## Choctaw runoff

New terms begin September 6

The Choctaw Nation of Oklahoma Election Board last week certified Joey Tom as winner of the District 7 seat of the Choctaw Nation Tribal Council.

Tom's 660 votes in the August 7 runoff race bested 603 cast for his opponent, Adrian Johnico.

In the July 10 general election on July 10, Tom and Johnico received 40.07 and 36.67 percent of the total votes, thus forcing the runoff.

Other winners of Tribal Council seats on July 10 were Jess Henry, District 4; and Anthony Dillard, District 10.

Incumbents were lone candidates for three districts. They were Jennifer Woods, District 6; James Dry, District 9; and James Frazier, District 12.

Following an installation ceremony, the council members will begin their new terms at noon September 6.

## Temps heating up for the weekend

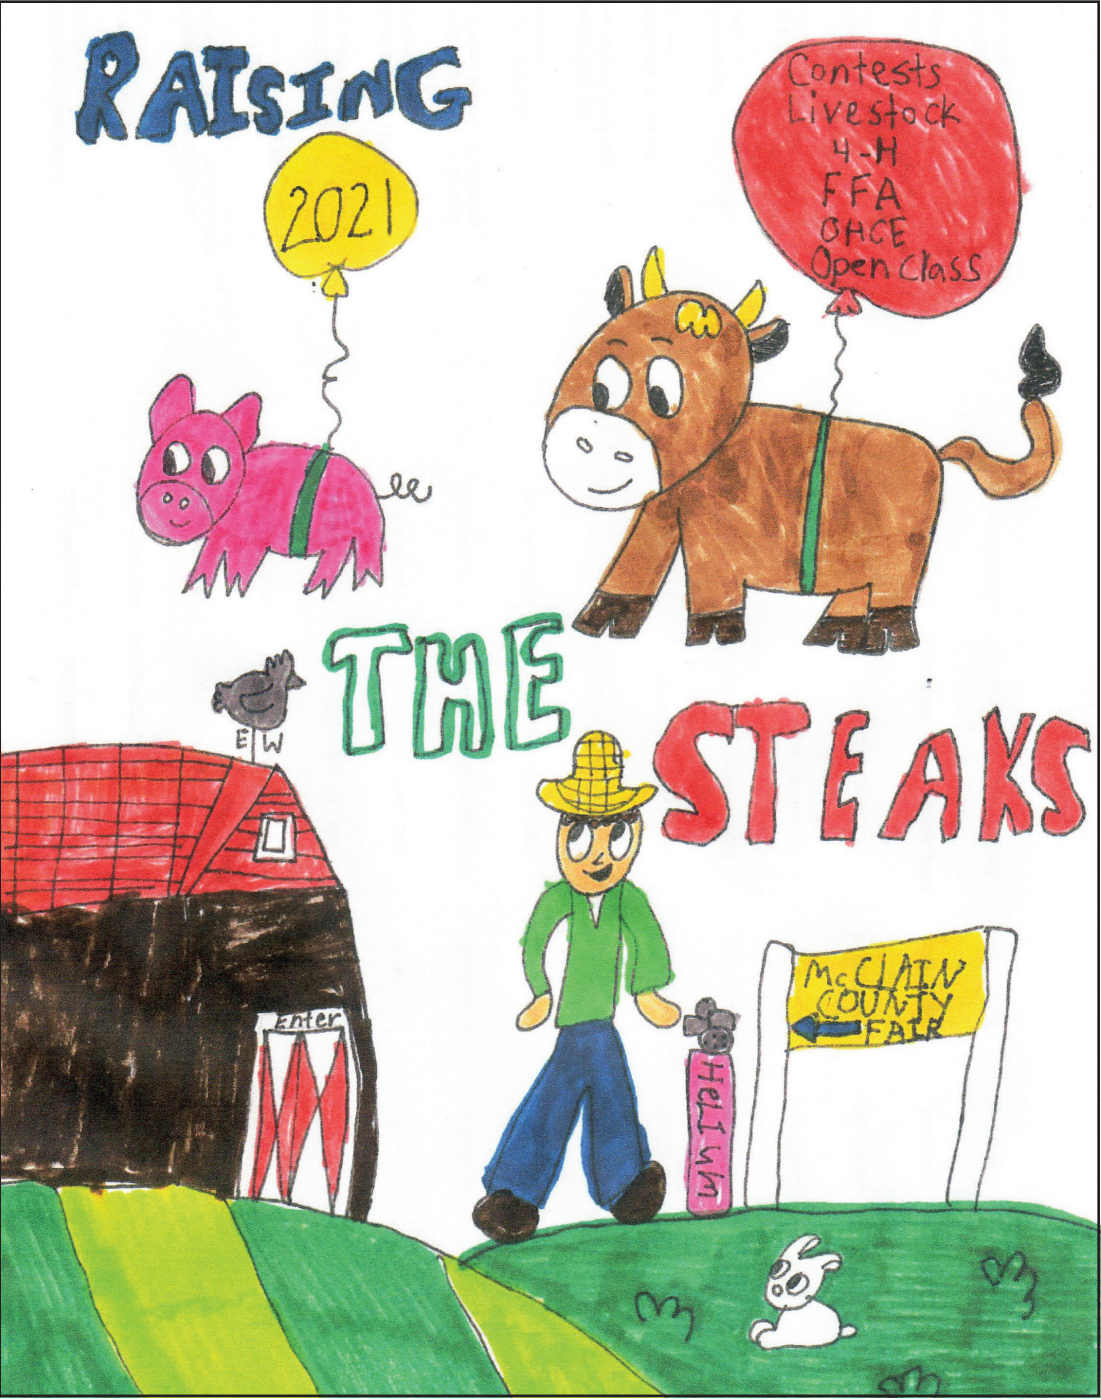

Our pattern of seasonably mild temperatures looks to hold on through this weekend, with some rain and storm chances set to make their way into our area. Thursday looks to be our best chance, as storms will go up across the state, though they may be in a scattered fashion.

Right now, it looks like a coin toss as to whether or not every-

one in our area will see storms, but the chance is certainly there. Chances will diminish going into the weekend, with a lower chance returning Friday, and an even lower chance returning Saturday. Still, any rain this time of year is welcomed!

Sunday we are going to dry out and the leftover moisture from the storm systems are go-

ing to crank our humidity and dewpoint values up, giving us a Heat Index in excess of 100° at times. The warming trend continues through the middle of next week, with temperatures inching closer to 100° each day. As of the time of writing, no major fall cool fronts are positioned in the forecast, but this could certainly change!

Counties shared \$29,985,550 in sales tax \$5,479,222 in use tax. The taxes reflect sales from June 16-30 and estimated sales from July 1-15.

Broomcorn memories of a sharecropper’s son

(Editor’s note: This is the first installment of a series on broomcorn)

By Dale Green

From deep in Norman’s suburbs, I picked up my latest edition of The Purcell Register. The front page story “Broomcorn’ Last Thresh” jumped right out at me! A lifetime ago, I was a share cropper’s son. One of our crops was broomcorn.

I went to my study and took down from the wall one of my cherished possessions - my johnny knife. I was flooded with memories of bygone days, some good, some bad. Such things keep me grounded, and mindful of my McClain County roots from more than a half century ago.

My motivation for writing this letter is twofold. First, to correct some of the misinformation in the article, and secondly, to share my memories and thoughts on raising broomcorn. Along with the technicalities, I will share snippets of the colorful, local small farming culture.

We had no running water. We “drew” water from our well, with a bucket, pulley, and rope. We had an outhouse and the Sears catalog to go along with it. There was no telephone nor television, although we did eventually get a television the year before we moved to town (Purcell).

My family had 80 rented acres of land, with an old house (1920s vintage), and out buildings which included

a broomcorn shed. We had electricity, which consisted of a single long cord, with a bulb dangling from the 10 or 12 foot ceiling in each room. It was 10 or 12 miles, due west of Wayne, in the old time Bryant school house community.

Technically, we were not sharecroppers. We rented or leased the land. The rent or lease money took the place of sharing a portion of your crop with the “landlord.” This allowed the owners to be

somewhere else and not have to worry about turning “goods” into cash.

Although it was a misnomer, we were still known as sharecroppers. “Pop” had to figure out how to pay the rent, have the equipment to plant and (hands) to harvest and turn a profit. The Oklahoma weather had to cooperate. The time frame would have been somewhere

Prepare your family for a healthy back to school TSET offers resources

Across Oklahoma, children are back in the classroom. This year, parents and teachers can prepare for a smooth transition out of summer by loading up on back-to-school resources.

Shape Your Future (SYF), a program of the Tobacco Settlement Endowment Trust (TSET), offers Oklahomans a large library of resources to ensure every transition back into the school year can be stress-free and healthy.

Easing back into school can come with busy schedules, early mornings, rushed mealtimes and new activities that make healthy living challenging.

However, with tips and resources available at ShapeYourFutureOK.com, the new school season doesn’t have to mean sacrificing healthy choices.

Your guide to thriving in the school year is available through SYF’s downloadable materials, recipes, videos, blogs, posters and more.

## Osborn makes a lot of sense

For those of you who missed Rotary last Wednesday, you missed one of the best speeches I've ever heard.

Bar none.

The speaker, who was procured by new Rotarian Nicolle Carr, was Oklahoma's Commissioner of Labor Leslie Osborn.

Prior to being elected Labor Commissioner Osborn served 10 years in the Oklahoma House of Representatives.

In 2013 then speaker T.W. Shannon appointed her to chair the Judiciary committee.

She was the first female in state history to have that position.

Later in her House career Speaker Charles McCall appointed her as the first female in history to chair the House Appropriations and Budget Committee.

Oklahoma was going through an economic drought at the time.

"You don't want to be chairman of appropriations when you don't have any money," she quipped.

Osborn said the current climate of Democrats hating Republicans and vice versa

### Editor's Notebook

John D. Montgomery

needs to stop.

"We don't need hate," she said. "And that is what you get when you watch the national evening news."

She told Rotarians she quit watching the national evening news two years ago and is much better for it.

"I check my news app on my phone a couple of times a day to see if something big has occurred that I need to know about but that's it," she said.

She told a story about an "aunt" of hers that she used to talk to almost daily.

The aunt has become so callous from Facebook and watching Fox News that now the two of them haven't talked

in five months.

Another story she told is that Oklahoma doesn't seem interested in investing in things like teacher pay and education, which is a dead end road.

When she was first in the Legislature, Oklahoma ranked 50th in the country in taxes collected.

"That's last in case you're wondering," she told the group tongue firmly in her cheek.

"I'm a Republican but we need to raise taxes to pay for the government's services," she said.

"I was told I was the worst Republican ever," she said at the time.

She said she wasn't trying to be anything other than a good Oklahoman.

"I wanted to get Oklahoma up to at least 46th but we are now back to 50th with the current Legislature cutting taxes.

"We're not only not a top 10 state, we are at the bottom," she said.

What she is is a statesman and a darn good one.

I wish she was running the state or maybe even the nation.

Keep up the good work Leslie Osborn. We need more like you.

## Hello from District 43

• Senator Jessica Garvin •

## Update from the Capitol

I was recently saw a quote by President Reagan, "The person who agrees with you 80% of the time is a friend and an ally, not a 20% traitor." His quote summarizes what so many of us are feeling. I've never shied away from speaking my mind and seeing that quote made me realize I've been afraid to speak my truth. I've always believed when you shy away from telling your truth, you begin to lose your identity. I don't want to lose sight of who I am, so I think it's important to share my truth.

