SUMMER FUN

DOUGLAS CHITTICK COMMUNITY GARDENS

Each year the Brookings Parks & Recreation Department offers approximately 550 garden plots for seasonal planting for Brookings residents. Plots are available for annual and perennial planting. Each plot is roto-tilled, fertilized (even numbered ending years), measured and numbered. There are hose bibs in each row, so gardeners can take their own garden hose and water their own plot.

- Each plot measures approximately 20 feet by 25 feet and is rented for \$35 per season.
- The Community Gardens are located at the northeast corner of Medary Ave and Hwy 14 Bypass intersection (south of the go-cart track).
- Four raised accessible garden beds are available for planting.
- For reservation procedures and guidelines, contact the Brookings Parks & Recreation Office.

SUSTAINABILITY COUNCIL

BROOKINGS URBAN FOREST INITIATIVE

The **Brookings Urban Forest Initiative** is designed to enhance the health, long-term sustainability and beauty of our community's trees. Many of the trees we value in Brookings are mature and some are in decline. With the looming threat of the Emerald Ash Borer, now is the time to take steps to ensure that our community forest remains a signature part of life in Brookings. The City is excited to offer property owners the chance to plant trees at little or no cost on their property. This program helps us remain a Tree City USA!

Eligibility: City of Brookings residents

Benefits: Maximum of 1 tree/property/year. (Trees planted in boulevard areas will require City approval prior to planting and reimbursement)

Tree Species: The list of approved trees is available at www.cityofbrookings-sd.gov/UrbanForest or at the Parks Recreation & Forestry office.*

Cost: NEW this year! Eligible participants must bring a receipt from their purchase of an approved tree to the Parks, Recreation & Forestry office for reimbursement up to \$125.. You must pay any additional cost. Upon receiving your receipt for an approved tree purchase, the City will issue you a check for the \$125 reimbursement.

Where: Trees may be planted in your own yard or on City boulevards with location approval.

When: Begins on Earth Day (April 22) and continues until funds are depleted.

Resources: Tree care and planting tips can be found at www.cityofbrookings-sd.gov/UrbanForest.

If you need additional information or advice on planting locations, please contact the Forestry Division at 605-692-2708.

Office Location & Hours: The Parks, Recreation & Forestry office is at 520 Third St., Ste 130. Regular office hours are 7 AM-5 PM Monday - Thursday and 7 AM-12 Noon Friday.
