago this month.

New Taxes, Fees for Capital Plan: Some new taxes and fees which will help fund a multi-year \$45 billion capital infrastructure plan will also take effect starting in January.

Registration fees for passenger vehicles will increase to \$151 from \$101, while electric vehicle registration fees will increase to \$251 annually from \$34 every other year.

The licensing fee for a trailer weighing less than 3,000 pounds will increase to \$118 from \$18, with every weight class above that also

seeing a \$100 increase.

A new tax on parking garages will also take effect next month, with a 6 percent rate applied to hourly and daily garages and a 9 percent rate applied to monthly.

The state will also begin taxing the value of traded-in vehicles starting after \$10,000 of value, down from \$20,000.

# Other new laws

The maximum fine for a hitting a construction worker with a vehicle will increase to \$25,000 from \$10,000.

Those violating "Scott's Law" by failing to reduce speed or change lanes when an emergency vehicle is stopped on the side of the road will see increased fines in the new year as well. The minimum fine for a first offense will increase to \$250 from \$100, while the minimum for a second offense will be \$750.

# Ogle County again offers holiday light recycling

**OREGON** — It's that time of year again when we start to decorate for the holiday season.

When you come across holiday light strands that refuse to work, have those light strands recycled instead of landfilling them. The Ogle County Solid

#### **NEED FOR WILL** Many people who have

relatively simple lives don't feel that they need to go to lawyers to have their wills drawn up. They own some property jointly with their spouses and feel that is enough. The truth is that if you die

intestate (without a will), your estate will be divided according to the current laws of your state. In one state, for example, if a person dies intestate and leaves behind a spouse and children, the law decrees that the spouse shall get one-third of the estate, with the rest divided among the children. If the deceased has no children, but does leave a spouse as well as a surviving parent, the spouse gets onehalf of the estate, with the rest

going to the parent.

In other words, if you are married and die without a will, your spouse will not automatically inherit your entire estate. So forget any preconceived notions of what will happen to your property. Make a will so that you can be sure that it goes as you wish.

# **Pritzker administration** secures \$40.2 million federal preschool development grant

New federal funds follow creation of Early Childhood Education Commission and **Record Investments** 

**SPRINGFIELD** — In line with Governor J.B Pritzker's vision of making Illinois the best state in the nation for families raising young children, the Pritzker administration announced it has secured \$40.2 million in federal funding over the next three years to improve early childhood programs

"From our aggressive efforts to secure federal funding to our historic investments in early childhood programs and facilities, Illinois will become the best state in the nation for families raising young children," said Governor JB Pritzker. "We have so much more to accomplish for Illinois families and their children, and this administration will continue investing in the care and education our kids need to succeed."

From 2020 through 2022, the state will receive \$13.4 million per year from the Preschool Development Birth through Five (PDG B-5) Renewal Grant, administered by the U.S. Department of Health and Human Services.

The competitive federal program supports states' efforts to build early childhood program infrastructure and expand high-quality preschool programs in targeted communities that would serve as models for expanding preschool to all 4-yearolds from low- and moderate-income families. The award comes with a 30 percent cost-sharing commitment with non-federal funds and can be used to strengthen coordination within the mixed-delivery system, improve program quality or expand services.

Last week, Gov. Pritzker announced that the administration is increasing reimbursement rates by 5 percent for child care providers statewide and by a total of 20 percent for providers in Group 2 counties, primarily in rural areas. An additional \$3 million is being dedicated for workforce training, and a new 29-member commission of experts has been tasked with taking a fresh look at the state's entire ECEC system.

In the 2019 legislative session, the Governor and General Assembly also made the largest investment ever into early childhood programs and facilities in state history. The Early Childhood Education Block Grant was increased by \$50 million, and the Rebuild Illinois capital plan dedicated \$100 million to early childhood facilities across the state.

# **Master Naturalist** training announced

**OREGON** – University of Illinois Extension invites adults of all ages to join them for the 2020 Illinois Master Naturalist training.

The classes will be held in Ogle County on Monday evenings from 5 to 9 p.m., starting March 16 and ending May 18. The goal is to encourage participants to seek out lifelong learning opportunities to further their development as a naturalist.

Master Naturalist participants agree to serve 60 hours of volunteer service within the first two years of their initial classroom experience. # Make it a great new year

HRISTMAS came and went in a hurry, didn't it?
Thanksgiving seemed just yesterday, and now we are approaching a new year, a new decade, one undoubtedly filled with

uncertainty, anxiety and hope. Arguments we did not have, issues that a decade ago

were not

Terry Dickow

discussed, are now part of our daily lives. We can't hide from them, we can't ignore them.

