I forgot what?

It's happened to a lot of people, maybe even you.

Over the years, people get ready for work and forget their phone.

Once in a great while they might forget to brush their teeth or put on deodorant.

Mine on Monday may take the cake, however.

Now in my Golden Years, I'm a lot more likely to be cold than hot and sweaty. Monday morning I was in the

Still not having any idea what was really going on.

Editor's **Notebook** John D. Montgomery

Anyway, I finished getting ting dressed and I noticed the ready, brushed my hair and headed down to the newspaper.

When Gracie walked in and said, "New do?" it dawned on me what I had failed to do.

I hadn't toweled off my head when I got out of the shower and it was wetter than sop. Made a lot more sense than

me breaking out in a sweat.

I was thinking at the time, I'm glad my head is attached, otherwise I might have forgotten to bring it as well.

Takeaways from time in Oklahoma

Congressman Tom Cole

This week, lawmakers are returning to Washington, D.C. after spending several weeks in their districts. The extended time during the customary August district work period each year always provides the opportunity to interact directly with constituents and hear firsthand about the issues that matter most to them.

I am always thankful for this time to gain that perspective before returning to legislative

This August, I traveled to a total of nine counties in the Fourth Congressional District to visit local communities, organizations and small businesses. I also attended various site tours and had coffees and lunches to speak directly with community leaders.

I also hosted two telephone town halls, in which I provided an update from Congress and answered numerous questions on a variety of national issues from those on the line.

While meeting with small business owners, members of various chambers of commerce and even employees, the most relayed topic of concern was certainly inflation and the di-

rection of the economy.

The 40-year high inflation is directly hitting every American family of every income level. Unfortunately, inflation is not going away soon, but House Republicans are putting an end to Democrats' out-of-control spending that has led to this economic crisis. Just like Americans across

the country, Fourth District constituents are still facing soaring prices on almost everything, including record-high gas prices. In fact, this August prices at the pump reached the highest seasonal level seen in more than a decade.

Oklahoma is an energy-rich state and Oklahomans cannot fathom why President Joe Biden has issued a war on North American energy. Now, the U.S. is instead forced to rely on foreign nations that do not have our best interests in mind as our energy providers when we have the resources right here at home.

I was also glad to meet with leadership from the Fourth District's Tinker Air Force Base, Fort Sill and many other stakeholders in the defense industry. Indeed, we live in a dangerous world with war continuing in Ukraine, growing aggression

from China and North Korea and Afghanistan now retaken by the Taliban.

men and women in our armed forces both to ensure our military is mission focused, and that our active-duty service members, their families and retirees are taken care of.

This week, the U.S. House of Representatives will vote on its version of the fiscal year 2024 defense appropriations bill that would advance our strategic capabilities, counter our adversaries, promote innovation, optimize the Department of Defense workforce and much more.

Finally, on both telephone town halls held for Fourth District constituents, I had an overwhelming number of questions regarding the crisis at the southern border. Indeed, this historic national security and humanitarian crisis has affected every community across the country as President Biden's open borders have allowed the flow of deadly drugs and bad actors.

America is a nation of laws that must be followed and

Hello from District 43

Senator Jessica Garvin

Update from the Capitol

Monday marked the 22nd anniversary of 9/11, a solemn and devastating day for our nation, and the world, when nearly 3,000 American lives were tragically lost to terrorism.

Those of us who were old enough to recognize the gravity of the situation that day were forever changed. Today, 9/11 is recognized as Patriot Day because after the attacks Americans banded together like never before.

Neighbors helped neighbors. American flags and patriotic ribbons were proudly displayed. More men and women joined the U.S. military that next year than ever before or since that time.

Iconic songs like Toby Keith's "Courtesy of the Red, world that we would not be everywhere." intimidated or silenced.

Two decades later, our country and people are hurting. We're more divided than ever, and that strong patriotism seems all but gone in many areas around the country. A report last month shared that our military is shrinking at an alarming rate as today's youth simply don't have the propensity to join that our parents and grandparents had.

