in "Annika"

#### abound in Season 2 of 'Annika' It's Scottish crime with a Scandinavian twist this autumn as Season 2 of the BBC series "Annika" premieres on PBS Masterpiece, Sunday, Oct. 15. An interesting clash of northern European cultures, the two worlds meet seamlessly due to the titular character's Norwegian roots and the often-folkloric nature of the crimes she encounters at work. The series' main character, DI Annika Strandhed, has been a hit with audiences across the pond since the original radio series premiered in early January 2017 on the U.K.'s BBC Radio 4. The radio series, titled "Annika Stranded," wrapped Sept. 4, 2020, but for lovers of the series, the story continues on television, complete with Nicola Walker ("MI-5") in the role of Annika — no doubt a familiar voice for fans who jumped over from the radio play. Both series follow Strandhed, a former Os-

lo-based "murder squad" police officer, as she relocates to a remote region of Scotland to head up the country's first-ever Marine Homicide Unit. Given her dedication to the job and a lifelong love of fast-moving boats, Strandhed seems poised as the perfect fit to lead the new team. That said, her cohort DS Michael McAndrews (Jamie Sives, "Guilt") has other opinions.

McAndrews attended police college with Strandhed, but the two detectives selected career paths that took them in opposite directions, causing them to drift apart. While McAndrews is clearly supportive of Strandhed and finds her to be a very intelligent leader, he still believes himself to have been a better candidate for her position as leader of the MHU. Nevertheless, the pair must find a way to work together - thankfully McAndrews' duties as head diver keep him busy and away from Strandhed much of the time.

Working alongside the two team leads are DC Blair Ferguson (Katie Leung, "Harry Potter and the Goblet of Fire," 2005), who provides data analysis and tech support for the team; DS Tyrone Clarke (Ukweli Roach, "Blindspot"), a former drug unit investigator who prefers to work alone; and DCI Diane Oban (Kate Dickie, "The Green Knight," 2021), who oversees all police proceedings within the precinct and often has the final say on how the MHU operates.

Tides of crime: Secrets and murder

Joining the MHU this season is DC Harper Weston (played by Varada Sethu, "Jurassic World Dominion," 2022), a motorcycle-riding trainee who, given her youth, may act as a second person to provide Strandhed a bit of insight regarding her daughter, Morgan (Sylvie Furneaux, "Red Rose"). This guiding role has previously only been played by Ferguson, who is of a similar age to Weston and only a few years older than Morgan herself.

What we do know headed into Season 2 and there is quite a bit, given that the season (or "series," as it is referred to in the U.K.) has already premiered on BBC One - is that the very first episode centers on a "brutal drowning" death that has been recorded on a mobile phone. When the cellphone is turned in to police and passed over the the MHU, Strandhed and her team jump into action to try to identify and catch the murderer responsible.

"Annika," like "Annika Stranded," is created by Nick Walker, who is of no known relation to the franchise's leading actress. Despite the popularity of both series, "Annika" remains Walker's only credit to date on IMDb.

Season 2 of "Annika" also sees the return of Paul McGann ("Queen of the Damned," 2002) as Jake Strathearn, Taylor Goodwin ("Goodbye Charlie," 2015) as Femi Talla, and budding star Sophie Sloan as Madison McAndrews, while Sven Henriksen ("Varg," 2008), Cora Bissett ("High Times") and new talent Mya Milne join the cast.

Checking in with CARLA GUGINO

Carla Gugino didn't necessarily set out to be a horror star, but thanks largely to the work she has done with Netflix, she's built a reputation for herself in the genre.

She has teamed again with filmmaker Mike Flanagan on Netflix's new, currently streaming version of the Edgar Allan Poe tale "The Fall of the House of Usher." The limited series updates the story to make Usher siblings (played by Bruce Greenwood and Mary McDonnell) the controllers of a prominent pharmaceutical firm, though their business doesn't prevent others in their family from dying under mysterious circumstances, thanks to someone who returns from the past ... with Gugino's character Verna having a major role in what happens

Gugino previously worked with Flanagan on three Netflix projects in the horror vein: "The Haunting of Hill House," "The Haunting of Bly Manor" and "Midnight Mass." She's clearly a vital part of the acting company that Flanagan has built through his work, not unlike producer Ryan Murphy's casting pattern through such ventures as "American Horror Story" and "American Crime Story.

However, Gugino entered the supernatural genre even before her association with Flanagan began. Among the other series she has done was "Threshold," a short-lived 2005 sci-fi drama that ČBS pulled with several episodes left to air. The actress plays the central part as crisis-management expert who prepared advance scenarios on how to handle various emergencies if they became real, one such situation being contact with aliens. (Of course, that happened in "Threshold," thus the reason for the show existing.)