Those issues should not be ignored. Racism, homophobia, sexual harassment and hatred in all forms need to be addressed and remedied. Maybe this next decade will see a country where the people accept others for their differences, not exclude them because of those differences.

Hope still lives.

The Christmas spirit visited Rochelle. You can see it in the mittens, scarves and hats out in front of Needles downtown. They are free for anyone who is cold and needs an item. You could also see it at Jeff Perry automotive which, following the tradition set by the Sawicki family, offered free repairs to needy local residents.

Just two examples of local businesses taking care of local people.

I am in Rotary, and members are selling From the Heart calendars that help fund several agencies that assist local people. Hope, Rochelle Child Care Center, CASA, Hub City Senior Center, Rochelle

Christian Food Pantry,

Shining Star, Rochelle Area Community Foundation and Focus House are among agencies that share in the revenues from the sales. Rotary also uses the money to fund projects such as the summer lunch program, WRHL food drive, CAN shopping trip and scholarships.

Calendar sales are ending soon. You can still buy one, or two. I believe the agencies all have calendars to sell, but if you can't find one, e-mail me and I will get one to you.

By the way, you can win money. For the \$20 it takes to purchase a calendar you a chance to win up to \$1,000 (on holidays) and \$25 daily — you have a chance to win every day of the year. Odds of winning are better than the lottery.

I am working on some resolutions.

I always seem to list three that I can 't keep: Eating healthier, exercising more, being more patient – they just don't work.

So this year:

I resolve to start each day with a deep breath and cup of tea.

I resolve to watch more movies.

I resolve to learn how to use my electronic devices. (I have had a computer for years but just learned if you hit control, shift and either plus or minus, you enlarge or shrink the page. At my age, the enlarge part is very helpful).

Use less plastic. There, I have resolved. I just hope I can do some of them.

Happy New Year!

# A message of positivity

Dr. Laurie

**Borowicz** 

N Dec. 14, 155 of our 470 graduates joined us in celebrating graduation from Kishwaukee College. Commencement is the highlight of the year for those of us working in higher education, as we gather to celebrate the success of our students with their family and friends. Given the holiday season, and the spirit

of good will and kindness toward others, it seems appropriate to share the Commencement Address I delivered at graduation.

During my four years as president at Kish, I've seen changes and challenges - in our college, communities, state and nation. And there will be more. The rate of change continues to increase exponentially. The fourth industrial revolution, driven by technological change, is upon us.

Change is hard for all of us. We feel a loss of control; we fear the unknown. These feelings, and the resulting emotional responses, at times don't bring out the best in us.

It seems right now, respect for each other, in all aspects of our world, is challenged - we see it in the media, in politics, and in society in general. The focus is often on what's wrong, rather than what's right. We work to hang on to what we have, rather than compromise.

As graduates, and future leaders, you have the ability, and opportunity to change the world, and influence others. Ask yourself - Who will you be? What will you stand for? Will you survive, or will you thrive? Will you support and encourage others, or will you cut them down? Will your glass be half

empty, or half full?

You will always be a student of life, learning something new and different. How will you apply your new knowledge? How will you embrace change? How will you treat others that disagree with you or those that are different from you?

My challenge to you, graduates, is this: Be positive. Focus on what is right. Be a part of the solution. If something is broken, fix it. If someone has ideas or perspectives different from yours, listen to them. If someone is in need, help them. Be kind to others - in your words, and actions.

Talk about the good things in life. It's so easy to get caught up in the negativity. Rise above it.

I want to close with the words of Mahatma Gandhi:

"Keep your thoughts positive because your thoughts become your words. Keep your words positive because your words become your behavior. Keep your behavior positive because your behavior becomes your habits. Keep your habits positive because your habits become your values. Keep your values positive because your values become your destiny."

Graduates, I wish you happiness and all the best in life.

Happy Holidays from all of us at Kishwaukee College.

Dr. Laurie Borowicz is the president of Kishwaukee College

# A look at what 2020 might bring

would love to give 2019 a punch on its way out the door.

Polar vortex. Rained out May. Almost no real summer. Early winter. In short, this has not been a great weather year.

And nationally? Forget about it. The horror show in Washington, D.C. continues to haunt everyone in the country.

So, it is with much anticipation that I look forward to 2020. It's also a nice round number, so that should mean something good, right? Even if it means nothing, I am holding out hope that 2020 will be a much better and calmer year than 2019.