The Army and Air Force It is critical we support the together are expecting a 20,000-person shortfall this year while the Navy expects to be 6,000 below their goal. This, along with a lack of patriotism in our country, is extremely dangerous as our enemies, like Russia and China, continually antagonize us and appear to just be waiting for the perfect opportunity to strike us.

As Americans, we must never forget what happened on 9/11 or let that strong spirit of patriotism die. We must teach our children the importance of patriotism and knowing our history, lest we let it repeat itself.

Our prayers and hearts are with those families who lost loved ones that fateful day and the weeks and months following. We remember the innocent by standers who simply got on a plane or went to work; the first responders and law enforcement who lost their lives trying to save their fellow Americans; and the many military patriots who bravely fought on behalf of those victims and to stop terrorism.

Hopefully, we can come together again as 'one Nation White and Blue" and Alan under God' and once again, in Jackson's "When the World the words of the late President Stopped" were written about Reagan, be the "shining city the cowardice of the attacks upon a hill whose beacon light but also as a message to the guides freedom-loving people

Chickasaw Nation gears up to host Southeastern Art Show and Market

Acclaimed Chickasaw artist

National and internationally acclaimed Chickasaw artist Addison Karl visits with a patron during the 2022 Southeastern Arts Show and Market (SEASAM). SEASAM is set to begin October 6 during the Chickasaw Annual Meeting and Festival.

Chickasaw Nation Governor Bill Anoatubby's vision of showcasing Southeastern Indian artists will celebrate its 18th anniversary October 6-7 during Chickasaw Annual Meeting and Festival.

A bevy of artists representing the Five Civilized Tribes -Chickasaw, Cherokee, Choctaw, Muscogee and Seminole – along with other Southeastern Indian tribes will showcase authentic Southeastern Indian art.

Jewelry, fashion, weapons, painting, sculpture and much more will be on display at the Southeastern Art Show and Market (SEASAM) 9 a.m. to 5 p.m. October 6 and from 11 a.m. onward October 7 after Governor Anoatubby delivers

they will display their work and works that have consistently Upton@Chickasaw.net.

visit with patrons, art lovers, tribal citizens and the general public.

SEASAM is a juried show for both youth and adult artists from federally recognized Southeastern Indian tribes. Awards are presented for the very best art at SEASAM representing several differing categories in which artists compete.

In 2022, third-generation Cherokee artist Bryan Waytula took SEASAM Best of Show, following in the footsteps of two master craftsmen and Cherokee Treasures, his grandmother, Betty Scraper-Garner, and mother, Vivian Cottrell.

Many acclaimed Chickasaw artists are expected to show Richard Thomas who special- for updates. west of the Chickasaw Na- izes in weaponry; Dustin Mater tional Capitol Building where and his eclectic collection of 580-371-2040 or email Kelcey.

wowed art lovers; Joanna Underwood Blackburn, a master potter who has also won awards for fashion; Daniel Worcester, whose forged knives and cutlery are in demand from museums to European art collectors, along with many others.

Governor Anoatubby's vision and determination to see Southeastern Indian art rise to the same level as Southwestern art was enhanced in 2018 when he launched "Visual Voices: Contemporary Chickasaw Art."

This touring exhibition features 60 works by 15 renowned Chickasaw artists from painters, potters, sculptors, metalsmiths, weavers and more.

Chickasaw artists of "Visual Voices" offer unique, intrinsically Southeastern Indian designs and distinction among today's contemporary tribal artists, including abstract, experimental, celebratory and thought-provoking art confirming a strong continuation of contemporary Chickasaw art endeavors going into the future.

Chickasaw Annual Meeting and Festival officially kicks off September 29 with a social stickball game and traditional $stomp\,dance\,at\,Kullihoma, east$ of Ada on State Highway 1.

