Livingston man found dead in front yard

The Polk County Sheriff's Office is currently investigating a homicide after locating a deceased subject in the front yard of an address in Livingston.

Lynn Chatman

The body of the Livingston man was located in the 14000 block of FM 350 North. At approximately 1 p.m. Thursday, Polk County Sheriff's deputies and detectives, along with assistance from the Texas Rangers, arrived at the scene to begin an investigation.

The deceased was quickly identified by law enforcement as Leonard Earl Chatman, 64, of Livingston.

GISD receives positive financial report

The Goodrich ISD board received the financial audit report and financial integrity rating in November's monthly meeting Thursday night in the administration building.

CPA Eric Carver with Axley & Rode gave a financial audit report for the district, saying that the past year was particularly challenging. However, Goodrich ISD was able to perform well. The opinion issued by Axley & Rode was an unmodified, clean opinion, meaning that finances were materially correct.

Carver said because schools have accepted money from the government through Essar funds, they may need to have funds stored to pay some of it back. He also said the government could come back and mandate additional requirements, such as a limit on students in a classroom, a limit on students in a bus or other examples that could cause expenditures.

Court to eye water plant improvements

The Polk County Commissioners Court will review the bid and consider action on the Dallardville/Segno Water Supply Corporation plant improvements through the Texas Department of Agriculture fiscal year 2020 for Contract No. 7220361 during its regular meeting at 10 a.m. Monday.

A request from Sheriff Byron Lyons for an interlocal cooperation agreement with Kaufman County for contracted housing of Polk

County inmates in the Kaufman County Jail will be considered by the Court, in addition to determining the method of funding.

Commissioners will consider approval of a resolution to appoint members to the Sexual Assault Response Team (SART) required by Local Government Code, Chapter 351, updated in the 87th legislative session.

An agreement between the Polk County Bail Bonds Board and Gen-

esis Ebonds will be considered for approval.

Commissioners will consider action regarding a request to the Texas Department of Transportation for the county purchase of reclaimed asphalt, including the method of payment.

Action regarding Bid No. 2022-12 for the purchase of a generator for emergency management to be funded from maintenance capital outlay buildings (budgeted funds) will be

considered by the Court.

Commissioners will consider a request for capital purchase to be paid from the general fund balance and included on the fiscal year 2022 reimbursement resolution for year-end issuance of legally authorized debt, specifically, a request from emergency management for 13 automated external defibrillator units (AEDs) for Polk County buildings,

CanStruction 2021

The build is on in local food drive competition

Local Attorney Joe Roth, a MannaFest volunteer, is participating in MannaFest's CanStruction contest by building a structure made up of jars of peanut butter in his local law office. Joe's birthday was Wednesday and all he asked for was jars of peanut butter for his CanStruction. Following the judging and viewing of the CanStructions, all food will be given to MannaFest Food Pantry.

From Enterprise Staff

Here's the competitive question: Can companies and Polk Countians use cans creatively to concoct culinary constructions? That's what the organizers of CanStruction want to know as they kick off this year's contest to use cans or other packaged food items to build interesting structures and help fill shelves at the MannaFest Food Pantry.

The competition comes at a time when food pantries nationwide not only are dealing with high demands but also are having trouble procuring popular items such as peanut butter, green beans and turkey for clients due to problems with the food supply chain.

CanStruction team registration is open through noon on Nov. 29 and judging will take place on Dec. 2. Registration forms are available in the events section on MannaFest's website: <https://www.mannafestlivingstontexas.org> or by calling the Man-

HOW TO Register

Team registration is open through noon on Nov. 29 with judging on Dec. 2. To register call 936-327-9555 or visit the site a mannafestlivingstontexas.org

naFest office at (936)327-9555.

Competitors are asked to use canned or boxed food items to create model-sized "structures" that fit one of this year's themes:

- Best interpretation of overall theme: Leading the fight against hunger in Polk County
- Best Polk County inspiration
- Best creative use of food and labels

After judging and community viewing, the components of the structures

are donated to the non-profit food pantry. Marilyn Wise, executive director of the MannaFest Food Pantry, said the holidays bring extra demand on pantry supplies.

"We expand our offerings for the holidays," she said. "At Thanksgiving we deliver meals to shut-ins, the homeless and others who need blessings on that day. And we already are putting together boxes for families with school-age children to use during the Christmas break when their kids are home from school."

The website outlines rules of the competition, including what building materials can be used. Entrants can choose from one of three size categories based on the number of building blocks or cans: Small (under 250), Medium (250-500) or Large (More than 500).

