Jennie O'Rorke, Rochelle Christian Food Pantry recipients of this year's Gratitude Award

**BY ANDREW HEISERMAN** STAFF WRITER

**ROCHELLE** – This year's Rochelle Gratitude Award went to both an organization and an individual that have helped make an impact in the lives of many people in need within the community.

This year's recipient of the award was the Rochelle Christian Food Pantry and Jennie O'Rorke, the board president of the Rochelle Christian Food Pantry. O'Rorke and the food pantry were announced as this year's recipients directly following the annual Lighted Parade in front of Rochelle City Hall.

Rochelle Mayor John Bearrows explained that O'Rorke deserved the award for the amount of dedication she puts into helping the community and everyone living in it.

"Jennie has an overwhelming dedication to helping all areas of the

community, but especially helping people in need," said Bearrows. "She shows up to help, never complains and always has a smile on her face."

Immediately following the award presentation was the lighting of the community Christmas tree in front of city hall.

When O'Rorke learned that she and the Rochelle Christian Food Pantry were chosen to be honored as the 2019 Rochelle Gratitude Award recipients she was more than surprised.

One local youngster, Brooke, got a chance to get up close with one of Santa's reindeer and one of his elves in front of Terri Schaefer's State Farm Insurance office at Sixth Avenue and Lincoln Highway during the annual Christmas Walk Friday night. A variety of activities took place downtown, including a fire pit at the Flagg Township Museum where Santa and Mrs. Claus greeted children inside. Couple's annual holiday light display raises money for St. Jude's Children's Hospital

**BY ANDREW HEISERMAN**

**ROCHELLE** – A local couple are spreading Christmas cheer to the entire block with an extravagant light display, while also raising money for an important cause during this season of giving.

This is the 11th year that Ray Voss and his wife, Carolyn, have set up a Christmas light display at their home — 239 Phyllis Ave. — for the community to view. The display consists of more than 23,000 lights timed perfectly to twinkle on and off to the beat of 10 different songs. From beginning to end, the show lasts approximately 25 minutes and even has an FM transmitter so people can listen in their cars.

The idea for the light display began from seeing something similar on television.

with about 23,000 lights." When the show first began it had two control-

lers each hooked up to 16 strands of lights, now it has grown to 14 controllers hooked up to more than 120 different strands of lights.

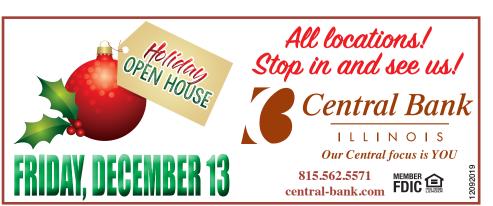

As well as putting the display on for the public to come and see, Voss also has a donation box set up outside in which all of the funds are given to St. Jude's Children's Research Hospital. He has been collecting and donating funds to them for the last 10 years and has donated more than

\$23,000. "I chose St. Jude because it is just one of those charities that everybody can relate too," added Voss.

Ray and his wife begin putting the lights up the first week of November and run them from 5 to 10 p.m., Sunday through Thursday and 5 to 11 p.m., Friday and Saturday through the first or second

week of January. Through the years of putting on the light display, the Voss's have heard many different responses from the community when they come to see his lights.

"I have heard many different things from 'my wife died and it was a tradition of ours to come see your lights', to people comments about people who have had children in St. Jude's before," added Voss.

current supreme governor of the Loyal Order of the Moose, paid a visit to the Rochelle Moose Lodge while on his way to the Mooseheart Child City and

School in Aurora Friday. During his one year term as the supreme governor of the Moose it is his duty to travel across the country, attending to his every single state, visiting as many of the Moose lodges as he can.

So far, he has visited

approximately 160 lodges in 26 different states.

"The primary responsibility of the supreme governor is to travel around the country visiting lodges, spreading the good word about the Moose and helping lodges by giving them

fore heading to Mooseheart,

so I thought I would stop in

Once arriving at the Mooseheart in Aurora, the board of directors will meet which will be followed by a tree lighting ceremony. Mooseheart is a residential childcare facility that aims to provide housing and schooling for children and families in need.

Mooseheart originally started out just for children and widows of former Moose members that had passed away, but has since opened its doors to anyone in need.

"We don't restrict the Mooseheart to just families of Moose members anymore, we have children as young as toddlers that are taken care of all throughout their lives until high school graduation," said Hammond.

The kids at Mooseheart live in a family-type setting in a house with family parents and family teachers, everything that a child would need is provided such as food and clothing.

Along with Mooseheart and the many lodges spread throughout the county, the Loyal Order of the Moose also offers housing, both independent and assisted, for senior citizens at its Moosehaven complex in Florida as well as their new Lodgic complexes.

The first ever Lodgic complex recently opened in Champaign, but construction is already underway on several others in Madison, Wisconsin and Louisville, Kentucky. The new lodgic buildings were created to both help raise money that will be used to help fund Mooseheart, as well as serve three separate operations under one roof.