A full week of festivities are planned, including the crowning of Chickasaw princesses, the serving of a traditional meal, many cultural demonstrations and, on October 5, the Chickasaw Nation's cultural evening at the Chickasaw Cultural Center, Sulphur, Oklahoma, where Chickasaws are honored for preserving the tribe's cultural heritage.

Governor Anoatubby's State of the Nation Address is set for 9a.m.,October 7, at Aiitafama' Ishto "large meeting place" on the Chickasaw National Capitol grounds in Tishomingo.

A complete list of events, locations and schedules will become available online at AnnualMeeting.Chickasaw.net. The event schedule is subject to change.

Battle for the Bridge Friday night

Kickoff is set for 7 p.m. at Conger Field

John D. Montgomery **The Purcell Register**

Lapses on defense in the first six minutes and the last six minutes spelled defeat for Purcell in their first road trip of the season.

Pauls Valley scored 28 of their 35 points in those two six minute lapses and knocked off the Dragons 35-14.

"In between those six minutes to start the game and the six to end it, we played pretty well," confirmed Dragons Head Coach Aaron Dillard.

Boston Knowles got the Dragons'

scoring started on a brilliant 85-yard kick off return. Devan Martin added the PAT and Purcell had cut the Panthers' lead in half at the end of the first period.

Neither team tallied in the second period but both added a touchdown in

les and Tavian Engert had seven stops.

Landry Bacon finished with eight tack-

"Tavian Engert had a great game and Landry played really well in the D line. We also got some good production from Brody Holder," the coach said. Holder finished with a pair of tackles.

The ring-leader of the defense last Friday night was junior linebacker Christian Kirk. He made 12 tackles and had two tackles for losses.

"He had an outstanding game," Dillard said. "He really played well. Kash Guthmueller did some good things stopping the run."

Guthmueller broke up a pass and defended three others, the coach reported.

"They are good but we beat ourselves as well," Dillard said. "It was a combination of things. First, they are a really good team but we didn't get lined up correctly on their first two plays."

To go along with his 85-yard kickoff return, Knowles rushed the ball 20 times for 95 yards.

"We ran the ball better than we did against Alva," Dillard said. "We moved some guys around in the line. Brody Holder graded out at 81 percent after changing positions in the line.

"Carter Goldston did a good job at center grading out at 70 percent."

Sophomore Carter Bennett showed some promise at running back.

"We had some young guys go in that really played well," Dillard continued. "He carried the ball on a second and long and gained 14 yards. We are very

Washington's defense pitched a shutout and Hudson Howard ran wild for five touchdowns last Friday night in Washington's 34-8 victory over the visiting Jones Long-

Jones'lone touchdown came when Washington's third team offense was on the field. A botched snap was recovered in the end zone preventing the overall shutout.

Led by Cole Beller's 12 tackle performance including 10 unassisted out in space, the

"Cole Beller played an amazing game and Case Alexander is not playing like a freshman," Beller noted.

Alexander finished with 10 tackles.

"He's getting more and more comfortable with every game he plays," the coach said.

"And I can't say enough about Naithen Spaulding and Case Taylor,'Beller continued. "Naithen was double teamed all night long. He finished with seven hurries, four tackles, three for losses and two quarterback sacks.

That was overall one of the better defensive performances we've had.

Brad Beller, head coach

Warriors defenders swarmed to the football.

Max Wilson picked off two of Jones' aerials while Tatum Wilk and Kade Norman each had an interception.

"That was overall one of the better defensive performances we've had," head coach Brad Beller said. "To hold their offense with all their talent and shut them out was special."

Beller noted Jones' starting quarterback Clayton Creasey was out with a shoulder injury. "But their backup was plenty

talented," the coach said.

"I was very pleased with our defense in how they were able to fight through some adversity when the offense turned it over.

"Case was the vocal leader of our defense against Jones," Beller confirmed.

