Agencies unite in search for bodies Two missing since boat flipped near Oregon dam on Wednesday

BY BRAD JENNINGS

OGLE COUNTY LIFE EDITOR

OREGON – The body of one of the two men who went missing in the Rock River when their boat capsized near the dam in Oregon on Nov. 20 was located Thursday, but officials were unable to recover it.

Ogle County Sheriff Brian VanVickle said the body was located about a mile south of the dam in Oregon Thursday night. They tried to use a remotely operated vehicle and divers to recover the body, but the high flow of the current made recovery impossible,

tom," VanVickle said.

They also dragged the river in that spot but were not successful. On Friday morning, they started using

sonar again on the river in search of the bodies.

The fishing boat was initially found at about 11:30 a.m. on Nov. 20 upside down on the west side of the river near the dam.

VanVickle said a truck and trailer were found at Castle Rock which were used to haul the boat. He said officials have been in contact with the families, but no names were released by Friday morning.

The initial search included boats from the Oregon Fire Department and Dixon Fire Department.

Van Vickle said it is early in the investigation, so there is no clear answer as to how the boat capsized. But he said it might have gotten too close the dam and flipped over.

He also praised the response to the incident, noting that five counties were involved in the search the first day, and four the

Honoring veterans

Holiday wreaths available for purchase

BY ANDREW HEISERMAN

STAFF WRITER

ROCHELLE – The Daughters of the American Revolution and St. Patrick's cemetery are asking for members of the community to help participate in the national Wreaths Across America Program that aims to honor this country's veterans.

Wreaths Across America is a national program that places purchased, sponsored wreaths by community members, family members, or anyone who wants to support a good cause on the graves of veterans in an effort to remember the country's fallen veterans, honor those who serve and teach children the value of freedom.

Wreaths Across America has been around for a long time and the goal is to put a wreath on every veteran's grave in the whole United States," explained Lydia Roberts, vice reagent of the Rochelle chapter of the Daughters of the American revolution.

Wreaths Across America has even expanded to some American cemeteries overseas.

Ceremony

The Daughters of the American Revolution will be hosting a ceremony at St.

wreaths are placed on the graves of the veterans. The ceremony will be held at 2 p.m. on Sunday, Dec. 15 and will include a wreath representing each of the different branches of service, a wreath for each of the veterans being represented, and placing the wreaths on individual veterans graves.

"When we place the wreath on their grave, their name will also be said out loud so that they are remembered," said Roberts. Rochelle Mayor John Bearrows will

also be speaking at the ceremony. There are 140 known veterans buried

in St. Patrick's cemetery and the program has approximately 60 sponsored wreaths so far. Wreaths are available to sponsor for \$15 each. Sponsorships can

be done online at Wreathsacrossamerica.org/IL0136P by Dec. 2, through mail by sending the form (found online) to PO Box 249 Columbia Falls, ME 04623 by Tuesday, Nov. 26.

Anyone can purchase a wreath to sponsor for any veteran, whether they are deceased, living, or active duty. Wreaths can also be purchased for sponsorship even if no veteran is known at all.

"If they have the patriotic desire to honor our veterans, they can do so and we would really appreciate if they dedicated a wreath," added Roberts. The Rochelle Daughters of the American

Revolution are also encouraging anyone who would like to honor local veterans to attend the ceremony.

Groups donate AED device to **Focus House**

BY ANDREW HEISERMAN STAFF WRITER

ROCHELLE – Local non-profit organizations Sudden Cardiac-death Awareness Research Foundation, otherwise known as S.C.A.R.F., and the Rochelle Rotary's From the Heart Fundraiser have helped the Rochelle Focus house be prepared for any type of cardiac emergency with the recent donation of an Automated External Defibrillator.

Focus House in Rochelle, which provides a safe, nurturing and structured environment for youth in the community before having them successfully return home to their families, opened a second house called the Miller House back in August. The original location, located on Illinois Route 251, already had the equipment necessary in case of a cardiac emergency on the premises.

Since the opening of the secondhome, Focus House officials have been searching for another device to be placed in the Miller House. Rotary and S.C.A.R.F. answered the call.

"They donated the unit back in October and provided us with a little refresher training on how to use the device," said Focus

"This is truly an awesome thing that we were able to offer, we came together as a collaborative force."

Chuck Watkins

House director Brenda Mason. "If any kind of cardiac event were to come up, we would be prepared.'

Previous to having this device on the premise, if an emergency were to happen instructors would have to conduct traditional CPR, compressions and call 911 until emergency help arrived.