CanStruction serves as a lead-in for MannaFest's Christmas Tour of Homes, which will be from 4-8 p.m. Dec. 4. CanStruction award winners will be announced at 7 p.m. that day.

Drake lone finalist

LISD principal to be new Chester superintendent

Dr. Paul Drake has been named the lone finalist for the superintendent position at Chester ISD. Drake served five years as principal at Livingston High School and will assume his new position on Jan. 3, 2022. He is a 2001 graduate of Livingston High School.

Drake received a Bachelor of Science degree at Stephen F. Austin State University and earned his Master of Science and Doctorate in Educational Leadership from Lamar University. His first teaching and coaching job was at Brownsboro ISD, where he taught math and history at the junior high and coached football and track at the high school. He was a boys head coach at both Rusk ISD and Bishop Gorman High School in Tyler, and served as an administrator at Whitehouse ISD as assistant principal at Stanton-Smith Elementary School.

"I am very excited and fortunate to have the opportunity to serve in Chester I.S.D. as the Superintendent of Schools," Drake said. "I have had the great privilege of serving my alma mater, Livingston High School, for the past five years and making

not to exceed \$18,096.

In personnel matters, Commissioners are slated to review and consider action on personnel action forms submitted since the last meeting and review any authorized emergency hirings.

Commissioners will consider fiscal year 2021 and

fiscal year 2022 budget revisions and amendments, as presented by the county auditor's office.

Items on the consent agenda include:

- Approve minutes of the previous meetings;
- Approve schedules of bills;
- Approve order designating surplus property;
- Receive county auditor's monthly report, pursuant to

Local Government Code Sec. 114.025;

- Approve order renewing Polk County tax abatement criteria and guidelines for the two-year period beginning Dec. 11, 2021 and ending Dec. 10, 2023; and

- Approve request from District Attorney Lee Hon for asset forfeiture expenditure of seized property in the amount of \$5,360.82 for investigative services.

an impact. I am looking forward to arriving at Chester I.S.D. on Jan. 3 to work with the students, parents, faculty and community of Chester, impacting the school in positive ways. There are many people to thank from both communities and I can't wait to meet the students of Chester I.S.D."

Livingston High School realized many successes during Drake's tenure, including the 2019 UIL State Champion Robotics team, multiple FFA teams advancing to the state competition, 42 students advancing to state-level competition in Business & Professionals Association (BPA), and sweepstakes wins by both the choir and band each year.

One of the highest

achievements for Livingston High School in the last five years was finishing in the top 25 Texas UIL Lone Star Cup. This honor recognizes the top high schools in each UIL conference based on overall team achievement in sanctioned competitions of academics, athletics and fine arts.

"We are both proud of the job that Dr. Drake has fulfilled for us the past five years as Livingston High School Principal and for this opportunity to impact the students of Chester ISD," LISD Superintendent Dr. Brent Hawkins said. The consistency of Dr. Drake's leadership has allowed Livingston High School to experience continued success. When you accomplish great things, doors open for you, and other organizations offer your staff advancement opportunities.

"Dr. Drake is well prepared and well-deserving of

this opportunity. When you think of LHS Alumni, you think of the characteristics and character that Dr. Drake exhibits, and these attributes make our organization very proud. I know he will do great things and have a bright future ahead. Dr. Drake will continue to serve the LHS principal through the end of December, as the district begins its search for the new LHS principal, which we anticipate will be in place as of January."

Rodney Williams

Funeral services for Rodney Williams, 79, of Livingston, Texas, were held Saturday, November 20, 2021 at 2:00 p.m. in the First Texas Indian Baptist Church in Livingston, Texas with Rev. Roy Jernigan officiating. Interment followed in the First Texas Indian Baptist Cemetery. Visitation was held from 1:00 p.m. until the service begins at 2:00 p.m. at the church.

Rodney Williams was born on June 26, 1942, in Elton, Louisiana to Albert and Adele Williams. He was a member of the Coushatta Tribe of Louisiana and belonged to the Turkey Clan. The oldest of nine children, Rodney was raised in Elton and graduated with the class of 1960 at Elton High School. Afterward, he moved to Houston, Texas, where he obtained his welder's certification and worked for many years in the welding industry. Later, he proudly worked with the National Park Service in Kountze until retirement. Rodney was called to his heavenly home on November 17, 2021, surrounded by family at his home in Livingston, Texas.

