Welcome to another great season in the Town of Bethel.

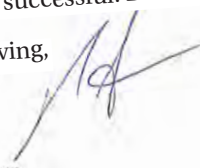

There are so many things about Bethel that make us unique and a wonderful place to visit and to live. We have a lively spirited Town Center, beautiful parks and gardens, and many special rivers and streams. Bethel has something for everyone. We are glad you have chosen to be part of our community. Whether you are enjoying us for the weekend, the summer, or all year round, please take advantage of all we have to offer.

In 2024 Bethel will be busy. We have a Forest Reserve area in Smallwood for walks, outdoor exercise equipment or enjoying family time together in the new Gazebo or picnic tables, as well as a new children's Playground. We also have a state-of-the-art Dog Park at the Forest reserve which is a wonderful place to enjoy fresh air and to socialize with family or canine friends. Visit our many fine eateries or browse our retail shops. And enjoy our great local talent. Returning this summer once again will be the Kauneonga Lake Farmer's market on Saturday mornings and music in the Gazebo Park on Thursday evenings. Bethel Woods will be back for you to visit the original Woodstock site, the Museum and for top notch talent and events.

There are so many residential, commercial, and agricultural opportunities to meet your needs in our natural and unique landscape. Bethel is growing and together we are looking forward to a bright future.

While everything you will need or want to know about Bethel is right on our website, townofbethelny.us, we at the Town Hall are here to help make sure you are successful. Do not hesitate to call us or stop at any time.

Proudly serving,

Daniel Sturm

A MESSAGE from the BETHEL BUSINESS ASSOCIATION

Welcome to Bethel, the picturesque, verdant countryside and land of hospitality. Bethel is home to the original Woodstock Festival, celebrating its 55th anniversary this year, and is still a place to rekindle the passion for living your best life 'for a weekend, a season or a lifetime'.

Visiting or living in the Town of Bethel means a variety of things to many people.

Some residents have been in the area for generations and long ago, folks came to "the Catskills" for recuperative reasons and fresh air. Cooler summer temperatures brought families from the city to rent cabins and fill bungalow colonies year after year. In the last decades, visitors were entertained at numerous hotels, were turned on to the area because of the Woodstock Festival and its history, came up for the weekend, or moved on the idea of renting a second home in the mountains. Recently, through lessons of the Covid pandemic and the want for open space, many signed the deed to their country home.

This year the Bethel Business Association decided to have a larger than life community event in winter with the collaboration of the Sullivan County Conservation Club, the White Lake Fire Department and BBA member volunteers at the Alton Distillery. A take off on European spent Christmas tree burning, we collected, stored and developed a bonfire 'pyre' and lit it, as planned, on a February evening, the night before the Conservation Club's 'King of the Ice' fishing event. Their event was canceled due to lack of ice, but 'BBA's Big Burn '24' went off without a hitch on the 17th with food, music, good weather and fun!

Springtime brought some weather and geological issues to or near town. The northeast experienced an earthquake on April 5th and on the 8th we were lucky to be in range view of the rare Solar Eclipse. The Geomagnetic Storm event began on May 7th and 'Northern Lights' were visible through the 15th with a Solar Flare firing on the 14th. 2024 may be a very cool year.

Bethel and the surrounding 'Upstate' area has priceless offerings.

We are flush with wild wilderness, forests, lakes, rivers and crystal clear water. There are State and Town Parks and hide-a-ways where a person can meditate, relax or hike. Recreation for all ages and action all year include camping, boating, water sports, fishing, hunting, racquet sports, the speedway and trails for biking, four-wheeling and snowmobiling. Within a twenty minute radius, the area offers golf, fly fishing,

rafting, and rock climbing. A short trip can bring you to an indoor water park, snow skiing-tubing park, summer fun park, casino gaming or a high performance motor club, and more.

Entertainment, dining, lodging, real estate, professionals, retail, boutiques and services have a presence and continue to enjoy growth.

Dining is a major Bethel activity and satisfies all, from the pizza lover to the culinary 'foodie'. Forage the Saturday Farm Market or a local gourmet shop for your home-made meal or enjoy a seat at any of our countless area cafes or restaurants.

