City working on issues with monthly utility billing

Purcell's City Manager Dale Bunn told the council bids will be going out for the Main StreetScape project. That was the word at the Community Room of the Purcell Police Service Building at the council's regular monthly meeting Monday night. Bunn said the bid will be awarded in April. Bunn reported the Medical Office Building at the new hospital is scheduled to open March 20. At the hospital site, progress

WAYNE seeking BOND ISSUES

John D. Montgomery
The Purcell Register

The Wayne School District is asking voters to approve two separate bond issues totaling \$1,070,000 to enhance buildings and upgrade transportation equipment. Voters will go to the polls next Tuesday, February 14, from 7 a.m. to 7 p.m. School elections must pass by a super majority (60 percent or higher). Proposition No. 1 would be for \$850,000 to perform security improvements district-

wide and renovate, repair and or remodel district-wide as needed. Proposition No. 2 would be for \$220,000 to replace current high mileage buses. "One of the best attributes of working at Wayne Schools is the overwhelming support we have received from the community, especially regarding bond issues in the past," Superintendent Toby

The secretary at the elementary school is like being a surrogate mother to 415 kids in pre-K through the second grade. The challenge for Jackie Suchy, who has worked for Purcell Schools for 32 years, is "loving the kids and taking care of the kids but knowing at the end of the day they are not mine," she said. "It's very gratifying," Mrs. Suchy said. "We went downtown to a homecoming parade and Mark (her husband of 42 years and high school sweetheart) said all the kids know your name. "I've been blessed," she continued. "I couldn't think of anything I could have done that would be more gratifying." The 1979 Purcell High School graduate was dropping their daughter, Carlee, off for her first day of kindergarten when principal Pat Frankenberg came walking up to her car. Pat told Jackie she was going to be needing a secretary and would she be interested. The timing was impeccable. "I had just been thinking, now that Carlee is going to school I need to get a job," Suchy recalled of that August day back in 1991. So Carlee started school the same week Jackie went to work there. Frankenberg taught Jackie in first grade so they had a history. "I just loved Pat Frankenberg," Jackie says with a big smile. "Her son Glen was a family friend and was in

“Thinking Money for Kids” exhibition coming to Norman Library

Pioneer Library System’s Norman Public Library Central will host a traveling exhibition designed to teach kids and their families about money, thanks to a national grant from the American Library Association (ALA) and the FINRA Investor Education Foundation.

“Thinking Money for Kids” is a new multimedia experience for children ages 7 to 11, as well as their parents, caregivers, and educators.

This interactive exhibit uses games, activities, and a fun storyline to help children understand what money is, and its function in society.

The 1,000-square-foot exhibit will be on display at Norman Public Library Central, along with a series of related special events, from February 16-March 27.

“Money is such an important topic, and it’s one that we often forget to discuss with our kids,” said Branch Manager Caroline Dulworth. “We encourage people of all ages to come explore ‘Thinking Money for Kids’ and we’re excited to be partnering with our local elementary schools

to host some field trips, as well.”

Norman, is one of 50 sites selected to host “Thinking Money for Kids.” Nearly 130 public libraries across the country applied for the opportunity, according to ALA.

In addition to the traveling exhibition on loan, Norman Public Library Central has received \$1,000 to hold public events

related to the exhibit.

Much needed rain falls here

We saw some much-needed rainfall push through the state earlier this week, but those rain showers will dissipate as we head into the latter half of the week and into the weekend. On Thursday, mostly sunny skies can be expected as temperatures reach afternoon highs in the low-50s. Temperatures will

cool off heading into Friday, with afternoon highs in the mid-40s under mostly sunny skies. The weekend will be dry, with sunny skies on Saturday and a few lingering clouds on Sunday as temperatures warm back into the mid-50s both days. Our next chance of rain will begin next Monday and

Tuesday, with temperatures maintaining in the mid-50s for afternoon highs. Rain moves out by mid-week, as temperatures surge above-average once again in the mid-60s under mostly sunny skies.

Grow bags are a lightweight mobile option for gardeners

Trisha Gedon
Extension Educator

Traditional in-ground beds, raised beds and ceramic/plastic pot gardens are mainstay gardening methods, but grow bags add another dimension to this popular pastime.

“One of the biggest advantages is the convenience. Grow bags are great for both seasoned and novice gardeners,” said Casey Hentges, Oklahoma State University Extension associate specialist and host of OSU Agriculture’s “Oklahoma Gardening” television show. “The bags are available in a variety of shapes and sizes to meet your gardening needs. Also, they’re good for gardeners with mobility issues because they’re higher than traditional in-ground beds.”

When shopping for bags, select those made from durable polypropylene fabric or a heavy-duty landscape

fabric. Prices vary for these bags, and investing a bit more up front will get gardeners a better, longer-lasting product. Some of these bags will last three or four growing seasons.

The bags often come with attached handles to make moving them easier. They’re also much lighter than the typical clay or ceramic pot. Grow bags work well for people with a small patio or balcony or little space for a traditional in-ground or raised-bed garden.

Gardening enthusiasts who are renting or living in temporary housing can plant a garden and take it with them when they move.

Hentges said it’s important to consider what types of plants grow best in the mobile environment.

“Select plants with a relatively shallow root system,

such as salad greens and radishes. Plants that need more space to spread out, including melons, parsnips and winter squashes, most likely won’t do well,” she said. “However, there are dwarf cultivars of many varieties that will grow well.”

Oklahoma gardeners are well-versed in summer heat, and plants grown in grow bags need to be watered more frequently, said David Hillock, OSU Extension consumer horticulturist.

“In the heat of the summer, the bags will need to be watered probably once a day,” Hillock said.

“Grow bags need well-draining soil that can retain moisture in between waterings. This soil helps ensure roots can breathe as excess water flows through the soil and the bag.”

Along with more water, plants in grow bags may need additional fertilizing. Plants grown in containers are limited to the amount of nutrients in the soil, which can leach out with frequent watering. Be sure to follow the directions on the fertilizer container.

Grow bags can be used for several years. Properly cleaning and storing them at the end of the growing season will help them last longer.

Empty and wash bags with soapy water to kill any lingering bacteria or fungus. Allow them to dry completely before storing.

“This cleaning process is important because any soil-related problems gardeners have with their plants during the growing season will remain in the bag unless it’s properly cleaned,” Hentges said.

OSU Extension on call for calving season questions

Gail Ellis
Agricultural Communications

As cows and heifers have their babies over the next few months, Oklahoma State University Extension is a trusted resource for ranchers with any calving questions.

Oklahoma’s winter and spring can be a rollercoaster ride of sporadic temperatures. No matter the weather, Rosslyn Biggs, an OSU Extension beef cattle specialist and veterinarian, said ranchers should be ready to assist during labor or delivery.

“We only need to wait 30 minutes on mature cows, and we shouldn’t wait any longer than an hour with first-calf heifers,” Biggs said. “If they’re not making any progress during that time frame, then we need to be able to intervene.”

Expecting cows and heifers should be penned in section pastures in case one needs to be hauled to a barn for closer observation or to the veterinarian.

Having a trailer ready to go and a working chute nearby are also helpful in emergencies.

In extreme cold, wintry conditions, new calves are not able to thermoregulate their body temperature on their own. Biggs said even in temps as high as 55 degrees, the wind chill can impact calves still wet from birth.

Providing windbreaks, barns or other shelters for

expecting cows and heifers can reduce the impact of frigid weather in extreme conditions.

Ranchers should keep towels or old blankets handy to warm up the calf.

“Every producer needs to keep on hand an inexpensive digital thermometer from the drug store,” she said. “If a calf is running a fever, or if they have diarrhea, they can get dehydrated quickly. We want to get them fluids if dehydrated.”

Biggs has compiled a calving kit checklist for babies who need a little extra attention. Ranchers should keep the following items clean, functional and readily accessible:

- Veterinary emergency number in cell phone;
- Breeding dates and due dates with associated sire;
- Calving book;
- Thermometer;

- Flashlights with batteries;
- Eartags with marker;
- Tag applicator;
- Dilute betadine or chlorhexadine for navel;
- Catch pen and functional chute;
- Five-gallon bucket;
- Calf puller in working order;
- Obstetrical chains and handles;
- Calf sled;
- Syringes and needles;
- Exam and obstetrical gloves;
- Obstetrical lubricant;
- Clean towels;
- Straw or hay for bedding;
- Esophageal feeder;
- Colostrum or colostrum replacer;
- Medications prescribed by your veterinarian such as pain medications;
- Halter;

Tired of hearing about China? Stop the cash flow

By Dr. Glenn Mollette

Do you get tired of hearing about China? Now we have floating surveillance balloons over our country. We are yet to know for sure what this is about but time will tell. China is probably scouting out the next land or business purchase.

They may have come up with an easy way to determine which military bases have available adjacent land. It doesn't matter if it's for sale they can come up with enough money to buy the property.

All they have to do is to keep piling up the money from everything they sell to the United States.

Alarms went off in Washington when the Fufeng Group, a Chinese agricultural company, bought 300 acres of land and set up a milling plant last spring in Grand Forks, N.D. The plant is a 20-minute drive from an Air Force base that, according to North Dakota Sen. John Hoeven, hosts a space mission that "will form the backbone of U.S. military communications across the globe." Source WSJ

Ten years ago Smithfield Foods was purchased by China's leading pork producer, Shuanghui International Holdings Ltd. (now called WH Group Ltd.), for \$4.72 billion.

Keep in mind China has 1.5 billion people. This requires a lot of people to feed. China would love to gain as much of our farmland as possible to gain more control of our food production. This is one area where China really needs us.

Our agricultural exports to them increased by over 27 percent from 2020 to 2021.

They would need us if they can gain control of our farmland. It's also a plus for them if they can have it close to our military bases. This provides a two-fold benefit for them. In the middle of the cornfield, they can watch everything we are doing or even attempt to thwart what we are doing.

The U.S. trade summary reveals the depth of our trade with China.

In 2021, U.S. exports to China were \$151.1 billion, a 21.4 percent (\$26.6 billion) increase from 2020; U.S. imports from China were \$506.4 billion, a 16.5 percent (\$71.6 billion) increase; and the trade deficit with China was \$355.3 billion, a 14.5 percent (\$45.0 billion) increase from \$310.3 billion in 2020.

China was the United States' third-largest trade partner in 2021.

In 2021, 8.6 percent of total U.S. exports of \$1.8 trillion were exported to China and 17.9 percent of total U.S. imports of \$2.8 trillion were imported from China.

Mechanical Appliances, Sound Recorders and TV sets were the most traded commodity sectors. In the last five years, U.S. exports of those commodities show an upward trend from \$25 billion in 2017 to \$36.1 billion in 2021. The percentages of imports of those commodities from China out of total imports from the World are impressive with 37.0 percent in 2017 and 29.3 percent in 2021.

In 2021, U.S. exports of Agricultural Products to China continue to show an upward trend. In 2021, U.S. exports

of Agriculture Products were \$31.6 billion, an increase of 27.5 percent (\$6.8 billion) from \$24.8 billion in 2020.

In 2021, China remained the major source of U.S. imports of Textile Products. In 2021, U.S. imports of \$50.3 billion of Textile Products from China constituted 32.6 percent of the total U.S. imports of Textile products.

Additionally, in 2021, China remained the major source of U.S. imports of Furniture, Bedding, Lamps, Toys, Games, Sports Equipment, Paint, and other Miscellaneous Manufactured Items.

In 2021, the U.S. imports of \$68.5 billion of Miscellaneous Manufactured Items from China constituted 53.2 percent of total U.S. imports of those commodities. Source: Government info data

What can we do about China? Try to buy products not made in China. You have to shop but it's possible. Shrinking the cash flow to China is crucial to reducing their growing economic and military power. By all means, please do not sell them your land.

Garden longer with less muscle strain and fatigue

Melinda Myers
For The Purcell Register

Keep gardening longer with less muscle strain and fatigue with these pain-free gardening techniques. You'll not only keep your garden looking its best but also make it a more enjoyable experience.

Keep tools handy to reduce the number of trips from the garden back to your garage or shed. A garden tool bag or bucket with a wrap-around tool organizer works well for small hand tools.

Purchase a mobile garden tool caddy or convert a discarded wheeled golf bag, shopping cart, or wheeled trash bin into a tool caddy for long-handled tools. These make it easier to keep them handy as you move from garden to garden.

Store small tools right in the garden. Install an old mailbox in your garden filled with your favorite small hand tools and gloves. Then add a little paint or cover it with a mailbox planter or vine to make it an attractive and functional part

of your landscape.

Keep tools clean and sharp. Regular maintenance will extend their life and improve their efficiency. It can also help reduce the risk of spreading disease.

Invest in ergonomic tools when replacement or new tools

are needed. They have larger and softer handles for easier, less stressful gripping.

Many are designed for the proper positioning of your body to reduce joint stress and fatigue. Longer handles

the globe to stop them. If Stalin believed the U.S. would fight, he would push but ultimately not risk war. We would have to fight proxy wars across Asia, South America, and the Middle East, but Russia would never go head-to-head against the U.S. so long as they believed we would fight back. It was about containing communism, not pushing it back.

An early example of a successful containment policy was Berlin. After the World War II, both Germany and Berlin were divided between the Russian-controlled communist side and the American/British democratic side. Berlin was in the heart of communist East Germany and Stalin decided to cut off road access to the city from West Germany. Instead of attacking or allowing West Berlin to fall, America began a 15-month airlift where American pilots flew around the clock bringing West Ber-

liners everything they needed to survive.