Rodney was preceded in death by his parents, Albert and Adele Williams; late wife, Mary Obe Williams; brother, Elray Williams; niece, Delinda Kay Williams; mother-in-law, Liz Jernigan; and brother-in-law, Oscar Williams.

To cherish his memory, Rodney is survived by his loving wife, Linda Jernigan Williams of Livingston; daughter, Charlene Williams of Livingston; son, Bryan Williams and wife, Stephanie of Livingston; daughter and son-in-law, Crystal Williams and Tyler Greymountain of Elton, Louisiana; bonus children, Jeremy Shirley and wife, Amy, April Litner and husband, Colby, and Autumn Batease and husband, John all of North Carolina; grandchildren, Traci Thompson and husband, Brent, Chad Alec and wife, Tahwnee, Kinney Alec, and Whitney Williams all of Livingston, Ty'Leah and Shai Greymountain of Elton, Louisiana; bonus grandchildren, Jade, Liam, Jocelyn, Kayden, and Cogen all of North Carolina; great-grandchildren,

In addition, Rodney is survived by his brothers, Norman Williams and wife, Billie Sue, Larry Williams and wife, Wynema, Verlis Williams and wife, Terri; sisters, Delores Williams, Peggy Williams, Sandra Walker and husband, Johnny, Rebecca Alec and husband, Lyndon, all residing in Livingston; sister-in-law, Sherolyn King also of Livingston; and brother-in-law, Larry Jernigan and wife, Nell of North Carolina, as well as his dear aunt, Monnie Mae Langley, along with numerous nieces, nephews, cousins, other family members, and many friends and former colleagues.

Pallbearers are nephews, Eric Williams, Craig Williams, Brandon Williams, Jonathan Williams, Ryan Alec, Shaun Walker, Jason Williams, and Anthony Williams; and special friends, Calvin Sylestine and Jeremy Fuselier. Honorary Pallbearers are Lovelin and Lorenda Poncho, Barbara Langley, Ernest Sickey, and the Elton High Class of 1960.

Rodney had a life well-lived and enjoyed hunting, fishing, cooking, barbecuing, the outdoors, classic cars, and the Houston Texans. If you would like to honor his memory, you may donate in his honor to a charity of your choice in lieu of flowers. The family wishes to express their sincere gratitude to Dr. Jerry Wood and Kindred Hospice for the excellent care Rodney received. In addition, sincerest thanks gos to Mrs. Alvada, who was Rodney's "guardian angel."

"I have fought the good fight, I have finished my course, I have kept the faith. Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing." - II Timothy 4:7-8

GOODRICH
Continued from page 1A

Those items, if they occur, would come in the next two to three years, Carver said.

Carver said schools would need to have funds available, as they are not held harmless this year as they were in the past with COVID-19. A surge of the virus in the spring could cost the school district thousands of dollars if groups of students were not able to attend for an extended period.

Overall, Goodrich ISD is up \$700,000 in total assets, with around \$118,000 of that in capital improvements, such as buildings. The cash was up around \$590,000 with donations like the new solar project and the rise in property taxes. The net position is \$3.6 million, up \$822,000 from the prior year. Revenues were up almost \$250,000, mostly from the solar project donation. Expenditures decreased about \$135,000 from the year before.

Goodrich was issued the Financial Integrity Rating System of Texas' (FIRST) rating for 2020-2021 based on the 2019-

2020 school year. A superior achievement rating of 100 was received by the Goodrich ISD financial department, led by business manager Kaelin Smith, fulfilling all 20 categories on which they were graded.

The district is looking to upgrade teacher computers and displays in the classroom. Once a recommendation has been returned, it will be placed on the agenda, possibly as soon as December.

The school's window project went back out for bid after the district felt bids returned the first time were high. The first of four

or five bids have been returned. Goodrich Superintendent Daniel Barton said his office was excited that this round of bids "look like they will be a lot better than projected, based off previous bids." Bathroom renovation bids will soon be collected. There is also the possibility that someone will be hired on a project basis or that the job could be done in-house.

In business items, the board approved the financial audit report, district improvement plan, primary campus improvement plan and a salary increase for one of the bus routes

Conquering My Culinary
Bucket List One Dish at a Time

By Emily Banks Wooten

“Be thankful for what you have: you’ll end up having more. If you concentrate on what you don’t have, you will never, ever have enough.”
— OPRAH WINFREY

FIRST THANKSGIVING FEAST

My experience of making the whole kit and caboodle

Thanksgiving 2020 was one for the books for me. It was the first time in my life that I prepared the entire Thanksgiving meal. Okay. Full disclosure. Mother did the rolls and dessert and Daughter made deviled eggs. But I made everything else and it was quite a feat.

