Always follow your dreams

Always follow your dreams,

Don't let them fade away.

If you lose sight of your goal,

It will haunt you some day.

Always follow your dreams,

As you shoot for the stars.

Nothing will be out of reach,

If you're willing to go far.

Always follow your dreams,

You just have to believe.

No one can ever stop you,

If you're willing to achieve.

Always follow your dreams,

No matter how silly they appear.

When others push them away,

Just pull your dreams near.
