Red Wilk Construction Tuff Hedeman Bull Bash

Wednesday, Aug. 31 and Thursday Sept. 1
Action starts at 8 p.m.

Ticket prices: \$20 adults / \$12 youth

The Red Wilk Construction Tuff Hedeman Bull Bash kicks off the 2022 South Dakota State Fair grandstand lineup with two nights of high energy fun on Wednesday, Aug. 31, and Thursday, Sept. 1!

Hedeman, known for lining up elite riders to face off with world-class bucking bulls brings his annual professional, fast-paced, bull riding competition back to the South Dakota State Fair, featuring pro bull riders and bullfighters matched to animals of superior strength and fiery spirit.

The bull riding action begins with Tuff Hedeman "Bounty Bull" night on Wednesday with \$10,000 up for grabs, and continues Thursday night in a tournament-style event and "Shoot

Out" round where the bulk of the prize money, championship title, and custom prizes are earned.

Four-time World Champion and ProRodeo Hall of Fame bull rider Tuff Hedeman is a living legend...and the most recognized cowboy in the world.

Hedeman's hands on approach has him coordinating every element of the events which brings action packed performances that keep fans and competitors on the edge of their seats.

In addition to 30 plus years of producing great family-friendly events, he is known for his historic clashes with the bucking bull Bodacious and his friendship with the late Lane Frost, which was depicted in the 1994 film, "8 Seconds".

The Red Wilk Construction American Hero Award will be held during both nights of bull riding. Typically, eight Veterans are honored each night, and since 2013, more than 100 Veterans from all over South Dakota have been honored.

Focus on education at S.D. State Fair

Arts & Education Building

The Education Department in the Arts & Education Building features student projects. Any and all classroom subjects are able to participate. Public, private, and homeschools can enter in the Education Department.

Kids love going to the fair and seeing their project on display! Teachers are able to submit student work from the previous year for judging.

FFA Ag Adventure Center

Never been to a farm? Let us bring the farm to you! The FFA Ag Adventure Center at the South Dakota State Fair is a fun place for kids of all ages to hang out with farm animals and see agriculture brought to life. The South Dakota FFA, South Dakota FFA Foundation and passionate agriculture industry representatives are dedicated to empowering consumers to value

today's agriculture and answering consumer questions. South Dakota FFA members, advisers and farmers in the FFA Ag Adventure Center lead hands on experiences that take food from the farm to your home. Make this a "must see" location on your trip to the fair!

Read and Win

The South Dakota State Fair has many components, but two of the most important are youth and youth achievement. The State Fair is a place to gather to see youth achievement first-hand, through things such as art projects, demonstrated talks, livestock shows, innovative creations, and much more. In an effort to honor achievement outside of the fair, we again want to partner with school and public libraries from across the state to promote reading and honor achievement in reading.

To honor achievement in reading, we are offering free youth gate admission passes to the 2022 State Fair, Sept. 1-Sept. 5. You can use the passes to

supplement a current reading program or a whole new reading program can be started.

South Dakota's Largest Classroom

The fair is more than food and candy — it's about education. Get your kids involved in the South Dakota State Fair, whether it's through education projects or the South Dakota's Largest Classroom. The knowledge and memories they take from the experience will last a lifetime.

What is the South Dakota's Largest Classroom?

The South Dakota's Largest Classroom is a great kick off to the school year — it's one massive field trip! During their field trip, students are able to tour a variety of educational "learning centers." These learning centers teach students about science, agriculture, technology and much more! The most exciting part is that kids have the opportunity to learn hands-on and see exhibits that may not always be available to individual school districts.

- The education program is FREE to students, teachers and chaperones.
- Parking is FREE.
- South Dakota's Largest Classroom

activities begin around 9:30 a.m. and end around approximately 2:30 p.m.

• Lunch will be provided for those participating in the classroom.

For more information or to sign up contact Candi Briley at (605) 353-7354 or email candi.briley@state.sd.us

Executive Director Louise Van Poll stands ready to welcome Fairgoers to the Dakotaland Museum on Third Street. Behind her is Patsy, the little train engine.