You may find it unusual that in my mid-50s I’d never prepared Thanksgiving dinner before. I’ve just never had to. During my childhood and adolescence, my mother, grandmother and aunt took care of it. Later as an adult, it was kind of divvied up between my mother, me, my sister and sister in law, with Mother doing the “heavy lifting,” you know, the turkey and dressing. I’ve always contributed to the feast — usually two or three side dishes and maybe a pie. In fact, over the years, I became quite known for several of my side dishes.

When I realized it would just be the three of us and Mother last year, I knew there was no way I was going to expect her to do it all. I briefly entertained the idea of making a reservation somewhere. But having learned from firsthand experience several times over the years, it’s great not having a dirty kitchen to clean up afterward. The downside, however, is that there are no leftovers to curl up with on the couch in your pajamas.

I decided it would be an interesting challenge that I would take head-on. I read several blogs and listened to a podcast or two regarding the ins and outs of it, specifically, the time table in which to achieve it. I pored over recipes and prepared my menu. I made a color-coded grocery list, dish by dish, that was masterful. I made two separate trips grocery-shopping — the first, a week in advance, to get

all the dry goods; the second, the Tuesday of Thanksgiving week to get my fresh produce, proteins and any perishables.

In retrospect, the menu was entirely too much food for four people. But if you know me at all, then you know I can be a bit stubborn and once I have my mind set on something, there’s not much changing it. I decided we’d have turkey and gravy, dressing, mashed potatoes, green beans gremolata, roasted broccoli, German-style sweet potato salad, corn pudding with bacon and rosemary, cranberry sauce,

deviled eggs, rolls and dessert.

I happened to stumble upon a recipe for a 6-7-pound bone-in turkey breast that could be made in the slow cooker. I was intrigued by it and felt it had the potential to be a double-win. I knew I’d never find a turkey small enough for four people (I didn’t want to still be eating turkey into the new year.) Plus, preparing turkey in the slow cooker meant that not only would it be out of the way and one less thing to think about, but it would also free up lots of valuable real estate in the oven.

I did a lot of my prep work — cleaning produce, chopping on-

ions, celery and carrots, peeling potatoes, trimming green beans, boiling eggs, making cornbread for the dressing etc. — Tuesday night. Having studied the recipes as meticulously as if I were a general headed into battle, I knew which ones I could make the day before, which ones I could put together in advance and cook later and which ones had to be tended the day of.

The night before, I set the dining table beautifully, even using the fancy golden charger plates. I also selected my platters, serving dishes and serving pieces, labeling them with sticky notes according to what

was going in them. Believe it or not, it all came together pretty well — everything but the gravy. The gravy was a bit of a disaster. But that’s okay. Everything else was great and I was pretty proud of myself.

I could barely get out of bed the next day and when I did, I could hardly walk. My back and legs were so sore from all that standing in the kitchen for the better part of three days. I had some dressing and wine for breakfast (Yes, you ready that correctly. I had dressing and wine for breakfast.) and then spent the rest of the day lying on the couch feeling exhausted but victorious.

“There is one day that is ours. Thanksgiving Day is the one day that is purely American.”
— O. HENRY

Simple Slow Cooker Turkey Breast

By Katie Workman
From [themom100.com](#)

- 1 large carrot, peeled and sliced 1-inch thick
- 1 stalk celery, sliced 1-inch
- 1 onion, diced
- 1 tablespoon minced garlic
- ½ cup chicken broth
- ¼ cup dry white wine
- 6 tablespoons unsalted butter, softened, divided
- 1 teaspoon minced fresh sage or ½ teaspoon dried sage
- 1 teaspoon fresh thyme leaves or ½ teaspoon dried thyme
- ½ teaspoon celery seed (optional)
- 1 teaspoon kosher salt
- ½ teaspoon freshly ground pepper
- 1 (6 to 7-pound) bone-in turkey breast

- 1 tablespoon cornstarch or 2 tablespoons all-purpose flour
- Place the carrots, celery, onions and garlic in the slow cooker. Pour in the wine and chicken broth.
- In a small bowl combine 4 tablespoons of the butter, sage, celery seed, salt and pepper. Spread the mixture over the turkey breast and place the turkey in the slow cooker on top of the vegetables.
- Cover and cook on low for 6 hours, or until the turkey is fully cooked with an internal temperature of 165°F.
- Optional Broiling step: The turkey is ready to serve at this point, though the skin will not be crispy. If you wish to crisp up the skin, just before the turkey is cooked, preheat the broiler. Transfer the turkey to a roasting or broiling pan and broil the turkey until the skin gets browned; you may need to turn the turkey breast on one side and then the other to get the most even browning. Watch it carefully so that it doesn’t burn.
- Meanwhile, make the gravy. Strain the juices from the slow cooker with a strainer, discarding the solids.

