ANTHONY MORGANO | DEMOCRAT

The 2024 Eldred Yellowjackets will be on the gridiron again on September 27 when they take on Ellenville in an away game. The Yellowjackets roster is Patrick Bangs, Luke Potter, Mason Tice, Jake Card, Trai Kaufmann, Orion Schneider, Mason Mckerrel, Nick Faber, Matt Marold, Koen McGill, James Deyermond, Joseph Bernhardt, Nick Bisland, Jayden Dalletto, Connor Ranaudo and Jayden Dallett.

**Coach:** Sean McAveney  
**Last season's record:** 4-3  
**Top returning players:** Jake Card, James Deyermond, Nick Faber, Trai Kaufmann, Koen McGill, Mason Mckerrel, Mason Tice, Connor Ranaudo

**Key losses to graduation:** Logan Knibbs, John Morabito, Josh Warming

**Team strengths:** The 2024 team has a lot of experience.

Almost all of the starters and some of the backups from this year's team had significant varsity playing time last season. We are going to have to rely on their maturity and experience to navigate a difficult 2024 schedule.

**Need to work on:** To achieve our goals for the 2024 season, it is imperative that our talented players come together and work as a solid, cohesive team. From unity, they will gain the strength and the bonds necessary to ensure a successful season.

**Coach's comment:** Eldred football had a very enthusiastic and productive off-season in our weightlifting and speed programs. The coaching staff and players put in a lot of time over the last 3 months, and I hope that all of that work will translate into success on the football field.

# Eldred Girls Soccer

The Eldred Girls Soccer team is, front row, from the left: Ariana Fredricks, Reece Morgan, Oliva Gonzalez, Tabitha Smith, Avery Moscatiello, Sydney Furler, Maddy Daw, and Jillian Smith. Back row, from the left, are Marissa Gochenour, Maddy Gaeta, Giada Danato, Ally Galvin-Bliefenrich, Alexis Fredricks, Victoria Ryman, and Adelyn Degraw. Missing from photo is Ally Mohan.

**Coach:** Kevin Moscatiello

**Last season's record:** 4-8-1

**Top returning players:** Avery Moscatiello, Olivia Gonzalez, Marissa Gochenour, Sydney Furler

**Key losses to graduation:** All four of our graduated seniors will be greatly missed.

**Team strengths:** Athleticism. A lot of our players are three sport athletes and all have a high competitive edge

**Need to work on:** Maintaining possession of the ball, playing in the offensive end of the field, finishing on chances

**Coach's comment:** You can expect the effort and compete level of this team to be high. We are a small school that must constantly punch out of its weight class to compete with other larger or merged schools. Our team goal is to be competitive in every game, win our division and win a section title which hasn't been done since 2018.

**Key losses to graduation:** Ashley Ingrassia

**Team strengths:** This core group of seniors have been playing together since 7th grade so they have been able to form that unique connection that

only comes with consistently playing together.

**Need to work on:** Developing an ability to close out close games without getting flustered.

**Coach's comment:** The main team goal of every player this season is to get further in sectionals than we did last year and to maintain consistent communication throughout every point, set and match. This is a team that will continue to turn heads and surprise people.

# Livingston Manor Girls Soccer

The Livingston Manor Girls Soccer team is looking forward to a great year.

**Coach:** Joseph Clarke  
**Last season's record:** 11-8-0  
**Top returning players:** Rebecca Gashinsky, Shelly McKinley, Anastasia Niforatos  
**Key losses to graduation:** Athena Niforatos, Zayley Cox, Sarah Evans  
**Team strengths:** A lot of returning players from last years section title team

which provides some experience and stability to hit the ground running early. The girls are eager to prove themselves on the field again this year.  
**Need to work on:** Developing younger players who can step into the roles left open from last year's graduating seniors. Figure out new roles for some as they adjust to a new season. Playing as

a whole unit.  
**Coach's comment:** Our goal for the season is to compete each and every day, and hopefully to return to the section 9 championship and defend the title. The team will be aggressive and try to balance speed, skill, and physicality.

**Top returning players:** Josh Fanslau, Travis Capawana, Easton Scanna, Adam Olsen

**Key losses to graduation:** Colin Monell, Austin Swett, Matt Fanslau

**Team strengths:** Number of seniors, focus on the new year.

**Need to work on:** Starting games fast and creating opportunities

**Coach's comment:** We want to go through the season week by week. We want to win each day and focus on week. We reset our record to 0 - 0 each week.

# Tri-Valley Girls Cross Country

**Coach:** Skyler Musa

**Last season's record:** Runner Up in the Section 9 Class D Championships

**Top returning players:** Anna Furman (Ranked #1 Runner in Class D by TullyRunners), Emma Richardson

**Key losses to graduation:** Amelia Mickelson, Lily Siciliano

**Team strengths:** The girls team is very young this year which provides a lot of years to improve and grow.

**Need to work on:** Learning how to race tactically and use packs within a race to run smart. The girls will also need to learn how to push themselves to an uncomfortable limit.

**Coach's comment:** The team will look to be competitive at the Section 9 Class D Championship and attempt to advance to the State Meet as a team, or to send as many girls as possible. We look forward to Anna Furman and Em Richardson returning to the state meet to finish in higher positions than last year. I also hope to have the girls extend their season as far as possible at a high level, being able to race their best at the end of the season as it can extend many weeks further than the regular season. I am excited about the youth of the team and hope they can push themselves to their full potential!