"First is flexible childcare for parents, second is a workplace where people who don't work in an office or anything can come use equipment to make phone calls or do networking, and finally is a restaurant where anyone including the public can get anything from a small snack to an upscale dinner," added Hammond.

If the first three Logic buildings receive the response the Moose is hoping for, there could possibly be more built in the future.

Anyone over the age of 21, believes in any kind of higher being and has a current member sponsor is able to join the Moose.

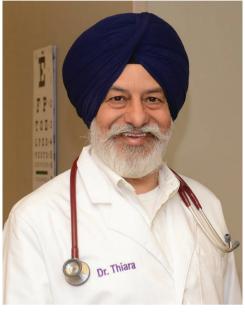

Happy Holidays!

Theater group gearing up for production of "In-Laws, Outlaws and Other People (Who Should Be Shot)

STAFF WRITER

**ROCHELLE** – As the holiday season approaches and people begin getting into the Christmas spirit, the Vince Carney Community Theater has a special holiday production in the works for the community.

The play, "In-Laws, Outlaws and Other People (That Should Be Shot)," is a family-friendly holiday comedy that is appropriate for all ages. The main focus of the play is a family that is attempting to get together for a Christmas Eve dinner but experiences many different obstacles along

"The mother of the family is stuck in an airport in another state, so the father and the daughter are left to get everything prepared for the in-laws to arrive," explained director Jeannette Mingus. "Then they get interrupted by two gentleman who have just robbed the store on the corner and are looking for a place to hide out."

The theater thinks that everyone in the audience will have at least one moment in the play where one of the actors reminds them of one of their own family

showings of the play ranging from just the show with dessert for \$15, the show with dinner or brunch for \$35 and the annual Gala Fundraiser that will include the show, dinner, live music and a silent auction for \$60.

#### Shows

The shows with just dessert will be on Thursday, Dec. 19 at 8 p.m. and Saturday, Dec. 21 at 2 p.m. The shows with dinner will be Friday, Dec. 20 at 6:30 p.m., and Sunday, Dec. 22 at 12:30 p.m., and the Gala fundraiser will be held on Saturday, Dec. 21 at 6:30

All tickets that include either dinner or brunch must be purchased in advance, while the shows that only include a dessert can be purchased in advance or at the door.

If attending the Gala event, people can dress up for the occasion if they would like to, but it is not required. The dinner is a little bit

All of the funds earned from the Gala fundraiser will be put back into the VCCT's project—renovating the old Lincoln School into their future home.

If everything at the site goes according to plan, the theater hopes to have it's permanent home complete and begin performing there by next summer.

"Don't give up on us, we are still here, putting on quality shows. It is different because we are in different venues around town, but we are still the same people doing the same hard work and it is really worth a ticket," expressed Mingus.

## Marjorie Adams

KINGS — On Nov. 29, 2019 at the age of 87, Marjorie "Marge" Alice Landaker Adams passed away to join her beloved husband of 65 years, William

"Mr. Bill" Adams. Marge got her final wish to pass on in the home she and Bill built,

which became known as "the red brick house of Kings." She was surrounded by family in her final hours.

Marge was born Aug. 2, 1952 in White Rock Township of Ogle County to parents, Richard and Mae Marie (Ralph) Landaker. In addition to her parents and husband, she is preceded in death by siblings, Roy and his wife, Bernice Landaker, Robert Landaker, Richard, fondly known as Dickie, and his wife Betty Landaker and Agnus and husband, Murray, Landaker Altenburg. Surviving sibling is baby of the Landaker family, Judith "Judy" Kay (Richard) Landaker Dorsa of Matawan, New Jersey.

Marge graduated from Stillman Valley High School. She wed her lifelong partner in life, William Adams on Oct. 4, 1952 after which William was shipped off abroad to fight in the Korean Conflict. Marge's cedar chest still holds letters home from the soldier to his new bride 69 years later.

Marge and Bill raised their five children in the red brick house of Kings. Three sons and two daughters, Steven W. "Steve" of Rochelle, Susan L. "Sue" Rice of Arizona, Scott R. (Sharon) of Colorado, Stanley E. "Stan" (Lisa) of Colorado and baby, Sandra "Sandy" (Richard) Pelka of Kings.

Because of Sandy's strong love and devotion to her mother with the support of her husband, Richard, and end of life care from Serenity Hospice and Home of Oregon, Marge got her final wish of being in her "red brick home of Kings" until the final day she left her home.