Both organizations involved in providing the AED machine do a plethora within their local communities. From the Heart has raised more than \$46,000 for eight local non-profit organizations. And the mission of S.C.A.R.F. is to educate the community about the signs and prevention of sudden cardiac death and to provide tools necessary to do so, such as providing the life-saving machines.

Photos, other items given to defense in fatal fire case

Next pre-trial hearing for Duane Meyer will be Jan. 8

BY BRAD JENNINGS

OGLE COUNTY LIFE EDITOR

OREGON - The lawyer representing the Byron man accused of killing his wife and son in 2016 told a judge on Nov. 18 that he is reviewing documents and other items the defense has received from prosecutors in the case.

During a pre-trial hearing, Christopher Derango said the defense is still waiting for some items from prosecutors in the case against Duane Meyer. Meyer is accused of setting the 2016 fire in Byron that killed his exwife, Maggie Meyer, and 3-year-old son, Amos.

Ogle County State's Attorney Eric Morrow said his office has so far turned over roughly 35,000 pages of discovery to the defense in the

The items include police reports from multiple agencies, expert reports, laboratory notes, cell phone forensics and autopsy reports.

Morrow said most of the items are in a digital format.

Also included were videos of interviews and crime scene photos, he said.

Meyer was charged on Oct. 9 with four counts of first degree homicide, two counts of aggravated arson and one count of concealment of a homicidal death. He is currently being held in the Ogle County Jail on a \$10 million bond.

Judge John Roed denied a request by the defense Oct. 16 to lower Meyer's bond amount.

Giving back to the community

Local restaurant donates proceeds from event to We Care Rochelle

BY ANDREW HEISERMAN

STAFF WRITER

ROCHELLE-Local non-profit organization We Care Rochelle partnered with Alfano's Pizzeria and Italian Restaurant in Rochelle to host its first ever "Pack the Place" fundraiser on Nov. 12 to earn money for four local organizations.

"We Care Rochelle is an organization built on the idea that in order to move forward, we have to give back. Our main goal is to strengthen four of Rochelle's community pillars by making a donation on behalf of our clients to these groups with every business transaction conducted," according to the website.

The group's first big event dispersed." of the year was the Downtown Block Party held in June. The Pack the Place event was a follow-up event to the block party that will hopefully become an annual event in the community.

"When we first started planning for the block party and began reaching out to businesses seeing if anyone would be willing to participate or donate, Pete Alfano had the great idea to do a follow-up event called Pack the Place," explained Ryan Greifenkamp, co-founder of We Care Rochelle.

We Care Rochelle intends to host to main fundraisers each year, which are the block party and the pack the place event.

Proceeds from those who dined-in at Alfanos for the Pack the Place fundraiser. were donated to four different beneficiaries of We Care Rochelle. Those organizations include the Rochelle Police Department, the Rochelle Fire Department, the Hub City Senior Center and the Rochelle Rescue

The check in the amount of \$500 will be equally split between the organizations.

"This check will actually get cut evenly four ways and dispersed within the next 24 hours," explained Greifenkamp.

The beneficiaries for We Care Rochelle

will change next year, but the pillars of the community that the new ones serve will be the same. For example, instead of having the Hub City Senior Center, a different senior center or living facility could be chosen.

The day the event was held, the area experienced record breaking cold temperatures, so as a way to help with the turnout, the event was opened up for carry-out and delivery instead of dine-in only. While they received many calls from

people saying that they would have loved to make it out but couldn't because of the cold weather, We Care Rochelle and Alfano's Pizza would like to thank the community for their participation.

We just want the community to know that we are very thankful for their participation and we want them to know that we are going to continue to support and pour back into the community and different entities within it," said Greifenkamp.

We Care Rochelle is always looking for new businesses and individuals to partner with and they can do so by contacting the organization through the We Care Rochelle Facebook page, or through their website at wecarerochelle.org.

"We just want the community to know that we are very thankful for their participation and we want them to know that we are going to continue to support and pour back into the community and different entities within it."

AED: Groups make donation

While these organizations help their communities individually, coming together makes a larger impact.

"This is truly an awesome thing that we were able to offer, we came together as a collaborative force," added Chuck Watkins, board member of Rotary, From the Heart and S.C.A.R.F.

The AED device that was donated to Focus House was dedicated to a former Focus House employee who passed away from cardiac arrest during a family dinner in her home. A plaque hanging next to the AED device reads:

"We honor Carol through this donation of an AED so that no other family has to lose a daughter, a mother, or a sister. It is our hope that through this donation we can save more lives and put an end to the devastation of cardiac arrest."