- Melt the remaining 2 tablespoons butter in a small saucepan over medium heat. Whisk in the cornstarch or flour and continue whisking until it turns golden brown, 1 to 2 minutes. Gradually whisk in the strained pan drippings. Bring the gravy to a boil, whisking frequently until thickened 6 to 8 minutes. Transfer to a pitcher or gravy boat.
- Let the turkey breast sit for 15 minutes before slicing and serving with the warm gravy.

My notes:

- The turkey breast was moist, tender and flavorful but having skipped the optional broiling step, it wasn’t a beautiful golden-brown and the skin was not crispy.
- As indicated earlier, my gravy didn’t turn out but that was my fault. By this stage in the process, I’d lost interest, had lost momentum and was just ready to sit down and eat.

Corn Pudding with Bacon & Rosemary

By Carolyn Malcoun
From [eatingwell.com](#)

- 4 ounces bacon
- 5 large eggs, divided
- ¾ cup cornstarch
- 1 teaspoon baking powder
- 1 cup reduced-fat milk
- 1 cup crème fraîche or sour cream
- ½ teaspoon salt
- ½ teaspoon ground pepper
- 4 cups frozen corn, thawed
- 1 tablespoon finely chopped fresh rosemary or 1 teaspoon dried

- Preheat oven to 350 degrees. Coat a 9-by-13-inch baking dish with cooking spray.
- Cook bacon in a large skillet over medium heat until crisp, about 7 minutes. Drain on a paper-towel-lined plate.
- Whisk 1 egg, cornstarch and baking powder in a large bowl until smooth. Add the remaining eggs and whisk until combined. Whisk in milk, crème fraîche (or sour cream), salt and pepper. Fold in corn and rosemary. Pour the mixture into the prepared pan. Crumble the bacon over the top.
- Bake the pudding until it is puffed and golden around the edges and still slightly jiggly in the center, 40 to 55 minutes. Let cool for 15 minutes before serving.
- To make ahead: Refrigerate for up to 2 days. Reheat at 350

degrees for 15-20 minutes.

My notes:

- I used sour cream.
- I used fresh rosemary as it grows rampant in my friend’s backyard and is there for the taking. Plus, I think there’s no comparison between the fragrance of fresh rosemary versus dried.
- As you can see from the picture, I didn’t bake this in a 9-by-13-inch baking dish but instead used a beautiful big round serving dish that was a wedding gift. I thought it made for a prettier presentation.
- I made this the day before Thanksgiving and stuck it in the fridge in the garage. On Thanksgiving Day, I simply reheated it.

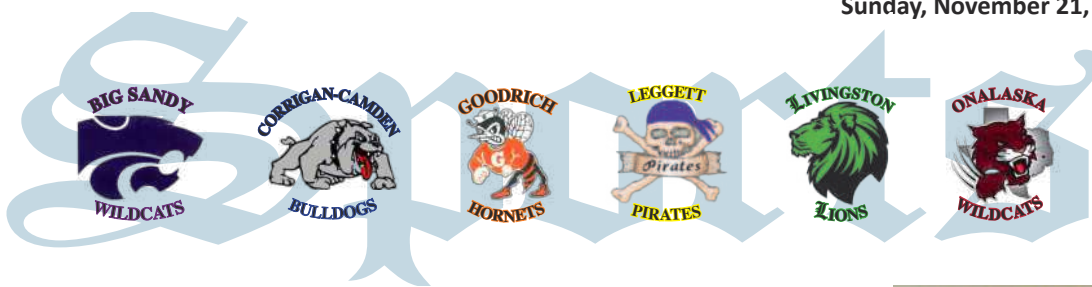

German-Style Sweet Potato Salad

By Jeff Mauro

- 2 pounds sweet potatoes, peeled and cut into ¾-inch pieces
- Kosher salt
- 1 pound bacon, cut into 1-inch pieces or lardons
- 1 medium red onion, cut into ¾-inch dice
- 2 tablespoons whole-grain or stone-ground mustard
- ¼ cup white vinegar

