I would like to welcome you to the Town of Bethel for the 2022 season, which promises to be a very busy and special season for all. The town has a lot going on, and to look forward to. Bethel has something for everyone, and we are glad you have chosen to be part of our community.

The new and improved Kauneonga Lake Farmers & Makers Market is back on Saturdays from 11-2 rain or shine. Bethel Woods Center for the Arts once again has an amazing lineup of music and events you don't want to miss. Take a walk on the new Forest Reserve Trails in Smallwood, or participate in some outdoor exercising. Enjoy some time together in the great outdoors. Visit the Dog Park in Smallwood, which is a great place to enjoy fresh air and socialize with canine family and friends.

The Town of Bethel Pool and Park is always a fun time for kids and families with our covered pavilion and great playground. Visit a number of our numerous parks, lakes, and streams, great for picnicking and relaxing. Try one of our fine eateries, or browse our retail shops, and don't forget about the free Kauneonga Lakeside music every Thursday night located at the Gazebo Park in Kauneonga Lake.

All of us at the Town Hall welcome you, and are here to make sure your needs are met as we want you to return. Don't hesitate to contact us, or stop in if we can be of service.

Sincerely Yours,

Daniel Sturm

A MESSAGE from the BETHEL BUSINESS ASSOCIATION

We welcome you to Bethel, home of the original Woodstock festival, and to our business community!

Although caution is still essential, we have migrated through Covid, and learned from our experience with loss, business shutdowns, and other issues. In hindsight, we discovered ‘silver linings’ which helped us transition and move forward into 2022.

To **BE in Bethel** means a variety of things to many people.

Some residents have been in the area for generations, their homesteads listed on the Historic Registry. Ages ago, folks came to Bethel and the Catskill area for medical reasons and fresh air. Cool summer nights brought families out of the city to **BE in Bethel**, renting cabins and filling bungalow colonies. In the next decades, guests ‘came up for the weekend’ and were entertained at a string of hotels. Folks were turned on to Bethel when they attended a festival called Woodstock. Follow that with the idea of owning a second home in the mountains. **BE in Bethel** whenever your heart desired.

The area offers much priceless natural beauty: forests, wilderness, local parks, lakes and rivers with hidden falls and crystal clear water. Discover spots where you can relax, “dial down” and enjoy a hike or meditate. **Just BE.**

If you’re looking for action all year, Bethel has the Motor Speedway, Swan Lake Golf, boating and water sports. Delaware river activities are on the border, and snow skiing is available nearby. The lakes have great fishing in all seasons. Camping or hunting might be your thing or taking to the trails with your four-wheeler or snow mobile.

Entertainment can be found at resorts and area attractions, however Bethel Woods Center for the Arts and Museum is right here. Bethel Woods is known for performances, festivals and activities for all ages. Nearby, Hector’s Inn and Yasgur’s Farm serve nostal-

gia with music and good times.

Bethel is well-stocked with talent and creativity. We have a resident Arts Council, the BCA, and area artists’ studios to visit. Find theater, opera, orchestras and musicians at local venues. Take some time to follow the antique, craft, Dove or local Heritage Trail.

Dining is a major activity and will satisfy all, from the pizza and burger lover to the gourmet ‘foodie’. A variety of tempting restaurants and breweries dot the map, close by or in rural settings.

Scour the area for antiques, shop retail in person or get familiar with our on-line members.

If you’re here, rent or own a home, turn to BBA members for professional and skilled services. The **Bethel Business Association** has you covered from fixing a flat to a home addition.

You have your choice of accommodation type and where to stay in the Bethel area. The list consists of camping, inns, lodges, hotels, and short or long term rentals, besides your family’s place.

This is an overview of businesses and services in the area, so please check this Guide’s Members page to use as a reference or go to our website for further information.

Whether you’re visiting for a Woodstock Monument photo op or signing the real estate contract of your dreams, we welcome you ‘for a weekend, a season or a lifetime’. **Just BE in BETHEL.**

"I purchased a needle-felting kit and was immediately hooked."

Farmhouse Traders' Owner Karen Reilly with husband Jim and their kids Will and Megan.

