Welcome to another great season in the Town of Bethel.

There are so many things about Bethel that make us unique and a wonderful place to visit and live. We have a lively spirited Town Center, beautiful parks and gardens, and many special water ways to visit and enjoy. Bethel has something for everyone. We are glad you have chosen to be part of our community. Whether you are enjoying the Town for a weekend, the summer, or all year round, please take advantage of all we have to offer.

Once again, in 2025 Bethel will be a busy place.

We have a Forest Reserve area in Smallwood for walks, outdoor exercise and enjoying family time together in our Gazebo or picnic areas, as well the new playground equipment. We also have our Dog Park at the other side of our Forest Reserve which is a wonderful place to enjoy the outdoors and socialize with family, friends and canine. Visit our park and pool with new playground equipment as well and enjoy a poolside day with the family. Visit our many eateries or browse retail shops. Chess player anyone? Then look for our new outdoor chess tables placed throughout our town.

Enjoy our great local talent Thursday evenings 6-8pm at the Gazebo, Music in the Park. Returning this summer will be the Kauneonga Lake Farmers Makers Market, Saturday mornings from 11-2. Bethel Woods will have another great lineup of events and concerts to attend, as well visit the Museum for the history of Woodstock.

There are so many residential, commercial, and agricultural opportunities to meet everyone's needs in our natural and unique landscape. Bethel is growing and together we are looking forward to a bright future.

Everything you need or want to know about Bethel is on our Town website, townofbethelny.us. We are here at the Town Hall to help make sure you have an inviting experience during your stay. Do not hesitate to call or stop by anytime.

Proudly Serving,

Daniel Sturm

A MESSAGE from the BETHEL BUSINESS ASSOCIATION

We welcome you to Bethel, a picturesque community within the Catskill Mountain region of New York State. The Town of Bethel is famous for being the home of the original 1969 Woodstock Festival site and is known for its history, hospitality and beautiful countryside.

For decades, visitors have made their way 'Upstate' to our area for their health, to relax, to be entertained, to escape the city, and to play. Some folks have come to work, create a business, fulfill a dream or to start a new life. Whatever the reason, they arrived with a passion for living their best life 'for a weekend, a season or a lifetime'...

If you are here for a day or short stay we recommend recharging in the small-town charm and during a visit to one of our local parks. Grab a bite or dine at our outstanding restaurants, shop our small businesses and stop at the artisan markets. Take time out for the Bethel Woods Museum or plan an evening pavilion concert.

Tapping into our waterways, lakes and wild wilderness is key if you have more time to spend. Recreation for all ages and action all year include camping, glamping, fishing, boating, hunting, and trails for walking, running, hiking, biking, four-wheeling and snowmobiling. The area offers water sports, rafting, fly fishing, racquet sports, rock climbing and golf. Within a twenty-mile radius you have the option of a speedway, an indoor water park, an expanding snow skiing-tubing park, summer fun park, a high-performance motor club, a harness racetrack, and casino gaming.

The Bethel Business Association includes and supports dining, entertainment, lodging, retail and service businesses. The BBA also recommends our growing real estate and professional services.

Dining is a pastime in the area and can

satisfy everyone, from the pizza lover to those with a four-star culinary palate. There's no limit to the coffee shops or stops for the ice cream fanatic. Drop by the farmer's markets, gourmet shops, a local diner or café, or reserve a seat at any of the fine restaurants. Most eateries provide outside dining and have added live music to their menu. Assure yourself a stop at one of the craft breweries, wineries or spirit venues.

Enjoy the arts, live music and entertainment. Kauneonga Lake offers weekly lakeside live music as do many other surrounding hamlets. The county map is pinned with movie theaters, playhouses, show stages and theaters. Enjoy an antique or artisan trail or drive the Bethel Heritage or Sullivan County Dove Trail. Stop in at the Bethel Council of the Arts or any of our exhibit spaces and town museums.

When planning a longer stay, besides the 'family's place', you have an array of resorts, spas, inns, and hotels. There are also short or long-term vacation rentals, B&Bs, camping and glamping to choose from.

Imagine making Bethel your home. Services are available to make that dream become reality, too!

Bethel is open all year for your pleasure and is closer than you think. Travel options to and from paradise include taxi, uber, rental car and bus service, limited train service and access to SC International Airport.

BBA member owners, proprietors and restaurateurs have anticipated your every need and are delighted to serve you. We appreciate your visit and support.

The Bethel Business Association looks forward to seeing you again 'for a weekend, a season or a lifetime'.

Bethel Sanitation's Andrew Liff and their four-legged mascot, Sadie.

Bethel Sanitation is a family-owned, community-driven waste management company based in Bethel, NY. They provide reliable weekly garbage collection and dumpster services for homes and small businesses across Sullivan County.

Launched in 2024 as the latest chapter in a 25-year family legacy of refuse removal, Bethel Sanitation began with one truck, one route, and a simple promise: show up, do the job right, and treat people like neighbors.