In fact, I am going to go out on a limb and make a few predictions for 2020. I have no special powers, of course. No matter what you see on the "Long Island Medium," no one really has the power to see the future or read minds.

That won't stop me

from giving it a shot – so here we go.

\* The Chicago Bears

will win the NFC North in 2020. This is a lock. You can bet your entire salary and every dime you have put in the college fund you started for your children. Heck, take that rainy-day money you have stashed in the cookie jar and put it on the Bears. Trust me. And by trust me, I mean ignore me, because I really have no idea what I am talking about. But seriously, the Bears in 2020.

\* There will be a presidential election in 2020 and someone will win. But it won't be Donald Trump. No, Trump is going quit the presidency to join the senior PGA tour. He already spends most of his time golfing, so in 2020 Trump is going to leave the hassles and distractions of public office and put his energy

into the one thing he really loves – no, not himself, golf. James Comey will be his caddy.

\* The first child with

a smartphone for a head will be born in Manhattan. We all know it is \_\_\_\_ only a matter of

time before this happens.

\* The Ogle County Board,

which already has

Brad Jennings than most local church congregations, will consider a plan to cut the number of control board members down to

make it more manageable. Instead, it votes to increase the number of board members to 762. All future meetings will be held at Barnacopia.

\* The Blackhawk Statue will be uncovered just in time for it to be covered again in order to fix the problems caused by it spending so much time being covered.

\* Bernie Sanders will drop out of the presidential race after discovering the sublime pleasure that is the Golden Corral buffet. Alas, he will be banned by the chain after ranting at a kid in the dessert line about "free pudding for all." He will last be seen mumbling to himself as he staggers into a KFC to "save" the chickens.

\* With recreational marijuana now legal in Illinois, there will be a noticeable increase in the sales of Cheetos and Funyuns. The use of the words, "dude," "whoa" and "totally" will also skyrocket. The entire state will feel mellowed out and will chuckle uncontrollably at times.

Only time will tell any or all of these come to pass. My bet would be on a solid 0-7 performance by me. But I do hope you all are ready for a great 2020. Couldn't get any worse, right?

Brad Jennings is Editor of The Ogle County Life

# "Key" Strategies For A Safe New Year's Celebration:

- Plan an alcohol-free celebration Host a fondue or "make your own" ice cream sundae party as a fresh alternative. Add some fun party games to keep guests entertained without drinking!
- Check your keys with the host This is an effective strategy for giving the host some control over inebriated quests.
- Keep the number of a taxi company handy - A good tip for both party guests and hosts alike.
- Offer to drive a guest home Start the New Year off right by performing a good deed and help keep drunk drivers off the road.
- Appoint a designated driver Use the buddy system and you can return the favor next time.
- Provide lots of snacks to party guests - Drinking on an emptystomach rapidly increases alcohol's debilitating effects.
- Post transportation info on party invites - Include information for public transportation, car pools and taxi company phone numbers.
- Don't let a friend drive drunk Take the car keys away or use one of the strategies above to see your friends safely home.

It probably comes as no surprise that more traffic fatalities due to drunk driving occur at the New Year than any other time, but of course, you should never drink and drive. With your safety in mind, these community sponsors urge you to review these important tips for hosting or attending a safe celebration!

A New Year is coming bringing much celebration, With good friends & good times & free-flowing libation. So party on hearty, but leave driving alone, Because we want to see you get safely home!

Lady Hubs battle Woodstock, Quincy to open KSB Dixon Classic

BY RUSSELL HODGES

SPORTS EDITOR

**DIXON**—Junior point guard Sofia Lenkaitis had her offensive talents on display when the Lady Hubs tipped off their KSB Dixon Holiday Classic game against Quincy on Thursday.

Lenkaitis torched the Blue Devils from the perimeter, knocking down six 3-pointers and scoring a game-high 21 points including all nine of the second-quarter points for Rochelle. While Lenkaitis found her rhythm early in the game, the Lady Hubs were unable to crack Quincy's interior defense, and a dominant fourth quarter from the Blue Devils doomed Rochelle in the team's 61-34 loss. The Lady Hubs (3-11) fell against Woodstock earlier in the afternoon.