Farmhouse Traders is truly one of the most exciting and creative new BBA Members on the scene! Owner Karen Reilly, husband Jim, and teens Will and Megan have grown this Internet-based retail business into a colorful, vintage one-of-a-kind adventure.

Many innovative ideas came out of the recent Pandemic times; this one is fuzzy and fun! Karen taught herself how to create felted creatures and artwork and the business took on a life of its own. It started so organically, as Karen shares, "I purchased a needle-felting kit and was immediately hooked. Because of the pandemic, I had more time to focus on a new hobby. I started out making gifts for family and friends and people asked to purchase more. That is how it began, and it all happened very quickly!"

Karen works with dyed wool to create unique, hand-crafted felted items, such as hippie figures, animal figures, oil diffusers, and felt paintings. One of the first things she created was a hippy gnome that resembles a local legend, Duke Devlin. Duke has been a Woodstock Icon here in Bethel for years and is a family friend.

"I didn't have anything specific in mind when I created it, but one look and I knew who it resembled. I showed it to Duke and

asked if I could name a line of figures after him. He was very supportive.” Every figure in the “Duke” line has a unique name derived from Sullivan County. They are named after local streets, towns, lakes, and rivers and each “Duke” figure comes tagged with its name.

Karen and Jim homeschool their children and a great deal of responsibility is given to the whole team. Megan is a fantastic artist and helps with color schemes and design.

Will helps with product ideas and to choose names and tag items. Jim steps in when items need to be glued, hung, or sawed. Everyone is very involved.

“It has been so fun to create the business name, logo, learn how to build a website, photograph the products, figure out the inventory system, management, and all the other little pieces that are required to run a small business”, said Karen. “Farmhouse Traders quickly became a family affair and is a great experience creating the entrepreneurial business. Friends and family have been so supportive.”

Woodstock Oasis

2166 State Route 17B
Bethel, NY 12720
845 583-5500

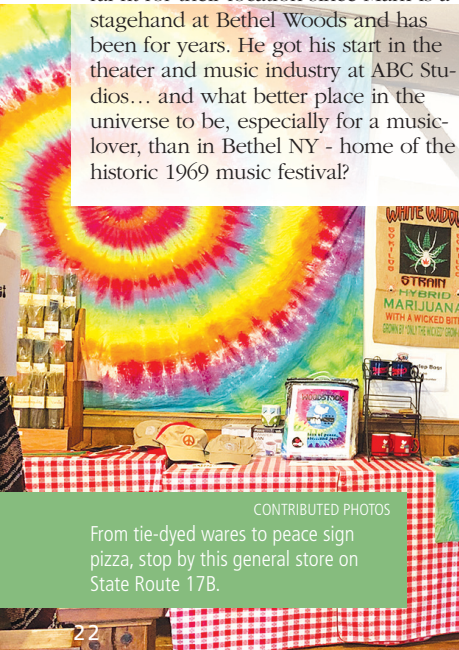

Open Friday - Wednesday 8am - 7pm
Pizza served Friday, Saturday & Sunday

Woodstock Oasis is conveniently located in the heart of the Town of Bethel on the Route 17B corridor. Around the corner from Bethel Woods and next to the Bethel Post Office they offer a wonderful variety of delights. Servicing the area as a general store with a small selection of groceries for those last-minute needs, Woodstock Oasis is an awesome place to get some delicious eats, try your luck at a NY Lottery ticket, or grab some Woodstock memorabilia.

Proprietors Mark and Marge Moore have always wanted to open their own business. Married 22 years, Mark grew up in Milton, NY and Marge is from Long Island. They came to Sullivan County in 2002 and opened Woodstock Oasis in 2015. Bethel was a natural fit for their location since Mark is a stagehand at Bethel Woods and has been for years. He got his start in the theater and music industry at ABC Studios... and what better place in the universe to be, especially for a music-lover, than in Bethel NY - home of the historic 1969 music festival?