Founder Andrew Liff, a Bethel native and third-generation first responder, runs the company with his sister Samantha. Just steps from the original Woodstock Festival site, their roots in the community run deep.

"This is a true family operation complete with our four-legged mascot, Sadie, who rides along on the route and keeps us in line," said Andrew. "We believe in showing up, doing it right, and treating every customer like a neighbor, because they are."

As a way of giving back, Bethel Sanitation offers tailored service packages for first responders, active military, veterans, and seniors. Service and respect aren't just values; they are family traditions. "Service runs deep in our veins, both on the road and beyond," Andrew added.

Bethel Sanitation takes a different approach to waste management. Their fleet includes clean, updated trucks and equipment, and

can't match, and we do it with heart," said Andrew. "It's an approach customers appreciate. For many, Bethel Sanitation is a refreshing change they didn't know they were looking for."

You can't miss the company's vibrant trucks adorned with custom murals. The crew is known for waving hello, picking up knocked-over bins, and cleaning up roadside dumping when

Mark Schuberth on the job, removing a stump and clearing land.

Bethel Excavation & Concrete is a family business offering a variety of services including site preparation, grading, driveways, land clearing, general landscaping, and concrete projects such as patios and concrete flatwork. Delivering high-quality work at affordable prices ensures their clients receive great value on every job.

Following a decade of experience in NYC as a surveyor and project manager in high-rise construction, Mark Schuberth started Bethel Excavation and Concrete in 2022. With a strong desire to work closer to home and be present for his family, Mark was inspired to build the business where he was born and raised in Bethel, NY.

While in his 20's, his father-in-law introduced him to high-rise construction, relocating him

to NYC. "That environment was fast-paced and demanding, built character, pushed my limits, and gave me invaluable experience. I was fortunate to work with incredible mentors who saw my potential and encouraged me to pursue roles in surveying and project management—opportunities I may not have found on my own," Mark shared.

With a deep sense of gratitude Mark serves the community that shaped him. Operating with honesty, transparency, and a strong work ethic he approaches every project with genuine care, treating each job as if it were his own property. His values are deeply rooted in faith and family, and he continuously delivers exceptional work.

Mark is most proud of the lasting relationships he has with his clients.

Many have used Bethel Excavation and Concrete services on numerous additional projects. This speaks volumes about the trust and care he puts into every job. “For me, it’s not just about completing the task, it’s about fostering strong, ongoing relationships. The connections I’ve made and the loyalty I’ve earned reflect the quality and integrity I aim to bring to every project,” expressed Mark.

If you have an excavation or concrete project and are looking for a company with industry experience and awesome service, contact Bethel Excavation & Concrete for a free estimate!

 – Bethel Business Association

The Bethel Business Association is a group of business owners, organizations and individuals who support healthy commerce in Bethel and the surrounding area. First founded in 1964 and reignited in 2007, the association currently prospers as an arm of the Bethel Local Development Corporation.

The BBA works to create and support business relationships and hosts monthly Board and Committee meetings and networking ‘Meet & Greet’ mixers. The group offers media, marketing, and education programs and has a presence at local and regional events to showcase the membership.

The most important and successful marketing piece, “The BBA Bethel Guide” is produced annually. The association is comprised of dining, lodging, retail, and recreation businesses as well as professionals, realtors, contractors, service providers, artisan dealers and more.

If you have an area business or would like to support the association, you are welcome to join the BBA.

Valley Daycare

809 Creamery Rd., Mongaup Valley, NY 12762
845-250-4110
valleydaycare.org

Valley Daycare is an early learning center that nurtures children's development through play, creativity, meaningful relationships, and a connection to nature. Situated on 15 acres gives children the space to interact by feeding small farm animals, watering plants, harvesting food and caring for living things.

Nicole Newick, mother of two, was inspired to start an early childhood program in 2020 when her oldest was a baby. She couldn't find a program that met her high standards and felt the only solution to ensure premium childcare was to create it herself and offer it to the community.

"Our deep connection to nature, hands-on learning, and commitment to community makes our business unique," said Nicole. "We offer something rare: a nature-based program rooted in real-world

Art in nature at Valley Daycare.

Helping children grow is a mission of Valley Daycare.

experiences... all while fostering healthy communication, responsibility, and emotional growth," Nicole warmly expressed. "We're proud to help fill the high-quality childcare gap."

Nicole is passionate about the Town of Bethel, where she and her family live, and is grateful for the families who participate at Valley Daycare. They also have amazing support from local organizations: Cornell Cooperative Extension, Sullivan County Child Care Council, Sullivan Renaissance, and Sullivan 180. Their resources and collaboration helped Valley Daycare grow to something special.

The program currently supports children from 6 weeks to 5 years old. An expansion is planned for 2026 to incorporate school-age children and community open events. They recently added an event space that families can rent.

Valley Daycare raises the standard for children and their families and Nicole brings a unique blend of personal experience, professional dedication, and a deep love for the community. As a parent and educator, she understands the importance of a safe, enriching space where children thrive.