"This was definitely a game where Sofia was focused and she moved into open areas really well," head coach Tony Rowan said. "She knocked down both uncontested and semicontested shots for us. We talked at halftime about getting the hot player

the ball, so we tried finding different ways to move her around throughout the game."

ily Wilson and Brin Hultz were tough to handle, as the two Blue Devils were boxing out Lady Hubs throughout the evening and earning secondchance shots at the rim as a result. Rochelle trailed 17-10 after the first quarter, and while the Lady Hubs moved the ball well around the perimeter, Wilson and Hultz prevented Rochelle from getting any offense going in the paint or toward the basket. After three quarters, Quincy led

Rowan said. "It was our second game of the day, but it was the second game for Quincy as well. When the other team has a few bigger bodies that can bang around, it can wear us down as the game

over in the fourth quarter, pressing more on the perimeter and forcing several Lady Hub turnovers that resulted in easy layups

on the other end. Quincy opened the fourth quarter on an 18-4 run that features putbacks from Hultz, Wilson and corner 3-pointers. Guards Jordin Dickey and Bella Lodico combined for nine points in the game for

Rochelle.

"Our 2-3 zone was working pretty well for us throughout the game, but we need to be a little more aggressive in our man-toman defense," Rowan said. "Even when we're tired,

we have to take advantage of our opportunities."

Weylin Nay stands atop the podium after taking first place in the Stillman Valley Holiday Championships on Sunday.

# Junior Hubs shine at Stillman Valley tourney

# Eight local grapplers take home titles

#### **STILLMANVALLEY**

-The Rochelle Wrestling Club season continued with the Stillman Valley Holiday Championships on Sunday, Dec. 22. Nearly 30 grapplers participated in the tournaments, with eight Junior Hubs bringing home first-place titles.

Four members wrestled in the Tots Division including Rowen Villalobos (2-1) and Nehemiah Andronic (3-1) who each placed second in their respective brackets. Nicanor Anava finished fourth while Danny Johnson took fifth.

Two Bantam Division grapplers from Rochelle won titles including Quentin Ansteth (3-0) and Emilyn Voight (3-0). Quaid Heitz (2-1), Teddy Millard (2-1) and Elijah Nadig (2-1) all placed second in their respective brackets, while Dominic Escatel (1-2) and Garrett Miller (1-2) both finished third. Landon Johnson (1-2), Kollins Anaya and Steel Manning took fourth.

Zachary Johnson (3-0) was the lone Intermediate Division wrestlers to win a title on Sunday. Aidan Lopez(1-2) took third while

Benjamin Morris finished fourth.

Deegan Schabacker (3-0) led the Novice Division grapplers with a first-place finish in the Stillman Valley event. Roman Villalobos (2-1) placed second in his bracket, while Brenden Voight (1-2) and Boone Alderks (1-2) each took third.

The Senior Division featured four titleists from Rochelle including Kaiden Morris (2-0), Grant Gensler (3-0), Weylin Nay (3-0) and Xavier Villalobos (3-0). Joseph Nadig (2-1) and Tommy Tourdot (2-1) both took second, while Rhett Watson finished fourth.

# **GIRLS:** Lady Hubs fall to Rockford East on Friday

From page 1

The Lady Hubs had the edge on the boards, outrebounding Woodstock 24-17 in the game.

"A lot of what happened came down to the second half," Rowan said. "Keeping Woodstock under 40 points was a huge plus, but when we're not scoring many points, we need to find different ways to score. Live-ball turnovers and pushing the ball after defensive rebounds are ways we can score as opposed to relying only on our half-court offense."

Rochelle started slowly in the first half, scoring only three points in the first quarter and six points in the second quarter. The Lady Hubs continued to battle on defense, however, limiting Woodstock to three points in the second quarter to enter the locker room trailing 13-9 at half.

Both teams stepped up on the scoring end throughout the second half, with the Blue Streaks totaling 20 third-quarter points and Rochelle recording 15 points. While the Lady Hubs outscored Woodstock 10-6 during the fourth quarter, the early deficit proved costly in the loss. Elise Hayenga led Rochelle with six rebounds, and Lucy Bunger notched a teamhigh four steals.

#### Junior Alexis Sanford battles for a rebound during Rochelle's game against Rockford East on Friday.

The Lady Hubs didn't have the same burst as they had to open the tournament Thursday afternoon, and some weary legs resulted in Rochelle shooting only 19 percent from the field in the team's 51-26 loss to the E-Rabs on Friday. Junior Bella Lodico led the Lady Hubs with nine points in the game, while Lucy Bunger added six points.

"We looked tired and we played tired," head coach Tony Rowan said. "We gave up a lot of offensive rebounds and if our shots aren't falling, we're going to be in trouble. Our turnovers were down, and we took better care of our unforced errors. We gave ourselves 56 shots in the game, which is a good amount for us, but we have to make them."