"The red brick house of Kings" saw a lot of life over the years, from their five children who grew up there to 11 grandchildren, three great-grandchildren and a fourth great-grandchild, Audrey Lynn, who arrived into the

world the same day of great grandma Marge's passing. We would be remiss if we did not mention two special kitties, Sunshine and Twinkles, who will be missing

Marge as well as her entire family. Marge did many

things to support her family. She was a farmer's wife. She could make a meal out of anything, which included the kids' "missing" pet breeder rabbits she tried to pass off as chicken, beef tongue, butchered hogs and beef, fresh berries, mushrooms, asparagus and whatever else could be grown and canned from the garden. Marge was a private housekeeper for Mr. and Mrs. Caron of Caron Spinning Yarn Co. and their daughter. She logged many hours behind the wheel of a Rochelle High School bus. Marge belonged to the VFW and Moose Club. Upon retiring from driving bus, she opened her home to private daycare in "the red brick house of Kings."

Marge will be cremated with her remains laid to rest this summer next to husband, Bill, at White Rock Cemetery when out of state family can gather.

Memorials may be made in Marge's honor to Serenity Hospice and Home, P.O. Box 462, Oregon, IL 61061 so other loved ones may spend their final time in their own "red brick house." Cremation care has been provided by the Unger-Horner Funeral Home in Rochelle.

Visit www.ungerhorner to sign the online guest book.

Just don't be surprised if by chance you drive by "the red brick house of Kings" in the early morning and you see a short elderly woman in a white nightie wearing sneakers without socks topping off the bird feeders in the backyard. It might just be Marge looking after the birds that don't want to leave "the red brick house of Kings" either.

## On to the next holiday

hope you had a great Thanksgiving. Mine was so food and family packed.

I forgot to do a column. I believe that is the second time I have forgot.

**Dickow** 

Thanksgiving...must be that Thursday holiday that confuses me.

The new banners and Christmas lights downtown are a welcome improvement over the decorations of a few years ago. Now, a little snow would give a nice holiday look to the slowly growing downtown area.

Sometimes we take things for granted. I am guilty of that as well as almost everyone else.

Hicks Hall at the Methodist Church is a good example. Pancake breakfasts and chili suppers aren't the only events there. I am in Vince Carney Community Theater and we have been rehearsing for our winter show at Hick's and the amount of activity there is amazing. Kishwaukee College has classes there. Girl Scouts and Boy Scouts, self-help groups and a host of other activities take place in the hall.

It's truly an asset, thank you Methodist Church leaders for opening the hall to so many groups.

I am one of 15 cast members in the upcoming VCCT show "In-laws, Outlaws and Other People (That

Should Be Shot)." Despite the title, it is a comedy.

But we have a problem. The show is being performed at The Flight Deck on Dec. 19, 20, 21 and 22. You should see details in print at some point.

Since there is no stage in the hangar, we are building one. A complete stage - 32 feet wide, 16 feet deep, with back drops and walls. And we have one day to

This will be a monumental task.

If you have any time on Sunday, Dec. 15, come to the Flight Deck after 12 p.m. and help build a set. I can't lift, so I am a holder. We need holders and lifters. If you have an hour or two or more, please help.

Christmas is often described as the happiest time of the year.

Yet, for many people, it is one of the darkest times of the year. Family illnesses, troubles, or deaths, job uncertainties, money problems, and a host of other issues can crop up in people who look happy.

Be extra aware of those around you and of yourself. If you feel troubled or overwhelmed, reach out. Talk to a friend, a minister, your doctor, or call the National Suicide Prevention Hotline at 1-800-2*13*-8255.

You don't have to be alone.

## Thankful for support of annual turkey shoot program

Dear Editor,

On behalf of the Rochelle Wildlife Conservation Club Officers and Board of Directors, I would like to gratefully thank you, Mr. Dave Burrows, and Rochelle Foods LLC for your very generous donation to our 2019 Annual Turkey Shoot program.

It is because of contributions like yours we have success in our programs that we offer the public each year.

President, Rochelle Wildlife Conservation Club and Officers Board of Directors

#### LETTERS TO THE EDITOR POLICY

The Rochelle News-Leader encourages responsible letters to the editor on subjects of interest to our readers. Editing may be necessary for space, clarity or to avoid obscenity or libel, but ideas will not be altered. All letters must bear the handwritten signature of the writer and include address and phone number or e-mail address for verification purposes. Neither the street address nor phone number will be printed. Letters should be typed or legibly

handwritten, and no anonymous letters will be published. Any letters from boards or organizations must include at least one name of an individual. Any criticism of public officials should be limited to issues related strictly to their position or actions made in office, as personal attacks will not be published. Letters involving private disputes between the writer and a business will not be published. Political endorsements will be published,

however letters rom candidates endorsing themselves will not be printed. Letters may be dropped at the News-Leader office (211 IL Route 38 East), mailed to the News-Leader (P.O. Box 46, Rochelle, IL 61068) or e-mailed (news@rochellenews-leader.com.) The News-Leader reserves the right to edit or reject any letter to the editor for any reason, and letters chosen for publication do not necessarily reflect the views of this newspaper.

