# Buck and Aikman in the catbird's seat for Super Bowl LIV

Fran Drescher is still playing a nanny, but this time, to her new character's grandchildren.

The veteran comedy star returns to series television in NBC's "Indebted," premiering Thursday, Feb. 6. She and Steven Weber ("Wings") play a couple who start residing with their son and his wife (Adam Pally, Abby Elliott) upon falling on hard times, but a clash of generations soon results, particularly due to the houseguests' lively minding of their grandkids (think "pinata" and "makeup"). That doesn't mean Grandma and Grandpa aren't staying for a while, though.

"You're going to be seeing pretty much what you've been used to," Drescher acknowledges of her "Indebted" work, "but this woman is going through a different kind of a life experience. She's got a husband and she's got grown children and she's got grandchildren. She's finding herself a little out of money, out of luck in terms of how that goes.

"I like to play characters that are not mean-spirited," adds Drescher. "I like to play people that are positive and loving. I like to be self-deprecating, so that's sort of my brand of comedy, and I think that my fans have embraced that. That's what they've come

It's their biggest broadcast of the year, one that will put more ears and eyeballs on them than perhaps with any other TV show this year.

Joe Buck and Troy Aikman, who have done five Super Bowls together, try to treat it like another day at the office but they know that butterflies are inevitable.

"I think anybody who would tell you that doing a game for 115 million people doesn't get their nerves bouncing around a little bit is lying to you," Buck says. "And as much as I say you don't try and think about how many people are out there watching and in essence picking you apart, you do think about it. It's just impossible not to, but that's good. I think it forces you to really concentrate."

Sunday, Feb. 2, the two men will be on the call when the Kansas City Chiefs and San Francisco 49ers meet with a Vince Lombardi Trophy on the line in Super Bowl LIV, which Fox will air live from Hard Rock Stadium in Miami Gardens, Fla. Jennifer Lopez and Shakira will perform on the halftime show with the singer of the National Anthem still to be determined at this writing.

Hard Rock Stadium – home to the Miami Dolphins and Miami Hurricanes football teams – has hosted five previous NFL title games and is a venue with which Buck and Aikman are well familiar. From a broadcaster's standpoint both men say the stadium, which was renovated in 2015, is good, February 2 to February 8 - Page 3C

with ample facilities near their booth and good sightlines to every part of the field.

"You don't have to watch the entire game off the monitor," Buck explains. "You can actually watch the live action and see enough where the angles are good where you can determine where a guy goes out of bounds. You know, some of these places are low ... so the far sideline in each corner is really hard to see like where a guy goes out of bounds or if he was able to dip into the end zone. And you almost have to wait, otherwise you're just guessing and it would be the worst thing in the world to guess wrong in the Super Bowl."

Some stadiums are not so good. For instance, the booth at TIAA Bank Field in Jacksonville, Fla., which hosted Super Bowl XXXIX in 2005, was high up and made life difficult for Buck, Aikman and their boothmate that year Cris Collinsworth. In fact, Aikman remembers that Collinsworth was so unsettled by his compromised vantage point that he took a somewhat extreme measure to ensure that he could accurately relay the action.

"He didn't feel like he could see the field, didn't feel like he could see numbers and all that kind of stuff," Aikman recalls with a laugh. "So he went and got an eye exam Saturday night and went to Lens Crafters and had glasses for the game on Sunday. He had never worn glasses in a broadcast and he was wearing glasses in the booth for the Super Bowl."

to expect, and I like to give them what they anticipate and as much bang for their buck as possible."

Also working now with Rachel Bloom ("Crazy Ex-Girlfriend") on developing a stage-musical version of "The Nanny," Drescher notes that her fame largely has hinged on her maintaining "a persona that is seen very vividly in all of my characters. I made peace with the fact that I'm not going to ever be Meryl Streep in my career."