Stalin could have stopped the U.S. by shooting down American planes but that would have led to war. Eventually, knowing the airlift made him look bad, Stalin opened the road back up. With the Berlin Airlift, Russia acted and America reacted in kind and contained communism to its current borders. If only it was always so easy. Other containment examples include the Korean and Vietnam War, both of which cost American lives and only Korea was successful.

In the end, democracy won out over communism, but it is debatable whether containment was the cause. It was not always a perfect policy. It forced the U.S. to side with those who did not stand for what America believed in simply because regimes opposed communism, groups like the Taliban in Afghanistan or despotic govern-

ments like the Ngo Dinh Diem administration in Vietnam.

However, the Soviet Union did fall. It is impossible to answer if containment would still work today, yet it is hard to imagine Russia's invasion of Ukraine if they thought they would face American troops. It is difficult to know how Putin chose when to invade. He did so in 2014 when he captured Crimea and then again in 2022 with the current invasion.

The space in between was during the Trump years. While Trump did use more Cold War rhetoric, future historians will have to decide once this crisis has passed.

and support staff get their personal health benefits covered 100 percent by the state, which for this year is \$640, the price of the Health Choice High plan. Certified personnel, in lieu of FBA, can receive just under \$70 while support staff can get nearly \$190.

SB 91 would provide those who opt-out with half the value of the year's benefit allowance. Having the flexible benefit

allowance is a major perk for state and school employees but some individuals can get better insurance through their spouse's job, or they have military or other benefits and simply don't need other health insurance, so this is an effort to try to make the benefit fairer for everyone while also protecting the state's insurance pool.

I think these bills are a fair

compromise, but I'd love to hear your thoughts on them. If you have any other questions or concerns on legislative matters, please contact me at the Capitol.

House Republicans are committed to pursuing an all-of-the-above energy strategy to ease this crisis and put the American people first. By unleashing American energy

independence, restoring the depleted SPR and untying the hands of American energy producers, our nation will be safer and certainly in a better place economically.

The Biden Administration's ongoing war on American energy is the root cause of our current energy crisis and until

it reverses course and starts using the resources we have here at home, nothing will change.

While we still have much more work to do, the Strategic Production Response Act is a great first step to getting back on track. And for this reason, I was certainly proud to support it.

Calving:

- Lariat;
- Sorting stick;
- Large trash bags; and
- Disinfectants.

Once a calf is born, Biggs said they should be standing on their own and nursing within one hour. Otherwise, a rancher may need to help the calf up and encourage the connection between mother and baby. This is easier said than done, depending on the protective or aggressive manner of the cow or heifer.

"I like to see a calf get colostrum from the cow in four to six hours after birth," Biggs said. "If a producer questions whether or not the

calf got colostrum, they need to administer it."

Biggs also said ear tagging is best in the calf's earliest days of life. Cows will sometimes swap calves, and making future genetic selections is most effective when based on accurate offspring data.

"We want to keep good records starting with simple things like birth date, sex and, ideally, a birth weight to hopefully make some long-term decisions once we get through the calving season," she said.

Biggs discusses the causes and treatment for calves with persistent scours and provides

a step-by-step set of calving instructions in the OSU College of Veterinary's Veterinary Viewpoints column.

Biggs noted an extreme climate event can trigger stress in cows, which is why some may calve during winter storms. Ranchers on the calving clock can attempt to help their cows and heifers deliver during the day instead of those cold nights by applying a proven feeding technique.

Feeding the herd at night is suspected to have a hormonal effect on expecting cows that causes them to give birth during daylight hours.

State Sen. Jessica Garvin gets additional committee assignments Two more regional committees

Sen. Jessica Garvin, R-Duncan, was appointed Tuesday by the Senate Pro Tem to represent Oklahoma on two additional regional committees.

She will sit on the Fiscal Affairs and Government Operations Committee and the Human Services and Public Safety Committee of the Council of State Governments (CSG) Southern Office for a one-year term.

"I'm excited to have these additional opportunities to share the innovative programs and services we're providing through our various state agencies, especially human services and public safety, while also learning new ideas from other southern states," Garvin said.

"It's also important that we learn from each other what hasn't worked so we don't waste time or precious resources on unsuccessful programs that won't help our citizens.

Jessica Garvin

I'm grateful to Pro Tem Treat for appointing me to these committees," she concluded.

In her new roles, Garvin will represent and share Oklahoma's and the state Senate's interests among other state legislators and CSG staff to reduce barriers and push the southern region forward.

She'll provide input and

vote on official policy positions of her committees at the annual Southern Legislative Conference – the largest regional gathering of legislative members and staff in the nation, focusing on existing and emerging state government innovations and solutions.

Garvin will also serve as one of Oklahoma's presenters during the state legislative roundtable at SLC, among other responsibilities.

Established in 1947, the Southern Office is a member-driven organization and the largest of the four regions operating under the CSG.

Its mission is to promote and strengthen intergovernmental cooperation among the 15 member states, which include Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, Missouri, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia and West Virginia.

Election Day reminders and tips

Polls will be open from 7 a.m. to 7 p.m. Tuesday, February 14, for the Board of Education Primary and Special Election. McClain County Election Board Secretary Karen Haley offers these important tips to voters, especially those who will be casting a ballot for the first time.

Voting Tips
• Mark your ballot using the example posted at your polling place and inside your ballot booth. If you make a mistake, do not try to correct it. Instead, take your ballot to the precinct officials. They will destroy the ballot and issue a new one.

• You do not need to make a selection for each issue on the ballot in order for your ballot to be counted. The voting device will cast votes only for those issues which you have marked.

• Ballots can be read by the voting device regardless of how you insert the ballot into the system. If the system detects too many markings for a single office or question, an error code will appear. The voter can choose to submit the ballot as it is or request a new ballot.

• If you need assistance or would like to use the audio-assisted ballot system, let a precinct official know. You do not have to show proof of a disability to use the audio-assisted ballot system.

• Be sure to bring an approved form of identification. Federal and state issued photo IDs, passports, and tribal-issued, photo IDs are accepted. You may also use the voter identification card you were mailed when you registered.

If you forget your voter ID or your name is not found in the Precinct Registry, you may still cast a provisional ballot by signing an affidavit. A provisional ballot is sealed in a special envelope and counted after Election Day, once the voter’s information has been verified by the County Election Board. Election results cannot be certified until all provisional ballots have been researched, verified, and counted.

Haley says election officials are there to assist voters and ensure all procedures are followed on Election Day.

If you believe a law has been violated, contact precinct or county election officials immediately. Do not wait until you leave the polling location.

Voting activity is generally slowest during the mid-morning and mid-afternoon, but the Election Board says lines and wait times can vary from precinct to precinct.

All voters who want to cast a ballot should be in line no later than 7 p.m.

“Anyone who is in line by 7 p.m. on Tuesday and eligible to vote, will be allowed to vote,” Haley said.

You can locate your polling location using the State Election Board’s OK Voter Portal at oklahoma.gov/elections/ovp.

The McClain County Election Board is located at 121 N. 2nd Ave. in Purcell and is open from 8 a.m. to 4 p.m. Monday through Friday.

For questions, please contact the Election Board at 405-527-3121 or mcclaincounty@elections.ok.gov.

The Purcell Public Library will host “Behind the Story: Author Talk with Lana Harper, *Back in a Spell*” from 6-7 p.m. Thursday, February 9.

Join library staff for a magical evening with **New York Times** bestselling author Lana Harper as she discusses the third installment of her immensely popular *The Witches of Thistle Grove* series, *Back in a Spell*.

Back in a Spell follows Nineve Blackmoore and even though she won’t deny her love for pretty (and pricey) things, Nineve Blackmoore (known by Nina by most) is almost painfully down-to-earth and sensible by Blackmoore standards.

But after a year of nursing a broken heart inflicted by the fiancée who all but ditched her at the altar, the powerful witch is sick of feeling low and is ready to try something drastically different: a dating app.

At her best friend’s urging, Nina goes on a date with Morty Gutierrez, the nonbinary, off-beat soul of spontaneity and co-owner of the Shamrock Cauldron.

Their date goes about as well as can be expected of most online dates—awkward and terrible. To make matters worse, once Morty discovers Nina’s last name, he’s far from a fan; it turns out that the Blackmoores have been bullishly trying to buy the Shamrock out from under Morty and his family.

Here’s another really good spaghetti recipe.

Velveeta Chicken Rotel Spaghetti

2-3 boneless, skinless chicken breasts (chopped into bite sized pieces)

1 can Rotel Tomatoes with Diced Green Chiles (undrained)
1 green bell pepper, diced
1 small white onion, diced
16 oz. package of Velveeta Cheese, cut into 1 inch cubes
1 lb. package Thin Spaghetti Noodles

Cook chicken in 2 tablespoons olive oil or butter until almost done. Add bell pepper and onion to the chicken and saute until chicken is cooked and vegetables are soft.

Meanwhile, cook spaghetti noodles according to package directions.

Combine chicken, pepper and onions with the cooked spaghetti noodles while they are still hot. Add cubes of Velveeta cheese to the mix and stir until everything is combined and the Velveeta cheese is completely melted.

Tip: I always use a rotisserie chicken to cut the preparation time in half.

OMRF receives \$2.1 million to study immune system

The National Institutes of Health has awarded an Oklahoma Medical Research Foundation scientist \$2.1 million to better understand the metabolism of T cells, a critical component of our immune system.

With the five-year grant, OMRF scientist Meng Zhao, Ph.D., will study the role mitochondria, the driver for energy and metabolism in cells, plays in T cells, one of the white blood cells of the immune system.

T cells have several functions, but primarily they guard against infection and are thought to help fight cancer.

“T cells are supposed to protect us, but sometimes they go rogue,” said Zhao, who joined OMRF’s Arthritis and Clinical Immunology Research Program in 2020 from the La Jolla Institute for Immunology. “For someone with autoimmune disease, T cells are a troublemaker. They recognize something that normally is harmless and attack it.”

Despite decades of study on T cells, research into their metabolism is relatively new, Zhao said. Recent investiga-

tions have suggested T cells’ mitochondria may have important functions beyond producing energy.

“There’s still a lot we don’t know about our immune system,” she said. “The more we understand the inner workings, including the specific roles of the mitochondria, the better we can design targeted medications.”

The grant is Zhao’s first independent funding from the NIH. It was awarded under a program for promising scientists still early in their careers, known as the Maximizing Investigators’ Research Award, or MIRA.

The competitive federal program offers long-term support, the flexibility to pursue new research directions and favors bold, risk-taking science.

“Dr. Zhao’s research will provide crucial insight at a basic level in our understanding of mitochondria,” said OMRF’s chief clinical officer Judith James, M.D., Ph.D., who leads the foundation’s Arthritis and Clinical Immunology Research Program. “I’m excited to see where her research leads.”

IN THE MATTER OF THE ESTATE OF BUFORD DWAYNE HOLLIS,
Deceased.

Case No. PB-2023-15
COMBINED NOTICE TO CREDITORS AND NOTICE OF HEARING
To: All persons interested in the Estate of Buford Dwayne Hollis,
deceased.
You are hereby notified that on the 6th day of February, 2023, the
Petitioner, Keith F. Hall, by and through his attorney, Omar D. Zantout
of Evans & Davis, PLLC, filed its Petition for Summary Administration
Pursuant to 58 O.S. §245 and for Appointment of Special Administra-
tor in the District Court of McClain County.
The Petitioner has alleged that Buford Dwayne Hollis, age 79, de-
parted this life, testate, on or about the 25th day of October, 2016, in
Collin County, State of Texas, and at the time of his death was a resident
and citizen of Collin County, State of Texas. Moreover, Petitioner has
alleged that Buford Dwayne Hollis left an estate in McClain County,
State of Oklahoma, consisting of real property, the probable value of
which is less than \$200,000.00. Accordingly, Petitioner has asked this
Court for summary proceedings pursuant to 58 O.S. §245, et seq.
The names, ages and last-known addresses of Decedent’s admin-
istrators, executors, non-petitioning co-nominees, heirs, legatees and
devisees, as set forth in the Petition, are as follows:

NAME/ADDRESS	AGE	RELATIONSHIP
Marion Sue Hollis 801 Post Oak Road #218 Houston, TX 77024	Legal	Surviving Spouse/ Sole Devisee/Legatee
Victoria Boykin 69 Camino De Las Huertas Placates, NM 87043	Legal	Daughter/Heir-at- law
Susan Dwinette Hall 3131 Memorial Court Apt. # 18113 Houston, TX 77007	Legal	Daughter/Heir-at- law
Barry Dwayne Hollis 1 Bear Creek / Stagecoach Road Santa Barbara, CA 93105	Legal	Son/Heir-at-law
Virginia Ann Carter 300 East Basse Road #2410 San Antonio, TX 78209	Legal	Daughter/Heir-at- law

Petitioner has alleged that the total value of the estate is less than
\$200,000.00. Since the value of the estate is less than \$200,000.00,
Petitioner has requested summary proceedings pursuant to 58 O.S.
§245 et seq.
In an Order for Combined Notice and Order Appointing Special Ad-
ministrator entered on the 6th day of February, 2023, the Court found
that it should dispense with regular estate proceedings prescribed by
law, order notice to creditors and issue an order for hearing upon the
Petition for Summary Administration, the Final Accounting and Petition
for Determination of Heirs, Devisees and Legatees and Distribution.
Pursuant to the Order for Combined Notice and Order Appoint-
ing Special Administrator, all creditors having claims against Buford
Dwayne Hollis, deceased, are required to present the same with a
description of all security interests and other collateral, if any, held
by each creditors with respect to such claim to Keith F. Hall, Special
Administrator, at Evans & Davis, PLLC, 211 N. Broadway, Edmond,
Oklahoma 73034, addressed to Omar D. Zantout, attorney for Special
Administrator, on or before the following presentment date: March
28, 2023. If no claim is filed on or before the presentment date, such
claim will be forever barred.
Notice is also hereby given that a hearing will be held on the 13th
day of April, 2023, at 9:30 am, in the District Courthouse of McClain
County in Purcell, Oklahoma. At the hearing, the Court will decide
whether to approve the Petition for Summary Administration, the
Final Account and Petition for Determination of Heirs, Devisees and
Legatees and Distribution of the Petitioner.
You are hereby advised that you may file objections to the Petition
for Summary Administration, the Final Account and Petition for De-
termination of Heirs, Devisees and Legatees and Distribution at any
time before the final hearing and send a copy to the Petitioner in the
care of his attorney, Omar D. Zantout of Evans & Davis, PLLC, 211
N. Broadway, Edmond, Oklahoma 73034, or you will be deemed to
have waived any objections. If you have no objections, you need not
appear at the hearing or make any filings with the Court.
If an objection is filed before the hearing, the Court will determine
at the hearing whether summary proceedings are appropriate and, if
so, whether the Estate will be distributed and to whom the Estate
will be distributed.