Most restaurants have added live performance to their menu and during summer, Bethel Lakeside Music is a Thursday evening happening in Kauneonga Lake. Bethel Woods Center for the Arts, the concerts and Museum have massive appeal. Hector's Inn, celebrating their 75th anniversary, and Yasgur's Farm continue to serve a side of nostalgia.

Bethel has a resident Arts Council, hosting exhibits in Kauneonga's Artspace.

You have your choice of accommodations besides the 'family's place' with an array of inns, hotels, motels, short or long term rentals, camping and glamping.

Bethel is closer than you think. 'Getting here and getting around' options include rentals, taxi, car and bus service, limited train service, and the SC International Airport with current renovations in progress.

The Bethel Business Association members anticipate having all your needs covered while you shop and stay local, however we strive to co-promote the expanded area business, recreation, and cultural venues as well.

Bethel is the bull's eye center of Sullivan County's fifteen towns and we hope you will take the time to venture further out in any direction. Take a relaxing drive for a fabulous dinner. Stop by a performance or an art show in another town. Most evenings, catch Music in the Park in a nearby hamlet. There are Antique, Artist, Crafts, Makers and Dove trails to follow and Craft Brewery, Winery and Spirits venues to enjoy.

The Bethel Business Association is looking ahead to a bright future with steady business growth, planning and sustainable development. With your support and interest we can accomplish our goals.

Thank you for visiting Bethel and investing in our area. We look forward to seeing you again.

Located just over the Bethel-Cochecton line is Annie's Ruff Cut, a warm and family-friendly eatery with a welcoming and relaxed rustic atmosphere.

Annie's Ruff Cut offers an extensive menu to choose from and a full bar. They serve superb wings, burgers, wraps, salads, classic Pastrami Reubens, out-of-this-world roast beef sandwiches, home-made delightful desserts and more!

Proprietors Erwin & Antoinette (Annie) Grome moved to the Sullivan County Catskills in 2012 from the Finger Lakes Region. To keep herself busy Annie took a job at "The Ruff Cut". She always wanted to own her own restaurant, so when the owners were ready to sell, she and her husband recognized a great opportunity and purchased the place.

"We appreciate our staff and always make

working here as fun as possible." Said Annie. Running the restaurant is a labor of love, and they work hard at keeping the food and hours consistent. Her husband Erwin works full time and helps at the restaurant and Annie works serving and bartending 3-4 days a week plus makes desserts. "I love this business and have

met so many amazing people and we have a great friendly staff,” Annie.

Erwin and Annie have four children and five grandchildren that naturally add to the busyness of life, but that doesn’t stop them from adding even more excitement to Annie’s Ruff Cut. They recently bought a firetruck food truck and are hoping to have that available this summer for

local events. How very cool!

Whether you are in the mood for some of Annie’s famous wings, roast beef or burgers or just want to sit and relax with a glass of wine or locally crafted brew, Annie’s Ruff Cut is the place to be!

Wednesday is burger day \$10 and Thursday is Wing Day \$10!

This retired firetruck sits in front of the restaurant, and serves as the new food truck and tribute to our emergency first responders.

Bethel History

Town of Bethel, N.Y., centrally located within the fifteen towns of Sullivan County, measures over 93 square miles, includes 4.6 miles of water, and 147 miles of road. It is located ninety miles northwest of NYC and southeast of Binghamton on the watershed between the Mongaup and Delaware Rivers.

The first inhabitants in the territory were the Leni-Lenape Indians. 1795 records state that the Pintler brothers were the first settlers. Bethel separated from the Town of Lumberland and incorporated with five other early settlements in 1809. The current land map consists of Bethel, White Lake, Kauneonga Lake, Smallwood, and parts of Mongaup Valley and Swan Lake. The most recent census recorded a population of 4255. The local governing Town Board consists of the Supervisor and four person council.

Hunting, tanning, and fishing were the original industries and naturally, with land suited to farming, agriculture followed. Bethel is still considered an agricultural community today.