#### Making spirits bright

(COURTESY PHOTO)

Rochelle Rotary Club members delivered approximately 100 poinsettias to area residents this week. The plants were grown by Rochelle Township High School horticulture students under the direction of Donna Page for this annual project. One of the stops Rotarians made was at Lincoln Manor, where plants were delivered to residents of the complex. Plants were also delivered to houses of local residents to brighten their homes for the holidays. Among the Rotarians at Lincoln Manor were (from left) President Connie Dougherty, Sarah Flanagan, Emily Whitaker and Roger Anderson.

## **COUNTY NEWS**

## Ogle County, FFA offering Christmas tree recycling

**OREGON** — The Ogle into usable mulch. County Solid Waste Management Department will once again partner with units of local government and certain high school Future Farmers of America chapters to conduct the annual Christmas tree collection and recycling program.

Since the program began in 1999, there have been more than 15,000 trees collected, with trees averaging around 50 pounds each, that equates to approximately 375 tons of trees which were all turned

Starting on Dec. 26, the cities and villages that will have drop-off points include:

Oregon: Park District Maintenance Dept., 507

Byron: Byron boat launch lot, E. Blackhawk Dr. (Route Forreston: 407 N. Locust

St.

Leaf River: 605 Main St. Rochelle: Atwood Park, 10th Avenue and 20th Street Monroe Center: Lichtv's

Landscaping, 309 Pacific St.

Polo: Southwest corner of E. Colden Street and S. Green Avenue

On Saturday, Jan. 11, 2020, local FFA chapters will provide curbside pick-up for trees. Remove all decorations, lights, plastic bags, and place your tree at your curb by 8 a.m. This pick-up service will be offered in Byron, Forreston, LeafRiver, Mount Morris, Oregon, and Polo.

For Rochelle residents, the Rochelle Street Department will mulch trees at the curb during the first two weeks of January, weather permitting.

All trees should be free of light strands, garland, and other decorations, no wreaths or other designs with wire backings, no artificial trees.

If you have any questions regarding this program, including specific drop-off points for trees or the FFA collection service, please contact the OCSWMD at 815-732-4020, visit the Ogle County Solid Waste Management Dept. on Facebook, or go to the county website at oglecounty.org.

## 4-H clubs honored at special program

BYRON - Ogle County's top 4-H members and clubs were honored for outstanding achievement at a special program held Sunday, Nov. 10 in the Byron Middle School Theatre.

#### Top honors

Top county honors went to 4-H teens Sara Blume, Oregon and Renee Gehrke, Byron. Blume, Blackhawk Crossing 4-H Club and Gehrke, By-Y-Badgers 4-H Club, were the recipients of the Co-op Watch Awards sponsored by Ogle County Farm Bureau and its affiliates. Watches are awarded each year to the two 4-H'ers with the most impressive records of long-term leadership and service at the club level

and beyond.

William Carlson, Byron, was the recipient of a \$50 cash award sponsored by the Ogle County 4-H Foundation. The Foundation Award is presented annually to a single 4-H'er who has shown leadership skill, a willingness to help with 4-H activities, and has served as a positive example to younger members.

Four youth were challenged to greater leadership and service as recipients of the "I Dare You" Leadership Award. ## Keep the Wreath Red this holiday season

**ROCHELLE** — The Rochelle Fire Department is participating in the "Keep the Wreath Red" program to raise awareness of fire dangers associated with decorating for the holidays.

A wreath strung with red lights has been hung on the front of the fire station at 401 5th Ave. The wreath will remain lit at all times throughout the holiday season. Whenever a fire occurs that is a result of holiday decorations, a white bulb will then replace a red bulb on the wreath.

The program serves as a reminder to practice fire safety in preparation for and during all festivities this year to prevent unnecessary tragedy.

Please consider the following list of holiday decorating safety tips:

#### Tree safety

Consider an artificial tree; they are much safer.

If buying a real tree, select only

fresh trees that are deep green in color,

have a strong scent of pine, and do not easily lose their needles.

Keep holding stand for real trees full of water. Place trees away from heat

sources and a safe distance from exits.

Do not rely on chemical sprays to make a tree flame resistant.

#### **Electrical safety**

Buy and use lights approved by a national testing laboratory.

Discard any lights that have frayed or worn cords, cracked sockets, broken or loose connections, bare wires, or operate intermittently.

Never use indoor lights outdoors. Do not overload electrical outlets. Keep the use of extension cords to a minimum.

Do not run extension cords under carpets, across doorways, or near

Unplug lights when you leaving home or before going to bed.

## Candle and fireplace

safety Extinguish all candles when leaving

the room or going to sleep. Keep candles away from items that can catch fire, like clothing, books and curtains.

Use candle holders that are sturdy, won't tip over easily, are made from a material that cannot burn, and are large enough to collect dripping wax.

Keep matches, lighters and candles

out of children's reach. Burn only dry wood in the fireplace.

Never burn Christmas wrapping paper in the fireplace. The paper burns too hot and too fast and could cause a fire in the chimney.