During their monthly meeting Monday night, the Rochelle Township High School Board of Trustees approved a motion to pass the monthly minutes.

A motion to pay the bills and approve the treasurer's report was also passed during the meeting.

Another topic during the monthly meeting was the topic of employment for extracurricular activities.

Board members also proposed a levy for the 2019 taxes. They reviewed and discussed the reported gross Equalized Assessed Valuation increase of about 10.7 percent from last year because of the quadrennial. But school board officials expect this to drop when people begin noticing a big jump in their taxes and begin to

"Every year that we get this, the assessors give us a gross EAV of what they asses it at, and every year we have seen it drop," added Dale.

No decisions or action was taken on the proposed levy, but the board plans to adopt the levy at next month's board meeting on Dec. 16. given that their levy does not exceed 5 percent.

There is no need for a Truth in Taxation hear-

The final thing that was brought up during their meeting was a quarterly update to the board policies provided by the Illinoi Association of School Boards. Trustees will have one month to review the summary and ask any questions they may have, then at the December board meeting the policies will be adopted.

Trustees then when into executive session, but there were no decisions that came from it.

Sounds of the season

am in the Rochelle Rotary . Club and we had a treat at our weekly meeting Tuesday.

The Rochelle

Township High School Madrigals performed a sneak peek of their upcoming dinner. They

sounded great. The dinners are Dec. 6 and 7 at Flight Deck Bar & Grill. Tickets are \$25 each. Contact the high school for tickets.

I've always enjoyed these dinners in the past. Unfortunately, I can't go this year and after listening to the group I really wish I could.

When members introduced themselves they told how long they were in madrigals and their year in high school. I am guessing 99 percent of them have been in the group every year they have been in high school.

If you want to jump start your Christmas, this is a great way to do it.

I see the auction house in the Rochelle Commons has closed. I think it's Rochelle Commons, but I admit I still call it the May Mart Center.

That leaves a lot of empty space in the

I think it would be a great location for an entertainment complex. The old grocery store could have an indoor miniature golf course on one half, with a roller rink on the other half. You could incorporate a

climbing wall and an arcade if you have a talent for that type of design. The now empty auction center could be an indoor paint ball course, or an indoor driving range.

I know there was an indoor mini golf in the center at one time. But put a twist to it...like the popular black light mini golfs in Las Vegas... and you could draw a crowd.

There would be nothing like it in the area. Families would come from Dixon, Sycamore, Mendota and other nearby communities to take part in a night of familv fun.

The space is there, the parking is there, hopefully the price for the property is reasonable...now all we need is someone with a vision and a desire to take a chance.

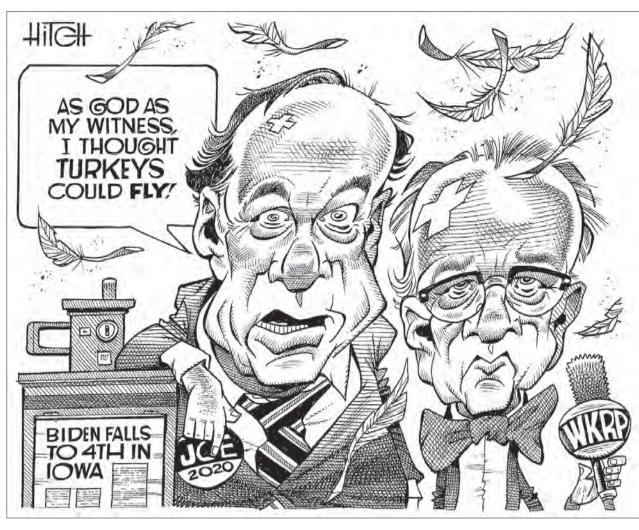

Any takers?

M-M-Good! Campbells' Soups are delicious. The company has been in business for 150 years and according to an article I just read, the granddaughter of the founder still gets dividends from the family company. Her take? \$200,000 per day.

More in a week than I made in my lifetime and all because she had a soup master for a grandfa-

Here are some holiday plane travel reminders

Brad

ARD to believe it, but the holiday season- and all the good and bad that comes with it – is staring us in the face.

Sure, there will be uncomfortable family gathering moments with tree hugging Aunt Martha arguing with MA-GA-hat wearing Uncle Gary. There will be grandma staring at you while you shovel her "famous" lima bean pie down your throat even though you hate lima beans. Dads will fall asleep and snore loudly after presents have been opened and moms will hand out gifts and guilt in equal measure.