## tonight's picks

Nick Cannon

#### Sunday 1 p.m. on 36; 4 p.m. on 36 Kitten Bowl VII

More than 100 adorable kittens, all of them rescued and up for adoption, compete in this year's edition of the Feline Football Championship. TV personality and author Beth Stern returns as host from Hallmark Channel's Kitten Bowl Stadium, where she'll be joined by commentators Jill Wagner and Brennan Elliott providing play-by-play coverage, as well as Feline Football League commissioner Boomer Esiason.

1:02 p.m. on 44

#### Puppy Bowl XVI Pre-Game Show

Animal Planet collaborated with 61 dedicated animal shelters and rescue organizations representing more than 25

states to fill the rosters of this year's face-off between Team Ruff and Team Fluff with nearly 100 adoptable puppies, the most in the event's history. In addition to such familiar elements as the water-bowl cam and the puppy kiss cam, fans may notice a change in team colors, from the previous yellow and green to "Bark Blue" and "Tail Mary Tangerine."

9 p.m. on 31; 12 a.m. on 31

Worst Cooks in America In a NFL-friendly new episode

called "Let's Get Ready to Tailgate," the remaining recruits prepare game day dishes that determine how quickly they can move down the field to the end zone. Next, they recreate some supremely tasty burgers created by Alton Brown and Anne Burrell.

9:30 p.m. on 😰 7 The Masked Singer Jamie Foxx drops in as a guest panelist as Season 3 of this hit series premieres in a maximum visibility time period, immediately following the NFL championship game, but that's only appropriate for a game show as totally bonkers as this one. The second episode airs Wednesday, Feb. 5. Host Nick Cannon welcomes 18 celebrity contestants this season, up from Season 2's 16, and fans can count on seeing some new costumes. The show's producers also are making the clues generally harder in this edition, so returning judges Ken Jeong, Nicole Scherzinger, Robin Thicke and Jenny McCarthy have their work cut out for them.

**Below Deck Sailing Yacht** A 180-foot sailing yacht called the Parsifal III is the setting for this new spinoff of "Below Deck," which once again features an elite crew catering to the whims of a well-heeled clientele as they cruise through crystal-clear waters near Corfu, Greece. There's an added degree of difficulty involved this time around, though: Capt. Glenn Shephard and his crew are working at the whim of the winds, in below-deck spaces considerably less spacious than those on motor yacht counterparts.

#### Independent Lens

It may be true that nature is no respecter of persons, but only up to a point. While an affluent person and one who lives in poverty may go through the same heat wave or ice storm, their experience is apt to be dramatically different. Filmmaker Judith Helfand's documentary "Cooked: Survival by Zip Code" revisits the summer of 1995, when a prolonged Chicago heat wave killed more than 700 people, most poor Chicagoans on the South Side.

#### 9 p.m. on 31; 12 a.m. on 31

#### Chopped Sweets

Scott Conant, a familiar face on the "Chopped" judges panel, is host for this new spinoff competition, in which four chefs compete in a series of challenges featuring a different, often confounding, sweetthemed ingredient that must be incorporated into the desserts they create. In the premiere, "Boozy Baskets," a special beer and a frozen treat are featured in the first round, while a potent pop and a festive frosting meet in the second basket.

9 p.m. on (401); 10 p.m. on (401)

#### McMillion\$

Mark Wahlberg is among the executive producers of this six-part docuseries, which chronicles the bizarre yet true story of a 1990s fraud case in which \$24 million was stolen from the McDonald's Monopoly game, which awarded prizes to the company's fast-food customers. Unfortunately,

customers and most McDonald's executives were unaware that the biggest winning tickets were being stolen and sold to winners via a complex web of friends and family members who became co-conspirators.

#### **Desus & Mero**

Longtime friends and performing partners Daniel Baker and Joel Martinez return in their stage personas as Desus Nice and The Kid Mero for the sophomore season of their well-received talk show. a laid-back affair in which they offer their perspective on pop culture events and personalities and welcome equally affable guests, most of whom are surprisingly willing to let their hosts take them wherever the conversation leads.