Regardless of your party, you may have seen the disgusting Facebook post by Oklahoma Republican Party Chairman, John Bennett, where he compared vaccine mandates to the Holocaust. He asked all "Patriots" to call for a special session to address vaccina-

tion requirements. Once other members of the Republican Party began denouncing the comparison, Chairman Bennett doubled down, following up with a video basically shaming anyone who didn't agree with his comparison.

During the Holocaust, an estimated 11 million men, women and children were brutally murdered in gas chambers, starved, tortured, and shot. Their bodies were buried in shallow graves with hundreds of others piled on top of them, not even given the opportunity for a proper burial.

My husband's grandfather fought during WW2 and fell in love with the most precious German woman that God ever made. I remember the one and only time I ever heard her speak of the Holocaust; she had family who served in Hitler's Army and others who helped Jews

escape the horror. She lived through that and, eventually, my husband's grandfather sent her to live in the States until his return home to America. I'll never forget the trembling in her voice and the tears rolling down her face as she shared her story. Although born in Germany, Grandma McBee was an American patriot who loved and supported the U.S., respected her elected officials, regardless if she agreed with them, and taught her children, many of whom served in the U.S. military, to love and support their country too.

All of that said, I find myself in a situation where many of my colleagues and I don't agree with Chairman Bennett. His comments are insulting to

## NEWS FROM CAPITOL HILL

### Americans for hire

#### Congressman Tom Cole

When the coronavirus pandemic struck the world last year and many communities across the nation were forced into lockdown, small businesses experienced some of the most devastating blows. For many businesses that survived the unthinkable and sudden economic hits, challenges have remained amid reopening. And that is because of several concerning factors threatening their recovery and success made worse by President Joe Biden's misguided policies.

First, just like families and households across the United States, small businesses are faced with the painfully sharp and continuous rise in prices on pretty much everything. In fact, it was recently reported

that the Consumer Price Index increased by 5.4 percent last month, which reflects the same dramatic inflationary uptick as just before the stock market crash in 2008. Similarly, the Producer Price Index, another indication of the health of an economy, alarmingly rose by a record high of 7.8 percent. Meanwhile, since real wages cannot keep up with increasing prices, inflation has effectively become a new tax on hardworking Americans, including small business owners.

In addition to the rising costs of buying and producing, small businesses are simply having a hard time filling open jobs and getting people to come back to work. According to the U.S. Bureau of Labor Statistics, unfilled positions were at a record

high at the end of June with 10.1 million job openings reported. Moreover, the National Federation of Independent Business reported that nearly half of the business owners they surveyed recently across the nation had openings they could not fill. However, although more jobs have become available, the Labor Force Participation Rate, which measures the adult labor force as a percent of the population or those currently participating in the workforce, has hovered around 61.7 percent since June 2020. This ongoing labor shortage has made it difficult for Main Street businesses to operate and deliver at full capacity.

## Our Views

### Big Brother overkill

For many moons the Republican party has been one for less government intervention.

That doesn't seem to hold water for current Oklahoma Governor Kevin Stitt.

He ran as a Republican but now he controls what local school boards should be controlling.

Oklahoma lawmakers, led by the Republican party, enacted a ban on mask and vaccination requirements at schools in the state that took effect July 1 with the approval of Stitt.

Are they overstepping their bounds?

We think so.

We think it should be up to the local school board to decide what their students and faculty can and cannot do.

It's not the job of Big Brother to decide for us.

**The Purcell Register**

## Get vaccinated

Here's another reason

There are many opinions out there. So many are dead set against the COVID vaccine.

As people started to get vaccinated the COVID numbers began to decrease. Now that the vaccinations are decreasing, numbers are going up again.

As students head back to school they still have the concern, will they be able to stay in school or will they have to distance learn again this year.

For those of you who are so against the vaccine, please try to imagine yourself in this situation.

You have a loved one gravely ill in the hospital (not with COVID) but with cancer. Your loved one has been put on a ventilator and the doctors tell you your loved may not pull through. Then you are told, you can stay and one other person can be with you. The person you designate will be the only other one. But here's the issue. You have three children. Which child do you tell can be there and which two do you look in the eye and say you can't come in. You think to yourself, I have followed the guidelines and I have been vaccinated but because other people refuse to believe science and not be vaccinated, my loved one may die and I have to be here alone or with only one of my children. My family cannot hear the doctors and their recommendations, so I may have to make a tough decision on my own.

This is happening because people are not getting vaccinated. We hope this isn't happening to you or to anyone you know, but chances are it is.

If you are one of the ones who refuse to get vaccinated please stop and think it over again. You could be in this very situation and it is not a good place to be. All these rules at the hospital are due to the COVID patients, many of whom have not been vaccinated.

Please reconsider your decision and get vaccinated so that no one has to be in this position ever.

### One last word

**Dear John D. and Gracie:**

Once again my fine neighbor over here on the Cleveland County side of the bridge seems determined to: (1) Prove she doesn't know what she is talking about when it comes to the deadly COVID-19 virus and (2) change the topic to anything except the pandemic that has now killed over 615,000 Americans.

I offer the following as proof. First, the FDA has issued numerous scientific documents proving the vaccine is not a risk to pregnant women. Sandy counters that "probably pregnant women don't want the vaccine." I wonder what pregnant woman at Rubys Cafe told her that because I doubt Mrs. Harrell conducted a scientific study on the subject that would prove her point.

Second, since the vaccines range up to 95 percent safe and effective, I don't think anybody with any sense would delay getting the shot awaiting FDA approval especially since new infections now top 100,000 daily nationwide. Oklahoma's own number has gone up from 411 on the end of May per day to

yesterday’s 2,455. Grounds to be afraid? Of course, if you are stupid enough still to not be fully vaccinated.

Even freedom loving, anti-immigrant, gun coddling, anti-infrastructure, anti-yellow dog Sandy is smart enough to be fully vaccinated thanks to the remarkable work of government scientists and researchers who brought us at least three wonderfully effective vaccines in record time.

And yes give credit to old Warp Speeder himself Donald J. Trump for pushing the process along. If he just hadn’t tried to start a revolution over the fact that he lost his re-election to Joe Biden just imagine how

he might be viewed today by his fellow Americans.

And one final set of statistics to hopefully finally get the attention of folks who won’t get vaccinated. Over the last 10 years, on average about 630 people are killed on highways each year in our state. During the last 15 months, 7,475 folks have died in Oklahoma killed by COVID-19.

And citizens down here in these parts think it’s dangerous to drive to Oklahoma City. Actually it’s a lot more dangerous not to drive to Walmart and get your free shots.

## Garvin:

my family and others who had loved ones who lived through the Holocaust, and the millions of families who lost loved ones. But because we disagree with him, we’re called RINOs (Republican in Name Only) and accused of being “fake Republicans”. Every day, we’re threatened with being voted out, harassed on social media, and receive emails telling us how horrible we are. Seeing the Reagan quote reminded me that just because I don’t agree with Chairman Bennett 20% of the time doesn’t make me a traitor to my party or not a patriot.

There are many different types of Republicans, just as there are many different types of Democrats and Independents. At the Stephens County GOP Fish Fry, Sen. Lankford said that you can’t call someone “more Republican” because they’re louder than others or someone “not Republican enough” because they aren’t as loud. You also can’t call someone a “RINO”, “fake Republican”, “an enemy” or accuse them of not being a

patriot just because they don’t agree with you 20% of the time.

A patriot is someone who loves and supports their country, just like Grandma McBee. She had a thick German accent, loved German food, and celebrated German traditions during the holidays, but that didn’t make her less of an American patriot than her neighbor.

As patriots, we shouldn’t let the few things we disagree on tear us apart completely. There are so many things we can do to make Oklahoma a better place like improving access to healthcare, building safe roads and bridges, and strengthening our schools, just to name a few. We can only move Oklahoma forward by working together, and that’s my commitment to you.

If you have any questions or concerns on legislative matters, please contact me at the Capitol. Please write to Senator Jessica Garvin, State Capitol, 2300 N. Lincoln Blvd. Room 237, Oklahoma City, OK, 73105, email me at Jessica.Garvin@oksenate.gov or call (405) 521-5522.

## Cole:

Rather than return to work, many Americans have continued to receive the federal government’s enhanced unemployment benefits. While extra unemployment benefits were critical in the early days and months of the pandemic, in helping those found jobless by no fault of their own, these continued benefits are clearly disincentivizing Americans to return to work and creating enormous labor and goods shortages. Fortunately, unlike some states, Oklahoma has created incentives to get people back in the workforce. Earlier this year, Governor Kevin Stitt announced that the first 20,000 Oklahomans on unemployment to return to work would receive a \$1,200 incentive using federal funds allotted to the state. For the entire country to recover, it is critical that workers in

other states are encouraged to do the same.

Unfortunately, rather than focusing on policies to strengthen our economy, help small businesses thrive and get Americans back to work again, President Biden and Democrats are seeking to revamp the very essence of our society through enormous spending on and creation of socialist-style programs. This is a grave mistake, and it threatens the pursuit of the American Dream – an idea that has flourished for generations due to hard work, personal responsibility and freedom to pursue one’s own path. Before the coronavirus pandemic, our economy was booming and Americans were thriving. We can restore that way of life, but it requires policies that reflect fiscal discipline and protect what America stands for.

## Tips for drying flowers

**By Melinda Myers**

Enjoy and share the beauty of your flower garden all year long. Pick and dry a few flowers to use in flower arrangements, craft projects or as gifts for friends and family.

Pick the flowers when they are at peak bloom and blossoms are dry. Cut flowers for drying mid-day when they contain less moisture to reduce the dry time.

Use a bypass pruner or garden scissors to cut the stems above a set of healthy leaves. Remove the foliage and gather them into small bundles. Secure the stems with rubber bands that contract as the stems shrink and continue holding them tight. Use a spring-loaded clothespin to hang the bundles from a hanger, clothes line or nail. Allow the flowers to dry in a warm, dark, dust-free location.

Flat-faced flowers like daisies tend to close a bit when dried upside down. Try laying them face down on a flat surface. Simply cut off the stem and place the flowers face down on newspaper in a warm, dry location. Once dried, you can glue them in place or use florist wire to create stems for arranging.

And don’t forget to pick a few seedpods from perennials and ornamental grasses. These have dried, for the most part,

on the plants and make great additions to your dried flower arrangements and projects.

Consider taking a trip to your local florist or craft store for more ideas and materials for drying delicate flowers. Silica sand works well for delicate blossoms like iris as well as roses, mums and more. Simply fill the bottom inch of a container with silica sand. Remove all but an inch of the flower stem.

Place the flower, stem side up or on its side, on the surface of the silica sand. Gently pour silica sand over the flowers until completely covered. Follow label directions. Most flowers dried this way maintain their beauty when dried in silica sand. Just use a small paint brush to gently remove any remaining sand.

Test flowers for dryness before putting them in an arrangement or storing for future use. Carefully rub a piece of the flower between your fingers. If it feels dry, it is ready to use. If it still feels moist, continue letting them dry.

Store extra dried flowers in a location with low humidity and away from direct sunlight. Consider loosely wrapping

## Broomcorn:

around 1953 to 1955. I was about 12 or 13.

Of course, we were on the bottom rung of the farming community social ladder. Social stratification was alive and well. I am aware that my view from the bottom, of the latter, is a myopic one.

I do not wish to be misunderstood, I would not trade my memories and lessons learned for anything. “Necessity is the mother of invention.” I am sure broomcorn farming on a much bigger scale, would make for different memories.

