I would like to welcome you to the Town of Bethel for the 2023 season, which looks to be a very promising, busy and special season for all. The town has a lot of events taking place and new additions throughout the town for all to take part in. As always Bethel has something for everyone, and we can't express enough that we are glad you have chosen to be part of our community.

The new and improved Kauneonga Lake Farmers & Makers Market is back on Saturdays from 11-2 rain or shine. With a new indoor location at the Duggan School for those rainy days, just a little over ¼ of a mile from where it's held outdoors. Take a drive to check out the Sullivan County Dove Trail with over 50 locations and with at least nine within the Town of Bethel, with maps available with our town clerk. Explore Bethel Woods events schedule to attend one of their amazing exhibits or music concerts. Take a walk on the Town of Bethel Forest Reserve Trails in Smallwood to participate in some outdoor exercising. Enjoy some time together in the great outdoors. Visit the Dog Park in Smallwood, which is a great place to enjoy fresh air and socialize with canine family and friends. Check out our new Comfort Station facility on the grounds with picnic tables included. The Town of Bethel Pool and Park is always a fun time for kids and families with our covered pavilion and great playground. Visit a number of our numerous parks, lakes, and streams Try one of our fine eateries, or browse our retail shops, and don't forget about the free Kauneonga Lake music every Thursday night located at the Gazebo Park in Kauneonga Lake.

All of us at the Town Hall welcome you, and are here to make sure your needs are met as we want you to return. Don't hesitate to contact us or stop into the Town Hall if we can be of service.

Yours truly,

A MESSAGE from the BETHEL BUSINESS ASSOCIATION

We welcome you to Bethel, our business community and the beautiful countryside. Our town is home to the original Woodstock Festival and we still offer a piece of paradise!

We have migrated through the last few years and in hindsight, learned from the experience. Those ‘silver linings’ aided the transition into 2023.

‘Bethel...for a weekend, a season, or a lifetime’ has been meaningful and visiting or living in the Town of Bethel means a variety of things to many people.

Some residents have been in the area for generations. Long ago, folks came to “the Catskills” for recuperative reasons and fresh air. In fact, the Ontario & Western Railway’s area promotional campaign slogan was based on “Doctors say, ‘Go to the Mountains!’- emphasizing ‘pure air, pure water, pure milk.’”

Cooler summer temps brought families from the city, renting cabins and filling bungalow colonies. In the next decades, visitors “came up for the weekend” or were entertained at the hotels. Folks were turned on to Bethel when they attended a festival called Woodstock or the idea of owning a second home in the mountains. Most recently, many have signed the deed to their forever home...

Over the years, as a business association, we track and tend to ask why people come here. Here’s a sampling of responses to our tag line: “Did you come to Bethel for a weekend, a season, or a lifetime?”

Arriving in Bethel for the weekend, Jenna from Shrewsbury, NJ responded, *“My family and a few friends booked an airtbnb in Bethel for the weekend over the summer and had the best time! We were looking for a place to get away from the city and spend some time outside. Bethel was the perfect fit. We even decided to make an annual tradition out of it!”*

Bonnie, who hails from Florida gets away from the southern summer heat. She says, *“We come here for the season because my grandparents and family came to the Catskills and had lived in the area. It’s familiar. We married, raised a family and had careers here. Now we have 12 weeks to catch up with life-long friends. We enjoy the unspoiled beauty and everything the area offers.”*

Thousands of hippies came to Woodstock Festival in 1969 and one from Texas never left.

We introduce “Duke” Devlin who tells his tale, *“I hitchhiked from Amarillo in ‘69 with a friend for three days of peace, love and music. The claim was ‘You’ll breathe air that’s never been breathed before’. In the chaos I was separated from him, helped clean up the site after the music and wandered into Bethel. It was the hospitality, the beautiful, kind and friendly people I encountered that made me stick around. Hector’s was my home base and one thing led to another. I got small job offers so I could support myself. Things just kept coming up. I thank G-d, because for a lifetime, more than 50 years, it’s still a beautiful place to live and breathe.”*

The area has many priceless things to offer.

We are flush with wild wilderness, our “Upstate” forests, lakes, rivers and crystal clear water. There are parks and hidden spots where a person can meditate, relax, or hike. Recreation for all ages and action all year include camping, boating, water sports, fishing, hunting, golf, the speedway, trails for biking, four-wheeling and snowmobiling, and area casino gaming, rafting, snow skiing, and more...

Entertainment, dining, lodging, real estate, professional services and a bit of retail have a presence and continue to grow. Bethel Woods Center for the Arts, the Museum and concert schedules have much allure and Yasgur’s Farm and Hector’s continue to serve nostalgia. Bethel has a resident Arts Council and the area promotes its culture, theater and music venues.

Dining is a major activity and satisfies all, from the pizza lover to the gourmet “foodie”. Search for antiques, shop in person or get familiar with our on-line member services. BBA has you covered from needing a tow to building a home addition.

You have your choice of accommodations besides the “family’s place” with an array of inns, short or long term rentals and camping.