Gordon Ramsay

#### Tuesday 6:15 p.m. on (435) Movie: Walk Hard:

The Dewey Cox Story Often a supporting player, the talented John C. Reilly ("Chicago") is front and center in this amusing celebrity biography satire, co-written and co-produced by Judd Apatow ("Knocked Up"). His character is an unlikely music legend who indulges in every vice and cliché ever associated with that lifestyle. Jenna Fischer ("The Office"), "Saturday Night Live" alumnus Tim Meadows and some actual music icons (notably, the Temptations) are featured.

#### Gordon Ramsay's 24 Hours to Hell and Back

"Seafarer's Family Restaurant" is the struggling Manassas, Va., seafood eatery that gets the focus of Chef Ramsay and his crew in this new episode. At first glance, the business's prime location would seem to enhance dinner traffic, but instead, the family running the place is being torn apart by the strain of supporting three households on declining revenue. The Ramsay team gives the restaurant a striking makeover, a fresh new menu and renewed hope for the future.

7 p.m. on 59; 9:30 p.m. on 59

#### Movie: Ferdinand

John Cena provides the voice of the title character, a flowerloving pacifist bull who resists his enforced destiny in the bullfight arena, in this 2017 feature-length computeranimated adaptation of the same children's book that inspired the Oscar-winning 1938 animated short "Ferdinand the Bull" by Walt Disney. Kate McKinnon, Bobby Cannavale, Gina Rodriguez, Daveed Diggs and Gabriel Iglesias also lend their voices to the film, which earned an Oscar nod as best animated feature (but lost to "Coco").

7 p.m. on ᠖7; 2 a.m. on ᠖7 Siesta Key

In the new episode "Why Are You With Somebody Who Doesn't Deserve You?," Juliette and Alex finally meet up for the first time in months. Alex introduces his new girl to the group. Officially, Kelsey is dating Jared, but she also feels free enough to admit to herself that she's distracted by her boss, Jake.

#### 8 p.m. on 🚯 3 CBS News: State of the Union 2020

Most of the broadcast and all the major cable news networks present coverage of President Donald Trump's annual address to a joint session of Congress, in which he'll offer his assessment of what's currently working in the United States and what he thinks needs improvement. He may well also spend some time making the case for his own re-election in November. The Democratic Party's response immediately follows on most of these channels.

#### Teen Mom: Young and Pregnant

Kayla remains ambivalent at best about her mother's latest move, while Ashley's mom does what she can to mend fences with Bar's mom in the new episode "Not Gonna Be Like That Again." Things might be getting serious between Rachel and her new boyfriend. Elsewhere, Teazha and Kiaya decide to see a couples counselor.

#### Movie: The Parts You Lose

Christopher Cantwell's wellacted, character-driven 2019 thriller about an injured criminal (Aaron Paul of "Breaking Bad") trying to lay low from authorities is told primarily from the perspective of Wesley (Danny Murphy), a young hearing-impaired boy who befriends the fugitive and, over time, begins to develop an unusual relationship with him. Mary Elizabeth Winstead, Scoot McNairy, Darcy Fehr, Stefania Wiens and Charlee Park co-star.

#### 7 p.m. on 🚯 🔞

NOVA Renowned paleontologist Kirk Johnson is host for the new two-hour presentation "Polar Extremes," which examines historical warming and cooling

patterns in the Arctic and Antarctic over the past 650 million years in an effort to find clues to what the immediate future holds in terms of its climate. At past stages in the Earth's life, dinosaurs roamed a once-temperate South Pole and alligators made a home in a subtropical Arctic forest. How dire will things get as polar ice continues to melt?

#### Expedition Unknown Explorer and host Josh Gates returns for new adventures in this plus-sized season premiere, which takes him to the battlefields of D-Day and the beaches at Normandy to team up with investigators who are making history-changing discoveries about that "longest day." New finds include an unexploded bomb in the waters off Normandy's coast

and a previously unrevealed complex of Nazi bunkers.

No matter what you call it a docu-soap? an unscripted relationship series? — there's little question that the Hamptons will be hopping once again as Kyle Cooke, Amanda Batula, Carl Radke, Lindsay Hubbard, Hannah Berner and Paige DeSorbo return for more summertime shenanigans. They're also joined by two new roomies, Luke Gulbranson and Jules Daoud, plus their friends Danielle Olivera and Jordan Verroi also are back.