Addressing another misnomer, it was not the “horse industry” that was the demise nor the next stage of sharecroppers and broomcorn, to horse ranching. It was technology. Plastics could make an arguable better broom.

The substitution of “plastic straw” for “broomcorn straw” was easier, less expensive. The exception was the occasional witch, who needed a new broom for transportation. Can you imagine a witch flying around on a plastic broom? The demand was slim.

## Purcell and Wayne Senior Citizens

By Val Blackburn

Everyone over 60 has a standing invitation to come visit and participate in friendship, meals and activities. It’s great to meet new visitors and make new friends. If you have any questions about the Senior Center, the activities we offer or coming for a visit please call Val at 405-527-5070.

The Activity Groups are going strong. On Monday a Crafts Class is offered at 12:30 p.m., Tuesday and Friday is Light and Lively Exercise at 10:00 a.m., Wednesday brings “Music Speaks” at 10:45 a.m. Bingo is played Thursday mornings at 10:00 a.m. Next week “Everyone has a Story” will begin. Monday after lunch we will get together and begin telling our stories. Funny or heartfelt...career or home...everyone has a unique and interesting story to tell. Who knows? We may have more in common than we know! Or we might learn something new! Personally, I can now say I learned a lot about broomcorn from some folks at the Center who did that work as young people. The articles in **The Purcell Register** fostered a lot of discussions. That is the goal. Sharing our life experiences is a great way to get to know each other.

The Purcell Senior Center has a very large main room. The area is used usually for dining and activities. It is also rented for gatherings and parties. Last Saturday a big children’s birthday party was held. If you need a space for a get together or party, the Center is available for a minimal cost. To find out information or to reserve a date please call the Center at 405-527-5070.

The Center garage sale is every Thursday and Friday from 10:00 a.m. until 1:00 p.m. A large inventory of clothing, household items, toys and decorative pieces are available. On Thursdays a paper bag full of clothing is on sale for \$5.00. Donations are always appreciated and used for our local seniors. Much appreciation goes to everyone who donates items to the Center for the sale. All donations can be dropped at the Center and left under the awning by the south door. Donation boxes at the front of our parking lot also benefit the Senior Center. The items you donate to the sale and in the boxes help many of your Purcell friends and neighbors.

The dining area at the Center looks a bit different this week. Tables and chairs are now set up in a more traditional restaurant arrangement.

Due to current concerns in the community about staying healthy, we have taken some proactive steps. More space between diners is one. Sanitizing is done daily and hand sanitizer is also available. Masks are welcome if you choose to wear one and will be available if you would like one.

Lunch meals are offered at both Purcell and Wayne Senior Centers by Delta Nutrition. The ability to offer reasonable and nutritious meals on weekdays to our citizens is very much appreciated. The tricky part is judging the amount of food to prepare each day. Delta never wants to make too much food and not be able to serve it. On the other hand, not to have enough to serve everyone is not an option anyone wants. To avoid either of these occurrences, steps have been put in place by the Delta Nutrition program. They ask anyone who is going to dine to just let them know. A phone call is great before 8:30 in the morning (405-527-9462) to let them know you are coming for that day. Sign up sheets are also available inside the Senior Center. You can sign up to eat for a day, a week or a month if you want to! Delta can also help you do the paperwork to receive a meal for a \$2 donation. Your assistance is important for the success of the meal program and your presence is welcome and appreciated at every meal! Lunch is served beginning at 11:30 a.m. Of course, you are free to visit, play cards, borrow a book from our library, play dominoes, shoot a game of pool or participate in an activity for as long as you like after you dine.

Menu for August 23-27:  
Monday—Salisbury steak with brown gravy, mashed potatoes, green beans, dinner roll and peaches.

Tuesday—Tuna salad sandwich, potato salad, coleslaw and chocolate sheet cake.

Wednesday—Chicken Tetrazzini, carrots, broccoli, fruit.

Thursday—Beef stew, oven fried okra, cornbread and lemon delite pudding.

Friday—Meatloaf with topping, mashed potatoes with gravy, bread and chocolate chip cookies.

Milk is available with every meal.

Thank you to everyone who has contributed and continues to support the Purcell and Wayne Senior Centers. Your sharing means so much to these communities and our seniors.

## Chickasaw Nation Day of Prayer slated for August 23

Save the date for the Chickasaw Nation Day of Prayer. The Chickasaw Nation Day of Prayer will be broadcast on [Chickasaw.net](http://Chickasaw.net) and Facebook. [com/TheChickasawNation](http://com/TheChickasawNation) at 2 p.m., Monday, August 23.

Each year during the Day of Prayer, thanks is given for the Chickasaw Nation’s many blessings and a prayer said for the health and safety of Chickasaw citizens and communities.

“It’s really fitting that we take time to reflect and be thankful for our blessings – whether it be the past or whether it be the present – and to continue

the tradition of asking God for guidance, direction and clarity,” Chickasaw Nation Governor Bill Anoatubby said.

This year’s virtual event will include pastor Dusk Monetathchi providing the welcome. An invocation by pastor Randy Wade will be followed by the “Day of Prayer” proclamation reading by Governor Bill Anoatubby.

Gospel singers will perform, and a special prayer in Chickasaw will be given by Allen Beck.

For more information, visit [Chickasaw.net](http://Chickasaw.net).

## Linda “Winnie” Joyce Thurston

Funeral services for Linda “Winnie” Joyce Thurston, 69, of Purcell were held Monday, August 16, 2021 at the Wilson-Little Funeral Home Chapel. Interment was at Hillside Cemetery in Purcell under the direction of the Wilson-Little Funeral Home in Purcell.

Mrs. Thurston passed away August 9, 2021 at her home in Purcell.

Linda Perry was born the sixth of 11 children to Ernest Hayes Perry and Bessie Imittie Perry on March 5, 1952. She grew up in Purcell and attended school there.

Linda married Kenneth “Buster” Thurston Jr. on March 8, 1970 in Purcell, and together they had three sons, Jerry, Micheal and Johnathan. Linda was primarily a homemaker and loved caring for her family. She was a “mother to many,” taking care of nieces, nephews, and eventually her grandchildren who brought her great joy and purpose in life.

For a time, Linda was a custodian for Purcell Public Schools where she took great pride in her work. Linda loved to fish and had many wonderful times on the banks, pole in hand, with people she loved, whether she got a bite or not. Linda also enjoyed a good trip to the casino and listening to her collection of classic country CDs lovingly curated by her family. She will be missed deeply by those whose lives she touched in this world.

Linda was preceded in death by her parents, Ernest and Bessie Perry; her husband, Kenneth Thurston Jr.; her brother, Ronald Joe Perry and her sister, Marilyn Perry.

She is survived by her children, Jerry Thurston and wife, Belinda, of Purcell, Micheal Thurston and wife, Jessica, of Purcell and Johnathan Thurston and wife, Ashley, of Purcell; her brothers, Harold Ray Perry of Noble, Larry Dale Perry and wife, Debbie, of Purcell and Ernest Pascal Perry and wife, Mary Lou, of Slaughterville; sisters, Theda Gail Deason of Purcell, Carolyn Kennedy and husband, Charles, of Washington, Shirley Marie Thompson and husband, Burl, of Lexington and Julie Diane O’Neal Smith and husband, Carl, and Janet Lynn O’Conner and husband, Dennis, all of Lampassas, Texas; sister-in-law, Barbara Perry of Lexington; 13 grandchildren, Mathew and wife, Hannah, Andrew, Hailey, Natalie, Brody, Kylie, Aubrey, Brandon, Cadace, Hazel, Rayven, Destanie, and Kathlin; one great-grandchild, Dewayne, and numerous beloved nieces and nephews.

NOTICE OF HEARING

STATE OF OKLAHOMA TO: All  
persons, owners, producers, op-  
erators, purchasers and takers of  
oil and gas, and all other interested  
persons, particularly in McClain  
County, Oklahoma, and all parties  
listed as respondents on Exhibit

named parties.

NOTICE IS HEREBY GIVEN  
that the Applicant in this Cause is  
requesting an order, to be effec-  
tive as of the date of the execu-  
tion thereof or as of a date prior  
thereto, as follows: (i) approving  
a multiunit horizontal well in the  
640-acre horizontal drilling and  
spacing units formed for the Mis-  
sissippian and Woodford separate  
common sources of supply in  
Sections 25 and 36, Township  
6 North, Range 4 West, McClain  
County, Oklahoma, so as to allow  
such multiunit horizontal well to be  
drilled as follows:

Completion Interval in Sec-  
tion 25-6N-4W, McClain County,  
Oklahoma:

First Perforation: Not closer than  
165 feet from the North line and  
not closer than 990 feet from the  
West line of Section 25, Township  
6 North, Range 4 West, McClain  
County, Oklahoma.

Last Perforation: Not closer than  
0 feet from the South line and  
not closer than 990 feet from the  
West line of Section 25, Township  
6 North, Range 4 West, McClain  
County, Oklahoma.

Completion Interval in Sec-  
tion 36-6N-4W, McClain County,  
Oklahoma:

First Perforation: Not closer than  
0 feet from the North line and  
not closer than 990 feet from the  
West line of Section 36, Township  
6 North, Range 4 West, McClain  
County, Oklahoma.

Last Perforation: Not closer than  
150 feet from the South line and  
not closer than 990 feet from the  
West line of Section 36, Township  
6 North, Range 4 West, McClain  
County, Oklahoma.

and to complete such multiunit  
horizontal well in and to produce  
hydrocarbons from the sepa-  
rate common sources of supply  
involved herein. Applicant is  
intending to file before the Com-  
mission applications requesting  
the Commission to enter orders  
granting exceptions to the per-

mitted well location tolerances in  
the drilling and spacing units in-  
volved herein so that the multiunit  
horizontal well involved herein may  
be drilled and completed as de-  
scribed above. Applicant intends  
to run casing in the lateral of the  
multiunit horizontal well involved  
herein and to cement such cas-  
ing so as to cover and isolate the  
first and last perforations in such  
lateral. Therefore, the completion  
interval of the multiunit horizontal  
well involved herein will be from  
the first perforation to the last  
perforation in the lateral of such  
well. Applicant is proposing to  
drill the multiunit horizontal well  
involved herein with a completion  
interval in such multiunit horizontal  
well of approximately 10,230 feet.  
The proposed multiunit horizontal  
well involved herein will prevent  
waste, will protect correlative  
rights, and will aid in the full and  
efficient development of each of  
the affected units covered hereby.

IT IS ORDERED that this Cause

## Greg Collins

Greg Collins, age 62, of Lexington, passed away Monday, August 16, 2021, after a courageous battle with cancer.

Gregory Alan Collins was born December 17, 1958 in Colorado Springs, Colo. He is the older of two children born to A.J. and Rena Collins.

He was raised in Midwest City, where he attended school, graduating with the class of 1977. Greg attended the University of Oklahoma, and a few years later started working for Southwest Medical Center in the I.T. department. There, he met a young pharmacist named Cindy Anne Wilhite, and on August 20, 1993, they eloped to Eureka Springs, Arkansas.

They lived in Midwest City for a time before moving to Austin with their son, Brin. By 1998, they settled in Purcell where they raised their children, Brin and Carly.

At the time Greg was working at Tinker Air Force Base, and later started working I.T. for the City of Purcell. Greg truly enjoyed the beauty of nature and being outdoors. He looked forward to camping, fishing, and visiting the ocean. He loved watching old westerns, especially John Wayne.