In 1980, the Illinois Fire Chiefs Association adopted the program called "Keep the Wreath Red," a program that was founded by the Naperville (IL) Fire Department in 1954. "Keep the Wreath Red" has become an annual event, with fire departments all across Illinois participating.

## Capes clinches win

Heavyweight delivers match-sealing victory as Hubs edge Rock Falls

BY RUSSELL HODGES

SPORTS EDITOR

#### ROCK FALLS -

Zack Capes stepped into the ring against Rock Falls heavyweight Tristan Shaw with an opportunity to clinch the dual match victory for Rochelle when the Hubs and Rockets squared off in nonconference action Wednesday night.

Rochelle trailed Rock Falls by one point entering the 285-pound match, but Capes could change all of that with any sort of victory against Shaw in the final bout. The senior was wrestling his first match of the season, but he delivered when it mattered most, pinning Shaw in the second period to seal a 38-33 win over the Rockets.

"I was really nervous since it was my first match of the season but I staved focused and I was able to win," Capes said. "It felt pretty great to get that win so we could win the dual. I think I'm faster and a much better wrestler now. I need to continue working on my stand-up game and getting off the bottom."

Rock Falls was the first of two opponents Rochelle faced Wednesday, with the third team being Erie-Prophetstown. Sophomore Caleb Nadig continued his strong start to the season,

defeating Payhton Smith by 19-4 technical fall at 126 pounds. The Hubs trailed for the first half of the match, however, as Rock Falls won five straight matches to take a

Rochelle rallied to save the match though, responded with four unanswered victories including the pin from Capes. Senior Bryan Garza stayed solid with a pin against Dylan Williamson at 182 before junior Noah Messer held off Josh Woodard by 3-0 decision at 182. Junior Ben Harvey stepped up next for the Hubs, making easy work

of Nolan Roberts with a first-period pin at 220.

"I think we've started the season off pretty well," Harvey said. "Everybody's working hard and we're wrestling with much more pace this year... I think we can do well this year. We've had some injuries but everything will fall into place."

## Offensive struggles continue against Kaneland

Knights spark 17-0 second-half run to beat Hubs 56-46

BY RUSSELL HODGES SPORTS EDITOR

**ROCHELLE** — Seventeen unanswered points from the Kaneland Knights sealed Rochelle's fate Friday evening, when the Hubs suffered their fifth straight loss and learned they may be without one of their best players for the near future.

Senior Landan Martin floated the ball in for a 2-point basket to briefly gave Rochelle a 29-28 lead halfway through the third quarter. That score prompted a swift response from the Knights, who carried a 17-0 run through the fourth quarter and used the rally to hold the Hubs off and win 56-46. Rochelle fell to 1-5 overall and 0-1 in the Interstate 8 Confer-

ence with the loss. Brett David led Kaneland with 17 points including two big 3-pointers

during the team's run. Senior Austin Brown scored a game-high 20 points for the Hubs, who were without senior guard Seth Gould due to a serious thumb injury in the team's season-opener against Belvidere.

"I thought we did what we wanted to do in our zone," head coach Tim Thompson said. "We were loose on our rotations and [Brett] David made some shots. It was almost the same thing that happened to us against Genoa-Kingston in that we went on a cold spurt and Kaneland put a run together. We have to stop runs by making baskets, and we couldn't do that

tonight." Defense and transition scoring has contributed to most of the Rochelle offense this season, and that theme continued

Friday night, as the Hubs

after the first quarter by holding the Knights to only two second-quarter points. But when Rochelle couldn't convert turnovers into points, the Hubs struggled to find the hoop from 3-point range, and Rochelle only led 20-19 at halftime despite the strong defensive effort.

shoot the ball well but Kaneland deserves credit for that," Thompson said. "Their man-to-man switches were solid and I felt like our players struggled to attack off the dribble... We weren't able to make anything happen in the lane. We saw early in the game that Kaneland was giving us trouble off the dribble, so we switched to zone and that really worked for about two-and-a-half

quarters. We were able to

## **HUB SPOTLIGHT**

Former Rochelle basketball standout Ben Rand will join the Illinois Basketball Coaches Association Hall of Fame as a member of the 2020 Class.

## **Hub star Rand selected** for IBCA Hall of Fame

BY RUSSELL HODGES **SPORTS EDITOR** 

HERE haven't been any basketball players at Rochelle Township High School who could score and rebound the way Ben Rand could. In fact, not many boys in the state of Illinois could produce the way he did throughout his remarkable time with the Hubs.

Randfinished his four-year prep career as the greatest scorer and rebounder in RTHS history, totaling 2,144 points and grabbing 829 rebounds while leading the Hubs to IHSA Regional Championships during his sophomore, junior and senior seasons. Rand has already been immortalized as an RTHS Athletic Hall of Fame (2014), but the former Hub will have his name cemented once again, this time as an IBCA Hall of Famer in the Class of 2020.

"It was definitely humbling," Rand said. "When coach [Tim] Thompson let me know, I thought a lot about the time I spent with the program and the teammates I had. Having the opportunity to play for coach [Russ] Zick and coach Thompson, who was a mentor to me since my freshman season, for so many years brought back a lot of fond memories.'