#### 8 p.m. on (435)

#### Movie: The Wind

Rookie director Emma Tammi received warmly appreciative reviews for her feature debut in this unconventional 2018 horror

film, which is set on the nineteenth American century frontier and views the story's events primarily from the perspective of its female characters. Caitlin Gerard ("American Crime") heads the cast as Lizzv Macklin, an emotionally unstable woman who settles with her husband (Ashley Zukerman) in a remote part of New Mexico. When a younger couple (Julia Goldani Telles. Dvlan McTee) eventually settles nearby, Lizzy befriends the pregnant wife.

of brick-building challenges. In each episode, the competitors who most impress the judges progress to the next round and so on until the finale, where the top teams vie for a large cash prize, the ultimate LEGO trophy and the grand title of LEGO Masters.

Ivar and Igor (Alex Hogh Andersen, Oran Glynn O'Donovan) join the intimidating force that's departing Kiev to invade Scandinavia, even though both are plotting against Oleg (Danila Kozlovsky), in the midseason finale, "The Best Laid Plans." King Harald and King Bjorn (Peter Franzén, Alexander Ludwig) scramble, making furious preparations for the imminent attack, but it remains to be seen whether they can stand against the Russian invaders.

MacGyver

Expect relationship dynamics on this show to do some shifting in the aftermath of former series regular George Eads' Season 3 departure, partly because of new series regular Henry Ian Cusick ("Lost"). As Season 4 opens, his character, Oxfordeducated Russ Taylor, upsets the Phoenix Foundation apple cart by challenging how Mac (Lucas Till) and his team are used to doing things. Levy Tran, who joined the cast last when Eads left, gets bumped to series regular as her character, Desi Nguyen, takes on more responsibility.

The Guy (Ben Sinclair) continues to find his life intersecting with those of his New York pot clients as this quirky sitcom returns for Season 4. # tonight's picks

#### Saturday 1 p.m. on (9) (9)

#### XFL Football

The XFL returns as another new football league attempts to capture the attention of fans they hope remain thirsty for more football. Jim Zorn is back in one of his former NFL cities, serving as head coach of the Seattle Dragons, who visit the DC Defenders and former Ohio State quarterback Cardale Jones. An XFL double-header concludes when running back Elijah Hood and Los Angeles Wildcats visit the Houston Roughnecks, who are coached by June Jones.

7 p.m. on (29); 11:01 p.m. on Aliso 29 Zirke

#### Movie: The Neighbor in the Window

Jamie-Lynn Sigler ("The Sopranos") stars in this 2020 thriller as Karen, a happily married wife and mom, who looks forward to her family making a fresh start as they move to Washington for her husband's new job. Things start promisingly, too, as Karen becomes fast friends with Lisa (Jenn Lyon), their charming new neighbor. It takes Karen a while to realize that Lisa is a twisted piece of work who frequently lies to Karen and, worse, lies about Karen to other people.

Alison Wandzura and Hannah Zirke also star.

#### 8 p.m. on 36

**Movie: Matching Hearts** Julia Palmer (Taylor Cole), a professional matchmaker in Portland, Ore., persuades reluctant town newcomer Daniel (Ryan Paevey) - who already has acquired the nickname "Mr. Stay Single" — to sign up for her services. As she works with him to find a match, however, Julia starts to realize Daniel really is someone special, setting up an inner tug-of-war between her personal feelings and her professional ambitions. When he shows up to a Valentine's Day party with a matched date in

tow, Julia must make a decision in this 2020 romance.

#### 8 p.m. on (116); 11 p.m. on (116)

#### **First Time Flippers**

A couple from Franklin, Tenn., who want to get into the houseflipping game reluctantly realize the available properties in their hometown are just too expensive for beginners like them. Memphis, which is 200 miles away, offers far more budget-friendly options, but they quickly discover that flipping 200 miles from home has its drawbacks, especially when it comes to finishing on time, in the new episode "Road Trip to Flip."