Mark has a long history of 35 years in the food Industry. He attended the Culinary Institute of America in Hyde Park, NY, and he was an executive chef in Fort Lauderdale for 11 years. Marge has been and still is in the IT business working in computer programming. She can often be found helping Mark in the store on weekends and she creates the handmade tie-dyed wares that can be purchased there. Daughter Jessica has always had a helping hand, mostly at the ice cream stand. (Jessica just graduated high school this year and she is off to join the Army National Guard! We wish her well! Way to go, Jessica!)

Woodstock Oasis is a great place to stop and catch the Bethel vibe. There is something for everyone with a delicatessen, ice cream parlor and hot food such as fresh and tasty breakfast sandwiches and a variety of pizza. Grab a six pack of beer, a lottery ticket and ice cream cone and don't forget to sample one or more delectable homemade donuts. While in Bethel don't forget to stop by and say, "Hi!" to Mark and Marge and get yourself a little "peace" of Bethel!

Jump Roadside Assistance, LLC

135 New Turnpike Road
Cochecton, New York
845-807-9035
tony@jumproadsideny.com

We have the solution to your “Bad Car Day”! JUMP on your phone and dial 845-807-9035 to reach Jump Roadside Assistance.

Tony Carlucci, proprietor of Jump Roadside Assistance, LLC, had his inspiration in the auto business ever since he was a little boy. Growing up in Sullivan County since the early 1990’s he has firmly planted his roots here. As many Sullivan County youths have in the past, Tony worked in the hospitality business. His latest gig was as a hotel manager for Villa Roma Resort and Sullivan Event Center in Sullivan County. But his passion was elsewhere.

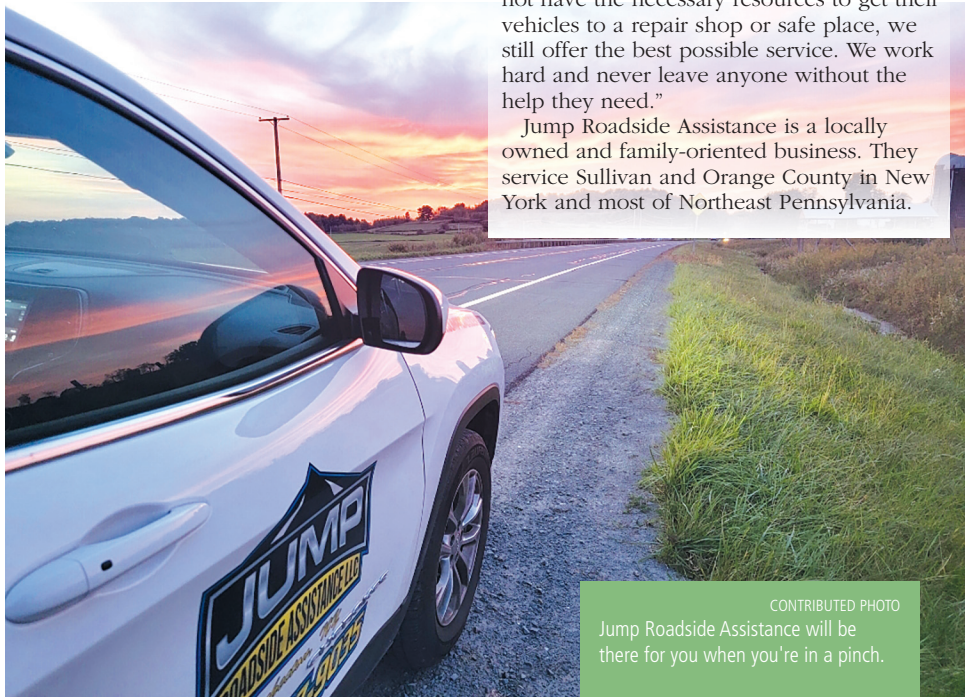

During the pandemic he decided to go another “route” with something he really enjoyed and opened a roadside assistance business. “I just want to help people having a bad day with their car”, Tony commented.

Jump Roadside Assistance business grew in no time and eventually led to expansion and the purchase of the first tow truck in 2021. They now have a small fleet ready to help their customers with Roadside Assistance work such as fuel deliveries, battery installs, lockouts, jump starts, tire changes and more.