If you are looking for a curriculum that develops the whole child through hands-on learning and teaches responsibility, empathy, and self-reliance through adventure, consider Valley Daycare!

Nicole Newick, founder of Valley Daycare, and her family love the town of Bethel.

Big Kev's BBQ

370 Royce Road and 17B
White Lake, NY
845-796-8199
www.bigkevsbbqny.com

Award-winning Big Kev's BBQ is one of Bethel's favorite dining destinations. This open-air roadside BBQ joint is located on the corner of Rt.17B and Royce Road in White Lake, making it an ideal and easy stop for a delicious meal on the go. Offering a full menu with daily specials, there is something for every palate... and they cater and deliver!

The brainstorm of two brothers and their father, Big Kev's BBQ was originally started in 2009. After finishing high school, the boys pursued out-of-state careers. They returned home to Bethel for a family visit and during a creative conversation with their father, they decided to open a roadside BBQ and catering business. And, voila! Big Kev's BBQ was born!

Steven Schubert rustling something up in Big Kev's busy kitchen.

Smoked brisket, chicken, ribs and great sides makes Big Kev's a must visit.

Culinary inspiration has been a part of the Monahan family for decades. The late Kevin Monahan, AKA "Big Kev", a Vietnam War Veteran, learned the culinary trade at Sullivan County Community College and became a phenomenal local chef. He worked in numerous hotels and restaurants throughout the county over the years. All of the rubs, sauces and signature dishes at Big

Kev's BBQ were passed down or inspired by "Big Kev".

Big Kev's BBQ has entered numerous statewide competitions and won many awards for the best ribs, brisket, pulled pork, chili and hamburgers... oh, and their mother, Diane's, no-bake apple cheesecake, which is their mainstay dessert.

Specialties include their mouthwatering beef brisket, ribs, chicken, pulled pork, chicken wings, smoked sausage, stuffed baked potatoes, mac and cheese, chili, and burgers, along with various sides.

They have a daily menu online at www.bigkevsbbqny.com, friendly staff, and a fabulous outdoor country roadside atmosphere. They serve up their dishes quickly and are open until they sell out. Make sure to stop by for a lip-smacking, finger-licking good New York style BBQ treat. You can also call in your order for pickup.

BETHEL HISTORY

Town of Bethel, N.Y., centrally located within the fifteen towns of Sullivan County, is located ninety miles northwest of New York City and southeast of Binghamton. Bethel measures over ninety-three square miles, includes 147 miles of road and 4.6 miles of water on the watershed between the Mongaup and Delaware Rivers.

The first inhabitants in the territory were the Leni-Lenape Indians. 1795 records state that the Pintler brothers were the first settlers. Bethel separated from the Town of Lumberland and incorporated with five other early settlements in 1809.

The current land map consists of Bethel, White Lake, Kauneonga Lake, Smallwood, and portions of Mongaup Valley and Swan Lake. Bethel has a population of 4,367 and has grown at the rate of 3.09% annually since the 2020 census.

The Town is governed by a supervisor and a four-person council.

Hunting, tanning, and fishing were the original industries and naturally, with land suited to farming, agriculture followed. Bethel is still considered an agricultural community today.

It was not until the mid-nineteenth century that tourism developed. Inns and summer camps lead the way to the 'Golden Age' for area hotels, second home development, and hospitality. "Borscht Belt" hotels dotted the map, highways improved, and the SC International Airport

became operational. The Woodstock Festival, Bethel's claim to fame, put the town on the map in 1969. With growing air travel and varied vacation options available, the number of resorts diminished, however second homes and seasonal visitors kept the Catskills alive.

Bethel Woods Center for the Arts opened its doors in 2006 on the original festival site and added the Museum in 2008. Further development of entertainment and gaming in the surrounding area has stimulated tourist interest.

Coinciding with Woodstock's 50th anniversary, Bethel created the 'Heritage Trail' of festival highlights and the SCVA established the county-wide, continually growing, 'Dove Trail'.

Town of Bethel boasts fresh air and water, bucolic surroundings, lakes and waterway access, and park facilities. We are the answer to the desire 'to get out of the city' and an environmentally sustainable lifestyle.

Today our town promotes business, technology improvement, primary and second home development, tourism and the arts. Bethel offers everyone a warm welcome to a relaxed, country life...for a weekend, a season or a lifetime.

With Heartfelt Thanks

The **Sullivan County Democrat** would like to thank the Bethel Business Association for all their assistance and support of this project, the Bethel Destination Guide.

We would like to especially thank Carol Malek and Suz White for their tireless commitment to this guide, which they have produced for the past 16 years. Their efforts are greatly appreciated and the staff of the **Sullivan County Democrat** would like to thank them for making this a National Award Winning Publication.

A big thank you to the Town of Bethel for all their cooperation and all members of the Bethel Business Association. Without your support this guide would not be possible.