Use this Guide’s Members page as a reference or go to our website for further information.

The Bethel Business Association is looking to bright days ahead and with your support, we can accomplish our goals.

Whether you’re visiting for a Woodstock Monument photo op or signing the real estate contract of your dreams, we welcome you **for a weekend, a season, or a lifetime’.**

The Getaway at Moonrise Pond

Cochecton, NY
 VRBO: vrbo.com/1099232

The Getaway at Moonrise Pond offers peace and privacy in a genuine log cabin in Cochecton, NY, less than 5 miles from the site of the 1969 Woodstock Festival in Bethel, NY.

Open year-round since 2017, The Getaway is ideal as a destination unto itself or a place to stay for visits to Bethel Woods (opposite most traffic), Callicoon, Narrowsburg, and other Sullivan County towns.

It's easy to settle in and never leave the private 23 acres with 3 hiking trails, a pond with kayaks, hot tub, sauna, and many other amenities including a game room with foosball and air hockey. With 3 bedrooms and 3 bathrooms, 2 living rooms, and a formal dining room, The Getaway comfortably hosts up to 6 guests.

The Getaway has been honored to host wedding proposals, honeymoons, gal and guy pal weekends, birthdays, and many family get-togethers. The formal dining room is ideal for celebrations of Thanksgiving and Christmas. The best part of hosting has been many returning guests.

The owners, Bill and Julie Rozar, were introduced to Sullivan County while raising their family in

Brooklyn and renting a bungalow with friends for many summers before purchasing a weekend home in Smallwood, NY. With time, Brooklyn became their "weekday" home and they moved full-time to Smallwood. They wanted to be part of the revival of Sullivan County and when they saw the cabin and surrounding land, they were inspired to lovingly create The Getaway to enjoy with friends and share as a vacation rental. Bill works at home as a data architect for a major insurance firm while creating magical and mystical digital art in his spare time. When she is not ballroom dancing, Julie enjoys sharing her writing, editing, and computer skills as a board member of the Bethel Business Association.

To experience the peace and privacy that The Getaway offers, please book either on Airbnb or VRBO:

Before James Loney took over the ice cream parlor called “Sticky Fingers” in Kauneonga Lake, NY, he worked in a high-pressure job for a world-famous culinary retailer in New York City. During that time, James had encountered some of the world’s best chefs and culinary creatives. These masters loved to teach, and James listened and learned.

In 2020 he tired of his glitzy job in a Manhattan skyscraper and decided to relocate to bucolic Sullivan County. James proceeded methodically to put the pieces of a plan into place, with a series of “firsts” - a car, then a cozy home in Smallwood, then a business with potential - Sticky Fingers Delectables. Under his ownership, James immediately set out to broaden the shop’s offerings beyond ice cream and keep the shop open year-round.

According to James, life is a series of projects under one main one entitled “A Good Human Life.” He is a nationalized U.S. citizen who lived previously in Canada, Italy, and Germany. He says, “Everything we do in life is for happiness and amidst so much clean air, green forest and silver streams, Sticky Fingers Delectables is run as a simple happiness factory.”

James wanted to make something magnificent happen in this gem of a town called Kauneonga Lake. It’s

been a demanding call. Fifteen-hour days, six days a week is the work schedule, but it is all worth it. Sticky Fingers Delectables runs year-round.

In summer the shop mainly sells ice cream but during the off-seasons “Delectables” is where you can find Sullivan County’s best soups and stews.

James is looking forward to announcing upcoming partnerships in the works with other businesses in the region. The website is: <https://stickyfingersdelectables.com>

The Delectables team looks forward to welcoming new and repeat visitors to spread more happiness!

The Club at Smallwood, "The Best Kept Secret in Sullivan County", hosts games, parties and entertainment in their clubhouse.

The Club at Smallwood ("The Club") was formed in 1954 when a small group of New York City folks who owned cabins in Smallwood, NY met at a restaurant in Brooklyn and decided to form "The Community Center of Smallwood" with a mission "to cultivate and promote a friendly spirit of cooperation in the development of the social and recreational interests of the members of the Club and the residents of the Community."

The Club is open to members and their guests seven days a week for a 10- week season, generally from July 4th through Labor Day. Memberships of more than 100 families come from varying walks of life: businesspeople, artists, lawyers, teachers, retirees,

industrial artisans, and musicians.

Club Membership offers a sparkling clean heated pool, air-conditioned clubhouse, and a well-maintained landscape. On Saturday nights, there is live music, dancing, movies, bingo, along with special fund-raising dinners. There is also an Open Mic night, a Member Theatre Group, and at the pool: a Sing-along with S'mores, BYO dinners and a fund-raising BBQ. On Weekdays, The Club offers a full calendar of morning, afternoon, and evening activities including painting class, water aerobics, book club, a wellness discussion group, card games, canasta lessons and tournaments, Mahjongg lessons, chair yoga and aerobics, a lending library, and lectures on various topics.