Rand graduated from RTHS in 2003 before starting his collegiate basketball career at The University of Iowa. After spending one season with the Hawkeyes, Rand transferred to Northern Illinois University and played for the Huskies through the 2007-08 season. Rand studied marketing at NIU, where he earned both his bachelor's and master's degrees. He currently lives in Sugar Grove and works as a senior marketing manager at PepsiCo.

'The pace at which we played at Rochelle translated really well to college," Rand said. "Both coach Thompson and coach Zick taught me a lot about how to compete and I think that was the mentality of our team. We expected to win every game we played and we worked hard. They taught how to understand leadership later in my career."

Rand averaged 25 points and eight rebounds per game as a sophomore, and his production remained consistent over his junior (23.1 points and 8.5 rebounds) and senior (23.5 points and 8.3 rebounds) seasons. His accomplishments garnered three-time Dixon Telegraph Player of the Year honors as well as All-State recognition from both the IBCA and the Associated Press. Rand closed out his high school career as an All-American Honorable Mention and a unanimous All-Conference First Team player as a senior.

"I'll always remember the home games we played at the old high school," Rand said. "That gym was something that was extremely unique, and playing there gave us such an advantage. When I reflect on my high school career, I think about how compact that gym was and how loud it got. Having all of my friends and family members there was something I'll always remember."

#### Rochelle teams take losses

BY RUSSELL HODGES **SPORTS EDITOR** 

**STERLING** — The Rochelle boys bowling team remained winless on the season Thursday, when the Hubs suffered a close loss against the Sterling Golden Warriors by a score of 2,977-2,888. Rochelle dropped to 0-8 overall with the loss.

The Hubs started strong with a decisive 1,032-884 win in the opening game behind junior Keith Holland's 200 and 185 from freshman Maddex Ramos.

The Golden Warriors rallied to edge out the Hubs 1,022-1,008 in the middle game to even the match, but Rochelle maintained the series advantage heading into the final game. Sterling saved its best for last, however, taking the third game 1,071-848 to win the overall series.

#### Kaneland

The Rochelle girls bowling team is also seeking its first win of the season after falling by a score of 2,410-2,031 against the Kaneland Knights on Wednesday.

The Lady Hubs are now 0-2 overall.

Junior Kiya Porter rolled 173 for Rochelle in the opening game, which Kaneland took 784-632. Senior Cassie Moore stepped up with 149 in the middle game, but the Lady Hubs fell short as the Knights won the game 866-723 before closing the match with a 760-676 victory in the third game. Sophomore Alyssa Schwanert fired 175 in the final game to record a team-high 400 series for the Lady Hubs.

Chris Lasalle, one of the main characters on "NCIS: New Orleans," left the show. What was the decision behind this? -- E.S

A: From what I've been able to gather, it looks like it was solely the decision of Lucas Black, the actor who played Special Agent Lasalle, to leave the popular show. The writers chose to end his character's story in a very dramatic way, but Black himself stepped down to spend more time with his family. It's also rumored that he'll be appearing in the upcoming "Fast & Furious 9" film, so perhaps he's realized that filming one or two movies a year will allow him more time at home than his TV schedule does.

A: Hough, best known for his time as a pro on ABC's "Dancing with the Stars," recently underwent an appendectomy. He stated on

Instagram that he woke up at 3 a.m. with a sharp, severe sharp pain in his abdomen and "knew" something wasn't right. Hough joins a list of celebrities who have had their appendix removed unexpectedly, including singers John Mayer, Elton John

and Kelly Clarkson, who hosted the "Billboard Music Awards" while experiencing symptoms. Ouch! Send me your questions at NewCelebrityExtra@gmail.com, or write me at KFWS,

## **DRIVE TIME**

## Safety measures for winter drivers

INTER weather causes many people to retreat indoors until the spring thaw. However, for those who embrace the cooler temperatures or find that life must go on despite snow and ice, taking inventory of their vehicles is a must before the first snowflakes start

Tire care is an especially important area of vehicle maintenance. The tire experts at Michelin say that regular tires may be ineffective for winter driving. Summer tires are made from materials that are optimized for warm conditions. When the mercury drops, these same materials can harden, reducing their ability to grip the road. That lack of traction can be compounded by the presence of snow or ice. Even all-season tires, which are designed to be driven year-round, can be insufficient in severe weather conditions. Winter tires can help drivers safely navigate winter roadways.

Bridgestone Tires says that having the right snow tires matters when driving in winter weather conditions. It's important to look for tires that can disperse water sufficiently and also grip the road. Snow tires are designed to remain softer and more flexible to conform to the road better in cold conditions. Some winter tires are even studded to provide better traction.

Unfortunately, even the best winter tires cannot provide perfect traction

on slippery roadways. That is why it is essential — in conjunction with the use of winter tires or snow chains — to modify driving techniques to navigate safely.