Greg cherished Cindy and his kids. He will be dearly missed. He was preceded in death by: his mother, Rena Harris.

Greg is survived by: his wife, Cindy of the home; son Brin Collins and his wife Martha of Fort Worth and daughter, Carly Collins of Oklahoma City; Father, A.J. Collins and wife Marie of Bradenton, FL; His sister, Sherrie Margiotta and husband Chris of Austin, TX, and a host of other family and friends.

A celebration of Greg's life is scheduled for 10:00 A.M. Thursday, August 19, 2021, at Hillside Cemetery in Purcell.

In lieu of flowers, the family suggest memorials be made to the Stephenson Cancer Center @ [giving.oufoundation.org](http://giving.oufoundation.org)

## Margaret Maynard

Funeral services for Margaret Maynard, 77, were held Friday, August 13, 2021 at the Wilson-Little Funeral Home Chapel. Services were under the direction of the Wilson-Little Funeral Home in Purcell.

Our precious wife, mother and grandma completed her earthly journey on August 8, 2021 entering her heavenly home and hearing the words, "Well done, Margaret, well done." She was beautiful and wonderfully made, dearly loved, and irreplaceable.

Margaret was born January 1, 1944 to Coy and Verna Freeman in McAlester, Okla. She loved to tell people she was a New Year's baby. She was the third of four children, having a sister, MaryJo, and brother, Coy, when she was born. Margaret enjoyed being the baby of the family until she was 12. In 1956, 3 days after her birthday her father passed away, but the family was blessed three months later with the birth of her brother George, completing their family.

She also grew up with a close group of friends who referred to themselves as "the tribe" and still enjoyed getting together into adulthood. Margaret remained loyal and proud of her hometown and being a McAlester Buffalo, graduating in 1962. She was known to voice how much bluer the sky was during family trips as they drove into Pittsburgh County.

Margaret was a life long Methodist, attending Grand Avenue Methodist Church while growing up. She said more than once, if the doors were unlocked the Freemans were there. Later in life she was active in the United Methodist Church in Weatherford, Sunnyslane Methodist Church in Del City and a member of Trinity United Methodist Church in Purcell since 1978.

After high school graduation, Margaret attended East Central University in Ada where she made many friends and created treasured memories. She was a member of a local sorority on campus and became a charter member of Chi Omega when they affiliated with the National organization, serving as the chapter's first Treasurer. You can recognize a proud Chi Omega by the owl decor in their home and hers was no exception.

However, the best thing to happen while attending ECU was meeting the love of her life, Jerry, at a college dance. They were married May 29, 1965. Together they created a home of fun and laughter for their four children. Margaret could always be found in the bleachers watching a t-ball, softball, baseball or football game when her kids were playing or cheering. If there was a 4-H event, piano recital, band concert or parade she was there too.

When the kids were younger she and Jerry would load up the car and camper and spend time at the lake, sometimes with friends or head out across the country to campgrounds, occasionally going to Galveston and camping on the beach. After retiring, they bought a 5th wheel and spent time in Red River, NM enjoying cooler weather and fishing during the summer. Margaret was a proud housewife and stay at home mother for many years, but she returned to ECU and acquired her teaching degree graduating in 1983. She began teaching at Wayne Schools that fall and retired after teaching for 20 years. Margaret's calling in life was being a mother and she took that same nurturing spirit into her classroom. If you were a student in one of her classes during her tenure of teaching and felt you were special, trust us, you were. Every student was special. During her time of teaching, she made some of her best friends enjoying each other's company outside of school hours eating out and going to movies. For many years it was an annual tradition on New Year's Eve to gather at one of their homes and play games.

Margaret loved to sew which included school clothes, dresses for church, 8th grade graduation, a prom dress and college party dresses. Her daughter's dolls and barbies never lacked for a change of clothes and her children and grandchildren spent many Halloween nights, high school and college parties or school plays dressed in her costume creations. She also enjoyed crochet and the blankets and afghans she made will feel like warm hugs from her for years to come.

Margaret enjoyed crossword puzzles, crypto quotes, jigsaw puzzles, taking care of her children, spoiling her grandchildren and hanging out with Jerry. Nothing brought Margaret more joy than being with her family and she could count on being with her ever-growing extended family twice a year. Every Thanksgiving, beginning sometime in the 1980s, she and her sister began the tradition of hosting Thanksgiving for the entire family, sometimes the count of people reaching into the thirties. Margaret also looked forward to her family's annual reunion at Robber's Cave which began, the best we can recall, in 1981. Every morning during these trips she could be found outside the cabins gathered with her siblings solving the daily crossword puzzles, sipping her diet coke. Both of these family traditions continued through 2019 and we look forward to resuming them to honor her memory when it is safe to gather again. Margaret will be remembered for her sweet nature, infectious laugh, loyalty, impish grin and having a little bit of sass.

Her children have a multitude of memories but her taste in music and teaching them 1950s dance moves, her sense of humor and the funny stories she told about her children growing up, her unique running form and her ability to laugh with us when teased about it, how she loved to create personal birthday cakes for her children, her eery calm while teaching her daughters to drive in a standard when they were not calm, and when it was time to load up and go home her uncanny knack to always remember one more thing that needed to be shown or told to postpone the goodbye are some favorites. Their spouses appreciate how they always felt welcome and happy in her home. Her grandchildren will remember warm hugs, never being denied

## Robert Wiley Minter

Bob Minter, "Doc" to his many friends, went to be home with his Heavenly Father on the 6th of August 2021. Bob was born on July 3, 1931 in Oklahoma City, Okla. He passed away quietly with his wife and family members in attendance. He and his wife Margee Ann had recently moved to Atlanta, Georgia, in January to be closer to family.

Bob lived a full life, fuller than most and all who knew him well, knew that he lived his life how he saw it. He was strongly guided by long standing principles of family first, fair dealing with others and hard work. Bob also had an exceptional sense of humor, he was always one for a story, a joke and many times a practical joker to his friends. He was also an astute businessman having had multiple ventures rooted in the cattle and land business.

At one time he even owned a cattle ranch in Nicaragua. Also, he was an accomplished welder having been schooled on this by his father Henry, also known as Doc.

After graduation from Norman High School in Norman, Okla., in 1949, he briefly attended the University of Oklahoma and after two semesters entered the US Air Force and served during the Korean War.

Prior to the end of his enlistment, he married his high school sweetheart and love of his life, Margee Ann Hawks in 1953. He later attended Oklahoma A&M and graduated in the first class of Oklahoma State University in 1957.

Bob then went onto his next career as a ranch manager in a variety of jobs from El Reno Okla., to Manhattan, Kan., then to Kansas City. Veterinary School at Kansas State University became a dream, then reality, graduating from there in 1966.

Moving the family back to his home state after graduation to Purcell, Oklahoma;

He started a veterinary practice. He built a phenomenal practice that covered not only McClain County but surrounding counties. Bob's partnership with his former classmate Dr. Tom Martin was also a key to the success of the Purcell Veterinary Clinic.

What followed was a shift not only in geography for Bob, but also his career. His practice started to focus more on equine medicine and coverage as an official veterinarian, for several quarter horse racetracks in Oklahoma. He and Margee settled in Wynnewood in 1978 and bought land for what became the Minter Ranch. He eventually became the official veterinarian for Remington Park in Oklahoma City.

Upon his retirement from his "racing career" he settled into fulltime ranching at his home place. He worked tirelessly on the Minter Ranch referring to it as "Central Park South" as he often did, while pontificating about life from the front porch.

He will be missed by family and friends. So, think about Bob often, repeat wonderful and funny stories about him and mention his name when you do. He will be very busy in heaven and will be looking upon us from God's Cattle Ranch, in Heaven, where he will be the head wrangler, official veterinarian and ranch manager.

He is survived by his wife, Margee; son, Jon and his wife, Konni, from Johns Creek, Georgia; daughter, Lisa Ann Minter of Oklahoma City; grandchildren, Austin Rex Minter and wife, Lisa, as well as two great-grandsons, Brayden and Mason, Blaire Minter Hammond and husband, Nicholas, and one great-grandson Charley, also grandchild Colette Minter of Atlanta, Georgia

A graveside service is pending. An announcement will be forthcoming regarding the planned service.

The family suggests sending memorial contributions to SAVE A WARRIOR™.

Dragons:

Epperson, Rebecca Franco, Jacqueline Grimes and Chase Vickrey.

Intermediate – Jazmyn Estrada and Misty Winters.

Junior high – DeAnna Newman and Hannah Thurston.

High school – Carolyn Anyong, Rachel Barnett, Jasmine Quinonez and Bryan Young.

Arnold is teaching first grade. She is a graduate of Edmond North High School and Oklahoma State University. She previously taught third grade at Wayne. She is married to Tyler Arnold.

“I moved to Purcell two years ago and it has become my home,” she said. “I just could not have picked a better place to be teaching.”

Advance is teaching music. She is a graduate of Western Heights High School and the University of Oklahoma. Previous teaching assignments were in Norman, Lindsay and Tecumseh. She and her husband, Dwain, have three children – Caroline, Tal and Clarissa.

“Although I have taught music to every grade level at different times in my career, some of my happiest moments as a mom were engaging my own children in playful songs and music games. I believe music is for everyone and positive experience with music can set children up for a lifetime of success,” she said.

Epperson is teaching first grade. She is a graduate of Grafton High School and Liberty University, both in Virginia. She previously taught first grade in Norman. She and her husband, Austin, have one child, Lyla.

“My favorite part about teaching first grade is seeing the students’ love of reading grow throughout the school year,” she said.

Franco is elementary school counselor. She graduated from Atoka High School and East Central University. She previously taught second grade for Oklahoma City Public Schools. She and her husband, Joseph, have two children – J.J. and Arabella.

“I want to make an impact on the lives of the children in our community and make a difference through my role as the school counselor,” she said.

Grimes is teaching first grade and previously taught kindergarten. She is a graduate of Granite Public Schools and Southwestern Oklahoma State University. She and her husband, Chris, have five children – Devin, Colby, Ava, Aubrey and Addilyn.

“This is my 17th year of teaching. I absolutely love teaching kids and watching them learn and grow,” she said.

Vickery teaches physical education and health. He is a graduate of Norman High School and the University of Central Oklahoma. He previously taught at Monroe and Alcott schools.

“I want to be a positive person that students can have in their life,” he said.

Estrada teaches fourth grade. She is a graduate of the University of Science and Arts of Oklahoma. Previously, she was a teacher assistant at Education Station.

“I grew up right across the bridge in Lexington and have always loved being a part of a small town community,” she said.

Winters teaches fourth grade and is a first-year teacher. She is a graduate of Bridgeport (Texas) High School and Texas Women’s University. She and her fiancée have a daughter, Laiklynn.

“I am excited to make every day in the classroom an amazing opportunity to learn and build relationships with my Dragon family,” she said.

Newman is teaching reading and English language arts to grades six through eight. She is a graduate of the Word of Life Academy and the University of Oklahoma. She previously taught reading, writing, math and special education. She and her husband, Seth, have two children – Whitney and Ethan Taylor.

“I chose to return to Purcell to be a part of this community and make a difference in every child’s life,” she said.

Thurston teaches eighth grade English and reading. She graduated from Lone Grove High School, Murray State College and ECU and previously taught at Blanchard. She and her husband, Mathew, have a son, Dewayne.

“I am excited to teach English in the community in which I live,” she said.