It was extremely cold in Pauls
Valley earlier in the week, but
by Saturday night, all of the
guests were smokin’ good at
the Pauls Valley Opry.
Libby Williams Thomas-
Gandy is no stranger to the
stage, but made her debut ap-
pearance at the Pauls Valley
Opry. Wow! Libby was, “all
of that and a bag of chips!”
Libby really got us going
with her rendition of the Linda
Ronstadt tune, “Blue Bayou.”
There wasn’t a dry eye in
the house when she sang the
Holly Dunn classic, “Daddy’s
Hands.”
Larry Darnell is the best Hank
Williams tribute artist in the
country. Last Saturday, you
would have thought that ole
Hank himself was making an
appearance! Larry crooned us
back to 1951 with Hank tunes
of “Hey Good Lookin’”, “I Just
Don’t Like This Kind of Livin’”
and “Jambalaya.”
Maddox Ross is quickly
becoming a Pauls Valley Opry
favorite. This young man is a
bundle of talent, rocking the
house with the Brooks & Dunn
hit, “Hard Workin’ Man” and
kicking into high gear with the
Waylon Jennings smash hit,
“Are You Sure Hank Done It
This Way.”
Cathy Lake is an amazing
talent. She got out in the floor

with the Eagles/Tanya Tucker
hit of “Already Gone.” Then,
Cathy brought us into a mo-
ment of worship with her self-
penned Gospel song, “When I
Get Home.”
Wayne Gibbs is truly a coun-
try gentleman. Wayne kept the
audience entertained with his
stories and his songs. He took
us back to the 70s with the
Freddie Fender hit, “Before the
Next Teardrop Falls” and then
he sang a beautiful Johnny Ro-
driguez love song, “I Couldn’t
Be Me Without You.”
When it comes to entertain-
ing, nobody does it better than
Jae L. Stilwell. The “Jewell
of the McSwain Theatre”
captured all of our hearts
with Tammy Wynette’s song,
“Don’t Touch Me” and she
brought the house down with
the Dawn Sears classic “Some-
one Had to Teach You.”
John Williams, our “Friendly
Undertaker” and Pauls Valley
Opry Hall of Fame Member did
an awesome job with emcee
duties. Plus, we were blessed
to feature John on the Chuck
Berry tune, “Johnny B Goode.”
The Memory Makers Band
added to the night’s enjoyment
with a few tunes made famous
by The Trio (Emmy Lou, Dolly
and Linda), Juice Newton, The
Eagles and Vince Gill.

Wildlife Youth Camp application period now open

A week full of fun outdoor ac-
tivities, conservation education
and camaraderie is in store for
dozens of lucky teens selected to
attend the 2023 Wildlife Youth
Camp. Applications are now be-
ing accepted for this summer’s
once-in-a-lifetime event.
“If you are interested in hunt-
ing, fishing or a career with the
Wildlife Department, then this
camp is for you,” said Game
Warden Lt. Dru Polk, youth
camp coordinator.
“Campers will get a better
understanding of wildlife and
fisheries management as well
as conservation law enforce-
ment, and at the same time par-
ticipating in some fun outdoor
activities.”
The camp will be June 18-23
at the University of Oklahoma
Biological Station at Lake
Texoma. Game wardens, wild-
life and fisheries professionals,
and dedicated hunter and angler
volunteers will be conduct-
ing the camp and supervising
activities.
Activities will include fishing,
archery, wildlife identification,
rifle/shotgun shooting, ropes
course, self-defense, wildlife
law enforcement, wildlife and
fisheries management, and deer/
turkey/waterfowl hunting and
law enforcement techniques.

“What’s even better is that it’s
all free for the campers,” thanks
to the support of generous spon-
sors including the Oklahoma
Department of Wildlife Con-
servation, Polk said.
Applicants must be Okla-
homa residents who will be 14
to 16 years old as of June 18.
Prospective campers must fill
out an application form and

Applications accepted for Leadership Oklahoma Class 36

Leadership Oklahoma, a
statewide leadership program
in its 37th year, is now accept-
ing applications for its 2023-
2024 adult class.
The organization accepts
a class of 52 members each
year. The criteria for selection
includes demonstrated leader-
ship on the part of applicants
in their communities and state.
The program is designed to
be a series of issue-oriented
forums and experiences, which
are based on the belief that
knowledge is a key element and
prime motivator of leadership.
It consists of an orientation
session, a mandatory two-day
retreat and eight two-day ses-
sions.
Classes are held in locations

that best relate to the issues of
importance to the state.
“Leadership Oklahoma and
its graduates work to create
and implement the positive
changes necessary to make
Oklahoma a better state,” said
Marcie Mack, Director, Talent
Acquisition and Development,
MidAmerica Industrial Park
and recruitment chair for LOK
Class 36.
“By learning about the issues
that impact our state socially,
economically and environ-
mentally, class members are
motivated to fulfill our mission
of creating a dynamic network
of leaders whose increased
awareness and commitment
to service will energize Okla-
homans to shape their state’s

future,” Mack concluded.
Approximately 1,600 people
have graduated from the pro-
gram and remain active in
contributing to Oklahoma’s
strength and vitality.
“Leadership Oklahoma has
been one of the most enjoyable
and beneficial experiences I’ve

Obituaries

Mark Vernon Bradley

Mark Vernon Bradley passed on to his next mission, January 31, 2023, in Oklahoma City, at the age of 64 years. Memorial services are scheduled for 10 a.m. Friday, February 10, 2023, at Wadley's Funeral Service, entrusted to the care of Wadley's Funeral Service. Online condolences may be made, and service livestreamed at www.wadleysfuneralservice.com.

Mark was born October 29, 1958, in Bernice, Louisiana, to Vernon Leon Bradley and Rosemary Twitty Ramsey. Mark graduated from high school in Stratford, Oklahoma in 1977.

Mark joined the U.S. Army that summer, where he served until February of 1992. During his military service, Mark achieved the rank of Sergeant First Class through his position as a Special Forces Green Beret during the Gulf War. A list of decorations, medals, and ribbons he earned include the Army Service Ribbon, Army Lapel Button, National Defense Service Medal, Southwest Asia Service Medal with Bronze Service Star-2, M16 Expert Badge, Army Achievement Medal, Parachute Badge, Army Good Conduct Medal (3rd AWD), NCO Professional Development Ribbon, and Kuwait Liberation Medal.

Some remember Mark as an artist, referring to his song writing abilities and guitar playing skills. He also appreciated the art of others and collected Beatles memorabilia and supported artists who he came across. Others recall a man with a servant's heart that helped his neighbors, made friends everywhere, and dug a water well in Ethiopia. His desire to help others also led him to volunteer at the Veterans Memorial Canton, Texas, and other places.

Mark loved nature, and the rolling green hills of North Carolina were always on his mind. He appreciated his visits back there over the years, and even had one of his poems printed on a card for the Cape Hatteras Lighthouse alongside original artwork by his uncle. Above all, we see Mark as a soldier, not only through his military service, but through his fights off of the battlefield.

In his own words, "I've got new boots! This time, this mission, this patrol, I gratefully accept my Savior's yoke on my shoulders... this time I'm wearing God's FULL armor." He did not lose a fight, not in any way. In the end, he relied on his relationship with Jesus Christ to pull him through, and that is exactly what happened.

Mark was preceded in death by his parents, Vernon and Rosemary; and a nephew.

Survivors include his siblings, Connie Bradley of Tucson, Ariz., Carole McClure and husband, Ron, of Athens, Texas, Robert Paul Bradley and wife, Lori, of Lexington, and Philip Bradley and wife, Starla, of Lexington; along with numerous nieces, nephews and other relatives and friends.

To make a charitable donation in Mark's memory, please consider one of the following: Hope Springs Water, PO Box 1567, Athens, TX 75751; or a Veteran's organization of your choice.

Deadline for absentee ballot for March 7 election approaches

Voters in McClain County who want absentee ballots mailed to them for the March 7 Special Election should apply now, County Election Board Secretary Karen Haley said.

Absentee ballots are available to any registered voter, provided they are eligible to vote in the election requested. No excuse is needed to vote by absentee ballot.

The deadline for requesting an absentee ballot is 5 p.m. Monday, February 20. Voters can submit a request using the OK Voter Portal at oklahoma.gov/elections/ovp. Request forms are also available at oklahoma.gov/elections and at the County Election Board office located at 121 N. 2nd Ave. in Purcell.

Haley reminds voters to allow time for an absentee ballot to be received, completed, and returned by mail to the County Election Board.

"With some exceptions, all absentee ballots must be notarized before being returned. Voters should give themselves plenty of time to make sure all steps have been followed and that the ballot is returned correctly in order to be counted," Haley said.

Voters exempt from having an absentee ballot affidavit notarized include those who are physically incapacitated and those who care for physically incapacitated individuals

who cannot be left alone. Those voters must have their absentee ballot affidavit witnessed by two people.

Military personnel and residents living overseas, along with their spouses and dependents are also eligible for certain allowances.

Military personnel should contact Voting Service Officers in their units for absentee application forms.

Residents living overseas may obtain absentee voting applications from any United States military installation or United States Embassy or Consulate.

Military personnel and overseas citizens who are already registered voters in Oklahoma may apply for absentee ballots using the OK Voter Portal at oklahoma.gov/elections/ovp.

Those who need to complete a new Voter Registration Application should apply through the Federal Voting Assistance Program at FVAP.gov.

All completed absentee ballots must be in the hands of the County Election Board no later than 7 p.m. on Election Day.

The McClain County Election Board is located at 121 N. 2nd Ave. in Purcell and is open from 8 a.m. to 4:30 p.m., Monday through Friday.

For questions, please contact the Election Board at 405-527-3121 or mcclaincounty@elections.ok.gov.

Longer:

extend your reach and help you retain good posture. Consider purchasing ratchet-type pruners designed to give you more cutting power with less effort.

Use wagons, carts, or old snow saucer-type sleds for moving heavy items to the garden. You'll need to make fewer trips, reduce muscle strain, and save energy when moving mulch, potted plants, and other items.

Divide heavy loads into smaller increments. You may need to make more trips, but it will be easier on your back and knees.

When shoveling, be sure to stand upright and take small scoops. Remember to pivot

your body rather than twisting when emptying the load. Switch sides and take frequent breaks to reduce the risk of muscle strain, and fatigue.

Protect your knees with kneelers or wrap-around kneepads. No matter your age or physical ability you will benefit now and in the future by protecting your joints when gardening. These gardening accessories also reduce the pain and pressure on your joints.

Kneelers with built-in handles make moving up and down easier, allowing you to garden longer.

Include a pair of safety glasses in your tool caddy. It is too easy to end up with a stick in the eye when pruning

Wayne Senior Citizens

By John Webb

Hello again everyone. Well, after all the bad weather and holidays over the last six weeks, I'm hopeful we can try to get back to serving meals five days a week again. Remember, if the schools in Wayne and Purcell are closed, most likely the centers will be as well.

The WSCC garage sale is open again this week, Friday and Saturday, from 10 a.m. to 1 p.m. We still have lots of bargains to be found. If you are in need of a dining table, we have two round ones with leaves, matching chairs for one of them. Small appliances, dishes, cookware, home decor, jewelry and all the clothes you can stuff in a bag for a buck. Come check it out. We are supposed to have bright sunshine and light winds this weekend, so we are looking forward to seeing you there.

Delta Senior Nutrition provides a delicious lunch served each Monday through Friday at 11:30 a.m. Holidays and bad weather days are excluded, obviously! If you are a senior, 60+, and have questions about how to qualify for either congregate or home delivered meals, call me at 405-527-9462 in Purcell or 405-449-3079 in Wayne. I will be happy to explain the process.

Here is the menu for February 13-17:

Monday—Barbecue ribette on bun, baked beans, red hot applesauce, chocolate chip cookies.

Tuesday—Chicken alfredo over noodles, peas, carrots, garlic bread, cherry gelatin with topping.

Wednesday—Breaded fish with tartar sauce, oven browned potatoes, green beans, hush puppies or cornbread, lemon bars.

Thursday—White beans with ham, sliced onions, tomato spoon relish, spinach or greens, cornbread, fruit crisp.

Friday—Chicken fried steak with gravy, mashed potatoes, broccoli, dinner roll or sliced bread, frosted chocolate cake.

Milk is served with every meal.