- ¼ teaspoon freshly ground black pepper
- 1 tablespoon chopped fresh parsley
- Put the sweet potatoes in a large saucepan and cover with 2 inches water. Add 2 tablespoons of salt. Bring to a gentle simmer and cook until the sweet potatoes are knife-tender, 10-15 minutes. Drain well and put in a large bowl. Keep warm.
- Meanwhile, cook the bacon in a large nonstick skillet over medium heat until crisp, 8-10 minutes. Remove the bacon from the grease and set aside on a paper towel-lined plate, leaving the

- grease behind in the skillet.
- Return the skillet to medium-low heat, then add the onions and cook until translucent, about 10 minutes.
- Stir the mustard and vinegar into the skillet with the onions, then whisk to combine. Let the dressing simmer for a minute, then pour over the sweet potatoes in the bowl. Add half of the bacon and toss to coat evenly. Season with salt and pepper.
- Transfer the sweet potato salad to a serving platter and garnish with the remaining bacon and parsley. Serve hot or chill to serve cold.

Big Sandy takes Polk County (Wild)cat fight

By Brian Besch

Big Sandy was able to pick up a home win Friday with defense leading the way, taking a 55-34 decision over Onalaska.

Onalaska had been impressive on offense coming into the game, averaging 72 points in two wins to start the season. However, the Big Sandy defense that was smothering throughout last season's playoff run was up to the challenge.

"In the first half, you saw how we tried to play a little slower because we know how great their defense is as a team," Onalaska coach Nick Tyerman said. "They play amazing team defense; I saw it on film. I knew it was going to be extremely tough to go against, so we were trying to slow the pace down to try to get them to extend a little bit. You are going to have games like that, but you can't start out that slow. They do such a good job of taking things away that you have to pick and choose your moments. It makes it really hard when you let them get some kind of double-digit lead, because then you have to start picking up the tempo to try to get something."

The visiting Wildcats were able to knock down just three shots in the first half, limited to seven points through 16 minutes of play. The score at the break was 22-7 in favor of the home team.

"The first half, I thought our defense was outstanding," Big Sandy coach Kevin Foster said. "In the second half, I thought we lost our focus and intensity a little bit. That, and Onalaska stepped up their's. They started pressing us, and we got a little careless and lazy with the ball. They started making some shots and we knew they could shoot the ball coming in. Our goal was not to give any of them open looks. We gave them way too many and they made some of them in the second half."

That second half had a much different look, as both schools picked up the pace in more of a fast-break game. Onalaska more than doubled their first-half output in just one quarter, picking up 16 points.

Lucas Jackson had a couple of baskets and Brady Smith scored seven in the period. Big Sandy nearly kept pace and led 36-23 with the game still in doubt heading into the final quarter.

"That is what I love about these kids. They want to play hard and they want to do their best. It is a great group to coach. It is super early and this will help us get ready for district, which is what it is all about. When we had some shots not fall, we had to make some adjustments and try to speed it up in the second half," Tyerman said. "I like the physicality that we had in the second half, but again, we just have to be able to make shots. I am proud of the kids. We scrapped and we fought, and it is a good game experience for us. We have to get ready, because we have the No. 4-ranked 2A team in the state on Monday, Douglass, at home. Then, we have Central on Tuesday to help us get better experience."

Big Sandy saved its best for last, adding on 19 points in the fourth.

Adrian Thompson had 10 points and four others contributed a bucket.

For the game, Thompson led all scores with 19, while Javen Criswell had nine, Jorden Martinez had eight and Seth Beene-Williams six.

Onalaska was topped by Smith with 13, Jackson had

Kaden Foster attempts a shot over tough defense from Bryan Wyatt.

seven and Kevin Redden added five.

"Early in the season, we haven't been shooting the ball like we're capable of. We had a lot of clean looks tonight, but we just couldn't hardly buy any," Foster said. "We just haven't quite hit that stride yet. From an offensive standpoint, I thought we executed OK, but I felt like we left a lot of pints on the floor. I think we have a chance to

be good. Starting out, we haven't really been all together yet. I have a couple of kids that are out."

Both schools are now 2-1 on the season, with Big Sandy also defeating Warren and dropping a game to Orangefield. Onalaska has beaten Goodrich and Spurger.

The next few games for Big Sandy will also be challenging, traveling to Splendor Monday and returning home Tuesday for a tip with Bridge City.

Adrian Thompson gets a layup off just ahead of the defense.