Anyong is assistant principal at the high school. She graduated from Western Heights High School and has a bachelor’s degree from OU and a master’s from UCO. She previously was principal of the ninth grade center at Western Heights. She and her husband, Jeff, have four sons – Holden,

Ethan, Owen and Lincoln.

“When the right people come together to do the right things for kids, that is when we see growth and real success,” she said.

Barnett teaches special education and math and is a first-time teacher. She is a graduate of Graham (Texas) High School and Texas Tech University. She is married to Josh Barnett.

She chose Purcell to “get professional experience working with people.”

Quinonez teaches English 1 and Spanish 2. She is a graduate of Pauls Valley High School and ECU and previously taught Spanish in Pauls Valley.

“I’m passionate about teaching English and although I’ve loved teaching Spanish, I’ve been anxious to teach English again to high school students,” she said.

Young teaches algebra 1 and is assistant baseball coach. He is a graduate of Turpin High School and UCO and previously taught seventh and eighth grade math at Midwest City. He and his wife, Melody, have three children – Mattox, Lily Anne and Brynlee.

“I have taught math for 10 years ... anywhere from fifth grade through algebra 1,” he said. “I am excited to be at Purcell and proud to be a Dragon.”

# Canoe:

Paddle Sports Festival that runs Friday through Monday.

Harrison, 19, made canoe sprint history when she won the first ever Olympic gold medal on offer in women’s canoeing in Tokyo earlier this month.

She is the first American woman to win an Olympic canoe sprint gold medal.

Varga, a 21-year-old Hungarian, is considered by many the most exciting young paddler in the world.

He scored silver in a hard-fought Olympic race in which he finished second behind fellow Hungarian Balint Kopasz.

The race was Varga’s first major international 1,000 meter race. In doing that, Varga left two former world champions and a string of other world class paddlers in his wake.

Other Olympic medalists who are confirmed starters for the festival are Laurence Vincent-Lapointe, Canada, silver, and Liudmyla Luzan,

Ukraine, bronze.

The ICF Super Cup will once again showcase some of the world’s best canoe sprint paddlers in a modified format that provides a showdown between the fastest and the strongest.

Saturday’s invitational Super Cup was originally scheduled for 2020 but COVID-19 forced a postponement.

The festival will feature canoe and kayak races over 350 meters for men and women, as well as a mixed race.

It will be televised live on networks around the globe.

There will also be a one kilometer race that will feature a portage.

Oklahoma City’s boathouse district features a world-class 4,000-meter race and training course.

Excellent lighting will give athletes a rare opportunity to race at night.

The Oklahoma City event is ideally timed to allow ath-

letes to maintain race fitness between the Tokyo Olympics and the ICF canoe sprint world championships next month in Copenhagen.

The full festival schedule is as follows:

Friday – ICF Super Cup world party, extreme slalom & ICF ranking race, both 7 to 9 p.m.; freestyle kayaking demonstration by Dane Jackson and Evy Leibfarth, 8 p.m.

Saturday – whitewater kayaking clinic by Dane Jackson, 9:30 a.m. to 4 p.m.; ICF Super Cup Sprint Portage Race, 10:30 to 11:30 a.m.; ICF Super Cup heats and quarter finals, 4 to 6 p.m.; Great Paddle Youth Event, 6 p.m.; ICF Canoe Sprint Super Cup finals, 8 to 10 p.m.

Sunday – whitewater kayaking clinic by Dane Jackson, 10:30 a.m. to 3 p.m.

There will be ACA national race events on tap Sunday through Tuesday.

“My in-laws are from here and my husband is a graduate of Washington High School,” she said. “I am looking forward to being a part of a small community.”

Ward teaches sixth grade social studies and eighth grade American history. He is a graduate of Warner High School and Northeastern State University. His wife is Madison Ward.

“Washington has been my dream job for as long as I wanted to become a teacher,” he said.

Wilcox teaches sixth and seventh grade math. She is a Washington graduate and attended Seminole State College,

the University of Science and Arts of Oklahoma and ECU. She previously taught math and reading at Cache. She is married to Tanner Wilcox.

She is looking forward to “getting back into the Warrior family” at Washington.

Williams teaches seventh grade science and biology II, as well as serving as the middle school assistant softball coach. She is a graduate of Tuttle High School and Cameron University. She previously taught seventh grade science. She and her husband, Cole, have a daughter, Remi.

She chose Washington “to teach in the best district and to raise my kiddos in the best town.”

Duncan teaches high school family and consumer sciences. She grew up in Noble, but her senior year moved to Dibble. She is a UCO graduate and previously taught at Newcastle. She and her husband, Earnest, have a daughter, Kylee.

“I always challenge my students to step out of their box. Try something new. Challenge themselves,” she said. “What kind of teacher would I be if I didn’t do the same?” she said. “Plus, I love Washington.”

## 5-0 start for Dragons

Hot hitting and good pitching the right combination

**John D. Montgomery**  
**The Purcell Register**

Purcell backed up their season opening victory over Davis with four wins last week including going 3-0 in district play.

The Dragons thumped Meeker 17-1 and 22-0, out-hitting the Lady Bulldogs 39-3.

“After Davis, Crooked Oak got rescheduled for September 20 because of no coach and limited players,” Purcell Head Coach Sarah Jones said. “We traveled to Meeker and came out with two really big District wins.”

The coach said she is “super proud” of her pitchers.

“They all bring different looks and it gives us an advantage,” Jones said of her staff that includes Kailynn Helton, Coty Sessions and Hannah Whitaker. “I’m hoping we get to pitch in more of a rotation this week with how many games we have scheduled.”

The Dragons got the week started Monday posting a 7-4 come-from-behind victory over Lexington, led by Savannah Edwards who went 3-3 with an RBI and Ella Resendiz who had a double and a home run in two at bats.

Payci Constant was 2-2 while Lauren Holmes had a two RBI double. Haileigh Smith and Sessions both had hits in the contest.

Cora Vazquez led the Lady Bulldogs with a 3-3 outing at the plate including a double and had an RBI. Abby Turnpugh clubbed a triple that plated a pair of runners.

Tinley Winters, Brynley Jennings and Haileigh Smith all swatted doubles in the first victory over Meeker. Ella Resendiz, who has been on fire so far this year, Kailynn Helton and Jennings all had triples. Resendiz also went yard in the game.

Jennings was 3-3 while Smith, Winters, Kenna Esparza and Constant all had two hits in the game.

Helton limited Meeker to one hit in that game and tossed a no-hitter in the second game.

In the nightcap, Resendiz led the team with five RBIs in a 2-3 performance at the plate. Jennings was 3-3 with three RBIs while Smith, Winters, Esparza and Constant all had doubles.

### Headed home

**Lexington junior** Cora Vazquez delivers a pitch during Lexington’s game against Purcell Monday. Lexington fell to the Dragons 7-4.

Tuesday, Lexington lost 9-0.

Leslie Barber was a bright spot for the Lady Bulldogs with two hits. Izzy Pack and Riley Harmon each had a hit.

Then Thursday, in a close loss, the Lady Bulldogs dropped a 5-4 decision to the Lady Wildcats of Bethel.

Lexington held a 3-1 lead through three innings. Bethel took the lead thanks to three runs in the bottom of the third.

The Lady Bulldogs added another run in the top of the fourth to tie it up. But, they couldn’t hold off the Lady Wildcats as they added the go-ahead run in the bottom of the fifth to win.

Lexington had eight hits in the game, but also eight errors.

Pack and Baylie Rillema had one RBI apiece. Pack also led the team with three hits.

And, Monday in Purcell, Lexington ran into a red-hot Dragons team and lost 7-4.

Purcell got on the board first with three runs in the bottom of the first inning.

Lexington added four runs in the third to hold the one run lead.

But, Purcell would not be held down as they scored four in the fourth to solidify their win.

Lexington had seven hits and four RBIs, including two from Abby Turnpugh.

Cora Vazquez was 3-3 at the plate.

Vazquez also manned the circle for the Lady ‘Dawgs. She pitched all five innings and fanned four batters.

Lexington was scheduled to host Little Axe on Tuesday and be on the road for the Murray County Bash Thursday to Saturday.

## Warriors win Chisholm

Solid pitching and defense help sweep tournament

**John Denny Montgomery**  
**The Purcell Register**

The Washington Warriors went 5-0 at the Chisholm Trail Classic Softball Tournament in Tuttle and claimed the championship.

Washington defeated Cache (14-2), Perry (8-0), Oologah (3-0), Blanchard (5-3) and Plainview (4-1).

The Warrior defense and pitching was on point, only allowing six runs in five games.

Junior Ellie Loveless threw a no-hit shutout against Perry and the Warriors had no problems in the tournament with their defense performing at such a high level.

“Our defense and pitching was definitely the biggest thing that went right,”

said first-year Warrior head coach Tylor Lampkin. “We only gave up six runs in five games and had a no-hitter and a couple one-hitters. We had a really good weekend.”

Washington got quality pitching innings from Emjay Lucas and Maggie Place, in addition to Loveless.

The three gave different looks and kept opposing hitters off balance.

“We got some innings in for Emjay and it was good for her and a big deal for us,” Lampkin said. “It’s good to develop her.”

The defense behind the pitching was absolutely solid and only committed six errors in the tournament.

“We worked through some

tight spots and it was good to see,” Lampkin said.

Junior Skylar Wells is settling in at shortstop and Lampkin thinks things will only improve for her.

“She’s learning the leadership role of that position,” he said. “We’re all still learning some things and figuring things out.”

### Offense

It wouldn’t have taken much offensive production to win games over the weekend but the Warriors put up some big numbers just for drill.

“The whole lineup did a good job over the weekend,” Lampkin said.

Please see **Win**, page 2B

## Turn it

**Washington senior** Isa Portillo touches her base and looks to throw to first while Washington junior Skylar Wells looks on. The Warriors fell to Blanchard 6-3.

## Win:

Elly Allison, Isabela Portillo, Loveless and Mattie Richardson each hit homeruns in the tournament.

at the plate in the tournament.

“After the weekend Mattie was hitting right at .800,” Lampkin exclaimed.

Tinley Lucas collected eight

hits in five games. Place and Abby Wood also had big weekends at the plate, according to Lampkin.

### Blanchard round 2

The lone blemish on Washington’s 6-1 record is a 6-3 loss to Blanchard from Monday.

The Warriors got out to a 3-1 lead after the first inning but weren’t able to piece together any more runs in the contest.

The Warriors only had five hits and were cooler at the plate than they were the previous weekend.

### Moving on

Up next for the Warriors is the Murray County Bash. Washington plays Pauls Valley at 2 p.m. today (Thursday).

## Emily Montgomery The Purcell Register

The Wayne Lady Bulldogs burned up the road last week traveling to Empire Tuesday and Central Marlow for a tournament Thursday through Saturday.

They also traveled to Bray-Doyle on Tuesday of this week.

In their game with the Lady Donkeys, Wayne had a commanding 13-5 win.

Bray-Doyle notched a run in the first to take the early lead. But, Wayne broke the scoring open in the fourth with four runs.

Homeruns in that inning by Faith Brazell and Daliyah Fuentes along with a single and triple to score runs gave Wayne the lead.

They added six more runs in the fourth and three in the sixth to seal the victory.

Wayne had 19 hits and 10 RBIs.

Haideen Parker was in the circle for the Lady Bulldogs. She fanned nine batters and allowed eight hits.

While in Marlow, Wayne won two and lost two. They had a victory over Geronimo (1-0) to kick off the tournament and a 7-4 win over Waurika.

Brazell pitched in the shut-out win over Geronimo. She fanned 10 batters and allowed just six hits.