Remember, the WSCC garage sale is open this weekend and all proceeds benefit the senior center. Donations are much appreciated.

I appreciate everyone who continues to participate in the Delta Meal Program and support your Wayne Senior Citizens Center. Until next week...

and working around trees and shrubs.

Take time to warm up before digging in. Gentle backbends and lunges are great ways to engage your muscles.

Adjust your gardening activities to the weather. If it's cold, try waiting for the weather to warm. If you are stiff in the morning, try gardening a bit later in the day.

Garden for shorter periods and try to take breaks every 15 to 20 minutes. Consider adding a few benches to the landscape to encourage you to sit, relax and enjoy your handiwork.

Wear gloves to protect your hands from cuts and bruises. Gloves also keep your hands warm and provide support as

you dig, pluck and prune. Find a good-looking comfortable pair that you are likely to wear.

Protect your eyes and skin from sun damage. Wear a hat, sunglasses, and sunscreen. You'll avoid sunburns and protect your skin from long-term damage. Keep yourself hydrated by drinking plenty of water as you garden.

Including these strategies in your gardening efforts can make gardening even more beneficial and enjoyable.

“Oklahoma Gardening” begins new season February 11

Trisha Gedon
Extension Educator

While much of Oklahoma has dealt with freezing temperatures and slick roads the past several weeks, the crew with Oklahoma State University Agriculture’s television show “Oklahoma Gardening” has been busy preparing for the upcoming season set to premiere February 11 on OETA.

What’s in store for this season? Show host Casey Hentges said in addition to traditional how-to segments, she will debut a series on garden construction and focus on what’s happening at the new OSU student farm with monthly updates.

“We saw a big spike in the interest in gardening over the last three years due to the pandemic, and we’re still seeing those effects at the grocery store,” said Hentges, who is also an OSU Extension associate specialist for horticulture and landscape architecture. “We’re going to look at being more self-reliant and showcase food options other than going to the grocery store.”

Transplants are already growing in the greenhouse for use later in the show. Traditional crops will still be covered, and Hentges will highlight international crops as well as those used in making alcoholic beverages, such as grapes.

“We’ll also be talking with Aaron Essary, OSU Extension’s new grape specialist, and follow the production of grapes,” she said.

Hentges plans to demonstrate a more natural approach to landscaping. She said people always appreciate the beauty of English cottage gardens or Japanese gardens, but they aren’t naturally occurring in Oklahoma.

“Rather than trying to force a particular type of garden, people are gaining a greater appreciation for a more natural approach,” she said. “Prairie gardening has become more popular as people accept it as its own sort of style, and it makes sense in Oklahoma.

“Gardeners are more aware of the need for planting native plants and creating an ecosystem as opposed to gardening for aesthetics only, so we’ll be addressing the environmental concerns of the butterflies, bees and other pollinators,” Hentges said.

Hentges is in her eighth season of hosting the show and is always looking for new and creative ways to keep “Oklahoma Gardening” fresh for both

seasoned and novice gardeners. Viewers buying their first home are looking for landscape and gardening advice, and the next generation of gardeners wants to learn more because they want to follow in their grandparents’ footsteps.

“There’s always someone who is hearing this information for the first time, so the show offers information for them, while at the same time going into greater depth on some subjects for the more advanced gardeners,” she said.

Jessica Riggins, OSU Extension director in Lincoln County, will return for her second season presenting cooking segments and sharing recipes. She will continue her focus on fruit and vegetable consumption and will incorporate some of the lesser-known options available.

“Oklahoma continues to rank near the bottom in the nation for fruit and vegetable consumption. I want to promote them as part of a healthy diet and help viewers look at these foods in a different way,” Riggins said. “Vegetables don’t have to be difficult to prepare, and they are a delicious part of a healthy

meal.”

Last season, she focused on stovetop and roasting cooking methods, and she plans to highlight other preparations, such as grilling, as a way to explore new flavors.

“Oklahoma Gardening” airs every Saturday morning at 11 a.m. and Sunday afternoons at 3 p.m. on local OETA-TV channels across the state.

Viewers who are unable to watch on television can subscribe to the “Oklahoma Gardening” YouTube channel to see full shows or search for specific segments.

Check out the “Oklahoma Gardening” website for video clips, links to gardening resources, featured recipes and more. “Oklahoma Gardening” can also be found on Facebook, Twitter and Instagram.

The Botanic Garden at OSU is the home of the “Oklahoma Gardening” studio garden and is located west of Stillwater on the north side of Highway 51.

The show is produced by OSU Extension, OSU’s Department of Horticulture and Landscape Architecture and Agricultural Communications Services.

Grow a beautiful indoor succulent garden

Melinda Myers
For The Purcell Register

It’s no surprise that succulents, including cacti, are popular. These easy-care houseplants come in a variety of colors, shapes, and sizes making them perfect for any home.

All you need is a lot of light and benign neglect to raise healthy and beautiful succulents. Place the plants near an unobstructed south-, west- or east-facing window.

Don’t let a lack of light stop you from enjoying these beautiful plants in your home. You’ll find many attractive options for displaying your plants while providing the light they need.

A single desktop LED plant light, attractive plant light shelves and carts, and furniture-grade light gardens allow you to grow these sun-lovers anywhere in your home.

Grow these plants in cacti and succulent potting mix. These fast-draining mixes help reduce the risk of overwatering which can lead to root rot.

Further reduce this risk by using containers with drainage holes that are only slightly larger than the succulents’ root system.

Growing them in too large of a container that retains moisture longer can result in root rot, decline, and even the death of your plants.

Water thoroughly whenever the top inch or two of soil is dry. Some gardeners check the soil moisture at the drain hole to ensure it is dry and the plants need to be watered. Always pour off any excess water that collects in the saucer.

Avoid water collecting in the rosette of leaves or the cluster of prickly stems that can lead to crown rot. Use a watering can like the Haws Indoor Watering Can which has a long narrow spout that allows you to reach under the plants to water just the soil.

Make slight adjustments in your watering regime and growing environment as the seasons

change. Adapting to changing conditions will keep your plants healthy and looking their best year-round.

Find a cool, sunny, draft-free location for your cacti and succulents in the fall and winter. Maximize the amount of light the plants receive by moving them to the sunniest, usually south-facing, window in your home.

Water thoroughly but only when the top few inches of soil are dry and just often enough to keep the plants from shriveling. These changes in the growing conditions often encourage a spring display of colorful and unique flowers.

Boost your succulents’ natural beauty by displaying them in unique containers or places in your home. Create a living wall display with a 3-tier vertical wall planter (gardeners.com) or Mini Magnetic Galvanized Planter Pockets.

Grow a succulent centerpiece that can be enjoyed year-round. Plant a variety of succulents in a long narrow planter like the

Veradek GEO Series Planter boxes. Display it on the table, and if needed, move it back to its sunny location between dinner parties.

Small containers like the heart-shaped concrete tabletop planters allow you to create an attractive dish garden even when space is limited.

Whether you’re a busy, experienced, or new indoor gardener, creating a succulent garden may be just what you need to brighten your home and elevate your mood.

Bond:

Ringwald said.

“We are proposing this bond to help continue renovations across campus that began in the summer of 2021 with the remodeling of the cafeteria. These bond funds will address the second phase of that project by continuing renovations

across the campus.”

Those will include new flooring, paint, and lighting, and ceilings will be infused into all common areas of the campus and continue throughout as many classrooms as funds will allow.

“This will also include secu-

rity upgrades such as new lock sets on classroom doors and the continuation of new door and lock installation on buildings,” Ringwald continued.

“Two new route buses are also included in this bond issue to replace high mileage buses,” Ringwald concluded.

Standoff:

Bolling had to use his loud-speaker on his police unit several times and made several cell phone calls during the standoff when witnesses kept saying Walls was not in the house.

After getting one of the

witnesses to admit he was in the house the other witness confirmed that Walls was in the residence.

In all, nine police officers were involved in the incident.

Walls was also facing a first

degree burglary charge and larceny of merchandise from a retailer.

Officers believe Walls was involved with a disturbance in the 300 block of West Huron the previous night.

Bunn said he expects letters to go out next week for the I-35 and OK-74 new interchange right of way purchase.

Rehab continues on the South Canadian lift station and an 80/20 grant is being applied for support signage, turn lanes, sidewalks and more at Green Ave. and Hallmark Blvd.

Bids for the Green Avenue lighting project are expected Thursday. Bunn said pending items at the trails at the lake include lighting, backfill, parking, sponsor signs, benches and trash cans.

In his report, City Treasurer Victor Lohn said sales tax through December of 2022 is up 6.98 percent over last year, or \$251,500, and is up 10.07 percent over budget, or \$352,532.

Use tax for the same time period is up 13.16 percent over last year, or \$45,893, and above budget by 12.75 percent, or \$44,615.

The tobacco tax is down 12.58 percent over last year and down 12.60 percent over budget.

Electricity had a positive variance of \$102,209 over the previous year. Lohn said water has a positive variance of \$175,404.

The general fund in December showed expenses above revenues by \$200,658. Year-to-date expenses were above revenues by \$240,480. Public works expenses were above revenues by \$27,512 in Decem-

ber but the YTD expenses are below revenues by \$105,614.

City officials are continuing to outsource utility billing. Information was provided January 27 and mailed January 30.

Officials said the inclement weather slowed delivery of the statements to customers. Officials said they have narrowed problems down to 38 water meters. Thirty-six of them are waiting on parts to repair so they can be programmed correctly.

The city expects the remaining two wells to be reprogrammed and read correctly by the March 1 utility billing.

The city made the second of six \$100,000 monthly payments to the hospital.

In routine matters the city:

- approved the annual resolution for mutual aid with Municipal Electric Systems of Oklahoma (MESO).

- approved a resolution for the Plan to use Coronavirus state and local fiscal recovery funds to pay \$900,000 of the Canadian Avenue Sewer Lift Station upgrade.

- approved the update of Life-Threatening Situation Collection Policy and Procedure. That defines what is considered life-threatening equipment and the procedures to follow to avoid utilities cutoff. The last update was in 1995.

- approved denial of a tort claim upon the recommendation of OMAG insurance carrier for the city.

- approved the write off of bad debt on unpaid utility bills in the sum of \$68,506.

- approved submission by

Sullivan and Associates of plans, application and permit fee to ODEQ for new water well and 12” collector line at the Lexington Wellfield.

- approved the creation of a committee to create guidelines for a Short Term Rental Ordinance consisting of councilmen Allen Eubanks and Jay Tate, one representative from law enforcement, one representative from code enforcement and one or two citizens at large who are familiar with real estate.

- approved June 30 as the Independence Day Celebration at Purcell City Lake.

- approved Serena Melton to fill a vacancy on the Parks & Recreation Board.

- approved upfits for three new police department vehicles for \$80,712.

- proclaimed February 17 as United Acts of Kindness Day.

Ariel Anglin gave a presentation about Safe Routes to School Resolution and Complete Streets Resolution requested by TSET.

Eubanks said he has had requests from citizens to place a “Dead End” sign at the entrance to the road to the East side of the lake.

Long-time secretary Angie Wallace retired in 2009 and that’s when Suchy took over the reins of the elementary school office.

In addition to Frankenberg, Suchy has worked for Sherry Davis, Tammy Dillard and now Cindy Stone.

Suchy served as school nurse for nine years and put in six-year stint in the administration building before taking

over for Wallace.

The bonds she makes with students goes far beyond elementary school.

“I was in Jo’s Pizza one night and Scott Roundtree (a 2000 PHS graduate) came up to me with a confession. He told me he used to pretend to be sick so he could come into her office.

“I told Scott, yeah I was on to you.”

That was back when the elementary went through fifth grade.

Among those in the fifth grade that year include former PES teacher David Tarp, Terri Reimer and current Purcell teacher and city councilwoman Theda Engert.

“It’s fun watching kids grow up and become adults,” Suchy said. “I’m working on several second generations of families and probably not too far from some third generations.”

Among those are Engert and her children.

Times have changed over the years. Back in the day Suchy would give out things like Tylenol and such to students.

Not today.

“We can’t even give anyone an aspirin. The only medication we can give is prescriptions with their name on the bottle and the dosage,” Suchy reported.

Over the course of her career Suchy recalled some of the more trying moments and some lighter ones as well.

“One of the more trying times was just as we were dismissing at 3 p.m. the tornado sirens went off. (Then principal) Tammy (Dillard) made a great call. We got all the kids back into the building. All the floors were slick from rain water off the students’ feet.

“People were sliding all over the place trying to make sure their kids were safe,” she said of the 2015 incident.

“One time a boy fell out of his chair onto his pencil. He had to go to the hospital because where it went in was very close to a vein.”

And there have been numerous instances of rocks off the playground making their way into ears and noses.

“We’ve had pretty good success getting them out and only a few times had to call parents. The kids never fess up to putting the rocks where they shouldn’t. They always say I don’t know how that got in there.”

It still tickles her heart to see a former student out in the community.

“It makes your heart happy. They go through stages. Sometimes they don’t come around and then they come back to talk to me.”

It’s been a rewarding career and one that continues as she serves the students of Purcell Elementary.

Girls put up 51 *first half* points against PV in 89-35 rout

Purcell’s No. 3 ranked Dragons took an 18-1 record into Tuesday’s rematch with No. 7 Marlow, the only team to knock off Purcell this season.

The Dragons edged Bridge Creek on the road last Friday, 55-50, and toppled Pauls Valley the following day in a make-up contest, 62-49.

The Dragon defense continues to shine. They held Bridge Creek to 16 second half points including only seven in the third quarter.

Coach Roger Raper’s Dragons matched that feat in the Pauls Valley victory limiting the Panthers to seven third period points.

