Housing shortage hits; town homes to be built

By ZOË HAGGARD zhaggard@t-g.com

This county is growing, perhaps not by huge leaps and bounds, but as a county official recently said, it's no doubt, growing

A new set of town homes is being built off Madison Street, just before the intersection with Wartrace Pike on Highway 64, by developers Smith Douglas Homes, homebuilders based in Georgia. The Smith Douglas properties is probably to be the first of more to come as Shelbyville faces a housing shortage, especially in residences with mid-range prices according to Shane Hooper, Economic Developer and chief executive officer of Shelbyville-Bedford Partnership.

Hooper added, "Bedford will experience tremendous growth in the next decade. Our focus is on creating the

most positive environment for economic growth. Judicious management for the desired growth is imperative."

Housing shortage

According to the 2020 U.S. Census, Bedford's population is now at 50,000. The county is growing at 1.1 percent each year, which yields about 550 new residents each year, Hooper said. Taking this number and dividing it by the average household in Bedford of 2.8 people computes to 220 housing units.

"The 220 new housing units only account for the new need," Hooper said. However, "Several additional factors will generate a need for even more new housing units."

T-G STAFF REPORTS

Monday's evening performance of the Tennessee Walking Horse National Celebration was moved to 5 p.m. due to the weather. According to Celebration CEO Warren Wells, the National Weather Service predicted that all the rain from the remnants of Hurricane Ida would be out of the area by Tuesday night.

In between the rain, here are some

things to look forward to this week:

Military Night

Military Appreciation Night will be at the Friday evening performance. All military personnel and veterans are asked to wear their uniforms. The ceremony will also include first responders this year as well.

Veterans and one guest will receive free admission and parking. Contact the Celebration office at (931) 684-5915 for more information.

And in case it does rain, the Tennessee Walking Horse National Museum, located on the public square in historic Wartrace, will be open all week from 10 a.m. to 4 p.m. Admission for the museum is free.

Good eats

Also, here are some delicious concessions to enjoy while out on the grounds:

•Kiwanis Club

•Veterans of Foreign Wars (VFW) •East Bedford Civic Club of Wartrace •Disabled American Veterans (DAV)

•Optimist Club •Community Lions

•SCHS Band Boosters

•Alfonso's Mexican Restaurant •Prater's BBO

•Sir Pizza

Many of the Celebration's food concessions are operated by local civic clubs, making it one of America's best civic projects, according to Celebration officials.

Flood-ravaged Waverly braces for Ida remnants

By JONATHAN MATTISE

Associated Press

NASHVILLE - Emergency workers and volunteers in rural Tennessee pushed to clean up as much debris as possible from recent deadly flooding Monday as the remnants of Hurricane Ida threatened to interrupt recovery efforts with another dousing expected overnight through Tuesday.

The Humphreys County Emergency Management Agency noted the possibility of localized flooding in Waverly and other areas hit hard by the Aug. 21 flooding but said it's "not expected to be the magnitude of last week's flooding," citing the National Weather Service.

Authorities are encouraging people to pick up tarps so they can cover their damaged homes and other property. They also said they are watching the forecast and preparing in case the situation becomes dangerous.

"Waverly Department of Public Safety is monitoring the weather and will go into affected neighborhoods to announce should evacuations become necessary," an emergency agency flood recovery report said Monday.

The flooding killed 20 people as it took out houses, roads, cellphone towers and telephone lines, with rain totals that more than tripled forecasts and shattered the state record for one-day rainfall. More than 270 homes were destroyed and 160 took major damage, according to the Humphreys County Emergency Management Agency.

Much of that destruction centered on Waverly, a small city about 60 miles (95 kilometers) west of Nashville. The town of McEwen near Waverly was pummeled with 17 inches (43 centimeters) of rain, according to the National Weather Service.

Jeani Rice-Cranford helped shelter about 15 people at her house, which sits on a hill, during the floods and said she has anxiety about the prospect of another significant drenching for her community.

She said she is concerned about people potentially getting trapped again and whether she has enough supplies if she needs to help once more. She also worries about how much more people could handle on the heels of a tragedy.

"It's been a week now, so some of the numbness has worn off, and some of the processing is beginning," she said. "I think our officials have done a great job with coordinating with mental health experts and getting people in."

The National Weather Service forecast has issued a flash flood watch for central Tennessee from Monday evening through early Wednesday, saying rainfall amounts from what remains of Ida will range from 2 to 5 inches (5 to 13 centimeters).