Wayne also had six hits in the win. Mayce Trejo led the team with two while Brazell, Kaylee Madden, Kaylee Keeler, and Haylee Durrence had one each.

The lone run was scored by Emily Woody thanks to a Mad-den ribbie in the third.

In their second game of the tournament, Wayne lost to Sterling 9-1.

The Lady Tigers jumped in front with one run in the first inning.

Thanks to a Trejo RBI in the second, Wayne tied it up.

But, Sterling would pull away with one run in the third, two in the fourth and five in the fifth.

Wayne had seven hits in the loss. Trejo and Parker each had multiple hits.

Parker was in the circle for

Wayne. She pitched five innings, allowing nine runs on 13 hits and striking out three.

The Lady Bulldogs bounced back from their loss to best Waurika 7-4.

Holding a 7-0 lead through four innings, the Lady Eagles made a push with four runs scored in the fifth.

But, Wayne held them off for the 7-4 win.

The Lady Bulldogs had 11 hits, including multiple hits by Parker, Madden and Durrence. Madden also added two RBIs.

In their final game of the tournament, Wayne lost to the Lady Blue Devils of Ringling, 5-3.

Holding an early 3-1 lead after one inning, Ringling tied it up with two runs in the fourth and pulled away for good with two runs in the fifth.

The Lady Bulldogs had six hits in the loss. Trejo had their lone RBI.

Brazell was in the circle for all five innings. She fanned three batters.

Last Tuesday, Wayne got a 9-5 win over Empire.

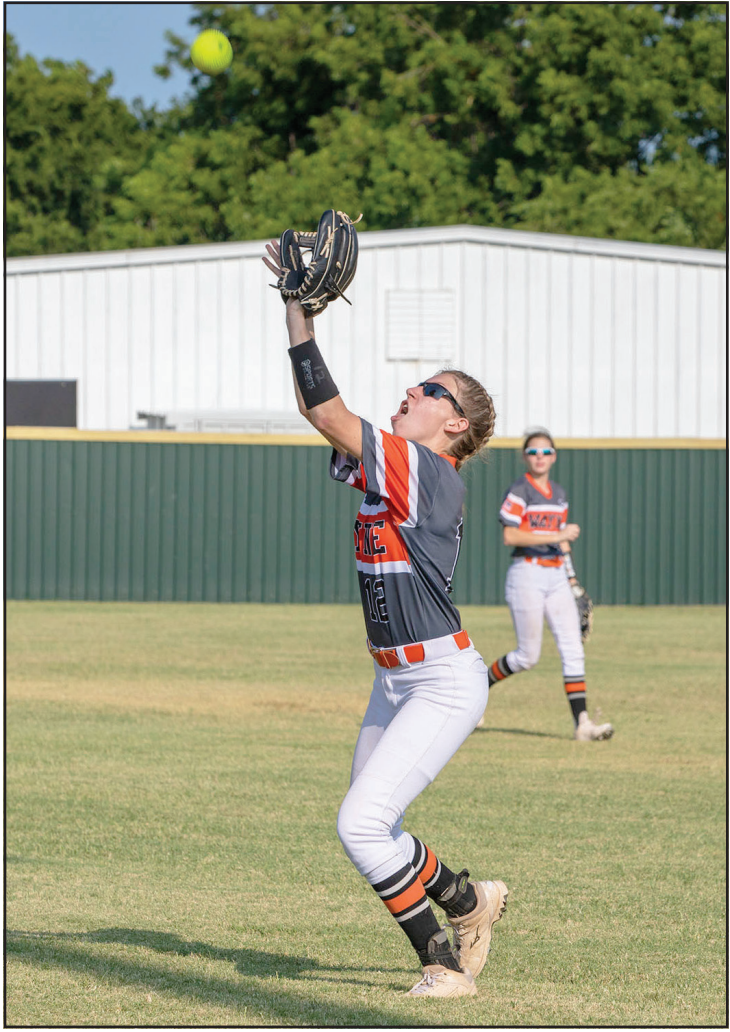

Scoring seven runs through four innings, Wayne held a commanding lead.

But, the other Lady Bulldogs weren’t going away that easily. They scored three in the fifth and two more in the final innng. It was not enough to upset the Lady Bulldogs.

Bats were hot for Wayne with 12 hits in the win. Madden was the leader at the plate with three hits and three RBIs. Fuentes and Keeler each added an RBI.

Brazell was the winning pitcher, striking out four and giving up just five runs.

Wayne was scheduled for a three game homestand starting Tuesday hosting Ninnekah, then Konawa on Thursday and finally Maud on Friday.

## Dragons:

for the Dragons in their 12-0 run-rule victory over Bethel on Friday the 13th was a brief lightning delay.

Savannah Edwards and Resendiz were both 2-3. Sessions was 2-2 and Jones got hits from KK Eck, Jennings and Sessions. Lauren Holmes and Hadleigh Harp both doubled.

“We knew this upcoming week was going to be tough and starting off with the Battle of the Bridge,” Jones said. “It’s

always a good game.

“We started off strong. But after a lightning delay Lexington came out hitting the ball and jumped on us 4-3 in the top of the third,” Jones said.

Just before the delay Lexington had the bases juiced with one out and they came through.

“One thing that I love so much about this group is that they are there to fight and everyone is a part of it,” Jones said as they came back to win

the game.

“We get back in the dugout in the bottom of the fourth and they have checked back in. Coty Sessions starts us off with a single, Payci Constant singles and then Savanna Edwards hits it to right to tie the game and gets Constant to third. KK Eck hits a fly ball to left and Constant tags to give us the lead. A Resendiz walk leads to a Holmes double to put us up 7-4. We hold them in the top of the fifth. As we are hitting, lightning gets too close and administration and umps have to call it. It’s a complete game due to five innings,” Jones said.

“This week we will face some adversity, which is good, it is what we need. All I ask is that we keep responding, putting up a fight, and learning. I believe we will do that,” the coach said.

Purcell went to Chandler Tuesday, then the Murray County Bash. The schedule includes: Thursday 1:30 Sulphur, 4:30 Washington. Friday 6 Pauls Valley and 7:30 Norman High. Saturday’s schedule will be announced later.

Jones had a plug for her junior high Dragons.

“It has been nice to be able to watch the junior high group for a couple games this season,” Jones said. “They are getting better every game and really starting to show how versatile they can be, like the high school. Great job to Coach Clay and Coach Sikes and good luck to them this week in the Ada Tournament.

## Lady Warrior Softball

Washington's Lady Warriors softball is starting the season off with a bang. The girls are 6-0 on the season with a win over Tuttle last week 8-3.

At the Chisholm Trail Classic the Lady Warriors went undefeated and played Plainview in the Championship game. The road to the tourney win consisted of the following games:

14-2 vs. Cache  
8-0 vs. Perry  
3-0 vs. Oologah  
5-3 vs. Blanchard  
4-1 vs. Plainview

Ellie Loveless threw a no-hitter against Perry. Elly Allison, Isabela Portillo, Ellie Loveless, and Mattie Richardson all hit home runs during the tournament.

## Dale K. Graham Veterans Foundation

I would like to thank all our volunteers who help provide services to many veterans and surviving spouses. Many of us are working behind the scenes either from home or at our Norman office. Each volunteer making a difference in the lives of the men and women who have served this nation. Each week we are increasing our appointments for either in person or by telephone. When veterans or surviving spouses appoint us as their POA for VA claims, we can review their complete VA electronic claims folder. Reviewing the veteran's military medical records, service

records, and their VA claims folder enables us to assist them obtain all of the benefits they are eligible for.

As our organization was accredited by the VA General Counsel last year, some of our volunteers are receiving the accreditation that will allow them to assist veterans under the Dale K. Graham Veterans Foundation. This means that instead of Dale being your only representative, the organization will be representing you. All those receiving this accreditation have undergone extensive training and passed exams. Additionally, last week we started training five more volunteers to assist veterans with their claims and questions about VA benefits. Some of them will go on to receive training to become accredited.

We continue to monitor the COVID-19 situation in our town and state and plan to keep our volunteers and clients as safe as possible. In addition, we have returned to using our Plexiglas shields on an as needed basis to separate our volunteers from the clients who visit us.

One of the jobs I have is representing veterans and surviving spouses before a Board of Veterans Affairs Hearing Judge or a Decision Review Officer. Each year we represent our clients at several hundred of these hearings. As I'm not a lawyer, quoting past decisions is not what we do. We do our hearings the same as our claims: to provide medical evidence supporting the veteran's claim for service-connection of a disability. We will often ask the veteran to obtain a VA Disability Benefits Questionnaire from a medical provider that supports their request for service-connection of a disability or an increased rating.

We are always looking to add more volunteers. The more people we have behind the scenes affects how many people we can serve. If you have a little extra time on your hands, please take the opportunity to help us help others.

For those who would like to join our organization please email [paige@dkgf.org](mailto:paige@dkgf.org).

To donate to our Foundation, you can do so online at [dalekgrahamveteransfoundation.org](http://dalekgrahamveteransfoundation.org) or mail a check to Dale K. Graham Veterans Foundation, 1268 N. Interstate Drive, Norman, OK, 73072.

## Our Lady of Victory Catholic Church

By Stella Bledsoe

August 22, 2021 is the twenty-first Sunday in Ordinary Time. During Ordinary Time, the Gospel focuses on the teachings and miracles of Christ during his time on earth.

As mentioned before, the readings are supposed to complement each other. This Sunday's readings focus on choosing to place our trust in God all the time.

In the first reading, Joshua 24:1-2A, 15-17, 18B, Joshua tells the leaders of the tribes of Israel at Shechem that if it does not please them to serve the Lord, they should choose who they wish to serve.

Joshua said, "As for me and my household, we will serve the Lord." The leaders emphatically stated their allegiance to the Lord. They said the Lord had brought them out of Egypt and slavery and had performed great miracles along the entire journey. They said, "18B Therefore we also will serve the LORD, for he is our God." They trusted in God all the time.

Psalms 34 is the responsorial Psalm. 18 When the just cry out, the Lord hears them, and from all their distress he rescues them. 19 The Lord is close to the brokenhearted; and those who are crushed in spirit he saves." Even in sorrow, trust in God all the time.

The second reading is from Chapter 5 of Ephesians. It advises, "21 Be subordinate to

one another out of reverence for Christ" and "2A Live in love, as Christ loved us." While this might not sound like something difficult, remember we are to love even those who, in our minds, don't deserve it. Even when loving difficult people, trust in God all the time.

The Gospel reading is John 6:60-69. Jesus is reminding his disciples that no one can come to him (Jesus) unless the Father grants it. He tells them it is the spirit that gives life and that the flesh is of no avail. The path of Christian living is clear but it is sometimes difficult.

"66 As a result of this, many of his disciples returned to their former way of life and no longer accompanied him." Then Jesus asked the Twelve if they wanted to leave, too. "68 Simon Peter answered him, "Master, to whom shall we go? You have the words of eternal life. 69 We have come to believe and are convinced that you are the Holy One of God." We may be like Peter and have faltering steps sometimes. Still, trust in God all the time.

We may find it difficult to trust in God all the time. Here are a few examples:

1) There is a pandemic. People are sick and some are dying. Unemployment goes out of sight. You can't even hug people.  
2) Your spouse kicks you to

the curb. You lose your children, your home, your place in the community, and all your stuff.

3) Your children grow into adulthood and forget you exist

4) Your loved ones get a terminal illness and there is nothing you can do.