Malachi Evans led all scorers with 20 points in the Bridge Creek contest. He was joined in double figures by Lincoln Eubank with 14 and Kobe Freeman with 10.

Freeman and Evans led the scoring in the Pauls Valley contest with each pouring in 18. Hayden Ice joined them in double digits with 16.

“Last week was very difficult in regards to preparing and staying focused,” Raper said. “We had changes happening each day with school, practice and games.”

“We were able to keep things together and get two very good wins,” he continued. “Bridge Creek and Pauls Valley are both difficult opponents. I was very proud of our defensive efforts especially in the second halves of each game.

“Malachi Evans shot the ball well in each game and Lincoln Eubank scored 14 points in one quarter against Bridge Creek keeping us in the game during the first half,” the coach said. “Our schedule continues to be tough and it should really help us for the playoffs,” Raper concluded.

Coach Toney Cooper’s Dragons tucked away a pair of run away victories, blistering Bridge Creek 75-34 and socking it to Pauls Valley, 89-35.

Cooper had four players score in double digits in both outings.

Hannah Whitaker led the scoring parade against Bridge Creek with 15. Nipping at her heels with 14 was Ella Resendiz. Tinley Winters finished with 11 and Kenna Esparza had 10.

Warriors picking up wins

The Washington girls basketball team extended their record to 20-0 after picking up two more wins last week.

They defeated Pauls Valley 55-34 Friday before offing Davis 67-18 at home on Saturday.

Head coach Kale Simon wasn’t satisfied with his team’s opening half at Pauls Valley.

“Honestly, we didn’t dictate the environment in the first half,” he said. “They came out and applied pressure and trapped us. Their crowd was into it and we let it dictate us. We came out in the second half and

calmed down and did what we wanted to do.”

The Warriors were down 15-10 after the first quarter before taking a 27-20 lead into halftime.

After a fairly even third quarter they slammed the door on any comeback ideas in the fourth quarter.

“It was a solid win but we didn’t do some of the little things here and there that can make a game go,” Simon said. “I told them we didn’t take care of everything and make the last 1% plays.”

Wayne heads to Yukon with Southwest Covenant and Strother

The Wayne Lady Bulldogs picked up a 57-50 win over Maud but dropped a close 52-50 decision to Wynnewood on Saturday.

Both senior Kaylee Madden and junior Jordynn Debaets had more than twenty points in each game.

“I’m pleased with how we played in both games. Kaylee and Jordynn had two good games,” head coach Bill Burnett said.

In the game against Maud, the score was tight through the first half. Wayne held a one point, 24-23 lead at the break.

The third quarter is when Wayne pulled away. Debaets scored 10 points for the Lady Bulldogs in that stanza. She had 21 total in the win. Madden accounted for 20.

On Saturday Wayne played Wynnewood in a makeup game from last week’s weather-related cancellations.

“It was a tight game the whole time. We had our chance at the end, but couldn’t get the shot to fall,” Burnett said.

Down two with just seconds left on the clock, Wayne

inbounced the ball, drove the length of court and missed their final shot to lose the game 52-50.

Once again, Debaets and Madden were the Lady Bulldogs’ leading scorers with 23 and 20, respectively.

Wayne (12-11) was hosting Maysville on Tuesday night for Senior Night.

They will be in Yukon on Friday for the District tournament with Southwest Covenant and Strother. They play Southwest Covenant at 6 p.m. The winner will play Strother on Saturday at 6 p.m.

Boys

Despite tough defense from the Bulldogs, Wayne dropped two games late last week. A 68-57 loss to Maud and a 66-37 loss to Wynnewood.

According to head coach Jackson Embry, Wayne started slow in the first half against the Tigers. They were down 34-16 at half time.

The Bulldogs went on a 13-0 run and closed the game to just five.

“It was a game of runs, back and forth. But, we couldn’t ever get closer than five,”

Last Friday, the Lexington Bulldogs were in Lindsay for a tight game with district foe, Lindsay.

Despite being knotted at 25-all at halftime, Lexington dropped a 60-54 decision with the Leopards.

Lindsay pulled away in the second half, outscoring Lexington in both the third and fourth quarters.

Missed free throws were a killer for the Bulldogs, going 9-20 from the charity stripe.

Two Bulldogs were in double figures in the loss. Zeke Faulkenberry led his team with 17 points while Trey Hartzog added 14. Drew Dierking had eight.

Lexington hosted Bridge Creek on Tuesday and has a rematch with Class 3A No. 3 Purcell on Friday night.

They are also matched up with the Dragons in Bi-Districts. They will play in Purcell on Saturday, February 18 at 8 p.m.

Girls

The Lady Bulldogs fell to the Leopardettes last Friday night, 59-43.

Lindsay held a 31-17 lead at halftime and Lexington couldn't climb back in it, despite outscoring Lindsay in the fourth quarter.

Maddie Manuel had a team-high 10 points. Janelle Winterton added seven. Rylee Beason,

Landri Bean and Addi Lippel each had five.

The Lady 'Dawgs hosted Bridge Creek on Tuesday.

They will be in Purcell Friday night for a 6:30 p.m. tip with the Dragons.

District pairings were re-

leased and Lexington will have a third shot at Purcell. The game will be Saturday, February 18 at 6:30 p.m.

with 19, including five treys. As a team, the Dragons canned a dozen from beyond the arc.

Joining Buchanan in double figures were Whitaker with 16, Resendiz with 11 and Winters with 10.

Purcell was on fire against Pauls Valley scoring 51 points in the first half including 31 in the opening frame.

“We have not looked good offensively in a few weeks,” Cooper said. “We were finally able to put some points up and get back to scoring in transition.”

Cooper said he was especially proud of his “biggs”. He was referring to Winters and Resendiz.

“Tinley had a solid mix of drives, three pointers and put backs,” the coach said. “Ella complimented that effort controlling the boards and running the floor.

“Hannah led all scorers and brought energy from the moment she stepped on the floor. Kenna did a good job of pushing the pace and finding open teammates.” Cooper said.

“Defensively, we were strong throughout the game, holding them to single digit scoring three out of the four quarters.”

Cooper said playing back-to-back games wasn’t ideal since several of his players are dealing with injuries.

“I was completely shocked when we came out and put up 31 points in the first quarter,” he said. “There were not a lot of missed opportunities.

“Our ball movement was incredible and we got some transition buckets throughout

the game,” the coach continued. “Haven Buchanan was on fire from the three point line. Hannah Whitaker had another solid game and our biggs, Ella and Tinley, again followed up with double digits in scoring.

“It was good to have some games where the girls could see the results of us playing to our level again as we head down the stretch,” Cooper concluded.

“We played well in the second half but we got down too far not making shots in the first half.”

Four Bulldogs were in double figures in the loss. Jaxon Dill led the team with 14 points and Taylen Bryant had 13. Kaleb Madden and Wyatt Webster each had 10.

The Bulldogs were also just 8-26 at the free throw line.

On Saturday, Wayne dropped a make-up game with Wynnewood. Previously scheduled for last Tuesday night, the game was canceled due to winter weather.

Once again, it was a tale of two halves for Wayne.

“We played well in the first half and we were down eight at halftime thanks to a 3/4 court shot from Ty Kemp. Looked like he’d been doing those forever. That was big for us,” Embry said.

But, the second half was bone-dry offensively for the Bulldogs.

“We played good enough defense but when you’re not making shots it’s hard to stay hard-nosed on defense.”

The Savages pulled away in the second half and secured their win.

Madden and Ty Kemp led the Bulldogs in scoring with 14 and 10 respectively.

Religion

Sunray Baptist Church

Debbie Clark played a piano instrumental for the morning special.

Brother John used Philip-pians 1:6 for his sermon. He explained the book of Philip-pians is an epistle of joy. We have joy as believers in Christ. The Gospel changes people and sets them on the right path.

Salvation and sanctification are the works of God. We as believers are a work in progress. In salvation, God has begun a new work. We are delivered from God’s wrath. We are changed into the image of Christ. God always finishes what He starts. We end up better

than when we started.

The evening message was from Acts 17:22-25. As a church, we need to know why we believe what we do. The Bible is the story of God and His relationship with us. Christianity changes us from the inside out.

A church building is only special because of God in the people meeting there. We are the habitation of God, individually and corporately. The church building represents us to a lost world. We must take the gospel message to a lost and dying world.

We concluded our day with

a special business meeting discussing needed repairs to our church building.

This coming Sunday, February 12, Jay McGaughy will be preaching the morning message. This will be followed by our annual Men’s Chili Cook-off for lunch. This will be a devotion after lunch and no evening service.

February 12, 2023 is the sixth Sunday of ordinary time. As a reminder, ordinary time is any time in the year that is not a special season such as Advent, Christmas, Lent, and Easter. Think of it like life; some days are special and some are ordinary.

February 22, 2023 marks the beginning of Lent. There will be three services on Ash Wednesday, February 22. The noon service will be in English. Then there will be a service at 5 p.m. in English and a service at 7 p.m. in Spanish.

Beginning on February 24, there will be a Friday Lenten Mass at 6 p.m. followed by Stations of the Cross at 6:30 p.m. in the Sanctuary. After the service, a Soup Supper will be

served in the Parish Hall at 7 p.m. The Friday Lenten Mass, Stations of the Cross, and the Soup Supper will also occur on March 3, March 10, March 17 and March 24.

The Gospel reading for February 12 is Matthew 5:17-37. Contrary to what many thought, Jesus explained that his purpose on earth was not to do away even with the smallest part of the laws of the prophets but instead to fulfill them. He then explained using three of the ten commandments.

For example, “thou shall not kill” goes well beyond murder. Arguments and harsh feelings against others should be reconciled or settled before going to the altar. The letter of the law deals with an action

(killing) but the spirit of the law also applies to thoughts and feelings.

In the second reading, St. Paul wrote (1 Cor 2:6-10) to the Corinthians about spiritual maturity. One of my very favorite quotations comes from this passage. Eye has not seen and ear has not heard what God has ready for those who love him. For those of us who love God, our actions, thoughts, and feelings reflect the direction Christ gave in the gospel passage.

On a personal note, Happy Birthday to my Dad. Thank you for being a Godly man and leading our home in the right path. It has been 45

Lexington Westside Church of Christ

Seeing Christ ‘Aright’

Part 5 of a series of sermons preached at the Westside Church of Christ, Lexington, in December 2022 -- ‘How Big Is God!’

Can you imagine John’s squinting his eyes toward the shadowy figure standing out on the shore that pre-dawn morning? Then his eyes get big and joy leaps into his heart as he realizes something huge, ‘It is the Lord!’ It makes us want to freeze that moment and apply it at will to all of our life.

I like how scholar Alexander Maclaren states this great truth long before our time. ‘They only see aright who see Christ in everything,’ he writes, ‘The words of John, ‘It is the Lord’ ought to be the conviction ... with which we go out to examine all of the events and circumstances of our daily life.’

It is that type of faith that marks so many writers of the nineteenth century. It seems to be a thriving time of man’s believing in the Lord’s continual providential care and guidance. They take at face value the teaching that the Lord knows when we sit down and when we

rise up. Such a faith certainly does not hurt the psalmist in his walk with the Lord, as we see in Psalm 139. You are very right, too, Mr. Maclaren: ‘They only see aright who see Christ in everything.’

As we step out the door each day and go about our Christian business, we should feel great confidence in knowing that everywhere we turn, all along the way, ‘It is the Lord!’

Read the words of the writer further:

Nature is but the veil of the invisible and ascended Lord: and if we would pierce to the deepest foundations of all being, we cannot stop until we get down to the living power of Christ our Saviour and the Creator of the world, by whom all things were made, and whose will pouring out into this great universe, is the sustaining principle and the true force which keeps it from nothingness and from quick decay.

Now, that is some sentence! We might need to read over it a few times to absorb its great truths. I would not recommend trying to diagram it, though.

As you swish those thoughts around, observe that when the disciples haul in exactly 153 fish that early morning, that John recognizes at that moment that only His Christ has power over all of nature, that it is His power that is ‘the sustaining principle and the true force’ for all of nature.

As we proceed chapter by chapter into contemplating the theme of ‘How big is God!’ our hope is to pause continually to consider just how far the Lord’s power and providence go. Not to admit failure, but, even as we say that, we concur with the songwriter Mr. Hamblin, whose song inspired our title here, ‘To try to tell these lips can only start.’

But those seven disciples don’t get it yet – saving for the one. They are so overwhelmed with the night’s fruitless work that they overlook the tremendous power of the man on the shore who amazingly has power over not just the gathering of a hundred and fifty-three

We apologize to our community about not being able to provide eggs to them as planned. Clint ordered 60 flats of two dozen each flat! Although they were on our request to the Regional Food Bank, for whatever reason, they were not in the food delivery for this month. Again, we’re extremely sorry!

Our next regular Food Give Away will be Saturday, February 18, from 12 to 4 p.m. Clint Sanders, our Food Bank Manager, has been working diligently to make the most of the monetary donations given to the Food Bank. He has truly been a good steward of God’s gifts!

We are pleased and blessed to welcome Grace Chapel in Lexington for their willingness to partner with us in helping provide food for our community. Thank you, our brothers and sisters!

Our next Munch and a Movie will be next Thursday, February 16. Please join us for lunch at noon—you don’t have to bring anything except yourself. Pastor David will be cooking something tasty and filling, followed by another thought-provoking film

starting around 12:30 p.m. We usually have a short discussion (around 30 minutes) about what we’ve watched afterward.