So far, more than 800 loads of debris have been hauled to a landfill from the floods that centered on Humphreys County, which has a population of about 18,000.

Wesley Frank Driver

August 27, 2021

Wesley Frank Driver, age 70, passed away Friday, August 27, 2021, after battling cancer and COPD. If he could tell people one thing, it would be to stop smoking. He often encouraged people to stop smoking, using himself as an example.

He was born July 17, 1951 to the late Frank and the late Christine (Bush) Driver. He started work-

ing at Nissan-Smyrna when it opened and retired from Nissan-Dechard after 25 years of employment.

Wesley loved the simple, small-town life of Bell Buckle (except during the annual festivals when tourists "blocked the streets"). He graduated from Bell Buckle High School and owned a beautiful farm in Bell Buckle. Wesley was known for his generous nature and his mischievous humor/practical jokes. Wesley touched so many lives and was always willing to help anyone who asked. Several times he would see a need and just provide the help without being asked.

Wesley will be sadly missed by his daughter, Angie Driver (G.E. Haskins) of Murfreesboro; sister, Pam Henry (Gary Comstock) of Shelbyville; grandchildren, Keri, Courtney, Colton, & Alexys; and great-grandchildren, McKinley, Korbin, Wake, and Wroyce.

Funeral services will be held at 5:00 p.m. on Monday, August 30, at Doak-Howell Funeral Home with Carroll Crosslin officiating. The family will receive visitors at the funeral home from 3:00 p.m. until service time (masks are encouraged). Burial will follow in Hazel Cemetery in Bell Buckle.

Memorial donations may be made in his name to the Bedford Cancer Foundation @ www.bedfordcancerfoundation.org (by mail to P.O. Box 1523 Shelbyville, TN 37162) or to a charity of your choice.

A cocktail dinner was held Saturday afternoon at the Blue Ribbon Circle on the Celebration grounds to thank the board of directors for their industry support.

New Celebration CEO Warren Wells, who began in June, spoke at the dinner. (See more pictures on page 2.)

"Last year during COVID, we had a 10 percent increase in entries, and I thought there was no way we were going to increase like that again after last year. And we did. We had 10 more entries this year than last year. So, I thank you all for that," he said.

He spoke about how he and his wife, Jessica, are now in an industry they "love" after spending years traveling the state and country with his involvement in Tennessee government. And even though he may still feel like "a deer in the headlights" as the new CEO, Wells said he has been welcomed by the people of the industry.

The show season has been awesome. It has built up all year, the momentum has built up, and you all have shown it...I just want to thank everyone for all the excitement," he said.

called "The Landing at Townsend," will offer 97 units starting in the mid-\$200s and are slated to open for sale in October with move-ins occurring in the spring, according to the Smith Douglas sales and listing coordinator.

Zoning

The five or so acres the town homes will sit on, behind the Circle K convenience store, is split between commercial and high-density residential, according to Planning Commission chairman Warren Landers. The planning commission's job is to take recommendations to ensure the city grows according to the land map criteria.

"The City of Shelbyville can easily be sold to industry, but the people who work and run those industries, where are they going to live? Landers asked. "They're working in Shelbyville, but buying in Murfreesboro. We do have a shortage of housing; any realtor will tell you that."

There is also a shortage

in average-income rentals, places designed for people moving to Shelbyville for a job that may not be longterm, Landers said. And this shortage in housing and average-income rentals is not unique to Bedford.

Elaine Middleton, economic developer for Fayetteville, said their city is going "through the exact same thing," with a shortage in average-income places to rent.

Celebration security

By ZOË HAGGARD zhaggard@t-g.com

As members of the Celebration hope to see more and more people attend the shows, security concerns must be considered to ensure every individual is safe in such a large crowd.

That's why Bedford County Sheriff's Department has at least two carts, two deputies, and someone on the all-night shift patrolling the grounds daily, according to Chase Bledsoe, a sheriff's deputy who also serves as an SRO at Harris Middle School.

Still, not everything can be accounted for, Bledsoe said, referring to two dogs who were allegedly stolen during Saturday's evening shows.

Those numbers of day patrol increase to eight deputies for the evening shows as the Celebration anticipates larger crowds, according to Bledsoe.

Repeat 911 calls lead to arrest

T-G STAFF REPORT

A South Cannon Boulevard resident who thought his home was being broken into called 911 21 times between midnight and early afternoon Saturday, Shelbyville police said.