Thoughts of the Week: *RESPECTING OUR VETERANS*

By Chester J. Makowski,
Reverend of St. Luke's
Episcopal Church, of Livingston

This past Thursday, November 11, this Country remembered all of those

who served in the Armed Forces. We owe them a great debt of gratitude, and many times our Veterans are not acknowledged or respected.

What does the Bible have to say about those who served in the military?

The first reference to soldiers is in the 14th chapter of Genesis. Abraham's nephew Lot was kidnapped by the King of Elam and his allies. "When Abram heard that his kinsman had been taken captive, he led forth his trained men, born in

his house, 318 of them, and went in pursuit as far as Dan. And he divided his forces against them by night, he and his servants, and defeated them and pursued them to Hobah, north of Damascus." Gen. 14:14-15. The armed forces rescued and protected the innocent.

Saul, the first King of Israel, created a standing army. 1 Sam. 13:2; 24:2; 26:2. David rotated troops with 12 groups of 24,000 men serving one month of the year. 1 Chron. 27. Solomon's reign was peaceful, but he

expanded the army adding chariots and horsemen. 1 Kings 10:26. These soldiers protected Isarel.

Our Lord Jesus was amazed at the faith of a Roman Centurion was amazed. "When Jesus had entered Capernaum, a centurion came to him, asking for help. 'Lord my servant lies at home paralyzed,' suffering terribly.' Jesus said to him, 'Shall I come and heal him?' The centurion replied, 'Lord, I do not deserve to have you come under my roof. But just say the word,

and my servant will be healed. For I myself am a man under authority, with soldiers under me. I tell this one, 'Go,' and he goes; and that one, 'Come,' and he comes. I say to my servant, 'Do this,' and he does it.' When Jesus heard this, he was amazed and said to those following him, 'Truly I tell you, I have not found anyone in Israel with such great faith.'" Mt. 8:5-12.

Let us respectfully remember and pray for all of those who have served in the Armed Forces: Gracious God, we honor

our veterans who gave their best when they were called upon to serve and protect their country. Bless them for their unselfish service in the continual struggle to preserve freedom, safety, and our country's heritage. Amen.

Texas Commission on Environmental Quality

NOTICE OF RECEIPT OF APPLICATION AND INTENT TO OBTAIN WATER QUALITY PERMIT

PROPOSED PERMIT NO. WQ0016048001

APPLICATION. Tempe Water Supply Corporation, P.O. Box 2174, Livingston, Tex- as 77351, has applied to the Texas Commission on Environmental Quality (TCEQ) for proposed Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0016048001 (EPA I.D. No. TX0141780) to authorize the discharge of treated wastewater at a volume not to exceed a daily average flow of 7,500 gallons per day. The domestic wastewater treatment facility is located at 1580 Farm-to-Market Road 2457, Livingston, in Polk County, Texas 77351. The discharge route is from the plant site to a drainage ditch; thence to West Tempe Creek; thence to Tempe Creek; thence to Long King Creek; thence to the Trinity River Below Lake Livingston. Authoriza- tion to discharge was previously permitted by expired Permit No. WQ0014957001. TCEQ received this application on September 9, 2021. The permit application is available for viewing and copying at Polk County Courthouse, County Clerk's Office, 101 West Church Street, Livingston, Texas. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the ap- plication or notice. For the exact location, refer to the application. <https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5bac44afb-c468bbddd360f8168250f&marker=-95.035%2C30.739722&level=12>

ADDITIONAL NOTICE. TCEQ's Executive Director has determined the applica- tion is administratively complete and will conduct a technical review of the applica- tion. After technical review of the application is complete, the Executive Director may prepare a draft permit and will issue a preliminary decision on the application. **Notice of the Application and Preliminary Decision will be published and mailed to those who are on the county-wide mailing list and to those who are on the mailing list for this application. That notice will contain the deadline for submit- ting public comments.**

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the ap- plication. TCEQ will hold a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely com- ments and prepare a response to all relevant and material, or significant public com- ments. **Unless the application is directly referred for a contested case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Exec- utive Director's decision and for requesting a contested case hearing.** A contested case hearing is a legal proceeding similar to a civil trial in state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the gen- eral public; a list of all disputed issues of fact that you submit during the com- ment period and, the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspon- dence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently with- drawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period.**

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. Texas Commission on Environmental Quality

NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR TPDES PERMIT FOR MUNICIPAL WASTEWATER

RENEWAL

PERMIT NO. WQ0015057001

APPLICATION AND PRELIMINARY DECISION. City of Corrigan, 101 West Ben Franklin Street, Corrigan, Texas 75939, has applied to the Texas Commission on Environmental Quality (TCEQ) for a renewal of Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0015057001 which authorizes the discharge of treated domestic wastewater at a daily average flow not to exceed 300,000 gallons per day. TCEQ received this application on June 10, 2021.