“Jump” started in April of 2020 during the height of the pandemic. With extreme limitations placed upon travel Tony recognized the opportunity - more people took to their cars to get from place to place. He knew that despite what was happening in the world, people still needed to drive and needed this service. Tony grabbed hold of the opportunity and has been able to help people while providing a good living for his family: Beth, the love of his life, and their 5 children. It is a win-win situation for all.

Concerned about the current fuel prices, Tony remarked, “We understand that fuel prices have impacted everyone and has also been challenging for us. Being empathetic to customers that need our help and may not have the necessary resources to get their vehicles to a repair shop or safe place, we still offer the best possible service. We work hard and never leave anyone without the help they need.”

Jump Roadside Assistance is a locally owned and family-oriented business. They service Sullivan and Orange County in New York and most of Northeast Pennsylvania.

Happy Days Campground

454 Horseshoe Lake Road, Bethel, NY
 info@happydayscampground.com
 845-583-6575
 happydayscampground.com

It's a "Happy Day" and a "Happy Stay" at Happy Days Campground! Located moments from Bethel Woods Center for the Arts and Museum, the 1969 Original Woodstock Festival site, this campground has been operating since the 1960's. The Bunce Boys, brothers Tim and George, happily took it over in 2013.

Tim and George, youngest of 5 siblings, visited campgrounds their entire life. Hitting the road in a homemade RV as kids, Tim remembers, "family vacations meant everyone piling into a school bus that our parents converted into a camper. It had 6 bunk beds, stove, fridge, and bathroom in the back. It was hand painted light blue with "The Bunce Bunch" written across the back door. The seven of us went on many trips up and down the east coast staying in campgrounds along the way."

They continued to camp and explore the great outdoors, and then frequently headed to Bethel for concerts. Tim discovered Happy Days Campgrounds on a concert stay. He booked a site in Southern Sullivan County. Prior to the show, riding along the country roads around Bethel Woods, he stopped in to check out Happy Days for a possible future stay. The campground reminded him of the campgrounds he visited on trips in the "Bunce Bunch Bus" as a kid. He booked a site for that night and rode back to get his stuff from the other campground. He came back each summer since.

The Bunces had an "AHA" moment when the previous owners decided they were going to sell. A few weeks later they were planning on running a campground as a family. They opened the first season May 2013, and never looked back.

Happy Days Campgrounds offers peace, serenity, a playground, clean showering and laundry facilities, and a wonderful place to make memories with those you love. They are looking forward to making memories for many more years, sharing the beauty of the Town of Bethel, and their hospitality.

Tim and George are extremely grateful to all their friends and family that have lent a hand throughout the seasons. They met many wonderful people - many who have shared stories of their Woodstock experiences. They feel extremely fortunate to have been a part of the 50th anniversary with visitors hailing from around the world.

Bethel History

Town of Bethel, N.Y., one of fifteen towns in the center of Sullivan County, measures over 93 square miles, includes 4.6 miles of water, and 147 miles of road. Ninety miles northwest of NYC and southeast of Binghamton, it is located on the watershed between the Mongaup and Delaware Rivers. Local government is lead by a Supervisor with a four person Town Board. The recent census recorded a population of 4362.

The first inhabitants in the territory were the Leni-Lenape Indians. 1795 records state that the Pintler brothers were the first settlers. Bethel separated from the Town of Lumberland, incorporating in 1809 with Briscoe, Bushville, Fraser, North White Lake, and Stephenville as the earliest settlements. The current land map consists of Bethel, White Lake, Kauneonga Lake, Smallwood, and parts of Mongaup Valley and Swan Lake.

Hunting, tanning and fishing were the original industries and naturally, due to the rich land suited to farming, agriculture followed. Bethel is still considered an Agricultural community today.

It was not until the mid-nineteenth century that the tourist industry developed. Inns and summer camps lead the way in the 'Golden Age' for area hotels, second home development, and the hospitality industry. The Concord, Grossinger's, Kutsher's and a variety of "Borsch Belt" hotels dotted the area map. Holiday Mountain Ski Area, the 'Mighty M' Racetrack, and SC International Airport became operational by the '60s. The Woodstock Festival, Bethel's claim to fame, put the town on the map in 1969. The number of resorts diminished in the following years, however second homes and seasonal visitors kept the Catskills alive.