**Dakotaland Museum welcomes
you to the S.D. State Fair**

A visit to the South Dakota State Fair is not complete without a visit to the Dakotaland Museum. The Museum has thousands of artifacts on display and no time limits. We even have same day passes available so you can leave and come back later.

New items on display this year include a 1921 Model T Speedster racecar; an expanded Log Cabin Gallery; a display showcasing the history of South Dakota's boxcar, which is on display across the street; a baseball exhibit; and a display of Hubert H. Humphrey photos and memorabilia from his time in the U.S. Senate and as Vice President of the United States.

We have added some hands-on activities for the young and young-at-heart and some special photo opportunities, too.

The Dakotaland Museum is located on Third Street across from the Game, Fish & Parks Building. It is open from 9 a.m. to 5 p.m.

Adults are only \$5 and children under 18 are free!

The Museum is part of South Dakota's

The Hoskins one-room schoolhouse gives visitors a chance to experience learning as it was in the past. Below left: When you visit the Museum's new Gratitude Train display, be sure to visit the boxcar across the street.

Largest Classroom held on Thursday and Friday. All school groups are invited to stop in, and teachers and chaperones are free. There will be guided and self-directed tours, a scavenger hunt, and a gift for each student.

The Hoskins one-room schoolhouse is right next door, and it also is part of South Dakota's Largest Classroom. There will be a checklist of activities to complete while in the school.

The school is open the same hours as the Museum and is free for everyone, however donations are greatly appreciated to help with the cost of repairs and upkeep.

At a young age Randy took piano lessons where his love of music began. Later on he began to play guitar and at 12 years old he started writing songs.

the area, but also the most fun. You'll hear anything from Waylon Jennings to Eric Church, and even a handful of Weston's own songs!

Mogen's Heroes Thursday, Sept. 1

Friday, Sept. 2
Noon, 3 and 5 p.m.

Mogen's Heroes began "having fun making music" Halloween night of 1978 in beautiful downtown Chancellor.

Founded by Waubay native John Mogen while he was teaching vocal music in Lennox, this trio soon added guitarist Tom Steever. Drummer Scott Klaverkamp joined in the early '80s. Their tight three-part harmonies became the band's trademark. Television anchorman Doug Lund replaced Klaverkamp in May of 1988. Lund's booming baritone voice was well-recognized by listeners. Wagner native Dennis Gale grabbed his guitar to become a Hero in February of 1997. Redfield kid Bill Hoffman picked up his

drumsticks early in 2003, and the trio remains the same today.

The 1270's Saturday, Sept. 3 Sunday, Sept. 4 Monday, Sept. 5

Noon, 3 and 5 p.m. daily
Hailing from Sioux Falls, South Dakota, The 1270's is a 1950s and '60's band playing all of the classic Golden Oldies. Elvis, The Beatles, Buddy Holly, Chuck Berry, and anything that makes you get up and dance is on our setlist.

The band got its name from the classic Sioux Falls Radio Station KIHO. Tuning to channel 1270 AM in the late 1950s, KIHO was the go-to station to hear the new style of music they called Rock 'n Roll!

Midway Roadhouse

By day, the Midway Roadhouse serves as an area for fairgoers to sit down and enjoy the fair, whether it's the company, fair food or entertainment. During the day fairgoers can enjoy everything from acoustic musicians to jugglers. By night, it transforms into an outdoor concert area, providing a fun beer garden atmosphere, with bands performing Friday-Sunday.

Billy Lurken Thursday, Sept. 1 Noon, 2:30 and 7 p.m.

Nick Sharpe - Magician Thursday, Sept. 1 and Friday, Sept. 2: 1:30 and 4 p.m. Sunday, Sept. 4 1:30 p.m.

Keeping everything in Nick's world spinning didn't come easy. In fact, it started late in life compared to the average entertainer. In 1986 at the age of 21 everything changed when he and his brother were slammed by a truck while standing on a California street corner.

After recovering and realizing life is short, Nick's focus changed. He met

some key people in the entertainment field and was inspired.