One of my favorite songs ‘The Gift of Love’ is written by Hal Hopson in 1972. It gives us a short, poetic reminder based on I Corinthians 13:1-3. ‘Though I may speak with bravest fire, and have the gift to all inspire, and have not love, my words are vain, as sounding brass, and hopeless gain.’

‘Though I may give all I possess, and striving so my love profess, but not be given by love within, the profit soon turns strangely thin.’

‘Come, Spirit, come, our hearts control, our spirits long to be made whole. Let inward love guide every deed; by this we worship, and are freed.’

No matter what gifts God has given to us, and no matter that God loves us equally--no matter our religion, our creed, our individual beliefs, our race, our gender, our sexual identity—if we don’t carry out our lives with love for others, our actions are worthless.’

If we tell someone, ‘God bless you,’ but we don’t provide them with what they may

need to live—food, clothing, shelter, water, medical care—what we say doesn’t mean a thing.

We are called to do these things by none other but our leader, Jesus Christ, in Matthew 22:37-40. ‘You must love the Lord your God with all your heart, all your soul, and all your mind.’ This is the first and greatest commandment. A second is equally important: ‘Love your neighbor as yourself.’ The entire law and all the demands of the prophets are based on these two commandments.’

So many times people quote the Ten Commandments as what they believe. But even in the Old Testament, we see this Greatest Commandment overshadows the Ten. See how Jesus would have been taught the Law in the readings in Deuteronomy 6:5 and Leviticus 19:18.

This week let us live our lives in showing our love for God by showing agape love to all God’s children. Remember, agape love wants for others—all others—what we

years since you joined God in heaven but like the hymn says, “when we’ve been there 10,000 years, bright shining as the sun, we’ve no less days to sing God’s praise than when we’ve first begun.”

We celebrate the love of Jesus at Our Lady of Victory parish all year long. Our Lady of Victory parish is located at 307 West Jefferson. The

church administrative office is located at 501 N. 4th, and it is open weekday mornings. You can call the office at 405-527-3077. Weekend mass services are Saturday, 5 p.m.; Sunday, 11 a.m.; and Sunday, 1 p.m. (Spanish). Daily masses are Tuesday, 9 a.m.; Wednesday, 12 noon; Thursday, 7 p.m. (Spanish), and Friday, 9 a.m. Peace be with you.

11 a.m. to 2 p.m., there will be a Sunray Kids Carnival with food, games, a bounce house and other activities. Area children are invited to attend. Bonnie Ray is Sunray’s children’s church coordinator.

We are currently in the midst of a Penny Challenge for Ukraine Missions, collecting donations for our missionaries, the Woods family. We have a friendly competition going on between the boys and the girls. There is an emphasis in BMA

church in February on world missions.

World Missions Day is February 26. We will be taking a special Jerry Kidd Missions offering that day to benefit BMA Missions.

Please join us for Sunday school, worship and all activities at Sunray Baptist Church. Brother John Wylie serves as our pastor. We are located at 2223 North 9th Street in Purcell. For additional information, call (405) 527-6808.

fish on the right side of the boat but also over every law, principle, concept, and element in the makeup and function of this universe.

Let’s soak it in a moment: Christ upholds all things in this universe by the power of His might – and those are the words inspired by the Spirit Himself. By Him, all things ‘consist.’

Of these great truths, our lips at least have vaguely started to tell.

Keep this thought close to the vest. We want to make sure we carry that profound conviction that ‘It is the Lord’ with us every step of the way, both in everything we do as we go out searching for our way and, in this hour, as we enter into the opening scenes of the twenty-first chapter of John.

When we see Christ in everything, that’s the only time we see Christ ‘aright,’ indeed. coachbowen1984@gmail.com, frontporchgospel.com

ourselves ask for from God. Grace is given to all of us by God because God loves us. All we have to do is accept that forgiveness and pass that love on to others.

If you would like to contribute toward helping our Turkish and Syrian brothers and sisters, please contact a Methodist church to make a donation to the United Methodist Committee on Relief (UMCOR). You may also do so by visiting their website at UMCOR.org. For other information, use the phone numbers below.

Believe us when we at the Lexington United Methodist Church say that we are the community’s church. We are

a distinct and diverse community of Christians who come together as one church, united in Spirit to love all, welcome all, and seek justice for all. You are God’s child, no matter who you are—you are our family! We invite you to be with us as we try to carry out Jesus’ mission in our world.

We worship at 9:30 a.m. every Sunday, followed by coffee, tea, and fellowship. Sunday school starts at approximately 11 a.m. Our address is 631 East Ash, just west of Lexington High School. For more information, please call the church at (405) 527-3506 to leave a message, or contact Pastor David Cook directly at (405) 406-6174.

NOTICE IS FURTHER GIVEN THAT THE APPLICANT IN THIS CAUSE IS REQUESTING THE FOLLOWING SPECIAL RELIEF: That the Commission enter its order establishing a 640-acre horizontal drilling and spacing unit for the Mississippian and Woodford common sources of supply underlying Section 10, Township 7 North, Range 3 West, McClain County, Oklahoma. The Mississippian common source of supply is a conventional reservoir and for a conventional reservoir the completion interval of a horizontal

well in a horizontal well unit shall be located not less than 660 feet from the boundary of the 640-acre horizontal unit. The Woodford common source of supply is an unconventional reservoir and pursuant to OAC 165:10-29-2 the completion interval of a horizontal Woodford well drilled in a horizontal well unit with a north/south lateral shall be located not less than 165 feet from any north/south unit boundary and not less than 330 feet from any east/west unit boundary. A horizontal Woodford well drilled in a horizontal well unit with an east/west lateral shall be located not less than 165 feet from any east/west unit boundary and not less than 330 feet from any north/south unit boundary.

Due to changes in technological development horizontal drilling is more economical and prevents waste and protects correlative rights. The horizontal well units may exist concurrently with any previously formed non-horizontal drilling and spacing unit, or any part thereof, and each such unit may be separately developed in that a well may be drilled into, completed in and produce hydrocarbons from the same common source of supply in each such concurrently existing unit with production from such well to be governed by and allocated pursuant to the applicable unit. Therefore, the following order is not being vacated.

Order No. 254499 insofar as it established 80-acre standup drilling and spacing units for the Caney, Mayes and Woodford common sources of supply underlying the W/2 of Section 10, Township 7 North, Range 3 West, McClain County, Oklahoma.

Order No. 254499 insofar as it established 80-acre laydown drilling and spacing units for the Caney, Mayes and Woodford common sources of supply underlying the E/2 of Section 10, Township 7 North, Range 3 West, McClain County, Oklahoma.

L&L Smith Energy, Inc. operates the Boo 1-10 well, API No. 087-21900, located in the SW/4 NW/4 of Section 10, Township 7 North, Range 3 West, McClain County, Oklahoma which is producing the Woodford common source of supply.

L&L Smith Energy, Inc. operates the Bitsy 1-10 well, API No. 087-21892B, located in the SE/4 NW/4 of Section 10, Township 7 North, Range 3 West, McClain County, Oklahoma which is producing the Mayes and Woodford common sources of supply.

That the relief requested herein made be made effective prior to the issuance of this Order.

NOTICE IS FURTHER GIVEN that this cause be set before an Administrative Law Judge for hearing, taking of evidence and reporting to the Commission.

NOTICE IS FURTHER GIVEN that this cause will be heard before an Administrative Law Judge on the Initial Hearing Docket at the Corporation Commission, Eastern Regional Office, 201 West 5th Street, Suite 540, Tulsa, Oklahoma, 74103, at 8:30 a.m. on the 20th day of March, 2023 and that this Notice be published as required by law and the rules of the Commission. Washington American Legion seeks bids

AngieSteele

Washington Correspondent

Hello Washington, Oklahoma!

It is goal of the American Legion, Post 0310 here in Washington to refurbish our building in downtown Washington. Most may know it as the “Domino Hall.” American Legion leaders are attempting to preserve its history and remodel it in efforts to support the town of Washington and school district.

We would like to solicit bids in the areas of Roofing, Electrical, HVAC, Plumbing and General Construction work. You may bid as an individual service or as a General Contractor/Company, feel free to bid on the entire scope.

Please PM us on our Facebook page to schedule a time to visit or with any questions: American Legion Post 0310 Facebook <https://www.facebook.com/groups/389606772881102>

Thanks for your time, we look forward to hearing from our neighbors.

Washington Elementary Students of the Week

Congratulations to Washington Elementary Students of the Week Esma Ocampo, Daisy Rodarte, Noah Moore and Jaxon Wano. They represent their second-grade classes February 6-10.

Incoming Sixth Grade Students and Concurrent High School Students—February 16.

Incoming Freshman—February 21, 6 p.m.

Washington FFA and 4-H Livestock Show

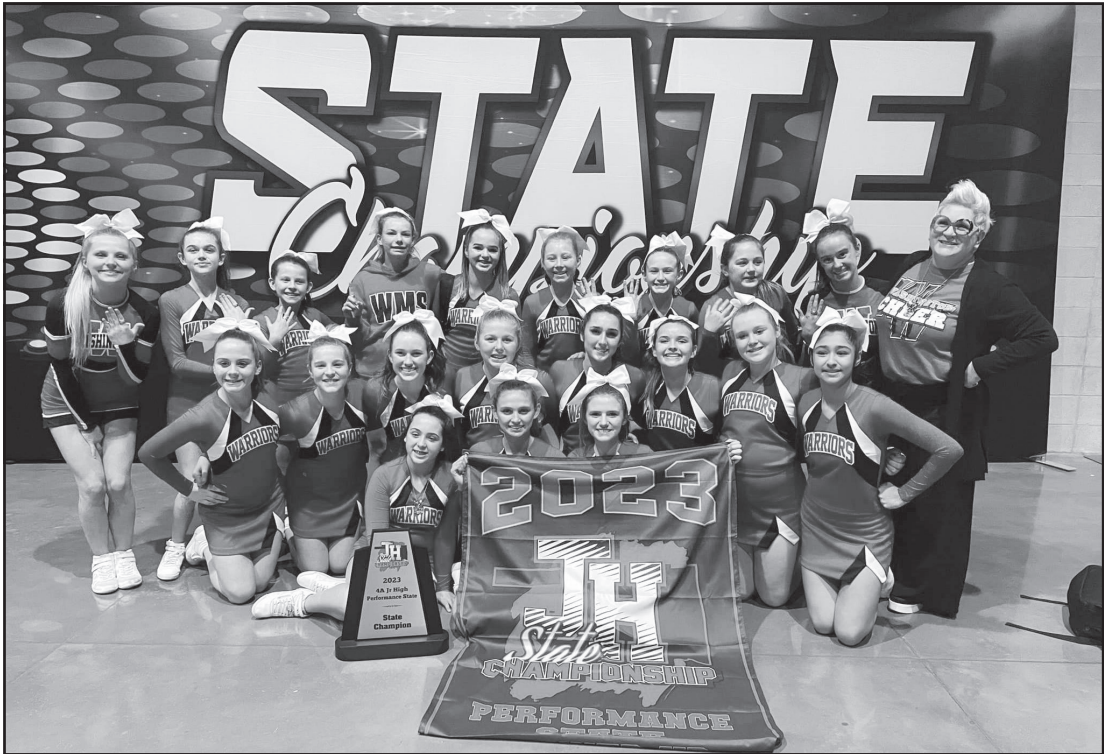

Make plans to come out and support the Washington FFA and 4-H students as they compete Saturday, February 25, beginning at 10 a.m. The Bonus Auction will be held February 28 with a dinner beginning at 5 p.m. The auction will start at 7 p.m.

Host Families Needed

Looking for people to open their homes to an exchange student this upcoming school year, 2023-2024. Students are ages 15-18 and will spend the semester with you as part of your family! What a great opportunity to learn about another culture and teach someone about ours!

Host families provide meals, a bed/bedroom and the students pay for anything else they need/want while they are here. They also have health insurance. You get to choose your student and communicate with them until they arrive!

Dale K. Graham Veterans Foundation

The Cleveland County Veterans Memorial at Reaves Park has close to 2,000 names of veterans living and deceased names engraved who honorably served our country. There is approximately room for 1,800 additional names before all the marble tables are full. One of the requirements to have your names installed on the memorial is you must have been a resident of Cleveland County

either while in service or you are currently a resident.

Please call 405-641-7718 if you have questions. Applications are available for the Memorial by the coffee bar at Dale K. Graham Veterans Foundation.

Whether you’re a seasoned photographer or a budding painter, here’s your opportunity to show off your talent and use your artwork to honor Veterans. VA and the Veterans Day National Committee are now accepting submissions for the 2023 Veterans Day Poster Contest. Submissions are due by 11:59 p.m. (EDT) on April 1, 2023.

This contest is open to all. Your art should reflect this year’s theme of “Service.” Veterans have shaped the American character, giving us an extraordinary legacy of patriotism and honor. Their service represents the highest form of citizenship.

The winning poster will be distributed to VA facilities, military installations worldwide and across cities and towns in our nation. It will also serve as the cover of the official program for the Veterans Day observance at Arlington National Cemetery, scheduled for Nov. 11, 2023.

Although creativity has no rules, there are a few submission guidelines which can be found at <https://news.va.gov/115113/2023-national-veterans-day-poster-contest-open>. Submit electronic versions as jpg images or PDF files by email to vetsday@va.gov.

We are continually requesting that more volunteers sign on to help us to process the increased number of veterans who are requesting our assistance with their VA claims and questions. Since going digital we have positions for people who want to work from home or at our location at 1233 West Lindsay in Norman.

