Maya Erskine in "Mr. and Mrs. Smith"

## Keeping up with the Smiths: Glover, Erskine front new series 'Mr. & Mrs. Smith'

There's no need to relive the same old entertainment this Groundhog Day, because Prime has a brand new offering (without any time loops). "Mr. & Mrs. Smith," an action comedy series based on the plot of the original 1941 film, brings a new twist to the classic tale of espionage and high-stakes hijinks. All eight episodes of the series' debut season release Friday, Feb. 2, on Prime Video.

While the titular, married Smiths are likely to conjure the image of former real-life couple Brad Pitt and Angelina Jolie, both of whom starred in the 2005 film of the same name, the "Mr. & Mrs. Smith" concept is, in fact, a much older production, one directed by famed filmmaker and so-called "Master of Suspense," Alfred Hitchcock. The director — then not yet known for his 1960 masterpiece "Psycho" nor his other many memorable films, which include "The Birds" (1963), "Rear Window" (1954) and "Vertigo" (1958) — became very well known for his gripping thriller style, but he also had a penchant for comedy, as was evident in several of his films, such as 1938's "The Lady Vanishes" and, yes, the 1941 spy comedy "Mr. & Mrs. Smith," led by Carole Lombard ("My Man Godfrey," 1936) and Robert Montgomery ("Lady in the Lake," 1946).

Since Hitchcock's premiere of the now-classic tale, several other takes on the cat-and-mouse spy game have been born. This newest series iteration of "Mr. & Mrs. Smith" stars the multi-talented rapper, writer, actor and producer Donald Glover ("Atlanta") as a suave new spy who must assume the identity of "John Smith," a standard, unassuming, run-of-the-mill husband to his wife, "Jane," also a new hire by the same spy agency, played by three-time Emmy nominee Maya Erskine ("PEN15").

First announced in February 2021, the eight-episode series was originally designed to include "Fleabag's" Phoebe Waller-Bridge as the titular missus. But, due to some conflicts on the creative side, Waller-Bridge stepped away from the series, and Prime's new series was born with Erskine as co-pilot.

Glover, meanwhile, who signed an exclusive deal with Amazon in 2021, takes his usual stance with respect to the series and has become involved both on camera and behind it. In addition to starring as the mysterious John Smith, Glover also co-created the series with "Atlanta" and "Fargo" writer Francesca Sloane.

Alongside Glover and Erskine, Paul Dano ("Little Miss Sunshine," 2006), John Turturro ("Barton Fink," 1991) and Michaela Coel ("I May Destroy You") are listed among the show's big names as well. Dontae Hawkins ("Wu-Tang: An American Saga"), Alex Huynh ("The Greatest Beer Run Ever," 2022) and Tamara Torres ("Orange Is the New Black") are also credited among the cast, while Ron Perlman ("Hellboy," 2004), Alexander Skarsgard ("Succession"), Sharon Horgan ("Bad Sisters"), Úrsula Corberó ("Money Heist"), Eiza González ("Baby Driver," 2017) and Sarah Paulson ("American Horror Story: Coven") are all credited as guest stars or cameos.

The series is described by "Mr. & Mrs. Smith" (2005) writer Simon Kinberg as "Married... with Children" with guns," but the official Prime Video synopsis provides a much clearer picture of what writers have planned for the series, including budding romance, prime real estate and plenty of situational comedy.

"Two lonely strangers land a job working for a mysterious spy agency that offers them a glorious life of espionage, wealth, world travels and a dream brownstone in Manhattan," the Prime Video synopsis reads. "The catch: new identities in an arranged marriage as Mr. & Mrs. John and Jane Smith. Now hitched, John and Jane navigate a high-risk mission every week while also facing a new relationship milestone. Their complex cover story becomes even more complicated when they catch real feelings for each other."

Approaching the story with heavy firearms and a light sense of humor, "Mr. & Mrs. Smith" asks the question: "What's riskier, espionage or marriage?"

## Checking in with JENNIFER NETTLES

Jennifer Nettles is still making music, as she proved with her recent performance at the Daytime Emmy Awards, but she continues to embrace career variety.

The Grammy-winning singer-songwriter, who came to fame as half of the country music duo Sugarland, returns to help counsel four rustic fellows on a number of metropolitan marital options as "Farmer Wants a Wife" starts its second season on Fox, Thursday, Feb. 1.

This time, the farmers in question are from Missouri, Tennessee, Colorado and Florida ... and as Nettles goes to their home bases, she learns anew that romance can surmount barriers of location and upbringing if the love match is right.

Nettles also appeared in last fall's movie "The Exorcist: Believer," so she clearly is game to tackle different projects as they come up, but music still is a huge part of her menu. At December's Daytime Emmys, she gave vocal backing to the "In Memoriam" segment that was led by a tribute to journalism icon Barbara Walters. It put Nettles back on television in a month when she had hosted the annual "CMA Country Christmas" special for several years.

The appearance also reaffirmed Nettles' current pursuits as a solo talent, though she has said that her ventures with Sugarland partner Kristian Bush aren't necessarily over. Along with former member Kristen Hall, they formed the group in 2003, and the trio scored such hits as "Baby Girl" and "Something More." Nettles and Bush continued to enjoy tandem success with tunes including "Want To" and "Stay," before they went their separate ways in 2012 (though they reunited briefly several years later).

Since then, Nettles has starred on Broadway ("Chicago," "Waitress"), in Dolly Parton-inspired NBC movies and in the HBO series "The Righteous Gemstones." She

was also in the WGN America drama "Underground," but "Farmer Wants a Wife" has given her an entryway into unscripted TV, and that's a path she evidently enjoys continuing to follow along with her other professional avenues.

Zyra Gorecki stars in "La Brea"

# tonight's picks

**Vanderpump Rules**  
**(57) 7 p.m.**  
 In this season premiere, restaurateur Lisa Vanderpump continues to lord over a group of young adult staff members who lead drama-filled lives, while simultaneously contributing reckless amounts of Instagram posts and Snap filters on an unsuspecting world.

**Chopped**  
**(31) 7 p.m.**  
 It's a case of indemnity claws when the chefs must track down crab meat for appetizers in the first round. But a dip to

remember seems to challenge the group in the second round, before mocktails and fruit balls ultimately decide who reigns supreme.

**Finding Your Roots With Henry Louis Gates, Jr.**  
**(8) 7 p.m.**  
 There's a lot to laugh about when host Dr. Henry Louis Gates Jr. welcomes actor-comedian Bob Odenkirk and comic Iliza Shlesinger to examine their family histories and discover relatives who overcame hardships in order to get their family tree branching.

**La Brea**  
**(46) 8 p.m.**  
 In a new episode, Sam (Jon Seda) and Lucas (Josh McKenzie) lead the group's fight for survival after a massive fire breaks out. In the chaos, Gavin (Eoin Macken) is taken by a woman with a connection to his past who may hold answers he's been seeking.

**sMothered**  
**(46) 9 p.m.**  
 Cord cutting is an honourable quest, especially when talking unbelatedly. These mothers and daughters need to

give that some serious consideration because they are attached at the hip, obsessively inseparable about all aspects of their lives.

**The Bermuda Triangle: Into Cursed Waters**  
**(48) 9:05 p.m.**  
 Two of the most famous mysteries of the Triangle — British passenger planes Star Tiger and Star Ariel — disappeared in the 1940s, almost one year apart to the day. The team checks a spot that could be the Ariel, which vanished with 20 passengers and crew.