"Here's a new watch, honey. It will remind you that it's time to call me. Why do you hate

your mother?" Got to love the holi-

days. But many of you will be getting away for the holidays, which is a great tradition. What better way to say I love you to your family and

friends than to flee from them like a member of the White House staff from a Congressional subpoena?

My wife and I love to travel too, and do as often as we can. Our most recent trip was to Las Vegas with a group of friends. I would tell you all about it but, well, you know.

Over the **Jennings** holidays we don't travel by plane, but many people do. And when you do, please try very, very hard to not be one of those people. If you travel a lot, you already know what I mean. If you don't, or you need a refresher, please read

• Be on time. You have one job when you travel – show up. If I am sitting at O'Hare on a parked plane to Jamaica because you couldn't bother to get to the gate on time and we are waiting for you, I hope you get some bad jerk

chicken and spend your vacation gulping gallons of Pepto Bismol. • Do not, under any

circumstances, bring a full-size suitcase and try to pass it off as a carry on. People

these days will do anything to avoid the fee for checking luggage. I have seen people try to jam giant bags in the overhead bin. Flight crews should shut these dopes down before they even get on

board. They clog up the boarding process and get the flight off to a bad

• Find your seat and sit in it. You don't need to stand around in a plane trying to get the attention of your buddy eight rows back. We don't care about you, so sit down.

• If you are sitting next to each other and talk, that's great. Please, have a wonderful conversation. But why do so many people feel the need to yell at

each other on planes? Even when they sit right next to each other, some people talk at the top of their lungs. Pipe down.

• Enjoy a great snack. But if your table manners would make my hillbilly ancestors blush, you need to save the eating for a space not as confined as an airplane.

• And here is a big-

gie: When the plane lands, stay in your seat. Why do people feel the need to stand up and clog the aisles? If you are at the front, grab your bag and get ready to disembark. If you are in row 27, just sit down and wait. Jumping up and trying to get your giant suitcase that should have been checked from the overhead five rows ahead of you slows the process down for everyone.

In general, people just need to relax. This is vacation, after all.

Snowmobile course set

OREGON — Snowmobilers will have an opportunity to learn principles of safe snowmobile operation at a Department of Natural Resource snowmobile safety education course scheduled for Saturday, Dec. 7 at the Oregon Fire Department, 1000 W. Washington St.,

The class will run from 8 a.m. - 4:30 p.m. The coordinating instructors are Dianne Frye, Ray Jones and Gary French.

The course is open to the public and is free of charge. Class sizes are limited and registration is required.

For more information or to register, contact Dianne Frye at diannefrye59@yahoo.com or you can visit the Illinois

Department of Natural Resource website at http:// dnr.state.il.us/safety/snwmob.htm to find our more information.

Under Illinois law, the course is required for youngsters 12 through 16 years old who plan to operate a snowmobile without adult supervision. These individuals must have a Snowmobile Safety Education Certificate, issued by the Department of Natural Resources (DNR) upon successful completion of the course.

"This is an excellent opportunity for young people who need the course to comply with the law, but is it also beneficial for experienced snowmobilers who wish to brush up on their safety skills," Frye said.

Food drive successful for 14th year

BY ANDREW HEISERMAN STAFF WRITER

ROCHELLE - The 14th annual Two Ton Food Drive presented by Good Times Oldies 1060, 102.3 the Coyote and Anderson Plumbing and Heating was off to a really good start on Thursday.

The food drive that takes place every year in the community set its highest record last year by collecting more than three tons of food and raising more than \$10,000 in monitory donations. This year's drive brought in more than three tons of items and more than \$5,100.

The Rochelle Christian Food Pantry, that will receive all of the food that is not given out to families for the holidays, would like to thank everyone involved for their donations and participation.

"Thank you to the whole community for being so generous, we could not function without your support," said Jennie O'Rorke, Rochelle board president. The food pantry distributes the collected food on Saturday morning.

For every dollar donated, eight dollars' worth of food can be purchased from the food bank.

As well as food and monitory donations, the Rochelle Christian Food Pantry is accepting cleaning supplies, diapers and anything else that people cannot purchase with governmental help.

"This event really shows the amount of cooperation among Christians in the community coming together to support those in need," added O'Rorke.