For those of you who need to begin the process, we have an easy way for you to start your claim for VA benefits. Just log on to DKGVF.ORG to fill out our intake forms. As we have gone digital some of the veterans we help may never be required to visit us in person. This will also make it easier for some of the people who we help who live in other states or countries.

We are a 501c-3 non-profit organization and there is never a charge for the services we provide to veterans and their families. We do accept financial contributions to be used to support veterans and this organization.

We also accept donations of wheelchairs and other types of handicap equipment that can be given to other veterans or their families. Other items that we accept are cars, trucks, motorcycles, or items that can be given to veterans or sold to raise funds.

We are open to active clients Monday through Friday from 9 a.m. to noon each day.

To donate to our Foundation, you can do so online at dalekgrahamveteransfoundation.org or mail a check to Dale K. Graham Veterans Foundation, 1233 West Lindsay, Norman, OK, 73069. You can contact us on our website or by calling 405-550-8806.

Election Day laws and reminders

Voters in McClain County are reminded to keep the integrity of the election system in mind, when going to the polls next week.

While ballot “selfies” or taking photographs of a marked ballot are legal, voters may not share or distribute the image through social media or by any other means while inside the election enclosure. Voters must wait until they leave their polling place before posting or sharing the picture with anyone.

Improper use of the photo could result in a violation of the law. Voters may not use the image to coerce, influence, or intimidate another voter.

McClain County Election Board Secretary Karen Haley says voters should be aware that violating the law has consequences.

“While some offenses may seem minor, unlawful activity on Election Day constitutes a serious crime and could result in a misdemeanor or in some cases, a felony conviction. We

want all voters to be aware of their actions and be respectful of the rights of others.”

Haley said it is illegal to disclose how you voted with anyone while inside the election enclosure. In addition, you may not remove a ballot from the polling place.

Keep in mind that electioneering is prohibited within 300 feet of any ballot box while an election is in progress. This includes wearing or bringing visible campaign related paraphernalia into the election enclosure.

Haley notes that no one except election officials and voters waiting to vote are allowed within 50 feet of any ballot box on Election Day. Certain exceptions are made for media and those assisting disabled voters.

Voters are reminded that consuming alcohol of any kind or quantity within one-half mile of a polling place on Election Day is prohibited.

The polls will be open from 7 a.m. to 7 p.m. on February 14.

Purcell Senior Citizens

By Val Blackburn

Here’s a day to put on your calendar! Valentine’s Day is Tuesday, February 14. The center is having a Chocolate Tasting Party! Beginning at 11 a.m. and lasting until after lunch and after everyone rolls out the door! You are welcome to bring your favorite chocolate delight to add to the party. We are going to have a great time to beat these February Blues! Let’s indulge!!!

Just a reminder for all: If Purcell Schools are closed due to weather, the center is also closed. Your safety is important to us! Slips and falls are no joke...and sliding into a ditch is no fun either!

The Center Garage Sale is open Thursday and Friday from 10 a.m. until 1 p.m. (weather permitting!) We have new merchandise and lots to choose from. Everyone is invited.

Our center is available for rent on Saturdays for parties, meetings and/or gatherings. For information or to make a reservation, please call Val at 405-527-5070. We do book in advance, so the sooner you make a reservation, the better chance you have for an open Saturday.

Delta Nutrition provides meals Monday through Friday beginning at 11:30 a.m. They also deliver in-home meals. Any questions you have about obtaining meal service or dining here at the center, can be answered by the kitchen at 405-527-9462. This number is also the one to call when you let them know what days you will be here to dine.

It is becoming more important to remember to make your reservation for meals. That can be done weekly or daily, whatever works for you. The rising cost of food and supplies is making it more essential every day for Delta Nutrition to have a count of the meals. Please let them know you will be here or if you won’t. They always want to have plenty of food for all who would like to join us. Thank you for being understanding of their policies.

Menu for February 13-17:

Monday—Barbecue ribette, baked beans, applesauce, cookies.

Tuesday—Chicken alfredo with noodles, peas, carrots, garlic bread, gelatin.

Wednesday—Breaded fish, oven browned potatoes, green beans, cornbread, lemon bars.

Thursday—White beans with ham, tomato relish, spinach, cornbread, fruit crisp.

Friday—Chicken fried steak with gravy, mashed potatoes with gravy, broccoli, roll, chocolate cake.

One milk per person is served with every meal.

We appreciate everyone who continues to donate and support the senior center. Your donations continue to enhance the lives of our seniors and the operation of our center.

NOTICE IS HEREBY GIVEN that Applicant in this cause is requesting that the Commission enter an order to be effective as of the date of the execution thereof as follows:

Approving a multiunit horizontal well in the 640-acre drilling and spacing units formed for the Mississippian and Woodford common sources of supply in Sections 8 and 17, Township 6 North, Range 3 West, McClain County, Oklahoma so as to allow such multiunit horizontal well to be drilled as described below and to be completed in and to produce hydrocarbons from the above-named common sources of supply and establishing of a proper allocation factor for allocating the cost of and the production and proceeds from such multiunit

horizontal well to each of the affected units covered hereby.

Granting such other and further relief as may be proper based upon the evidence presented at the hearing herein. The legal descriptions of the land sections adjacent to the area within which the location exception lies are Sections 4, 5, 6, 7, 9, 16, 18, 19, 20 and 21, Township 6 North, Range 3 West, McClain County, Oklahoma. Applicant further requests that Applicant or some other party be authorized the right to drill said well. Applicant further requests that it be permitted to produce said well at said location from the common sources of supply covered hereby without any downward allowable adjustment.

NOTICE IS FURTHER GIVEN THAT Applicant is proposing to drill the multiunit horizontal well involved herein at the following location:

LOCATION OF WELLBORE (LATERAL) AT SECTION 8 COMPLETION INTERVAL: THE PROPOSED LOCATION OF THE END POINTS OF THE COMPLETION INTERVAL WILL BE NO CLOSER THAN 165 FEET FROM THE NORTH LINE AND NO CLOSER THAN 0 FEET FROM THE SOUTH LINE AND NO CLOSER THAN 330 FEET FROM THE EAST LINE OF SECTION 8, TOWNSHIP 6 NORTH, RANGE 3 WEST, MCCLAIN COUNTY, OKLAHOMA

LOCATION OF WELLBORE (LATERAL) AT SECTION 17 COMPLETION INTERVAL: THE PROPOSED LOCATION OF THE END POINTS OF THE COMPLETION INTERVAL WILL BE NO CLOSER THAN 0 FEET FROM THE NORTH LINE AND NO CLOSER THAN 165 FEET FROM THE SOUTH LINE AND NO CLOSER THAN 330 FEET FROM THE EAST LINE OF SECTION 17, TOWNSHIP 6 NORTH, RANGE 3 WEST, MCCLAIN COUNTY, OKLAHOMA

That the entire length of the lateral will be cemented such that the perforations will be isolated from the beginning and end point of the lateral.

NOTICE IS FURTHER GIVEN that this cause be set before an Administrative Law Judge for hearing, taking of evidence and reporting to the Commission.

NOTICE IS FURTHER GIVEN that this cause will be heard before an Administrative Law Judge on the Initial Hearing Docket at the Corporation Commission, Eastern Regional Office, 201 W. 5th St., Suite 540, Tulsa, OK 74103, at 8:30 a.m. on the 6th day of March, 2023 and that this notice be published as required by law and the rules of the Commission. The referenced hearing may be conducted via teleconference or videoconference. Before coming to the building for this hearing, please visit the Oklahoma Corporation Commission website at www.occeweb.com to determine the status of building access. Instructions for participating via teleconference or videoconference are available on the Commission's website.

NOTICE IS FURTHER GIVEN that in the event this cause is uncontested, the Applicant, its representatives, witnesses and other proponents of the Applicant may appear and testify by telephone. The cost of telephonic communication shall be paid by the person or persons requesting its use. Interested parties who wish to participate by telephone shall contact the Applicant or Applicant's attorney, prior to the hearing date, and provide their name and phone number.

NOTICE IS FURTHER GIVEN that all interested persons may appear and be heard. For information concerning this action, contact Ron M. Barnes or Grayson Barnes, BARNES LAW, PLLC, 1648 S. No. 147-February 9-1 Time
BEFORE THE CORPORATION COMMISSION OF THE STATE OF OKLAHOMA
APPLICANT: CONTINENTAL RESOURCES, INC.
RELIEF SOUGHT: WELL LOCATION EXCEPTION (PART OF A MULTIUNIT HORIZONTAL WELL)
LEGAL DESCRIPTION: SECTIONS 8 AND 17, TOWNSHIP 6 NORTH, RANGE 3 WEST, MCCLAIN COUNTY, OKLAHOMA
CASE CD2023-000524-T
NOTICE OF HEARING
TO ALL PERSONS, OWNERS, PRODUCERS, OPERATORS, PURCHASERS AND TAKERS OF OIL AND GAS INCLUDING CPPR Services LLC; Native Exploration Operating LLC; and all persons if living or if deceased, their known and unknown successors and all corporations existing, and if dissolved, its known and unknown successors and all persons having an interest in the lands covered hereby, particularly in McClain County, Oklahoma.

NOTICE IS HEREBY GIVEN that Applicant, Continental Resources, Inc. has filed an application in this cause requesting the Corporation Commission of Oklahoma to enter an order, to be effective as of the date of the execution thereof or as of a date prior thereto, as follows: (i) authorizing and permitting an exception to the permitted well location tolerances in the 640-acre drilling and spacing units formed in Sections 8 and 17, Township 6 North, Range 3 West, McClain County, Oklahoma for the Mississippian and Woodford common sources of supply, so as to allow, in part, a well, being a proposed multiunit horizontal well, to be drilled.

NOTICE IS FURTHER GIVEN that Applicant requests that order to issue in Case CD2023-000521-T and CD2023-000522-T be amended to permit a well to be drilled and produced at the following location:

LOCATION OF WELLBORE (LATERAL) AT SECTION 8 COMPLETION INTERVAL: THE PROPOSED LOCATION OF THE END POINTS OF THE COMPLETION INTERVAL WILL BE NO CLOSER THAN 165 FEET FROM THE NORTH LINE AND NO CLOSER THAN 0 FEET FROM THE SOUTH LINE AND NO CLOSER THAN 330 FEET FROM THE EAST LINE OF SECTION 8, TOWNSHIP 6 NORTH, RANGE 3 WEST, MCCLAIN COUNTY, OKLAHOMA

LOCATION OF WELLBORE (LATERAL) AT SECTION 17 COMPLETION INTERVAL: THE PROPOSED LOCATION OF THE END POINTS OF THE COMPLETION INTERVAL WILL BE NO CLOSER THAN 0 FEET FROM THE NORTH LINE AND NO CLOSER THAN 165 FEET FROM THE SOUTH LINE AND NO CLOSER THAN 330 FEET FROM THE EAST LINE OF SECTION 17, TOWNSHIP 6 NORTH, RANGE 3 WEST, MCCLAIN COUNTY, OKLAHOMA

That the entire length of the lateral will be cemented such that the perforations will be isolated from the beginning and end point of the lateral.

That order to issue in Case CD2023-000521-T will establish a 640-acre drilling and spacing unit for the Mississippian and Woodford common sources of supply underlying Section 8, Township 6 North, Range 3 West, McClain County, Oklahoma which order will require that the well be located no closer than 1,320 feet from any unit boundary.

That order to issue in Case CD2023-000522-T will establish a 640-acre drilling and spacing unit for the Mississippian and Woodford common sources of supply underlying Section 17, Township 6 North, Range 3 West, McClain County, Oklahoma which order will require that the well be located no closer than 1,320 feet from any unit boundary.

The Applicant in this cause states that there is currently pending before the Commission an application of Applicant requesting the Commission to approve the multiunit horizontal well involved herein and to establish a proper allocation factor for allocating the cost of and the production and proceeds from such multiunit horizontal well to each of the units affected thereby.

The "land sections adjacent to the area within the location exception" requested herein in Sections 8 and 17, Township 6 North, Range 3 West, McClain County, Oklahoma in regard to the subsurface location tolerance areas described above are Sections 4, 5, 9, 16, 20 and 21, Township 6 North, Range 3 West, McClain County, Oklahoma. The other "land sections" surrounding Sections 8 and 17, Township 6 North, Range 3 West, McClain County, Oklahoma are Sections 6, 7, 18 and 19, Township 6 North, Range 3 West, McClain County, Oklahoma.

The following are the operators of the offset wells producing from the Mississippian and/or Woodford common sources of supply or a member thereof towards which the location exception is moving.

OPERATOR	OFFSET WELL	OFFSET LOCATION
CPPR Services LLC	Danni 1H-9	Section 9-6N-3W
Native Exploration Operating, LLC	Sacred Sun 0703 29-32-5 1WXH	Section 5-6N-3W

That the Applicant be permitted to drill and produce said well at said location for the Mississippian and Woodford common sources of supply without any downward allowable adjustments and designate Applicant or some other party as operator.

NOTICE IS FURTHER GIVEN that this cause be set before an Administrative Law Judge for hearing, taking of evidence and reporting to the Commission.

NOTICE IS FURTHER GIVEN that this cause will be heard before an Administrative Law Judge on the Initial Hearing Docket at the Corporation Commission, Eastern Regional Office, 201 West 5th Street, Suite 540, Tulsa, Oklahoma, 74103, at 8:30 a.m. on the 6th day of March, 2023 and that this Notice be published as required by law and the rules of the Commission. The referenced hearing may be conducted via teleconference or videoconference. Before coming to the building for this hearing, please visit the Oklahoma Corporation Commission website at www.occeweb.com to determine the status of building access. Instructions for participating via teleconference or videoconference are available on the Commission's website.