Sports offered at The Club for adults are pickle ball and handball. For families and teens, there is basketball and volleyball. And for the kids, they created a Kid's Korner in the Clubhouse with board games, electronic hockey, Wii, and movies. At the pool, there are oodles of noodles, cornhole, ping pong, a children's playground with a climbing wall, slide, and a swing.

The Club at Smallwood's pool is loads of fun and the center of attraction all summer long.

While The Club considers itself "The Best Kept Secret in Sullivan County", the most important thing they have to offer is the lasting friendships members make at The Club.

Bethel History

Town of Bethel, N.Y., one of fifteen towns in the center of Sullivan County, measures over 93 square miles, includes 4.6 miles of water, and 147 miles of road. Ninety miles northwest of NYC and southeast of Binghamton, it is located on the watershed between the Mongaup and Delaware Rivers. Local government is lead by a Supervisor with a four person Town Board. The recent census recorded a population of 4362.

The first inhabitants in the territory were the Leni-Lenape Indians. 1795 records state that the Pintler brothers were the first settlers. Bethel separated from the Town of Lumberland, incorporating in 1809 with Briscoe, Bushville, Fraser, North White Lake, and Stephenville as the earliest settlements. The current land map consists of Bethel, White Lake, Kauneonga Lake, Smallwood, and parts of Mongaup Valley and Swan Lake.

Hunting, tanning and fishing were the original industries and naturally, due to the rich land suited to farming, agriculture followed. Bethel is still considered an Agricultural community today.

It was not until the mid-nineteenth century that the tourist industry developed. Inns and summer camps lead the way in the 'Golden Age' for area hotels, second home development, and the hospitality industry. The Concord, Grossinger's, Kutsher's and a variety of "Borscht Belt" hotels dotted the area map. Holiday Mountain Ski Area,

the 'Mighty M' Racetrack, and SC International Airport became operational by the '60s. The Woodstock Festival, Bethel's claim to fame, put the town on the map in 1969. The number of resorts diminished in the following years, however second homes and seasonal visitors kept the Catskills alive.

To our delight, Bethel Woods Center for the Arts and Museum opened its doors in Bethel in 2006. The exclusive Monticello Motor Club, Resort World Catskills Casino and The Kartrite Resort and Water Park attractions made Sullivan County their home in the last decade.

In 2019, Woodstock's 50th anniversary, the county-wide Dove Trail was created, with Bethel extending the trend with The Heritage Trail, depicting Woodstock highlights. Antique, Crafts, Farm, Maple Syrup, and Craft Beer, Wine and Spirits Trails have popped up in our area and throughout New York State. We are also home to segments of the popular walking and hiking Trailkeeper and Rail-to-Trails.

All of this and the desire to "get out of the city" has enticed visitors and new homeowners.

The Town of Bethel continues with technology improvements, solar arrays, and environmental development. Parks and Rec can boast about the Dog Park, Forest Reserve at Smallwood, area park facilities and lake and watway access.

Today, our town promotes business, second home and tourist industry growth and a green, sustainable lifestyle.

Bethel is idyllic. We offer open space, fresh air, various bodies of water and a welcome to a relaxed, country life.

Family-owned since 1949, made famous as the 1969 Woodstock watering hole & is still a welcoming place to gather. Come see our awesome sunsets from the back deck or have your next event in our pavilion.

Cunningham Family Farms

233 Hurd and Parks Rd.
Swan Lake NY 12783
845-583-4083

Cunningham Family Farms is a family-operated Fall destination in Bethel, NY. The property has been in the family for 150 years but for the siblings: Chris, Colleen and Patrick it all started in the late 1950's when their father, Tim Cunningham, took over the farm. While raising his family, he built a business selling fresh sweet corn at a roadside farmstand on Route 17B through the 1970's.

Fast forward to 2012 when the farm grew into an enjoyable family venue with a corn maze and pumpkin patch. But the Cunninghams wanted to expand the farm to their community of Sullivan County and beyond. Recollecting the good 'ole days and their years of happily picking sweet corn and playing in the fields, the idea of Cunningham Family Farms as a fun tourist destination was born.

Chris, Colleen and Patrick together have transformed the farm into an agritourism destination for families from near and far. For the last 12 years, they have been having a blast raising pumpkins, growing corn, and designing Sullivan County's largest corn maze.

In addition to the corn maze and pumpkin patch, Cunningham Family Farms has hayrides, gem mining at the "Lost Irishman's Mine", Pumpkin Bowling, life-size Chutes and Ladders, Checkers, other barnyard games, and loads of photo opportunities. Each year

they try to add at least one new game.

For Tim Cunningham, and now for his children and grandchildren, the legacy lives on. It is a challenging yet rewarding journey, and the Cunninghams love living on the farm and feel blessed to live and work in such a vibrant community. They are happy to share the farm and hope to provide family-oriented fun for families for a long time.

They welcome new families and reunite with returning families who are happy to "get lost" in their giant maze and find the perfect pumpkin in their pumpkin patch. Admission is reasonable, and farm goods can be purchased. They are open weekends from Labor Day until Halloween. Check out their website for more info: www.cunninghamfamilyfarms.com.