Nick was very fortunate to land a one-year internship with an award winning illusionist. That developed into a five year stage management and warm-up act position. Touring with five tons of equipment taught him lights, sound and just plain theater.

TODD Live Acoustic Friday, Sept. 2 Noon, 2:30 and 7 p.m.

CoJo and Co. Friday, Sept. 2 10 p.m. to 1:30 a.m.

South Dakota based CoJo & Co are a floor stompin' honky tonk band with a sound forged in your hometown bar. The real deal. Old guitars and one horse bars.

The Wildflowers Saturday, Sept. 3 Noon, 3 and 7 p.m.

Take time to relax in the Backyard

children to decompress, relax, unwind, and rejuvenate. Parents can find a shaded place to sit while their children can

GRANDSTAND:

Turner has immersed himself in country music's history and its iconic figures.

Multi-platinum, award-winning recording artist Elle King combines punkish country and raw R&B with crotchety rock and deep blues to create a tautly rocking, contagious live set.

The Band Perry Sunday, Sept. 4 7 p.m.

Grammy® Award-winning superstar sibling trio The Band Perry is an unstoppable presence in modern music. Since releasing their ground-breaking No. 1 single "If I Die Young," they have gone on to forge a unique identity and build an international fan base leading to sold-out world tours with five No. 1 singles on the Billboard Country Chart.

Kimberly, Reid, and Neil are back in the studio with the release of their much anticipated third country album coming out later this year.

With Special Guest:

Lainey Wilson

ACM New Female Artist of the Year 2022 winner, and Billboard's "Top New Country Artist of 2021," Lainey Wilson is one of Nashville's hottest and most buzzed-about new artists. Landing her first No. 1 with her PLATINUM Certified ACM Song of the Year "Things A Man Oughta Know," she has won over legions of fans with her signature Bell Bottom Country sound and aesthetics, which blends traditional Country with a modern yet retro flare.

And Special Guest:

Priscilla Block

Opening for The Band Perry, Priscilla Block is unapologetically herself.

"This is me," says Priscilla, "Love it or leave it."

It's that kind of attitude towards life and her fearless music-making that has made the rising country star one of the genre's most exciting new artists, and one of its most authentic and relatable voices. A mix of endless party and unmitigated honesty, Priscilla's debut album, *Welcome to the Block Party*, finds an artist who is redefining 'three chords and the truth' for an entirely new generation.

ATV Big Air Tour Monday, Sept. 5 1 p.m.

The ATV Big Air Tour brings laughs, screams, and excitement to the grandstand with freestyle 4-wheelers, motorcycles, and BMX for an epic afternoon of family-friendly fun!

Created by ProATV rider Derek Guetter, this national touring show will thrill you with their amazing talent, big jumps, giant backflips, revving 450cc engines, crowd games, good music, and lots of free stuff throughout the afternoon.

The Guetter brother's story started in 2004 when Jon Guetter landed the world's first ATV backflip and they have been on a wild ride ever since. "We took something that we loved to do as kids, lived out our dreams riding our ATV's all around the world, and created this awesome tour and film series to inspire the next generation of kids with dreams as big as mine," said Derek Guetter.

Stick around after the show for the free Meet & Greet with the team who will sign autographs and pose for photos.

Specialty Producers to Showcase Products at S.D. State Fair

The Value Added Agriculture Development Center (VAADC) invites you to attend the 23rd Annual Value Added Agriculture Center Day at the South Dakota State Fair in Huron, on Thursday, Sept. 1, from 9 a.m. to 4 p.m.

Be sure to make time to walk through the Day Sponsor Tent to sample products from value added businesses and learn more about the innovative products being made here in South Dakota.

Additional exhibitors are members of the S.D. Specialty Producers Association (SDSPA), which provides producers of specialty crops and other local food products with education, promotion and connections.

The event will highlight local food and products including South Dakota meats, ice cream, herbs, fresh pro-

duce, spirits, sorghum flour, and more.

There will also be presentations on various local food topics and our Ice Cream Social brought to you in cooperation with Your South Dakota Dairy Producers.

Resource organizations that partner with VAADC in developing and expanding value added agriculture ventures will also be on hand to provide details on their programs.