NOTICE IS FURTHER GIVEN that in the event this cause is uncontested, the Applicant, its representatives, witnesses and other proponents of the Applicant may appear and testify by telephone. The cost of telephonic communication shall be paid by the person or persons requesting its use. Interested parties who wish to participate by telephone shall contact the Applicant or Applicant's attorney, prior to the hearing date, and provide their name and phone number.

NOTICE IS FURTHER GIVEN that all interested persons may appear and be heard. For information concerning this action, contact Ron M. Barnes or Grayson Barnes, BARNES LAW, PLLC, 1648 S. Boston Ave., Ste. 100 Tulsa, Oklahoma 74119-4434, 918/382-8686 or Brett Lowry, CPL, Lowry Land Co., Inc., 9500 Cedar Lake Avenue, Oklahoma City, OK 73114, 405-843-2760, brett.lowry@lowryland.com.

NOTICE IS HEREBY GIVEN that
the Applicant requests that the
Commission pool the interests and
adjudicate the rights and equities
of oil and gas owners in the Mis-
sissippian and Woodford common
sources of supply underlying the
640-acre drilling and spacing unit
described as Section 25, Township
8 North, Range 4 West, McClain
County, Oklahoma and designate
Applicant or some other party as
operator of the proposed well and
all subsequent wells drilled in the
unit; and that Applicant be given
one year to commence operations
for the drilling or other operations
with respect to the unit. The Ap-
plicant additionally requests that
this pooling be a unit pooling.

NOTICE IS FURTHER GIVEN
that this cause be set before an

No. 137-February 9-1 Time
BEFORE THE CORPORATION COMMISSION
OF THE STATE OF OKLAHOMA
APPLICANT: CONTINENTAL RESOURCES, INC.
RELIEF SOUGHT: WELL LOCATION EXCEPTION (PART OF A MUL-
TIUNIT HORIZONTAL WELL)
LEGAL DESCRIPTION: SECTIONS 25 AND 36, TOWNSHIP 8 NORTH,
RANGE 4 WEST, MCCLAIN COUNTY, OKLAHOMA
CASE CD2023-000482-T
NOTICE OF HEARING

TO ALL PERSONS, OWNERS, PRODUCERS, OPERATORS, PUR-
CHASERS AND TAKERS OF OIL AND GAS including EOG Resources,
Inc.; Native Exploration Operating, LLC; and all persons if living or if
deceased, their known and unknown successors and all corporations
existing, and if dissolved, its known and unknown successors and all
persons having an interest in the lands covered hereby, particularly in
McClain County, Oklahoma.

NOTICE IS HEREBY GIVEN that Applicant, Continental Resources,
Inc., has filed an application in this cause requesting the Corporation
Commission of Oklahoma to enter an order, to be effective as of the
date of the execution thereof or as of a date prior thereto, as follows:
(i) authorizing and permitting an exception to the permitted well
location tolerances in the 640-acre and 640-acre horizontal drilling
and spacing units formed in Sections 25 and 36, Township 8 North,
Range 4 West, McClain County, Oklahoma for the Mississippian and
Woodford common sources of supply, so as to allow, in part, a well,
being a proposed multiunit horizontal well, to be drilled.

NOTICE IS FURTHER GIVEN that Applicant requests that Order No.
693704 and order to issue in Case CD2023-000480-T be amended
to permit a well to be drilled and produced at the following location:

LOCATION OF WELLBORE (LATERAL) AT SECTION 36 COMPLE-
TION INTERVAL: THE PROPOSED LOCATION OF THE END POINTS
OF THE COMPLETION INTERVAL WILL BE NO CLOSER THAN 165
FEET FROM THE SOUTH LINE AND NO CLOSER THAN 0 FEET
FROM THE NORTH LINE AND NO CLOSER THAN 330 FEET FROM
THE WEST LINE OF SECTION 36, TOWNSHIP 8 NORTH, RANGE 4
WEST, MCCLAIN COUNTY, OKLAHOMA

LOCATION OF WELLBORE (LATERAL) AT SECTION 25 COMPLE-
TION INTERVAL: THE PROPOSED LOCATION OF THE END POINTS
OF THE COMPLETION INTERVAL WILL BE NO CLOSER THAN 0
FEET FROM THE SOUTH LINE AND NO CLOSER THAN 165 FEET
FROM THE NORTH LINE AND NO CLOSER THAN 330 FEET FROM
THE WEST LINE OF SECTION 25, TOWNSHIP 8 NORTH, RANGE 4
WEST, MCCLAIN COUNTY, OKLAHOMA

That the entire length of the lateral will be cemented such that the
perforations will be isolated from the beginning and end point of the
lateral.

That Order No. 693704 established a 640-acre horizontal drilling
and spacing unit for the Mississippian and Woodford common sources
of supply underlying Section 36, Township 8 North, Range 4 West,
McClain County, Oklahoma. For the Mississippian common source of
supply such order requires that the completion interval of a horizontal
well drilled in a horizontal well unit shall be located not less than 660
feet from any unit boundary. For the Woodford common source of
supply such order requires that the completion interval of a horizontal
well with a north/south lateral drilled in a horizontal well unit shall be
located not less than 165 feet from any north/south unit boundary and
not less than 330 feet from any east/west unit boundary.

That order to issue in Case CD2023-000480-T will establish a 640-
acre drilling and spacing unit for the Mississippian and Woodford
common sources of supply underlying Section 25, Township 8 North,
Range 4 West, McClain County, Oklahoma which order will require that
the well be located no closer than 1,320 feet from any unit boundary.

The Applicant in this cause states that there is currently pending
before the Commission an application of Applicant requesting the
Commission to approve the multiunit horizontal well involved herein
and to establish a proper allocation factor for allocating the cost of
and the production and proceeds from such multiunit horizontal well
to each of the units affected thereby.

The "land sections adjacent to the area within the location excep-
tion" requested herein in Sections 25 and 36, Township 8 North,
Range 4 West, McClain County, Oklahoma in regard to the subsurface
location tolerance areas described above are Section 23, 24, 26 and
35, Township 8 North, Range 4 West, McClain County, Oklahoma;
Sections 1 and 2, Township 7 North, Range 4 West, McClain County,
Oklahoma. The other "land sections" surrounding Sections 25 and
36, Township 8 North, Range 4 West, McClain County, Oklahoma are
Sections 19, 30 and 31, Township 8 North, Range 3 West, McClain
County, Oklahoma; and Section 6, Township 7 North, Range 3 West,
McClain County, Oklahoma.

The following are the operators of the offset wells producing from
the Mississippian and/or Woodford common sources of supply or a
member thereof towards which the location exception is moving.

OPERATOR	OFFSET WELL	OFFSET LOCATION
Native Exploration Operating, LLC	Medicine Arrows 2-35-0704 1WXH	Section 35-8N-4W & 2-7N-4W
Native Exploration Operating, LLC	Carne Muerto 26- 35-0804 1WXH	Sections 26 & 35- 8N-4W
EOG Resources, Inc.	Candi 231411 1H	Section 23-8N-4W

That the Applicant be permitted to drill and produce said well at
said location for the Mississippian and Woodford common sources of
supply without any downward allowable adjustments and designate
Applicant or some other party as operator.

NOTICE IS FURTHER GIVEN that this cause be set before an Ad-
ministrative Law Judge for hearing, taking of evidence and reporting to
the Commission.

NOTICE IS FURTHER GIVEN that this cause will be heard before
an Administrative Law Judge on the Initial Hearing Docket at the
Corporation Commission, Eastern Regional Office, 201 West 5th
Street, Suite 540, Tulsa, Oklahoma, 74103, at 8:30 a.m. on the 27th
day of February, 2023 and that this Notice be published as required
by law and the rules of the Commission. The referenced hearing may
be conducted via teleconference or videoconference. Before coming
to the building for this hearing, please visit the Oklahoma Corporation
Commission website at www.occeweb.com to determine the status
of building access. Instructions for participating via teleconference or
videoconference are available on the Commission's website.

NOTICE IS FURTHER GIVEN that in the event this cause is un-
contested, the Applicant, its representatives, witnesses and other
proponents of the Applicant may appear and testify by telephone.
The cost of telephonic communication shall be paid by the person or
persons requesting its use. Interested parties who wish to participate
by telephone shall contact the Applicant or Applicant's attorney, prior
to the hearing date, and provide their name and phone number.

NOTICE IS FURTHER GIVEN that all interested persons may appear
and be heard. For information concerning this action, contact Ron M.

BRIAN BINGMAN
Oklahoma Secretary of State

SPECIAL ELECTION MARCH 7, 2023,
BALLOT TITLE
STATE QUESTION 820,
INITIATIVE PETITION 434

This measure creates a state law legalizing recreational use marijuana for persons 21 or older. Marijuana use and possession remain crimes under federal law. The export of marijuana from Oklahoma is prohibited. The law will have a fiscal impact on the State. The Oklahoma Tax Commission will collect a 15% excise tax on recreational use sales, above applicable sales taxes. Excise tax revenues will fund implementation of the law, with any surplus revenues going to public school programs to address substance abuse and improve student retention (30%), the General Revenue Fund (30%), drug addiction treatment programs (20%), courts (10%), and local governments (10%). The law limits certain marijuana-related conduct and establishes quantity limits, safety standards, restriction, and penalties for violations. A local government may prohibit or restrict recreational marijuana use on the property of the local government and regulate the time, place, and manner of the operation of marijuana businesses within its boundaries. However, a local government may not limit the number of, or completely prohibit, such businesses. Persons who occupy, own, or control private property may prohibit or regulate marijuana-related conduct, except that a lease agreement may not prohibit a tenant from lawfully possessing and consuming marijuana by means other than smoking. The law does not affect an employer’s ability to restrict employee marijuana use. For the first two years, marijuana business licenses are available only to existing licensees in operation one year or more. The law does not affect the rights of medical marijuana patients or licensees. The law requires resentencing, reversing, modifying, and expunging certain prior marijuana-related judgements and sentences unless the State proves an unreasonable risk to a person. The Oklahoma Medical Marijuana Authority is authorized to administer and enforce the law.

H.E. BAILEY TURNPIKE
ADVERTISEMENT FOR PROPOSAL
CONTRACT NO. HEB-M-23

On February 22, 2023 until 3:00 P.M., the Oklahoma Turnpike Authority will receive sealed proposals hand delivered or received by Certified Mail on the day of the bid opening. Proposals will be publicly opened at 3:00 pm (CST) at our HQ at 3500 Martin Luther King, OKC, OK 73111. A Zoom Meeting link is listed below, if you are unable to attend in person.

Meeting URL: https://www.zoomgov.com/j/1613421559?
pwd=WUx2NnpMV3N2T2d5N3p1ZjVUS1VZz09
Meeting I D: 161 342 1559 Passcode: 011258

Proposals will be in accordance with the following:

- The bidder shall submit with the Proposal a certified or cashier’s check or a bid bond for an amount not less than five percent (5%) of the amount of the proposal to guarantee the bidder, if successful, will enter into contract and obtain bond in agreement with the requirements of the Specifications. The check shall be payable to the order of the Oklahoma Turnpike Authority. Cash will not be accepted.
- No bids which are tied to, or contingent upon, other work with the Oklahoma Turnpike Authority will be accepted.
- Bidders shall familiarize themselves with the conditions and shall understand that full cooperation in executing the requirements of the Specifications and Special Provisions is expected.
- The Proposal shall be prepared as directed by the Oklahoma Turnpike Authority 2010 Standard Specifications for Turnpike Construction.
- A set of bidding documents including proposal forms, contract forms, Special Provisions, Oklahoma Turnpike Authority 2010 Standard Specifications for Turnpike Construction, and plans may be examined at the maintenance office of the Oklahoma Turnpike Authority, located at 3500 Martin Luther King Avenue, Oklahoma City, Oklahoma.
- There will be a mandatory pre-bid meeting scheduled for 10:00 A.M. on February 8, 2023 at the Oklahoma Turnpike Authority Administration Offices, 3500 Martin Luther King Avenue, Oklahoma City, OK.
- The work to be performed under Contract Number HEB-M-23 consists of:

Mowing, trimming, and possibly hay baling of designated right-of-way, interchanges, toll plaza areas, and median areas, to include hand trimming around bridges, guardrail, bridge headers, sign structures, trees and drop inlets as required. Contract area will include 1,343 clear zone acres and 2,929 acres outside the clear zone from mile 5.6 to mile 30.0 and 46.0 to 107.0 and the Norman Spur consisting of 8 miles, all located on the H.E. Bailey Turnpike in Caddo, McClain, Grady, Comanche and Cotton Counties, Oklahoma.

In awarding the contract, the Authority reserves the right to reject any and all bids, to waive informalities, and to act for the best interests of the Authority without technicalities as to procedure. The Procurement Division Manager may award the Contract to more than one bidder by awarding the Contract(s) by item or groups of items, or may award the Contract on an ALL OR NONE basis, whichever is deemed by the Procurement Division Manager to be in the best interest of the State of Oklahoma. Contract awards will be made to the lowest and best bidder(s) unless the solicitation specifies that best value criteria is being used.

- All contractors that desire to provide the OTA with manual service work are required by state statute to complete an employee E-Verify Form.
- Policies of insurance will not be cancelled without first giving the OTA 30 calendar days advance notice. This statement must be on the Description of Operations section of the Certificate of Insurance.
- Upon award of contract to a successful bidder, the contract will be completely and correctly executed by the contractor and returned to the Authority within twenty (20) calendar days from the date of award. The Authority will have thirty (30) working days from the date of award to complete its execution of the contract.