However, more down-to-earth roles have been Gugino's calling cards more frequently - a notable one being "Karen Sisco," a 2003 ABC series detailing more adventures of the federal deputy marshal created by Elmore Leonard and played by Jennifer Lopez in the 1998 movie "Out of Sight." Still, Gugino clearly enjoys having otherworldly turns, and her latest one is on display now.

Birthdate: Aug. 29, 1971 Birthplace: Sarasota, Fla. Current residence: Los Angeles

Marital status: Single (but she is the longtime companion of filmmaker Sebastian Gutierrez)

Other television work includes: "The Haunting of Bly Manor," "Midnight Mass," "Manhunt: Deadly Games," "Jett," "The Haunting of Hill House," "Nashville," "Roadies," "The Brink," "Wayward Pines," "New Girl," "Political Animals," "Justified," "Hide," "Callfornication," "Threshold," "Karen Sisco," "She Creature," "Chicago Hope," "Hotel Alexandria," "Spin City," "The Buccaneers," "Davis Rules," "Quantum Leap," "The Wonder Years," "Doogie Howser, M.D.," "Ferris Bueller," "American

Dreamer," "Falcon Crest," "ALF," "Saved by the Bell," "Who's the Boss?," "Webster" Movie credits include: "Gunpowder Milkshake," "Zack Snyder's Justice League," "Gerald's Game," "The Space Between Us," "Batman v Superman: Dawn of Justice," "San Andreas," "New Year's Eve," "Mr. Popper's Penguins," "Sucker Punch," "Faster," "Race to Witch Mountain," "Watchmen," "The Unborn," "Righteous Kill," "American Gangster," "Night at the Museum," "Sin City," "Spy Kids," "Spy Kids 2: The Island of Lost Dreams," "Spy Kids 3-D: Game Over," "The Singing Detective," "Judas Kiss," "Snake Eyes," "Michael," "The War at Home," "Homeward Bound II: Lost in San Francisco," "Miami Rhapsody," "Son in Law," "This Boy's Life," "Welcome Home, Roxy Carmichael," "Troop Beverly Hills"

Spindletop Gusher, the first great oil well in Texas, as well as a possible space strike and a woman of honor.

## 90 Day: The Last Resort

(46) 8 p.m. Jovi and Ed think it's a good idea to bring Asuelu to his first strip club. But they end up getting Michael in trouble — and have Yara debating her relationship with Jovi. Then, Kalani comes clean to the girls.

#### The Irrational

46 5 9 p.m. Nothing is as it seems when a desperate father asks Profes-

sor Alec Mercer (Jesse L. Martin) and his team to help solve a kidnapping. While investigating the case, a complicated family dynamic guides Alex towards the hidden motivations of those involved.

#### The Big Bake

#### (<u>31</u>) 10 p.m.

There are few things creepier than a Halloween-themed doll. But if baked by the right teams, we'd say they're edible just the same. Three professional baking teams have five hours to design, bake, and decorate an evil doll cake that tempts the judges.

Kelsey Grammer and Jess Salgueiro in "Frasier"

## tonight's picks

#### Dancing With the Stars (9) (9) 7 p.m.

History is being made as "Dancing With the Stars" is the first series to simulcast live on ABC and on a streaming service, Disney+. From Jamie Lynn Spears to Lele Pons, 14 new celebrities hit the ballroom floor. Alfonso Ribeiro and Julianne Hough co-host.

#### Catfish: The TV Show

#### 67) 7 p.m.

Something is not right in the State of Denmark. Jasmine has confronted hardship and loss during every step of her

life until she met Ryan. But while he seems to be perfect, his excuses of why he cannot meet have Nev and Kamie questioning if he's real.

#### Men's International Soccer Friendlies

#### 62) 7:30 p.m.

They may call them "friendlies," but you know the United States Men's National Team will be thinking about the two times Ghana has knocked them out of the World Cup (2006, 2010) when they go head-to-head in live action at GEODIS Park in Nashville, Tenn.

#### Navajo Police: Class 57 (401) 8 p.m.

The premiere of this illuminating, three-part documentary series follows a group of recruits over the course of 12 months as they fight their way through the Navajo Police Training Academy and out into the field, where they must contend with rising crime and centuries of neglect.

#### Frasier 3 3 8:15 p.m.

"Frasier" has re-entered the building with this Paramount+ reboot of the beloved come-

dy, airing its first two episodes back-to-back on CBS. It follows Frasier Crane (Kelsey Grammer) as he returns to Boston hoping to reconnect with family and old friends.

#### Welcome to Wrexham

#### **59** 9 p.m.

Sure! Just go buy a British soccer team, they said. What could go wrong? But this season it's more about keeping things going right as the weather, a brutal schedule and injuries continue to put Rob McElhenney and Ryan Reynolds' Wrexham AFC to the test.

## tonight's picks

## Nature

8 8 7 p.m.

Pete Walsh is a Tasmanian with no background in natural history, yet he's become obsessed with one of nature's least understood creatures, the platypus. In this Season 42 premiere, he is on a mission to observe and save them from urban development.