It was not until the mid-nineteenth century that tourism developed. Inns and summer camps lead the way to the 'Golden Age' for area hotels, second home development, and hospitality. The "Borscht Belt" hotels dotted the map and SC International Airport became operational. The Woodstock Festival, Bethel's claim to fame, put the town on the map in 1969.

With air travel and varied vacation options available, the number of resorts diminished, however second homes and seasonal visitors kept the Catskills alive.

In 2006, Bethel Woods Center for the Arts opened it's doors on the original festival

site and added the Museum, dedicated to the 60's, in 2008. Further development of entertainment and gaming in the surrounding area has stimulated guest interest.

In 2019, coinciding with Woodstock's 50th anniversary, the county-wide Dove Trail was created and Bethel extended the trend with The Heritage Trail depicting Woodstock Festival highlights.

Rustic, bucolic surroundings and the desire to "get out of the city" has continuously enticed visitors and new homeowners.

The Town of Bethel can boast about our fresh air and water, lakes and waterway access, various park facilities, and continued environmental development and technology improvement.

Today, our town promotes business, second home and tourist industry growth, the arts, and a sustainable lifestyle.

Bethel is idyllic, offering everyone a warm welcome to a relaxed, country life.

With Heartfelt Thanks

The **Sullivan County Democrat** would like to thank the Bethel Business Association for all their assistance and support of this project, the Bethel Destination Guide.

We would like to especially thank Carol Malek and Suz White for their tireless commitment to this guide, which they have produced for the past 15 years. Their efforts are greatly appreciated and the staff of the **Sullivan County Democrat** would like to thank them for making this a National Award Winning Publication.

A big thank you to the Town of Bethel for all their cooperation and all members of the Bethel Business Association. Without your support this guide would not be possible.

Perennial Gardens Landscaping

Bethel, NY
845-583-5760
perennialgardenslandscape.com

Perennial Gardens Landscaping works hard for its clients, including maintaining the beautiful gardens at the Forestburgh Playhouse.

Perennial Gardens Landscaping offers award-winning design and installation of landscapes for homes and businesses. Gay Donofrio, who has an art background, has always had an eye for design. She and her husband, Bob, provide superior transformations of their clients' properties and have been beautifying homes across Sullivan and Orange Counties as well as parts of Pennsylvania and New Jersey for decades. They can tame any terrain!

Gay's love of plants started when she was young. As a child she wanted to research everything that was part of nature and learn about trees and different types of flowers.

This is the perfect place to grow a business like Perennial Gardens. Sullivan County's area lakes, lush woodland and breathtaking pastoral views is

a perfect backdrop for their unique landscape masterpieces.

Working with the client, Gay will design a personalized garden that will last for years. "It's all great fun, and enormously gratifying to pick a wild area that may be overgrown and turn it into a beautiful landscape," says Gay. Not only will she curate, design and install your garden but Perennial Gardens will also install stonework and water features that will further

enhance it.

Gay teaches the philosophy of organic gardening to her clients. "We always garden organically, and don't ever use any kind of chemicals," Gay noted. "It's important that people keep their property safe for children, animals and themselves," she added.

Another important service offered is garden maintenance. They will spruce up the garden throughout the year keeping it looking fresh.

Call on Perennial Gardens to help bring your home's landscaping to life. They offer stonewalls, patios and paths, trees and flowering shrubs, pool landscapes, water gardens and waterfalls, English and Japanese gardens, rock gardens, flower beds and more!

Landscaping is an art and Perennial Gardens Landscaping creates beauty for its many clients.

A landmark lays to rest

The Pucky Huddle House, also known as the Halsey Corners House, was a midway weigh station wash house for coach horse teams behind Ralph MacArthur's barns. Travelers would repast or stay across the road at David Halsey's Inn and Tavern on the four corners in Bethel. The building

was moved to the corner property in 1900 and used as a small home. Vacant for the last number of years, it became a point of interest and local and visitor photo op. Photographed, painted and monitored through its decline, it succumbed to gravity on 4/20/24.