Colt Chambers was told several times by Officer Jerry Lawrence he was safe and to stop calling. No signs or indications of any breakin attempts were actually seen by police.

The calls kept coming and Chambers was charged with aggravated non-emergency contact of 911, with a bond of \$2,000 set.

Thefts

•A blue 2006 Dodge Stratus car was taken Saturday from a home where it was being repaired, police were told.

•A TroyBilt self-propelled lawn mower was stolen Friday from a Fairground Heights home three houses down from the auto theft.

Shoplifting

•A woman who allegedly took a fuse pack without paying Saturday at AutoZone, North Main Street, was last seen leaving in a Toyota iQ with an Alabama plate. She was described as white with blonde curly hair, in her mid-20s to mid-30s, standing 5-feet-8 to 5-feet-10 and weighing 120 to 180 pounds.

•A woman was charged with shoplifting Sunday at Walmart, police said. Jyasmin Castellano allegedly acted as if she was scanning seven items without actually doing so, a report said. She posted \$250 bond.

PROTECT YOURSELF.

Putting out a grease fire

ear Readers: Grease fires can happen so fast and be so dangerous. It's important to act ASAP to prevent one from spreading. Here are three ways to deal with it.

1. First, turn off the heat (if you can safely do so) and stand back. If you have a fire extinguisher in the kitchen, use it to do the job.

2. If there's a big metal lid handy, place it over the flames to contain them.

3. Grab a box of baking soda and toss a handful or two of it only onto the base of the flames to smother them, but do not pour the baking soda on the top of the fire because it could make the flames spread.

If it flares up or appears to be spreading, call 911 immediately.

Baking soda has many versatile uses around the house, and it also can save you money. For more helpful hints about baking soda, order my six-page Heloise's Baking Soda Hints and Recipes pamphlet by sending \$5 and a long, self-addressed, stamped (75 cents) envelope to: Heloise/Baking Soda, P.O. Box 795001, San Antonio, TX 78279-5001. FYI: If your dog needs a quick freshening up, rub a bit of baking soda through its dry fur, let set and then brush out. Don't use if your dog is on a sodium-restricted diet. -- Heloise

TAGGING GIFTS

Dear Heloise: As I near 80, I have been given gifts by dear friends. I recently made small tags and placed them on or behind certain gifts that I would like returned to my friends saying "Return to Pat" or "Return to Karen."

This way, when my children have to dispose of the contents of my home, they will have some small direction as to what to do with some of my possessions. -- Ken Chance, via email Ken, this is a thoughtful and practical suggestion and makes it easier to know what do with your possessions. -- Heloise

Dear Heloise: Per your recent column on using empty plastic milk jugs, I have another suggestion. We take some of ours, both gallon and half gallon, fill them with water and freeze them. They are great to put in our ice chests when we go camping and last longer than bagged ice. I've also brought them full of water when we go to the beach to wash the sand off our feet before we get in the car. -- Laura Bissey, via email

MESSAGES ON THE MIRROR

Dear Heloise: Re: leaving a note on the bathroom mirror using a corner of a bar of soap: Use a washable magic marker. It wipes right off with nary a trace. Many people don't have bars of soap anymore; they use liquid soap. -- Jeanne Fraser, Fredericksburg, Va.

Dear Heloise: A lady wrote in a hint about leaving messages on the bathroom mirror with soap. I use a dry erase marker, and it wipes right off and has no soap residue. -- Karen McVay, Colorado Springs, Colo.

SANITARY GLOVES

Dear Heloise: I would like to respond to your answer to the person who was concerned about her hostess not wearing gloves when mixing up the crab meat. Gloves are only sanitary if they have not been touched by unwashed hands or have not touched other unsanitary surfaces. Sometimes it is easy to forget that gloves pick up germs and spread them unless they are changed frequently and between tasks. Thanks for your

THE KIDS

We had all of the Teague clan here this past weekend. Little Piper got to show in the Celebration lead-line class and all of the family was here to cheer her on. It was one of our highlights of the year.

The boys have shown cattle and goats before, and we've all been there to cheer them on, but this time they led the effort to support her. The boys love her so much and it's the best feeling that Grandee and Meme can have to see all of our family support each other. She was so proud of her medallion that she received from the horse show and the red roses that we gave her, and the boys were so glad to be here for her. That's what it's all about for us.