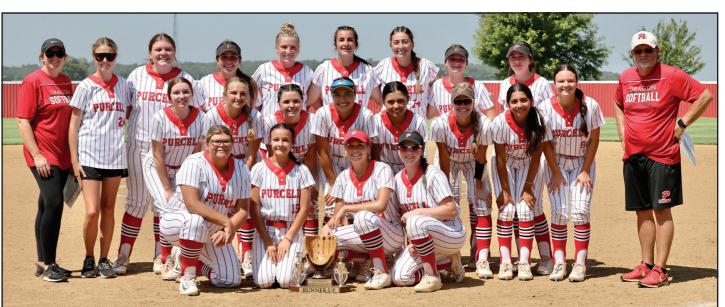

Beller noted the outstanding play of transfer Max Wilson at cornerback.

"He's a new kid who is a great athlete," Beller said. "He's doing an unbelievable job at corner. A lot of teams were going away from Tanner Olson because he played there last year. Wilson already has three interceptions this year. He's no longer an unknown. He has made them pay."

Beller also had high praise for his offensive line.

Finish as tournament runners-up

Purcell battled back-toback games two days in a row in 100 plus heat persevering to finish tournament runnersup in the ultra tough Tecumseh & Dale Tournament.

Purcell, riding the arm of junior Ella Resendiz, knocked off Tecumseh 7-1 in the opening contest of the tournament.

Resendiz fanned six and gave up only three hits and the one run.

Purcell out-hit the Lions, 3-1, but five Chandler errors were handy.

Whitaker tossed a complete game going all seven innings allowing one hit but the Dragons made four errors.

In the bottom of the sixth the game was knotted at oneall as time ran out.

"We had to go to the ITB in the seventh," the coach said.

Jasey Baker started on second. Smith laid down a classic sacrifice bunt moving her to third. Esparza's bunt back to the pitcher caused an error. Baker stayed on third while Esparza made it to second. Payci Constant's sharp hit to the pitcher caused an error to score Baker.

Our church will be working with the Cleveland County Sheriff's Office on a new program called Triad. Triad is a cooperative effort between the leaders of a community's police department, its sheriff's

It was a pleasure to have three Miss USA Agriculture in Purcell at the McClain County Fair this year. These three young ladies are amazing in sharing their knowledge on agriculture, especially cotton crops, and their experiences with 4-H, while at our McClain County Fair this week.

Emily Taylor, our own Mc-Clain County 4-H Educator, was hostess to their tour and visit to the McClain County Fair and Livestock Show. It was a pure delight to meet these young ladies and hear their devotion to both agriculture and 4-H on their mission to make our world a better place and to sustain crops and food sources for years to come.

Case No. CIV-23-499-R ORDER

Before the Court is the Plaintiffs' Correction to Notice of Service by Publication and Motion for Order Allowing Publication in the Purcell Register on Defendant (the "Motion") (Dkt No. 28). The Court has already concluded and ordered that alternate service on Defendant Lee is appropriate, including service by Publication (Dkt No. 20). After reviewing the application and for good cause shown, the Court hereby finds and concludes that:

1. Alternative service of the Summons and Petition (the "Service Papers") on Defendant Lee is appropriate and can be accomplished by (i) mailing by first class mail this Order along with the Service Papers to Defendant Lee, (ii) posting this Order and the Service Papers on the front door of Defendant Lee's residence, and (iii) publishing this Order and the Orders to Appear in The Purcell Register (newspaper authorized by law to publish legal notices in McClain County, Oklahoma), one (1) day for three (3) consecutive weeks is reasonably calculated to give the Defendant actual notice of these proceedings and an op-

portunity to be heard. IT IS THEREFORE ORDERED that Plaintiff may serve Defendant Lee by (i) mailing by first class mail this Order along with the Service Papers to Defendant, (ii) posting this Order and the Service Papers on the front door of Defendant Lee's residence, and (iii) publishing this Order allowing alternative service and the Orders to appear in The Purcell Register (newspaper authorized by law to publish legal notices in McClain County, Oklahoma), one (1) day for (3) consecutive weeks. (Dkt. No. 20), they need not be

repeated for purposes of compli-

ance with this Order. IT IS SO ORDERED this 23rd

Wash News:

Dale K. Graham Veterans September 15. **Foundation**

Our weather person was correct when they called for cooler weather for Oklahoma. The last several days have been pretty good for us. Personally, I feel like it gets hotter than it did when I was younger. It might be that at 76 I can't handle the heat as well as I used to.