The facility is located approximately 0.25 mile east of the intersection of East Ben Franklin Street and U.S. Highway 59, in Polk County, Texas 75939. The treated effluent is discharged to Dry Creek; thence to Bear Creek; thence to Piney Creek; thence to Neches River Below Lake Palestine in Segment No. 0604 of the Neches River Basin. The unclassified receiving water uses are high aquatic life uses for Dry Creek and Bear Creek. The designated uses for Segment No. 0604 are primary contact recreation, public water supply, and high aquatic life use. All determinations are preliminary and subject to additional review and/ or revisions. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application. <https://tceq.maps.arcgis.com/apps/webappviewer/index.html?id=db5baC44afbe468bbddd:36of816825of&marker=-p4.821944%2C30.999444&level=12>

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Corrigan City Hall, 101 West Ben Franklin Street, Corrigan, Texas.

PUBLIC COMMENT/ PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing.

OPPORTUNITY FORA CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material, or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Director's decision.** A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period; and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period. TCEQ may act on an application to renew a permit for discharge of wastewater without providing an opportunity for a contested case hearing if certain criteria are met.**

EXECUTIVE DIRECTOR ACTION. The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permit and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. If you wish to be placed on the permanent and/ or the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below. **All written public comments and public meeting requests must be submitted to the Office of the Chief Clerk, MC 105, Texas Commission on Environmental Quality, P.O. Box 13087, Austin, TX 78711-3087 or electronically at www14.tceq.texas.gov/epic/eComment/ within 30 days from the date of newspaper publication of this notice.**

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database at www.tceq.texas.gov/goto/cid. Search the database using the permit number for this application, which is provided at the top of this notice.

AGENCY CONTACTS AND INFORMATION. Public comments and requests must be submitted either electronically at www14.tceq.texas.gov/epic/eComment/, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Any personal information you submit to the TCEQ will become part of the agency's record; this includes email addresses. For more information about this permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at 1-800-687-4040 or visit their website at www.tceq.texas.gov/goto/pep. Notes:
The Minimum Bid is the lesser of the amount awarded in the judgment plus interest and costs or the adjudged value.
However, the Minimum Bid for a person owning an interest in the property or for a person who is a party to the suit (other than a taxing unit), is the aggregate amount of the judgments against the property plus all costs of suit and sale. ALL SALES SUBJECT TO CANCELLATION WITHOUT NOTICE. THERE MAY BE ADDITIONAL TAXES DUE ON THE PROPERTY WHICH HAVE BEEN ASSESSED SINCE THE DATE OF THE JUDGMENT. For more information, contact your attorney or LINEBARGER GOGGAN BLAIR & SAMPSON, LLP., attorney for plaintiffs, at (936)327-6842

Beginning with Polk County Sheriff's Sales conducted on or after September 1, 2003, purchasers at tax sales must present to the sheriff conducting the sale a written statement issued to the purchaser by the Polk County Tax Assessor-Collector stating that the purchaser owes no delinquent property taxes to Polk County or any other taxing entity within said County. House Bill 335 prohibits the sheriff from delivering a tax deed to any purchaser who fails to present to the officer the required written statement by the Polk County Tax Assessor-Collector. You are urged to submit the request form to Leslie Jones Burks, Polk County Tax Assessor-Collector, 416 N. Washington, Livingston, TX 77351 well in advance of the tax sale. For more detailed information you may contact the Tax Assessor-Collector at (936)327-6801.

Attention: Anyone wishing to bid at the Sheriff's Sale must register for a bidder's number prior to the sale. The registration will begin at 9:30 A.M., the morning of the sale, at the Temporary Courthouse. There will be no charge to register. Pre-Registration will be November 29th – December 3rd, from 8:00 A.M. to 12:00 P.M. at the office of Linebarger, Goggan, Blair & Sampson, LLP, 501 N. Washington, Livingston, TX 77351.

In order to register for a bidder's number you must meet the following requirement: Present the notarized written statement issued to you by the County Tax Assessor-Collector stating that you owe no delinquent property taxes to Polk County or any jurisdiction in Polk County.