CHATTANOOGA The Community Vikings spotted the Lookout Valley Yellow Jackets the opening touchdown of the game, but it was all Vikings the rest of the way as the bigplay Community offense scored the next 60 points en route to a 60-7 win in a non-region football contest Friday night.

The Viking offense scored at will against the Yellow Jackets, despite three possessions not yielding scores after three touchdowns were called back due to penalties.

It was an inauspicious start for the Vikings as Jaxon Quails of the Yellow Jackets was stopped at the line of scrimmage, but broke away for 42-yard touchdown run just 11 seconds into the game to give Lookout Valley a 7-0 lead.

Community (1-1)bounced back quickly as Maki Fleming raced 34 yards to pay dirt after taking a forward pass from Dallas Grooms. Grooms ran for the conversion as the Vikings took an 8-7 lead with 10:39 left.

The Vikings recovered the ensuing onside kick, but were their own worst enemy as a touchdown and two other first downs were called back due to penalties.

A fumble halted the drive at the Yellow Jacket 38-yard line.

After a Viking defensive stop, Fleming came up big again with a 51-yard punt return to give Community possession at the Lookout Valley 11-yard line. Riker Reid raced 11 yards to score with Grooms providing the

advantage to 16-7.

After a 53-yard TD pass from Grooms to Fleming was negated due to a penalty, the duo teamed up on a 24-yard pass play for the score with 10:26 left in the second quarter.

Jay Dabbs ran for two to put the Vikings up 24-7.

The Vikings recovered their second onside kick of the night to set up their next score.

Grooms ran 25 yards for the touchdown and John Stanley ran for the conversion to put Community up 32-7.

"That's our game. We're pretty good at it," Viking coach Chris Grooms said, referring to the recovery of the onside kicks. "We got two, but there's another two we almost had."

The Vikings had a touchdown called back on their next possession, but the defense came up big in the final seconds of the half.

After the Yellow Jackets had a first-and-goal at the Community seven-yard line, the Vikings drove Lookout Valley back on the next three downs.

On fourth down, Dabbs put an exclamation point to the Community defensive stand with a sack of the quarterback as the Vikings took their big lead to the intermission.

"The defense came together and had a good game plan," Grooms said.

Stanley scored from 20 yards out just over a minute into the second half as the Vikings increased their lead to 38-7.

Community failed to score on its next possession after an interception return of 78 yards by Grooms was ▶ See Vikings, Page 7

Defense, run game shine for Champs

By CHRIS SIERS

sports@t-g.com WOODBURY— For the first time since 2013, the Cascade Champions are off to a 2-0 start following Friday night's 25-0 shutout win at Cannon County.

For years, Cascade has hung its hat on playing solid defense and a complementary run game — and that seems to be the winning recipe so far in 2021.

Although the defense played lights out from start till finish, the Cascade offense was spotty at times, but looked to be in prime form through the second quarter and with a strong finish in the fourth.

"The defense played great. We shut them out. We won 25-0, but I'm not satisfied and they're not satisfied, which is good. We have to come out and play from the start, regardless of the opponent. Once we get to that point, we can be a pretty good ball team," Champion coach Jake Tyre said.

Defensively, Cascade looked as dominant as it has in the past several seasons, allowing just 66 total yards of offense to the Lions.

Cascade had two possessions in the first quarter, the second of which pushed to the Cannon County 28-yard line before the drive stalled on fourth down.

After the turnover on downs, Cascade forced a

punt, but a botched snap on fourth down during the following Cannon County drive set up the Champs up with prime real estate for the first drive of the second quarter.

Utilizing the twoquarterback system, Ryan Inmon orchestrated a drive to the Lions' red zone, but an interception on the one-yard line gave Cannon County (0-2) a breath of

Two plays later, the Cascade defense broke through the Lions' line and Sawyer Lovvorn made the tackle in the end zone for the safety with just over nine minutes left in the quarter.

With the defense putting the first points of the game on the board, Cascade took the following possession and made quick work of the Cannon County defense.

A healthy dose of runs by Conner Huie pushed Cascade to the one-yard line, where he was able to finish the drive on a oneyard touchdown run.

Drake Hodge's successful point after put Cascade up 9-0 with 5:50 left in the half.

offense After the answered, Cascade's defense once again came through and forced a three and out on the following Lion drive, setting up another scoring drive by the Champions.

With 3:27 left in the

half, Cascade was able to capitalize off the successful run game, led by Inmon.