Rochelle converted only five field goals in the first half, falling behind 24-10 after two quarters before Rockford East freshman

Zakira Williams dominated the third quarter. Williams attacked the basket and made shots in the mid-range area, helping the E-Rabs spark a 23-5 run that sealed the Rockford East victory.

Although the win was out of reach in the fourth quarter, Rochelle received ascoring boost from Lodico to close out the game. The junior made two closerange baskets and a free throw, and her transition dribbling pushed the pace and allowed for Lady Hub players to score easy layups. Rochelle outscored Rockford East 11-4 in the fourth quarter.

"Bella's letting the game come to her," Rowan said. "When she's aggressive, good things will happen for her. She worked on her shot a lot over the summer, and we're hoping that she can start knocking down some of these outside shots so she can get in the mix more often."

# CELEBRITY EXTRA

Q: I loved watching "Supernanny" and was sad -- but happy for her -- when she left to focus on her own family. Did she ever end up having children like she had hoped? -- E.P.

A: Jo Frost, the "Supernanny," made her debut on ABC 15 years ago but quit after several seasons in order to focus on her personal life, including, hopefully, having children of her own. Now, she's back with a new "Supernanny" series premiering Jan. 1 at 10 p.m. ET on Lifetime.

According to Lifetime, "The families featured this season are from cities and towns around the country, and they are dealing with diverse issues that span the spectrum of parenting challenges from postpartum depression, ADHD, kids obsessed with electronic devices, blended families struggling with children acting out and military and first responder spouses facing separations, to parents buried in their phones and more. "Jo will visit one new family each week

and use her trusted and proven methods and elevated teachings to help them change their dynamics while focusing on positive reinforcement and connectivity. As for her personal life, I couldn't find any confirmation that she married her fiance,

Darrin Jackson, who was the production manager of her original series, or that she has had any children. Q: Is there really going to be another

"Matrix" movie? Will Keanu Reeves be in it, or will there be all new characters? -- R.F.

A: Yes, there will another sequel, "Matrix 4," but it won't be released until 2022. The cast will again include Keanu Reeves as Neo,

Carrie-Ann Moss as Trinity and, reportedly, Jada Pinkett Smith as Niobe. New to the cast will be Jonathan Groff, best known as Holden Ford from the Netflix series "Mindhunter" and for voicing the character of Kristoff in the Disney "Frozen" movies.

It's hard to believe that it's been more than 15 years since the last "Ma-

Q: Is Bill Cosby in prison, or is he out on bail? How is his health? -- T.L. A: The disgraced comedian has been

serving a three- to 10-year sentence in a Pennsylvania state prison since September 2018. He was recently denied an appeal to overturn his conviction.

Cosby was convicted in 2018 on three counts of aggravated indecent assault against his accuser, Andrea Constand. At the time of his trial, he professed to be totally blind, but many people were skeptical and felt he was looking for pity from the jury. He is living in the general population of the prison and is reportedly quite popular, giving motivational speeches to inmates and working out regularly, losing weight.

City Senior Center would be a huge understatement. We had so much fun and created so

ries. We want to thank each and every one of you for your outpouring of love, cards, gifts, and friendship. You are one of God's greatest blessings to us and we thank you from the bottom of our hearts. The Christmas Walk and Open House was so much fun. The December birthday/ Christmas party was a huge success and everyone received a gift from the senior center.

City of Rochelle employees, including city manager Jeff Fiegenschuh and mayor John Bearrows, came and sang Christmas carols with us. It was really special. Sarah Flanagan from the Flagg-Rochelle Public Library read

from the book "Coat of Many Colors" and we made some really cool crafts, including adorable gnomes. We also decorated Christmas cookies to take

home.

We concluded those festivities by watching "Coat of Many Colors." It was delightful! In addition, Sarah arranged for Mrs. Browns' Tilton School fifth graders to join us at the center. Those kids were a blast. They sang for us and Deb

Hunley lead them in acting out and singing "The Twelve Days of Christmas." It was extra special for me because my grandson, Bobby Tourdot, is in that class. I tried not to embarrass him too much, but I'm not quite sure I succeeded. We are so blessed to have this wonderful senior center and sharing it with all of you is what makes it so wonderful. Thank you once again for

everything. Our January birthday party will be held on Wednesday, Jan. 22 at 10 a.m. Dinner will include baked pork chops, mashed potatoes and gravy, mixed veggies, dinner rolls, apple crisp and birthday cupcakes. Call

815-562-5050 soon to make a reservation.