- Drive slowly. Slow down on winter roads. Allow a greater distance for stopping than for dry conditions. Slippery conditions can make it more challenging to stop, and excessive speeds can make the situation worse.
- Shift into low gear. On hills, rely on low gears to maximize traction to travel up and down hills. This can minimize skids or sliding.
- Get the vehicle a tuneup. In addition to tires, be sure the braking system, battery and other major components of the vehicle are in good working order.
- Replace windshield wipers. Reduced visibility can compromise the safety of drivers and their passengers. Replace windshield wiper blades before winter arrives. Consider purchasing winter-rated windshield blades.
- Know how to recover from a skid. When skids occur on black ice or slush, drivers should take their feet off of the pedals and steer gently in the direction they want to go. As the vehicle regains traction, only then should the brakes or accelerator be applied.

Winter weather requires making some vehicle modifications, and drivers may want to alter the way they drive to be more safe on the road.

#### WINTER TRAVEL IN ILLINOIS

- Always wear a seat belt. It's the law in Illi-
- Slow down. Slower speeds, slower acceleration, slower steering and slower braking all are required in winter driving conditions.
- Drop it and drive. Put down the handheld devices – it, too, is the law in Illinois.
- Don't crowd the plow. A snowplow operator's field of vision is restricted. You may see them, but they may not see you.
- Avoid using cruise control in snow and ice.
- Watch out for black ice on roads that appear clear but can be treacherous.
- Be especially careful approaching intersections, ramps, bridges and shady areas. All are prone to icing.

- Do not travel during bad weather unless absolutely necessary. If you do have to make a trip, check the forecast and make sure someone is aware of your travel route. Consider taking public transportation if it is an option.
- · Prepare an emergency kit that contains jumper cables, flares or reflectors, windshield washer fluid, a small ice scraper, traction material, blankets, non-perishable food and a first-aid kit.
- Carry a cell phone and a car charger in case of emergency.
- Follow Scott's Law. Slow down and move over for stopped emergency, construction and maintenance vehicles.

Before leaving the house, drivers are encouraged to check GettingAroundIllinois. com for continually updated information on winter road conditions. weather radars, road and bridge closures and other traffic-related information. The site was recently redesigned in a mobile-friendly format providing a more convenient way to access important information

quickly. The winter road conditions map gives travelers the ability to zoom in to their location, travel route or destination and get real-time road conditions. At any time, motorists can check travel conditions by calling 1-800-452-IDOT (4368) or 1-800-TOLL-FYI.

## Modifications can make driving safer for seniors

RIVING provides an almost unrivaled level of independence. The ability to travel beyond a neighborhood or even one's hometown without a chaperone is probably what excites new drivers so much and makes them eager to get their licenses and cars. Senior drivers also may define their independence by their ability to drive. Few things diminish senior dignity and independence faster than losing the ability to drive.

Despite popular misconceptions, seniors are some of the safest drivers around. The experts at Hartford Auto Insurance indicate that the number of accidents involving older drivers actually decreases as age increases. It's the risk factors like medical conditions, medication usage and

reduced physical function that increase the risk for accidents and injuries involving older drivers. Thanks to technology and some other well-designed devices, seniors may be able to continue driving longer than the aging drivers of years past.

The AAA Foundation for Traffic Safety, a nonprofit research and education association, says roughly 90 percent of seniors don't take advantage of simple, often inexpensive features that can greatly improve safety and extend their time behind the wheel. Here are some considerations. · Cushions and seat

pads: Cushions do more than just alleviate hip and back pain while sitting. Cushions and pads can raise drivers up and improve their line of sight over the dashboard. Swivel pads can make it

easier to enter and exit the car as well.

- Adaptive cruise control: This feature can adjust speed automatically to maintain a consistent space between vehicles.
- Adaptive headlights: These headlights, also known as steerable headlights, can improve visibility by changing the

with the movement of the steering wheel.

- Pedal extenders: Extenders help short drivers reach the pedals while maintaining a safe distance from the steering wheel and potential airbag deployment.
- Hand controls: Whether one has sensory

surgery or a medical condition, adaptive hand controls can move the "pedals" up to the steering column.

• Blind spot warning and other sensors: Today's cars can be equipped with any number of sensors that can detect oncoming traffic, cars to the left or

**√**AutoCheck

right of the vehicle, items or cars behind the vehicle when reversing, and even if the vehicle has drifted out of the lane. These are all great safety features for any driver, but may be especially helpful to seniors.

• Parking assist: Parking assist technology can steer the vehicle into a space with little input from the driver.

Voice control: Avoiding distractions and keeping hands on the wheel is enhanced by voice controls, which can be set up to do things like turn on the radio or adjust climate control.

• Convex mirrors: Special mirrors increase the field of vision.

Seniors have many tools available to make driving safer and more comfortable, which can prolong their years behind the wheel.