One thing I do know for sure is that there are 12 happy veterans who received a 100 percent rating from the Department of Veterans Affairs last week. There were also 53 veterans who were awarded disability ratings from 10-90 percent for their service-connected conditions. Of course all of those who received both types of decisions were made up of both men and women. Our state is very the disabled veterans and their families.

Veterans who have a serviceconnected disability rated at 50 percent are eligible for free Oklahoma hunting and fishing licenses. Disabled veterans who are rated 100 percent total and permanent by VA are also eligible for exemption of OK property tax on their primary residence. This group of men and women are also eligible for the OK sales tax exemption in our state.

For those of you who would like to support our annual Dale K Graham Golf Tournament, it will be held at Twin Hills on October 9. The address is 3401 NE 36th Street in Oklahoma City. More information is on our website, Facebook page or stop by our location at 1233 West Lindsay in Norman. The Foundation is a non-profit 501(C)(3) and all donations are tax deductible. Teams are currently eligible to sign up to be a part of this annual fundraiser that helps to support our mission to improve the lives of the men and women veterans who have served in the armed forces of this United States of America.

If you would like to join us as a volunteer helping us to improve the lives of veterans and their families, please visit our website or stop by our Norman Office at 1233 West Lindsay St.

To start our process, login to dkgvf.org to fill out and scan your information into our Intake Qprogram. By using our digital system, veterans do not have to stand in line to receive our assistance with their VA claims and questions. Some of the men and women who we assist live in other states or countries. Using our digital system some of them will not need to visit us in person as we can triage them electronically or by phone.

We encourage veterans or surviving spouses who we have previously assisted to register in our dkgvf.org system so we will be able to help their surviving spouse when the veteran passes on.

I would like all veterans to tell their spouse and family members what their serviceconnected disabilities are. When a service-connected disability is listed on a veteran's death certificate as a primary cause of death or a contributing condition the surviving spouse and dependents will be eligible for VA DIC benefits.

We accept the donation of cars and trucks that can be given to veterans or sold to raise funds to help more veterans and their families. As always, we appreciate all donations that can be used to make a difference in the lives of our men and women who have served in the military.

The Dale K. Graham Veterans Foundation is honored to host the third annual Helping Heroes Golf Tournament! We are looking for gift basket donations for our raffle and items for our silent auction. The minimum value for gift baskets is \$100. The tournament is Monday, October 9, at 8 a.m. All baskets and silent auction items will need to be received by Friday,

If you, family, friends, or business are interested in donating a basket, please reach out to our Development Director. If you are interested in sponsoring or playing in the tournament, please message colleen@dkgvf. org your email address.

All of us at our Veterans Foundation are proud to do everything we can to assist the men and women who are serving or have served in the United States Military. We have been making a difference in the lives of veterans and their families for over 20 years. For those of you who would like to join our team, volunteer applications are available on our website. We are a free service to all veterans and their families.

Follow us on our YouTube veteran friendly, especially for channel: https://www.youtube.com/@AccreditedVSO/ featured.

> We are a 501(C)(3) non-profit organization and there is never a charge for the services we provide to veterans and their families. We do accept financial contributions to be used to support veterans and this organization. We also accept donations

of wheelchairs and other types of handicap equipment that can be given to other veterans or their families.

We are open to active clients Monday, Tuesday and Thursdays from 9 a.m. to noon.

To donate to our Foundation, you can do so online at dalek grahamveteransfoundation.org or mail a check to Dale K. Graham Veterans Foundation, 1233 West Lindsay, Norman, OK, 73069. You can contact us on our website or by calling 405-550-8806.
