Huron FFA Chapter ends a busy, productive year

The Huron FFA Chapter had a very busy year. This spring we attended five CDE Competitions, plus the State Convention. The State Convention is held in Brookings on the SDSU Campus.

This year we had six Senior Huron FFA members receive the State FFA Degree. This is the highest award that can be given to an FFA Member at the High School Level. All six of the Huron FFA Seniors met the qualification to receive this award. They are Noah Beck, Tori Buffington, Kelby Dickson, Colt Dunkelberger, Tate Meyer and Kaden Scheibe.

This year we were able to start preparing for the CDE competitions the end of January. We had several individual FFA members place at the competition and we also had many teams place.

The competitions were highlighted by our Ag Mechanics team placing in the top 3 at every competition they competed in this year. Noah Beck and Kaden Scheibe led the Ag Mechanics team and both placed individually at all competitions this year.

2022-2023 FCCLA Year

What a year!! This year brought 13 members together to allow for our best year ever. We had fun nights, chapter projects, amazing representation at Region and State meetings as well as multiple Kids Club nights.

We represented well at the 2022 Region V meeting, with two groups competing in STAR Events. Chenoa Harris was the outgoing Region V treasure and taking her place for the upcoming year was our very own Emma Eckmann.

At the State Leadership Conference, we had an impressive showing. Four groups competed in STAR Events. We had members try new things and run for leadership teams. As a chapter we also received Merit Chapter Award, A Membership Award, and A Gold Superior for our participation in the National Outreach project. Three Junior High Members were given the Outstanding Junior High Award and Airabella Deysel was recognized for Best Essay.

The remainder of the year is going fast, with two more fun nights planned. Thank you for a great year.