To our delight, The Wood Center for the Arts and Museum opened its doors in Bethel in 2006. The exclusive Monticello

Motor Club, Resort World Catskills Casino and The Kartrite Resort and Water Park attractions made Sullivan County their home in the last decade.

In 2019, Woodstock's 50th anniversary, the county-wide Dove Trail was created, with Bethel extending the trend with The Heritage Trail, depicting Woodstock highlights. Antique, Crafts, Farm, Maple Syrup, and Craft Beer, Wine and Spirits Trails have popped up in our area and throughout New York State. We are also home to segments of the popular walking and hiking Trailkeeper and Rail-to-Trails.

All of this and the desire to "get out of the city" has enticed visitors and new homeowners.

The Town of Bethel continues with technology improvements, solar arrays, and environmental development. Parks and Rec can boast about the Dog Park, Forest Reserve at Smallwood, area park facilities and lake and waterway access.

Today, our town promotes business, second home and tourist industry growth and a green, sustainable lifestyle.

Bethel is idyllic. We offer open space, fresh air, various bodies of water and a welcome to a relaxed, country life.

Spring

The "Magic of Spring" and "The Great Outdoors" - The Town of Bethel has 57,000 beautiful acres that are "brimming full" of both.

For the fisherman, there are excellent waters for Bass and Pickerel fishing as well as your average trout fishing (Rainbow, Brown, Lake and Brook).

There are woodlands for camping, trails for hiking and horseback riding. An abundance of ponds and lakes has also made this a popular sports activity in the Bethel Area.

Summer

The coming of Summer brings on an ever increasing array of Sports activities in the Town of Bethel Area. As a matter of fact we have facilities for just about everything, including:

BOATING ■ WATER SKIING ■ SCUBA DIVING ■ BOAT SAFETY ■ SWIMMING ■ FISHING ■ HORSERIDE DIVING ■ SUMMER THEATRE ■ GOLF COURSE ■ BOYS & GIRLS ■ COACHES ■ BALL GAMES ■ YOUTH SUMMER RECREATION

One can also enjoy the action and thrills of night happenings rising of nearby Monticello Racetrack.

Fall

The Town of Bethel provides 1,100 acres of public hunting lands plus wild escape tracts that are maintained by private hunting clubs.

The area's game population includes: Rabbit, Squirrel, Pheasant, Partridge, Duck, Deer and Bear. Deer hunting is rated as excellent!

The abundance of Deer has made hunting with bow and arrow an increasingly popular Fall sport in the Bethel area. Hiking, camping and horseback riding are also popular Autumn sports.

Winter

What makes Winter so special in the Town of Bethel? Well... there are a lot of things to do. One of them is ice skating. How about ice skating? That's a new one... probably because snowmobiles are new but, we've got that too. Another very popular winter sport is ice fishing. Some excellent catches of Pickerel, Trout and Brook have been taken from our many lakes and ponds, which also provide excellent ice skating facilities.

For the "skating enthusiast" there are several excellent ice skates in the area.

P. S. NO CLOSURE SEASON FOR TROUT FISHING AT WHITE LAKE.

Places of Worship:

Perhaps describing the Town of Bethel as "God's Country", is being a bit presumptuous. However, it seems to be inhabited by all of God's children. Finding a church or house of worship at your faith is no problem. All faiths are well represented.

Places To Visit:

You've come to a town for "something to go" in the Town of Bethel. There are many interesting places to visit such as the trout hatchery and Vespug Farms etc. If you seek entertainment, there is Monticello Racetrack, the racetrack, Lake, or the Summer Theatre at White Lake.

Hunting Clubs:

Among the many contributing factors that make the Town of Bethel a center for Autumn Sports are the various programs and activities sponsored by the hunting clubs in the area. The Town of Bethel has 21 hunting clubs, some of which are open to membership.

Post Events:

Anyone who brings on a host of local group and community sponsored activities in the Town of Bethel. Most types of events that have taken place here are: Winter Snow Bow Derby, Snow Queen Contest, Fall Fishing Contest, Autumn Boring on Ice, Skating Contest, Snowmobile Rally.