At right (top) Rochelle **Rotary Club members** work to assembly bags of food on Friday morning. According to Jennie O'Rorke, Rochelle Christian Food Pantry board president, 250 bags were packed for give away to local residents as a result of the 14th annual Two-**Ton Food Drive.**

"Holiday Traditions" at the Ellwood House Museum in DeKalb

DEKALB — Kick off your holiday season with a tour of the elegantly decorated Ellwood House in DeKalb. View the historic home of barbed-wire baron Isaac Ellwood in a new light, and enjoy festive decorations on four floors of the 1879 mansion.

Visitors will enjoy live music as they tour the three-story home. Tour guides will be stationed on each level to share the history of the Ellwood family. In the Visitor Center, guests can enjoy visits with Santa, shopping, refreshments, and five history exhibits

on display.

Hours of operation for the event are Friday, Dec. 6 from 6 to 9 p.m., Saturday, Dec. 7 from 1 to 5 p.m., and Sunday, Dec. 8 from 1 to 5 p.m. Last entry to the mansion is 30 minutes before close.

Admission to Holiday Traditions is \$10 for adults and \$5 for youth ages 6-17 (free for 5 and younger). Tickets may be purchased in advance at www. ellwoodhouse.org or during the event in the Ellwood House Visitor Center.

The Ellwood House Museum re-

flects the central role of Isaac Ellwood in the development of the barbed wire industry in America. The magnificent estate testifies to his aptitude for business and the breadth of his vision. It also reflects the tastes of multiple

generations of the Ellwood family who guided the evolution of the grounds and structures. Ellwood House Museum, 509 North First Street, DeKalb.

night instead of television or video games can do a lot of good for a child.

'Just 15 to 20 minutes of reading each night, whether its reading with your child, reading to them or having them read to you, can improve many of their skills while also providing good quality family time," added Scherer.

Following the story time and autograph time, library officials handed out free books that were purchased for all of the

kids to take home.

"We are really grateful for our little community, to be able to offer these types of events," said Scherer.

Tournament tip-off

Lady Hubs fall to state runner-up Eastland in opening round at Forreston

BY RUSSELL HODGES

SPORTS EDITOR

FORRESTON—The Rochelle girls basketball team's inexperienced backcourt was immediately put to the test when the Lady Hubs tipped off

the Forreston Thanksgiving Tournament against 2018-19 IHSA 1A State Championship runner-up Eastland on Thursday.

The Cougars showed their full-court pressure right away, forcing several Rochelle turnovers in the first half and scoring easy baskets in the process. Eastland held an enormous lead at halftime, and while the Lady Hubs found some offense in the second half, the Cougars coasted to a 52-20 win over Rochelle. The Lady Hubs (0-1) will play two games this

weekend. "It was definitely rough," head coach Tony Rowan said. "We need to have more fight and we can't be taking steps backward on the court when we need to be moving the ball forward. That's going to be the biggest thing for us."

Sophomore Lucy Bunger scored Rochelle's first basket of the season

on a short layup under the basket that stopped an 8-0 Eastland run to start the game. The Lady Hubs made only two field goals in the first quarter, with the second coming from sophomore Zoey Tabor, who led Rochelle with four points in the opening quarter. The Cougars led 15-6 before limiting the Lady Hubs to only two free throws in the second quarter.

"We need to find the open girl," Rowan said. "We had girls in the right spots where we could have good passing lanes, but we were trying to make 40-foot passes instead of 10-foot passes. Those are plays we don't make in practice and hopefully in any more games. We need to see the right read and make the right choice with the ball."

Eastland entered the third quarter leading 32-8, and the Cougars continuing applying pressure by grabbing offensive rebounds and making perimeter shots. While sophomore forward Abi Luxton stepped up with six points for Rochelle, the Lady Hubs found themselves trailing 50-16

and on a running clock for the remainder of the game. Rochelle will continue tournament play against Forreston and Stockton this weekend.

"A lot of our late-game offense came through spacing,"Rowan said. "As soon as we see the space on the floor and make the right read, the game will

get easier for us. Right now, the game is a little fast for us and we need to get better."