5) Infirmities because of illness or age plague you 24/7.

In the midst of all of that, trust in God all the time. The words of the hymn, "Be Not Afraid," written by Robert J. Dufford, S. J., say it best.

"If you pass through raging waters in the sea, you shall not drown.

If you walk amid the burning flames, you shall not be harmed.

If you stand before the pow'r of hell and death is at your side, know that

I am with you through it all. "Be not afraid.

I go before you always. Come follow me, and I will give you rest."

Our Lady of Victory parish is located at the southwest corner of 3rd Street and Jefferson. The office is open weekday mornings. The phone number is 527-3077.

Weekend mass services are English Saturday, 5 p.m.; Sunday, 11 a.m.; Spanish Sunday, 1 p.m. Daily masses are Tuesday, 9 a.m.; Wednesday, 12 noon; Thursday, 7 p.m. (Spanish), and Friday, 9 a.m.

Peace be with you.

## Lexington Westside Church of Christ

Welcome to the 'front porch.'

This past Lord's Day, the amazin' blonde and I took our third weekend trip up to Lexington as we had done for years until about six months ago. At that time, we had to trade that weekend to go down to a little congregation in Conway, Louisiana to help re-open its doors after it had closed for a year. The Lexington congregation freely agreed to take on a little more of the teaching load to allow us to take on that work, one that has been a tremendous blessing for all. But this past week, with a change of schedule, we were open on the third Sunday and came up to hear two of our local teachers – Tim Flynn and Dale Wells. That really was a blessing.

I thought of all of that as I prepared to share our second point from our first-Sunday lesson, "No man crosses the same river twice" sermon, based on our scary Yellowstone experience. That second point is that we must make sure we bear one another's burdens, as the apostle says in Galatians 6:2. I had not thought of that point when I delivered the lesson, but now I do. I think the Lexington congregation exemplified that attribute well in the working with the Louisiana congregation: The congregation here lent them our help while it took on

more of the load themselves, something our teachers here are very capable of doing, evidenced by Tim and Dale's lessons on Sunday. The principle works not only with individuals helping each other but, in this case, with congregations also lending a helping hand.

In our 'crossing the river' study, we were able to illustrate this point with our unique hiking experience. My friend Todd Perrin, an excellent hiker who attends a church with whom we have long been associated from the north side of Houston, had a great burden to bear as he and I set off alone in that Yellowstone wilderness. The principle seemed to work on a number of levels. Randy Butler, who had a higher tech GPS phone, had stayed behind to help Roy Deering to get up the mountain and out of the park after turning his ankle – and Todd had to take on the responsibility of guiding us on the remaining six days of our wilderness tour. Of course, as we have noted, things did not go as planned and Todd and I got lost, making Todd carry even more of the load than he had planned. I can say with

certainty that had he not taken on that responsibility that we would not have gotten out of the wilderness in due time and in a safe condition, if at all.

As I related that part of the story in the lesson, my mind immediately went to one of the most poignant scenes of the Lord's crucifixion journey, the scene where the Roman soldiers compel a man named Simon to bear the cross of Jesus after the load had become too heavy for our Lord to bear. I did not remember which of the gospels related that incident when it came to mind, but I guessed it might be Luke since Luke seems to offer more of the human element in his lovely gospel – and, sure enough, there it was, in Luke 23:26. I can tell you that the life of the man who carried the cross of Jesus that day would never be the same after that tremendous scene. Biblical evidence indicates that he very likely becomes a member of the church later in his life.

Then I remembered again. It is true: No man crosses that same river twice.

## Sunray Baptist Church

James and Pam Kyzer sang "I Wouldn't Take Nothing For My Journey Now" for our morning special. Brother David used I I Thessalonians 2:1-5 for his sermon which spoke of "Guarding Our Hope". Christians of the coming persecution and current trouble need to nail down the hope we have in Christ.

We need to focus on the Lord, not letting troubles make us give up. We need to get into God's word and believe what it says. God's standard is perfection.

The evening message was from Psalm 66, believed to be written by Hezekiah. It is the "song of a happy man", giving glory to God for what He has done for us.

God brings us through trials. The best thing we can do is talk with God about our problems and trials. It strengthens our faith, God listens and helps us through His grace.

Our senior adults will travel to Norman for lunch at Golden Corral on Friday at 11 a.m. Our youth will go see the Harlem Globetrotters this Saturday at 12:30 p.m. We will be observing the Lord's Supper at our evening service, August 29.

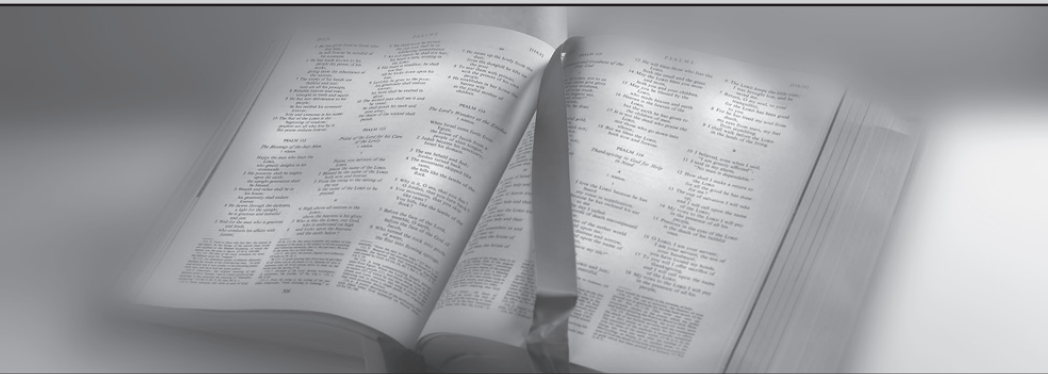

Pastor David Pickard and the church family at Sunray Baptist Church invite you to attend Sunday School, worship and all activities. We are located at 2223 North 9th Street in Purcell. For additional information call 405-527-6808.

## Green Avenue Church of Christ

The Wednesday evening Bible class studied the fourth chapter of Philippians where the apostle Paul urged two Christian women to put aside their differences, encouraged Christians to let their graciousness be known to everyone and expressed his appreciation for their financial support.

The Sunday morning adult Bible class, still looking at persecution and it’s relation to race, discussed the incident of Miriam and Aaron criticizing Moses because of the Ethiopian woman he married recorded in the twelfth chapter of Numbers. It was noted that their primary concern seemed to be that the Lord was speaking through Moses rather than them.

During the Sunday morning assembly Keith Shackelford

presented a lesson on the testimony of witnesses, including Joseph of Arimathea, the apostle Peter and the women who came with Jesus from Galilee. The lesson, taken primarily from the account of Luke, enumerated the events they saw and heard during the three days that covered the death, burial and restructuring of Jesus.

The Sunday evening sermon took a close look at the practice of infant baptism, or “dedication” as it is sometimes called today. It was first noted that the practice originated from the false doctrine that babies were born with original sin and needed to be baptized to be saved. As the popularity of that doctrine faded different justifications for it arose. It was then

pointed out that while Bible baptism is for the forgiveness of sins (1 Peter 3:21), infants need no forgiveness from sins since they are not capable of sinning. In addition, Bible baptism must be preceded by some knowledge and acceptance of God’s word and repentance of sins (Luke 13:3, 5). Infants are capable of none of those.

The church meets at the intersection of Jackson Street and Green Avenue in Purcell. Worship services are at 10:45 am and 6:30 pm each Sunday with Bible classes at 9:45 Sunday morning and 7:00 each Wednesday evening.

You can call the office at 527-4052 or email cofc\_purcell@hotmail.com for correspondence courses or other information.

## Bowman Methodist Church

Greetings folks. Rejoice greatly in the Lord as the Lord rejoices greatly in us, our pastor, Ashley.

Green-Young gave a stirring message over the kingdom of God. Her message was from scriptures in 1 Timothy 1: 12-17 and Luke 15:1-10.

One example Jesus gave over the kingdom of God was on the shepherd who lost one sheep. The shepherd left the other 99 sheep that was his responsibility. He leaves the other 99 sheep to search and to seek the lost one. The shepherd searches wide and low to find that one particular sheep. He does not rest until it is found. When he finds the lost one, he calls his friends and neighbors to celebrate and rejoice with him for finding this particular lost sheep. Here on earth we may have rejoicing over a lost one or loved one who accepts the Lord as his savior and repents

of his sins. It is much more than this in Heaven. For there is much rejoicing over one sinner coming to the Lord than over the ninety-nine righteous people in his flock.

The other example was a woman having ten silver coins and if she loses one of them, what does she do? She looks high and low in her house, she searches the corners and she sweeps her house. Carefully and diligently she seeks this coin which is very valuable to her. When she finds the coin, she has a celebration of rejoicing with her friends and neighbors. She wants them to rejoice with her over this lost coin.

Again, there is much more rejoicing in heaven over a lost sinner coming to the Lord. Jesus told the people that there is more joy in the presence of the angels of God over one sinner who repents and turns his/her

heart to the Lord.

Do we even realize what God’s kingdom is? Do we realize the love God has for us and how much He seeks us out to repent and to come to Him? We cannot save ourselves. We can’t clean ourselves on our own. We need the Lord. We are more valuable to Him than a lost sheep or a lost coin. He values us. When God looks at us, the Lord sees something beautiful. We are God’s people, His greatest treasure.

We invite you to our church to worship the Lord. Our services are on Sunday at 9 a.m. Pastor Ashley is here on Thursday afternoon from 1 p.m. to 4 p.m.

Remember, for God to do nothing is impossible. He always has constant movement and working things out for us. We walk by faith and not by sight.

## Lexington United Methodist Church

Our August Food Bank Give Away will be this Saturday, August 21, 2021, from 12 p.m. to 4 p.m. As a reminder, we do this the third Saturday of every month.

We are still asking everyone to continue to be cautious because not everyone has been vaccinated. Many are in danger of contracting the Delta variant of COVID-19, especially our children and others who can’t take the vaccine or choose not to. Masks can be provided if you don’t have one and wish to wear one. Hand sanitizer will also be available.

We provided food for 53 families in July. With the beginning of the school year and all of its associated costs, we want you to know we’re here to help feed you and your children or grandchildren. We don’t want anyone to go hungry, so encourage those who may be short of food to come to the Food Bank. Many of our elders believe others may be more in need, but so far, we have enough food for all who are truly hungry.

Also, if you are looking for a service opportunity, please consider helping with the Food Bank. We would love to have even more community support. There are many ways to help.

You may wish to help with the once-a-month delivery of the food from the Regional Food Bank. Or, there are various tasks to be done on distribution day, such as helping carry-out bags for those who have disabilities or replenishing the shelves as customers choose their groceries.

If you are interested in participating in this ministry, please contact the Food Bank Director, Ms. Robin Cook, at the church or at home (405) 527—4177.

Many times we see symbols of Christianity around us: a fish logo on a car or in an advertisement, a t-shirt with a reference to Jesus, or something with WWJD (“what would Jesus do?”) on it. Can a person tell that you are a follower of Jesus without these types of messages? The old song says, “They’ll know we are Christians by our love.”