Of his total 60 yards Inmon rushed five times on the drive for 41 yards on the drive, which was finished off on a five-yard scamper by Dylan Crouch.

Hodge converted his second successful point after, giving the Champs a 16-0 lead at the half.

While the offense churned out 108 yards in the second quarter, both Cascade and Cannon County struggled to find their offensive footing in the third quarter, totaling a combined 23 yards of offense.

On the first play of the fourth quarter, Cascade punted from its own 12-yard line, but a muffed return by the Lions allowed Cascade to recover and return the ball to the Cannon County 36

A personal foul, however, pushed Cascade back to its own 41-yard line.

Even with the penalty backing up Cascade, Cascade was able to once again press into the Lions' red zone.

A pair of incompletions prompted Tyre to opt for a 41-yard field goal by Hodge, which he in turn

split the uprights on with seven minutes left.

Hodge took the following kickoff and recorded his second touchback of the night, giving the Lions the ball on the 20.

The very next play, Cascade's defense came through again with an interception by Taylor Dowell, which gave Cascade the

Slow start hurts Eagles in loss to Tigers

By GARY JOHNSON gjohnson@t-g.com

LEWISBURG - Shelbyville Central is still searching for that first win of the season after a 21-14 loss at Marshall County in a non-region matchup on Friday night.

For the second week in a row, the Shelbyville Central offense got off to a slow start while the Eagle defense continued to make plays to keep the team in the game.

"Our offense hasn't played well early yet and I don't exactly know why that is. It is frustrating because I know how good we can be," Shelbyville Central coach Josh Puckett said.

"Overall, our defense played well again tonight. Our defense is playing well enough for us to be winning games and our offense has got to find a way to get into the end zone."

Talented Marshall County

senior quarterback Bryson Hammons suffered a seasonending knee injury in the season opener at Columbia and is scheduled for surgery this week.

"Losing Bryson is a huge loss to this team. He's had such a great high school career and he was going to have a big year this year," Marshall County coach Thomas Osteen said. "I think he would have been the best quarterback in our region no doubt and one of the best in the midstate."

Tiger backup quarterback Devonte Davis provided the spark on offense the Tigers needed, rushing for three touchdowns.

"Devonte Davis is just a football player, He contributes in all three phases of the game," Osteen said. "He's got some good tools to work with. He's one of the best football players in the mid-state that not many people know about. I'm really glad he's

on our team."

Marshall County scored first off a Davis three-yard run midway through the opening quarter. Wyatt Joyce connected on his first of three extra points for the 7-0 lead.

After a failed fourth and long by the Eagles, the Tigers took over on downs and Davis added a 26-yard TD. The kick after increased the lead to 14-0 with 4:48 left in the half.

Shelbyville Central followed with an impressive drive capped off by a three-yard touchdown run by senior Laquan Young in the closing seconds of the half. The run on the conversion attempt was no good leaving the halftime score 14-6.

The Eagles evened the score at 14-14 with 8:15 left to play when Kendall Trice hauled in a six-yard pass from Kade Cunningham. The duo teamed up for the twopoint conversion as well.

"Our defense kept getting stops and finally we put together a really good drive and scored then got the two-point conversion to give us a chance," Puckett said.

That chance was short-lived as the Tigers followed with a winning drive highlighted by an 18-yard TD run by Davis.

"Give credit to Marshall County, they put together a great drive and banged one in on us," Puckett said.

"We overcame some adversity and when we had to punch one in we did so just like we did last week," Osteen said.

Davis rushed for 71 yards on 13 carries while Demari Braden added 64 yards on 14 touches.

Young rushed for 107 yard on 20 carries while Cunningham collected 93 on 14 attempts.

"I don't know how much I'd have paid somebody coming in to hold Shelbyville to 14 points,"

Osteen said. "It feels like Kade Cunningham has been there for 10 years and he's such a great player. They have a lot of good players. I feel like they will win their region."

Marshall County faces region foe Creek Wood on Friday while Shelbyville Central travels to Coffee County for a region matchup.

VP Member Services/Operations Q: Hello. I heard Heritage South has a community event coming up. Can you tell me more?