#### Celebrity Wheel of Fortune

#### **9 9** 8 p.m.

Hosts Pat Sajak and Vanna White are joined by drag icon and "RuPaul's Drag Race host" RuPaul, TV personal-

**The Amazing Race** 

**3** (3) 8:30 p.m.

The longer this race lasts, the

harder it's going to get. Is the

remaining teams of two to per-

are always around the corner

as contestants vie to meet host

Phil Keoghan at the finish line.

charity of their choosing.

Actress Anna Victoria Alcott (Emma Roberts) desperately wants to start a family. But as the buzz around her new film grows, she senses something may be targeting her and her pursuit of motherhood. Her unhinged publicist (Kim Kardashian) isn't helping.

#### House Hunters

#### **33** 9 p.m.

Sometimes bigger is not better (sorry Texas). Evan and Keith begin the search for two

families who've decided a tiny house makes sense. In New York, parents want a smaller home for their family. And in California, a dad trades down for more kid time.

### SurrealEstate

(47) 9 p.m.

In the wise words of Ray Parker Jr., "Bustin' makes me feel good." Fortunately, the Roman Agency — led by Luke (Tim Rozon) — knows that all too well. In order to sell houses to their clients, they need to rid each home of their supernatural occupants.

## tonight's picks

## Checkin' It Twice

<u>36</u> 7 p.m.

A journeyman hockey player (Kevin McGarry) falls for a real estate agent (Kim Matula) when he's traded to her hometown and moves into the cozy cottage in her hockey-loving family's backyard. There's no room in the penalty box during the holidays. Craig March and Jaxon Jensen also star.

#### The Starling Girl

#### (435) 7 p.m.

Seventeen-year-old Jem Starling (Eliza Scanlen) is struggling with the requirements of

#### her Christian fundamentalist community. But when magnetic youth pastor Owen Taylor (Lewis Pullman) returns to their church, everything in her world changes.

#### My Lottery Dream Home (33) 8 p.m.

With the wind of luck at their backs, recent lottery winners go house hunting for their new dream homes with designer David Bromstad. In a new episode from Season 13, a recent lottery winner and mother is ready to get out of the city and into the suburbs.

## The UnXplained

It seems unfathomable that structures were built in ancient times that seem, by modern standards, to be impossible to create using old building methods. And yet, there they stand, as silent sentinels from the past, with their true history erased by time.

#### Raid the Cage

#### **3** 8 p.m.

In this new game show, two teams of two race against the clock to take prizes from the titular cage. Teams can extend their time by correctly answering trivia questions. The team with the highest total dollar value in prizes wins. Damon Wayans Jr. and Jeannie Mai Jenkins host.

#### Murder in the 21st (42) 9 p.m.

A terrifying attack on two employees of a high-end boutique leaves one woman dead and another traumatized by the recollections of what she survived. Detectives work to make sense of the horrific story, but bizarre clues bring them to a shocking truth.

Damon Wayans Jr. and Jeannie Mai from "Raid the Cage"

## tonight's picks

#### Hot Dish With Franco

**31** 11 a.m.

Viewers can join Franco Noriega in preparing a simple weeknight meal. Even better, this meal is perfect for entertaining guests. It all starts with tomato bruschetta and mushroom risotto followed by lemon dijon chicken paired with goat cheese salad.

#### **College Football**

#### **3 3** 11 a.m.

No matter who wins the battle between the Air Force Falcons and the Midshipmen of Navy when the two meet at

#### Navy-Marine Corps Memorial Stadium in Annapolis, Md., no one loses from a patriotic point of view. Historically, Air Force leads the series 33-22.

#### NASCAR Xfinity Racing Series

61) 2 p.m. They may have four wheels and a motor up front, but the NASCAR Xfinity race cars are whetting their whistles in the Contender Boats 300 race live from Homestead-Miami Speedway in Homestead, Florida. Noah Gragson dominated and took last year's checkered flag.

## Halloween

On a Halloween night in 1963, 6-year-old Michael Myers brutally murdered his 17-year-old sister, Judith. He was sentenced to 15 years. But on October 30, 1978, while being transferred for a court date, a 21-year-old Myers escapes and heads home. Jamie Lee Curtis stars in this classic horror.

## Where Are You, Christmas?

#### (<u>36</u>) 7 p.m.

Some may relate to Addy's (Lyndsay Fonseca) wish for a year without Christmas. Really,

who wants to deal with all that? Bah humbug! Unfortunately, it's not what Addy expected, so she must team up with the town mechanic (Michael Rady) to fix her mistake.

#### Bad Romance: The Vicky White Story

(29) 7 p.m. Workplace romances are rarely a good idea. But when corrections officer Vicky White (Wendi McLendon-Covey) develops an infatuation with new prisoner Casey White (Rossif Sutherland), she risks everything to break him out of jail before his transfer.

Jim O'Heir stars in "Where Are You, Christmas?"
