A Letter From the Athletic Director

The Rochelle Township High School athletic staff, administration and RTHS Athletic Booster Club extend a warm welcome to all of our fans, parents and visitors.

The booster club is responsible for this booklet in addition to its monetary support of our athletic programs. The athletic department is very appreciative of the support the booster club has given the athletic teams of Rochelle Township High School.

We are all very proud of the young men and young women who represent our high school. They work very hard at their activities and they appreciate the support they receive. Enjoy our activities and continue to support the Hubs!

Richard Harvey — RTHS Athletic Director

A Letter From the President

Hello Hub Nation!

Spring has sprung! Some days full of sunshine and others full of rain, is a true sign of spring season! I don't know about you, but there are few things I enjoy more than watching our student-athletes participate in a sport they love. This spring, whether it be tennis, soccer, track, baseball or softball, their commitment of time, energy, skill, and loyalty is one to be admired, celebrated and rewarded.

That is where the Rochelle Hubs Booster Club comes into play. We are a non-profit organization of financial and volunteer members working to raise money to support our student athletes. This amazing group of individuals willingly donate their time and resources to better the RTHS athletic program and I feel so fortunate to be a part of something so special. Our funds primarily come from concession stand proceeds, 50/50 and product raffles, apparel purchases, donations, and membership fees. Every cent counts and helps every sport, so your gift of money and/or time is so important!

The Rochelle Hubs Booster Club's mission is to provide an environment where students, athletes, coaches, parents, and our great community can come together to create a positive and spirited atmosphere for all of our student athletes to excel in. Our club allows our athletes to participate in the sport(s) of their choosing without having to pay any participation fees and works diligently to be able to provide the equipment, uniforms, and supplies needed above and beyond what the athletic department budget allows.

Another one of the things we are most proud of is our sponsorship of five \$1,000 scholarships each year! Given to deserving senior student athletes that exemplify what it means to have great character, outstanding sportsmanship, dedicated athletic performance, academic excellence, community involvement, and an overall pride in being a representative of the Rochelle Township High School Hubs. We put great importance in ensuring our student-athletes prove being a dedicated student and community member is just as important as being a dedicated athlete.

Supporting our kids is what it is all about. I believe in that whole-heartedly. To date, the boosters have given over \$350,000 to the athletic programs at RTHS and we aren't done yet! It is a great pleasure to be a significant sponsor of the new digital scoreboard benefiting our students participating in graduation services, along with our track and football programs, and we cannot wait to assist in upgrading and adding needed scoreboards for all the other sports as well. We can do great things with your help!

Our sincere thanks to our athletic director, Rich Harvey, who has made it a priority to meet the needs of every athlete in every sport, to the entire athletic department and coaches, our administration, maintenance crew, the school board, to our Booster Club board officers, committee leads, board members, club members, parent liaisons, each and every volunteer, our financial donors and sponsors, and to every person who has ever purchased a raffle ticket or something from concessions. You are appreciated and we could not do it without you!

If you feel led, please join me in making the kids a priority and join us in our efforts to make sure it shows in big ways! Our membership form can be found at the back of this book and our QR code to purchase apparel can be found as well, but please feel free to find us at the concession stand, membership table, selling raffle tickets or walking around with a camera and ask how you can join the Rochelle Hubs Booster Club and be part of something special, too.

**With Hub Pride and Appreciation,
Marcy DeLille, President**