Kerns bringing player's mentality to Lady Hubs

Former Rochelle point guard returns as varsity assistant coach

BY RUSSELL HODGES SPORTS EDITOR

ROCHELLE — Former Rochelle point guard Abby Kerns remembered starting each varsity basketball season at the Forreston Thanksgiving Tournament when she played for the Lady Hubs. Kerns was back on the sideline during Rochelle's game against Eastland on Thursday, only this time she was giving instructions to the Lady Hubs as opposed to receiv-

Kerns was named the varsity assistant coach before this season, and the tournament opener marked her first game as a high school coach after spending four years with the Lady Hubs and two years with the Kishwaukee College women's basketball program as a student-athlete. with the Kougars. "I've always loved basketball," Kerns said. "Coach [Tony] Rowan

after completing her time

asked me about the position before the season and I told him I would try coaching out to see whether or not I like it. It's a lot more fun than I imagined it would be... This is the same program I came from and I'm helping the girls through a lot of the same things I went through in high school."

Kerns played under head coach Tony Rowan for three years before graduating from Rochelle Township High School in 2017. She said her experience as a point guard will help inform her coaching abilities, and she'll have the chance to work with a young roster featuring many promising guards when the Lady Hubs take the court this season.

"I understand where the girls are coming from when they're confused about something and I know how to explain things back to them," Kerns said. "When we're running plays, I can give the point guards tips on what to do rather than holding the ball. I'm really excited for the first

game... We'll see where

RTHS Boys Bowling

Hubs fall in road meets at LaSalle-Peru, Ottawa

Varsity team takes 10th in 2019 Rockford Christian Lion Open

BY RUSSELL HODGES

SPORTS EDITOR

OTTAWA — The Rochelle boys bowling team had a tough trip to the Illinois Valley this week, dropping road matches against Interstate 8 Conference rivals LaSalle-Peru and Ottawa to fall to 0-4 on the season.

L-P

Rochelle fell against LaSalle-Peru at the Il-

linois Valley Super Bowl on Wednesday by a final score of 3,088-2,536. Kyle Jordan's 211 and Landen Miller's 205 led the Cavaliers to a 1,011-848 win the first game before LaSalle-Peru took the second game 976-837 behind Miller's 227. Miller finished strong with 289 in the third game to propel the Cavaliers over the Hubs 1,101-851. Junior John Henson rolled Rochelle's high series of 499 while senior Logan

Ortega added 476. Miller totaled 721.

"We ran into quite a bit of oil against LaSalle-Peru and that was something the boys weren't used to bowling on," head coach Jim Lyles said. "We struggled to hook the ball so we're looking to make some adjustments there."

Ottawa

The Hubs faced Ottawa at Dettore's Town Lanes on Thursday, falling by a score of 3,173-2,629. Junior Keith Holland rolled 230 to lead Rochelle, but the Pirates took the first game 987-948 behind Keegan Fleming's 196. Fleming shot 214 and Jordan Goff added 203 in the second game, which Ottawa claimed 1,041-831. Nelson Brandt scored 218 in the third game for the Pirates, who blew Rochelle away 1,145-850. Holland recorded a team-high 542 series for

the Hubs.

"The lanes were a little different than Wednesday, but the boys still struggled," Lyles said. "Our main problem is that the boys have balls that don't fit their hands... We're picking out balls for the kids and we're going to drill them up so they fit their hands. I told the boys not to get frustrated with their scores because they're throwing balls that don't fit them."

Lion Open

Rochelle placed 10th out of 14 schools in the 2019 Rockford Christian Lion Open at The Cherry Bowl last Saturday. The Hubs totaled 4,621 pins over six baker games with a high baker score of 862.

Junior Keith Holland led Rochelle in the position round with a 571 three-game series while senior Logan Ortega added 564.

A: Norton, who recently turned 50, first wowed audiences back in 1996 with his Oscar-nominated role in "Primal Fear." He then went on to earn two more Oscar nominations for "American History X" and "Birdman." He's done a lot of voice work since then, which is probably why you haven't seen him physically onscreen.

However, Norton has a new film out, "Motherless Brooklyn," which he also directed. Set in the 1950s, Norton plays the lead character, a private detective with Tourette's syndrome, who sets out to solve the murder of his only friend. The film also stars Willem Dafoe and Alec Baldwin.

It occurs on the Saturday after the bustling Black Friday and before the popular Cyber Monday events. This year, the holiday extravaganza is slated for Nov. 30. After the festivities of your Thanksgiving gathering, prepare to show support to the small businesses that make your community unique.

Look for deals

While your local businesses may not include their doorbuster advertisements in the same holiday newspaper as national chains, it can still be easy to find great deals. Take advantage of their social media pages or in-store promotions to discover their offers.

Check with your favorite small business about signing up for their newsletter. Once you're a member, they can email you about their discounted deals during the holidays and year-round. Small Business Saturday is a great excuse to learn more about the unique shops in your town and