A: Yes. Heritage South is having our annual Crafts (and More!) Festival on Saturday, September 25th n at our Shelbyville office at 736 North Main Street. The craft fair runs from 8:00am-2:00pm and will feature a wide variety of original and handmade crafts or goods from local vendors. We will even have a food truck or two there. If you would like to learn more, or know someone who would like to be a vendor at the craft fair, visit our website: www.heritagesouth.org/crafts. We hope to see you there.

ball on the 33-yard line. That drive ended on a

blocked field goal attempt. Even with the blocked 44-yard attempt, Dowell recorded his second interception of the game two plays later, setting up the final scoring drive of the night.

With Dowell's interception that was returned to the Lions' 10-yard line, senior quarterback Elijah Arnold connected with Lovvorn for an eight-yard touchdown pass for the final score of the night.

In total, Cannon County managed just 66 total yards of offense against a stingy Champion defense.

Cascade also did not allow a single pass completion by the Lions.

Cascade, by contrast, totaled 205 yards of offense, with 170 coming on the ground.

Huie led the ground attack with 86 yards on 20 carries, while Inmon chipped in 60 yards on nine touches.

"Conner did a great job. That's two weeks in a row he's done a really great job playing fullback. He had most of our offense," Tyre said.

Arnold completed three passes for 35 yards and a touchdown to his credit as well.

Defensively, Dowell, along with Austin Powell and Lovvorn recorded three tackles apiece.

While the win moves Cascade to 2-0 on this season, Tyre says his team has shown flashes of what the Champions are capable of, but have to put together all four quarters to compete for a region title.

"In the second and fourth quarter we were good. We have to get all four quarters together," he said.

Through two quarters, Cascade has outscored its opponents 54-0, but will have a tough task against the region opener at Mt. Pleasant this week.

"They work hard and come to work every day. They believe what we can do and the potential we have this year," he said.

The Vikings scored 25 seconds later as Reid recovered a fumble on the kickoff and went 22 yards for the score.

Dabbs ran for the sixth 2-point conversion of the night to increase the Community lead to 54-7.

"We work every day on our two-point game, so we know what we're doing," Grooms said. "It's not a play that they're confused about."

A running clock quickened the remainder of the game, but the Vikings managed one more score as Gavin Garcia dashed 21 yards for a touchdown in the final quarter.

"They're a special team to coach," Grooms said. "It's athletes across the board. We've only got 23 with us, but we've got four freshmen who'll be with us after the horse show.'

"It's a great bunch of kids," Grooms added. "When they say family, they mean it.'

Community will have a bye week before resuming play on September 10 with a home game against Perry County.

ASTROGRAPH FIFTH WEEK OF AUGUST

ARIES – Mar 21/Apr 20

Aries, this week will challenge your flexibility. It's possible you will have to change plans on the fly to accommodate developments at work or at home. TAURUS – Apr 21/May

21

Taurus, rather than trying to figure out why everyone is acting as they are, accept things and go with the flow. You will be much happier for it.

GEMINI – May 22/Jun 21

You are capable of dealing with intense emotional energy most of the time,

Gemini. So when someone needs a friend to confide in, you are the right person for the job.

CANCER - Jun 22/Jul 22 Cancer, normally you are an easygoing person. But something this week has you rattled and you may be all fired up about it. Redirect that energy to some projects around the house.

LEO - Jul 23/Aug 23

Leo, try to stay away from conflict this week; otherwise, you may be pulled in one direction or another. It is important to remain neutral, especially

at work. VIRGO - Aug 24/Sept

22

Virgo, don't worry too much about what other people consider to be right and wrong. Stick to your ideals and you won't be guided off course. You will find someone in your corner.

LIBRA – Sept 23/Oct 23

This is a great week to bring your mind into focus and set a firm plan for the next several months, Libra. Now is the time to make an important decision.

SCORPIO - Oct 24/

Nov 22

Scorpio, if your emotions suddenly seem more intense, you may need to change your social circle and find one that aligns better with your point of view

SAGITTARIUS - Nov 23/Dec 21

Strong forces may be working against you, Sagittarius. But you won't let them derail your plans. Stav the course and things will work out just fine.

CAPRICORN - Dec 22/ Jan 20

Capricorn, keep conversations light and away from any controversial topics as you meet new people in the days ahead. Let them take the lead in conversation. AQUARIUS - Jan 21/

Feb 18

There is a great deal of opportunity and potential to follow through on some major projects this week, Aquarius. It's up to you whether you're looking for work or fun.

PISCES – Feb 19/Mar 20

Pisces, this may be an eventful week marked by some disruptions to your normal routine. Stay calm in the face of conflict.