## How to make driving in inclement weather more safe

MPAIRED visibility can be a safety hazard while driving. Everything from sun glare to hail can affect a driver's ability to see the road and navigate it effectively. Before drivers get behind the wheel, they should make note of their local forecast and make a plan for what to do if rain, snow or other conditions make it challenging to drive.

The International Association of Traffic and Safety Sciences indicates that, based on an examination of crash test data conducted by the National Oceanic and Atmospheric Administration, the "likelihood of a crash increases during periods of low visibility, despite the tendency for less traffic

and for lower speeds to prevail during these times."

Drivers can take several steps to improve their visibility when driving in poor weather conditions.

• Inspect and change windshield wiper blades. Wipers are instrumental in clearing precipitation away from the windshield. If they're not functioning properly, wipers cannot do their jobs. Drivers should replace their wipers at the first indication that they are no longer effective. In some conditions, wipers can freeze or stick. Drivers should then pull over and clean the wipers manually.

• Clear obstructions. Always make sure the windshield is clear before driving. This can include removing ice and snow in the winter and cleaning off mud or bug splatter in the spring and summer. Use the front and rear defrost if condensation fogs up

windshields and windows.

• Slow down. Foul weather can reduce drivers' ability to see far into the distance. Drivers should always drive slower in inclement weather in order to improve reaction time.

• Top off fluids. Always keep the windshield washer reservoir full and keep extra fluid in the trunk. In addition, look for a fluid that does not freeze in very cold temperatures.

• Learn how to drive in fog. Each year, more than 38,700 vehicle crashes occur in fog, states the Federal Highway Administration. Travelers Insurance recommends slowing down, staying focused and using regular headlights and not high beams when driving in fog.

• Go out only if necessary. In snowy or icy conditions, drive only if it's absolutely necessary, as snow and ice can impair visibility and make roads slick, says AAA.

• Avoid driving at dusk and dawn. The human eye can have trouble adjusting to rapidly changing light and darkness conditions, which are common at dusk and dawn. If possible, drivers should make trips during the heart of the day, especially if poor lighting conditions typically make it difficult for them to drive.

Drivers can take steps to improve visibility when inclement weather makes roadways hard to navigate.

## HUBS: Rochelle scores Thursday upset over LaSalle-Peru

From page 1

Rochelle needed another late surge to defeat Erie-Prophetstown, as the Panthers led the Hubs 18-16 before the purple and white dominated the upper weights to score 24 unanswered points. The strong spurt allowed Rochelle to survive two late pins from Erie-Prophetstown and win 40-30 over the Panthers to sweep the triangular meet.

Nadig put Rochelle on the scoreboard with a decisive 12-3 major decision against Jayden Grunder at 126 pounds. Junior Grant Thompson converted on a third-period takedown to pin Jack Ruff at 132, but the Panthers scored a forfeit and two wins soon after to hold a slim lead. Senior Zeke Horn pushed the Hubs ahead, outlasting Jacob Otten with a thirdperiod pin at 160.

Leading 22-18, Rochelle kept going after Garza survived Tyler Smith by 4-1 decision at 170 and Messer earned a

7-2 decision over Logan Wheeler at 182. Making his season-debut from a serious ankle injury, senior Gavin Ansteth delivered a key pin over Mack Foy at 220 to clinch the dual victory for the Hubs. Rochelle stands at 3-1 on the season.

#### LaSalle-Peru

If the Rochelle wrestling team wasn't on the radar when the season started, the Hubs may very well be there now after upsetting another stateranked opponent to kick off conference competition Thursday evening.

After upending Rock Falls (No. 10 in 1A) in their three-team meet with Erie-Prophetstown on Wednesday, the Hubs went on the road and took down the Cavaliers (No. 13 in 2A) 41-33 and improved to 4-1 on the season. Rochelle won five straight matches over the second half of the dual meet to claim the victory.

Sophomore Caleb Nadig scored a fall over

Senior Bryan Garza scored two victories on Wednesday including a pin against Rock Falls grappler Dylan Williamson. Garza also notched a pin in Rochelle's win at LaSalle-Peru on Thursday.

Austin Christmann at 126 pounds to record Rochelle's first non-forfeit win of the match. The Hubs elevated junior Grant Thompson and senior Keegan Davis-Carter to 138 and 152, respectively, and both wrestlers

delivered with critical victories. Thompson notched a 19-4 technical fall and Davis-Carter edged out Hunter Karun by 5-3 decision to cut the LaSalle-Peru lead to 21-20.

Senior Zeke Horn pushed Rochelle forward

with a momentous victory against Parker Swiskoski at 160. Horn fell by 10-3 decision against Swiskoski last season, but Horn was strong on defense Thursday evening, holding Swiskoski off and winning by 4-0 decision. Senior Bryan Garza followed with a pin over Nick Krolak at 170, and after junior Noah Messer took a forfeit at 182, junior Ben Harvey improved to 4-0 on the year with a fall over Connor Lorden at 195.