In these times of divisiveness, are you showing love to all those who have different beliefs than you or don’t agree with you politically? Do you use hurtful language? Do you befriend those who don’t fit in or those who are left out? (Remember what it feels like to not be chosen for the team?) Are you including all the ones that

mitted well location tolerances in the drilling and spacing units involved herein so that the multiunit horizontal well involved herein may be drilled and completed as described above. Applicant intends to run casing in the lateral of the multiunit horizontal well involved herein and to cement such casing so as to cover and isolate the first and last perforations in such lateral. Therefore, the completion interval of the multiunit horizontal well involved herein will be from the first perforation to the last perforation in the lateral of such well. Applicant is proposing to drill the multiunit horizontal well involved herein with a completion interval in such multiunit horizontal well of approximately 10,230 feet. The proposed multiunit horizontal well involved herein will prevent waste, will protect correlative rights, and will aid in the full and efficient development of each of the affected units covered hereby.

IT IS ORDERED that this Cause be referred to an Administrative Law Judge for hearing, taking of evidence and reporting to the Commission.

IT IS ORDERED AND NOTICE IS HEREBY GIVEN that this Cause will be heard before an Administrative Law Judge on the Merits Docket at the Corporation Commission, First Floor, Jim Thorpe Building, Oklahoma City, Oklahoma, at 8:30 a.m., on the 14th day of September, 2021, and that this notice be published as required by law and the Rules of the Commission.

STATE OF OKLAHOMA TO:  
THE UNKNOWN  
SUCCESSORS OF JUANITA  
SUE LEWIS, Deceased, a  
full- blood  
Mississippi Choctaw.  
You are hereby notified that  
an action has been filed in the  
District Court in and for McClain  
County, State of Oklahoma, in  
Case No. CV-2021-101, styled  
"KEVIN LEWIS, Administrator of  
the Estate of ALBERT YOUNG  
LEWIS, Deceased, a full-blood  
Mississippi Choctaw, Plaintiff, v.  
THE UNKNOWN SUCCESSORS  
OF JUANITA SUE LEWIS, De-  
ceased, a full-blood Mississippi  
Choctaw, Defendants" alleging  
that the Plaintiff is the sole and  
only-record owner and in pos-  
session of the following described  
real property situated in McClain  
County, State of Oklahoma, to wit:  
Tract 1: An undivided 1/6 in and  
to the oil, gas, minerals and mineral  
rights lying in, on and under the  
E/2 SE/4 SE/4 and the W/2 SW/4  
SE/4 in Section 13, Township 6  
North, Range 4 West in McClain  
County, Oklahoma (allotment of  
Roselle Amos MC1417); and  
Tract 2: An undivided 1/6 in and

to the oil, gas, minerals and mineral  
rights lying in, on and under the  
NE 10 acres of Lot 2 (SW/4 NW/4)  
of Section 19, Township 6 North,  
Range 3 West, McClain County,  
Oklahoma (allotment of Roselle  
Amos MC1417).  
(said Tracts being hereinafter  
referred to collectively as the  
"Subject Property")  
Said Plaintiff's Petition alleges  
that you and each of you claim  
some right, title, lien, estate, en-  
cumbance, claim, assessment  
or interest in and to some or all  
of the Subject Property adverse  
to the Plaintiff, which constitutes  
a cloud on his title and that you  
have no right, title, lien, estate,  
encumbance, claim, assessment  
or interest, either in law or in equity  
in and to the Subject Property.  
You are hereby notified that you  
have been sued and must answer  
the Petition filed by the Plaintiff on  
or before the 8th day of October,  
2021, or the allegations contained  
in said Petition will be taken as true  
and judgment entered thereon,  
adjudging the Plaintiff to be the  
owner of the Subject Property as  
stated in Plaintiff's Petition; in such  
event, you will be adjudged and  
decreed to have no right, title, lien,  
estate, encumbance, claim, as-  
sessment or interest either at law  
or in equity in and to the Subject  
Property and a decree quieting  
Plaintiff's title in and to the Subject  
Property will be entered.

No. 509-August 12-2 Times  
IN THE DISTRICT COURT OF MCCLAIN COUNTY  
STATE OF OKLAHOMA  
IN THE MATTER OF THE ESTATES OF IRENE V. WELCOME, DE-  
CEASED, AND ELIZABETH A. PLUTA, DECEASED.  
Case No. PB-2021-87  
COMBINED NOTICE TO CREDITORS, NOTICE OF HEARING  
PETITION FOR SUMMARY ADMINISTRATION AND FINAL  
ACCOUNTING, DETERMINATION OF HEIRSHIP, AND  
DISTRIBUTION AND DISCHARGE  
Notice is hereby given that on the 4th day of August, 2021, the Pe-  
titioner, Daniel Pluta, who resides at 1575 Godfrey Road, East Thetford,  
Vermont 05043, filed in the District Court of McClain County, Oklahoma,  
his Petition for Summary Administration and Final Accounting, Determi-  
nation of Heirship and Distribution and Discharge ("Petition"). Petitioner  
has alleged that Irene V. Welcome died on May 24, 1979 as a resident of  
Franklin County, Massachusetts with a last known address of 69 Dell Street,  
Turners Falls, Town of Montague, Massachusetts 01376 and that Elizabeth  
A. Pluta died on April 27, 2011 as a resident of Franklin County, Massachu-  
setts with a last known address of Poet's Seat Health Care Center, 359 High  
Street, Greenfield, Massachusetts 01301 (Irene V. Welcome and Elizabeth  
A. Pluta collectively referred to as "Decedents"). A diligent search was  
made to determine if either Decedents left a last will and testament, and  
none could be found. It is believed that Decedents died intestate. Peti-  
tioner is the grandson of Irene V. Welcome and the son of Elizabeth A.  
Pluta. Petitioner is, therefore, a person entitled to serve as Special Admini-  
strator of Decedents' estates pursuant to 58 O.S. § 122(5) and (2), and 58  
O.S. § 245(D)(2) and has consented to serve as Special Administrator herein.  
The names, ages and last-known addresses of the administrators, execu-  
tors, nonpetitioning conominees, heirs, legatees and devisees of Irene V.  
Welcome, so far as known to the Petitioner, are as follows:

Name and Address	Relationship	Age
Elizabeth A. Pluta, now deceased Poet's Seat Health Care Center 359 High Street Greenfield, MA 01301	Daughter/ Administrator	Adult
Daniel Pluta 1575 Godfrey Road East Thetford, Vermont 05043	Grandson/Petitioner	Adult

The names, ages and last-known addresses of the administrators, execu-  
tors, nonpetitioning conominees, heirs, legatees and devisees of Elizabeth  
A. Pluta, so far as known to the Petitioner, are as follows:

Name and Address	Relationship	Age
Daniel Pluta 1575 Godfrey Road East Thetford, Vermont 05043	Son/Petitioner/ Personal Representative	Adult

The probable current value of each of the Decedents' estates, as set  
forth in the Petition, is less than \$200,000.00. The final hearing for the  
Petition is set for the 30th day of September, 2021 at 9:30 a.m. in the  
McClain County Courthouse, 121 N. 2nd Street, Purcell, OK 73080, before  
the Honorable Charles Gray, Judge of the District Court. All persons re-  
ceiving this Combined Notice or any interested party may file objections to  
the Petition at any time before the final hearing and send a copy of such  
objection to Daniel Pluta, in care of his attorney, Douglas M. Jacobson,  
1701 Runway Blvd., Oklahoma City, Oklahoma 73108, or such person shall  
be deemed to have waived any objections to the Petition. If an objection  
is filed before the hearing, the court will determine at the hearing whether  
Decedents died intestate, whether summary proceedings are appropriate and,  
if so, whether the estates will be distributed and to whom the estates will  
be distributed. The claim of any creditor will be barred unless it is pre-  
sented to the Special Administrator or his attorney no more than 30 days  
following the granting of the order admitting the Petition and the Combined  
Notice.  
Dated this 4th day of August, 2021.

CAUSE CD NO. 202101623  
NOTICE OF HEARING  
STATE OF OKLAHOMA TO: All persons, owners, producers, opera-  
tors, purchasers and takers of oil and gas, and all other interested  
persons, particularly in McClain County, Oklahoma.  
NOTICE IS HEREBY GIVEN that the Applicant in this Cause is  
requesting that this Commission grant a well location exception for a  
well to be drilled and produced from the Mississippian and Woodford  
common sources of supply underlying Sections 25 and 36, Township  
6 North, Range 4 West, McClain County, Oklahoma, at a location as  
follows:  
Completion Interval in Section 25-6N-4W, McClain County, Okla-  
homa:  
First Perforation: Not closer than 165 feet from the North line and  
not closer than 990 feet from the West line of Section 25, Township 6  
North, Range 4 West, McClain County, Oklahoma.  
Last Perforation: Not closer than 0 feet from the South line and  
not closer than 990 feet from the West line of Section 25, Township 6  
North, Range 4 West, McClain County, Oklahoma.  
Completion Interval in Section 36-6N-4W, McClain County, Okla-  
homa:  
First Perforation: Not closer than 0 feet from the North line and not  
closer than 990 feet from the West line of Section 36, Township 6

Last Perforation: Not closer than 150 feet from the South line and  
not closer than 990 feet from the West line of Section 36, Township 6  
North, Range 4 West, McClain County, Oklahoma.  
and to complete such multiunit horizontal well in and to produce  
hydrocarbons from the separate common sources of supply involved  
herein. Applicant intends to run casing in the lateral of the multiunit  
horizontal well involved herein and to cement such casing so as to  
cover and isolate the first and last perforations in such lateral. Given  
the available data, the above-described subsurface locations are  
necessary for the further development of the separate common  
sources of supply in the drilling and spacing units involved herein in  
said Sections 25 and 36, and is an exception to Order No. 669469. A  
request will be made to designate the Applicant or some other party  
as the operator of the proposed well.  
The name of the wells and operators of the wells toward which the  
location exception is moving is provided below:

Operator	Well Name
CPRP Services, LLC	M Terry 0504 1-1HW
Ovintiv Mid-Continent Inc.	TDR 0604 1H-14X
Ovintiv Mid-Continent Inc.	Tom 0604 1H-13X
Ovintiv Mid-Continent Inc.	Nunn 1H-26X

NOTICE IS FURTHER GIVEN that the drilling and spacing unit de-  
scribed in the caption hereof underlies Sections 25 and 36, Township  
6 North, Range 4 West, McClain County, Oklahoma, and the sections  
adjacent are Sections 23, 24, 26 and 35, Township 6 North, Range  
4 West; Sections 1 and 2, Township 5 North, Range 4 West; Section  
6, Township 5 North, Range 3 West; and Sections 19, 30 and 31,  
Township 6 North, Range 3 West, all in McClain County, Oklahoma

# Dibble Senior Citizens

By Eddie Cantrell

Greetings to the Seniors of the Dibble Community!

Here we go with school days again. Get ready for football games and the rest. Bring it on!

Last Friday 134 food baskets were distributed. I guess people are buying school

supplies, etc. and need a little assistance. For those who need that help, please feel free to come into the food pantry for bread and produce on Mondays and Wednesdays only. The full boxes are given out on Friday mornings. Be there or

be square!

Our sick and injured are all about the same with no new instances of illnesses.

Our field trip to see the Express Clydesdales in Yukon will be reported on next week. Linda Bourne, our Activities Director, has some nice trips planned for us provided the virus leaves us alone. Most of us are vaccinated. Stay tuned!

My cousin Oscar decided he wanted a job as an accountant. He went to a local CPA office

and applied for a job there. During the interview the CPA asked him some basic questions. He asked Oscar if he had \$27 in one pocket and \$42 in the other pocket, what would he have? Oscar replied “somebody else’s pants!” That boy just ain’t right!

All for now....

The menu includes:

Monday—Beans and fried potatoes.

Thursday—Lasagna.

Friday—Fish fry.
