THE MIGHTY DUCK

ROAD FLOODED

The mighty Duck River demonstrates a lot about what is going on in the city and county right now after torrential rains hit area this weekend and again this morning. Flooding was occurring Monday in Shelbyville, with all eyes on Duck River at Fisherman's Park and the possibility the city floodgate would be raised. See more pictures of flood inside today.

County sharing \$2.1 million land deal Potential 33 acres for industry

By DAVID MELSON

dmelson@t-g.com Bedford County Board of Commissioners voted unanimous approval last Tuesday of the county paying its share of a \$2.1 million land purchase for expansion of 231 North Industrial Park.

The land comprises approximately 33 acres at 2905 U.S. 231 North adjacent to the park. Current owner Janice Carlton will receive \$2.1 million, with the city and county splitting the cost evenly. The land will be annexed into the Shelbyville City limits.

pects for direct access to the highway. A new campus for Tennessee College of Applied Technology-Shelbyville (TCAT) will also be part of the park.

The park's current entrance is on narrow Frank Martin Road.

Before the land vote, Bedford County Commission moved last Tuesday in favor of a new interlocal agreement with the City of Shelbyville for operation and development of 231 North Business Park, replacing a previous agreement ratified in 2015. The resolution specifies that the park's oversight committee has the authority and responsibility to "enter into contracts or

execute any instruments" on behalf of the city and county and "define the terms of purchase of any land or property that may become part of, an addition to, or an extension of, 231 North Business Park.

Commissioner Greg Vick told fellow commissioners any financial actions involving the county would require advance approval by the full commission following advancement through the committee process.

moving forward, warning county commissioners of the consequences if the State of Tennessee decertified the county jail.

The facility finally opened in December 2019, a few months after Ray's passing.

Those attending the ceremony were able to watch a live stream as a sign was unveiled at the bypass's northwestern end by a sheriff's deputy.

Ray, who won state acclaim for strengthening the county's financial management and worked to bring the county more options for higher education, died Aug. 7, 2019, at age 82.

Ray left office at the end of August 2018 after 12 years as Bedford County's first African-American county mayor and 28 years before that as a county commissioner. He chaired the county commission for years as a commissioner and continued to chair it as mayor.

Speakers at the dedication ceremony praised Ray as a servant leader, a man of faith and compassion.

One of Ray's daughters, Dr. Kertrina Brame, quoted Philippians 4:13, "I can do all things through Christ who strengthens me," in reference to her father.

Granddaughter Mary Avent noted that Ray took great pride in Shelbyville and Bedford County and would talk about them to everyone he encountered while traveling.

Grandson Charles Avent Jr. said that it was appropriate that a bypass was named for Ray. "He was never afraid to bypass and get things done," said Avent.

Bedford County Clerk and Master Curt Cobb, a close associate of Ray's, listed all of the projects accomplished or begun during Ray's time in office, including Middle Tennessee Education Center; new buildings for Community High School and Cascade High School; an

OBITUARIES Derrick Lee Ada<u>ms</u>

September 17, 2021

Derrick Lee Adams, age 33, of Shelbyville, passed from this life Friday, September 17, 2021 Vanderbilt-Bedford at Hospital.

Born May 31, 1988 in Bedford County, he was the son of Terry Lynn Adams

and Cynthia Marie Leverette. He was preceded in death by his grandparents John Adams, R.C. & Lucille King Leverette; and his brother, Robert "Robbie" Adams.

Derrick was a graduate of Community High School class of 2006 and has been working with Radiation Protection Product Inc. of Chapel Hill for the past several years. He was a "good ole boy" always willing to help a friend in need. He enjoyed: hunting, fishing; anything outdoors, relaxing on the couch watching movies, and working of vehicles.

Along with his parents he is survived by: loving partner of 3 years, Brenna Leanne Evans; step-son, Aidan Leverette; grandmother, Bell Trivett; step-mother, Mary Ann Pate Adams; half-sister, Shelley Porch; and a host of aunts, uncles, and cousins.

Funeral service will be held 1:00 p.m. Wednesday, September 22, 2021, in the chapel of Doak-Howell Funeral Home with Brother Steven Leathers officiating. Burial will follow at Cothran Cemetery.

Visitation will be held prior to funeral service starting at 11:00 a.m. Wednesday at the funeral home.

Stanley David Pierce

September 15, 2021

Stanley David Pierce, 62, of Lynchburg went home to be with our Lord and Savior on September 15, 2021. He was the most loving and dedicated husband, daddy, papa, son, brother, uncle, and friend. The void he leaves behind is one that will never be filled.

Stanley was born on February 7, 1959 to Glen and Ann Pierce. He graduated from Moore County High School with the class of 1977. He went to work for Lynchburg Stone for years, and then on to Rogers Group. He recently retired from Rogers Group on July 2, 2021. On June 30, 1983 he married the love of his life and together they had their one and only, his little "Peewee".

Stanley loved his wife and loved nothing more than to pick and aggravate her. He knew and appreciated her devotion to him every single day. He nicknamed his daughter, Erin, "Peewee" and they were quickly a duo you would rarely see separated. He has two grandchildren that he was just crazy over. Nothing brought him more joy than being a Daddy and Papa. It was not a job he took lightly. He reprimanded when it was necessary, but his love for them was so evident in the way they hung on his every word. He could not talk about any of them without the biggest smile on his face. He was so, so proud. Stanley was the life of the party. There was not ever a room he walked in that didn't light up. He loved to tell jokes and was well known for making light of any situation. He never met a stranger, and if he did, he learned them very quickly. He loved to sit and listen to it rain. He loved tending to his cows, and outside of being at home with his family, the hayfield was his favorite place to be. He has spent countless days and years making rows in a hayfield. He knew the value of a dollar and worked hard for everything he had. He made sure his family never wanted for anything. He would have given anyone the shirt off of his back. He loved Jesus. He was strong. He was honest. He was loving. He was a giver. He was devoted. He was always early. He was the kind they just don't make anymore, and above all, he was a man's man. He touched so many people, who will never forget him. His legacy is one that will live on until the last day.

A visitation service was held Saturday, September 18, 2021 from 9 a.m.-12 noon with a funeral service immediately following at 12 noon. Brother Mike Awalt officiated. Flowers, donations, and condolences may be offered at Lynchburg Funeral Home.

County

of the sale of Park property for the acquisition of additional lands adjacent to or near the park for inclusion in the Park as approved through their annual budget process" - be removed and the remainder of the agreement approved. Anderson has consistently said that decisions involving "taxpayers' money" should be made by Shelbyville City Council and Bedford County Commission, not the oversight committee. That motion failed 9-8; 10 votes were needed to pass.

The commission voted 15-1 to approve the revised agreement with Anderson dissenting.

A change in the makeup of the park's oversight committee is included in the new agreement. The previous committee included a member of Shelbyville-Bedford County Chamber Commerce. That of position will now be filled by the Director of Economic Development for Shelbyville-Bedford Partnership Inc. Shane Hooper currently holds that position.

Hooper, as director of economic development

Shelbyville-Bedford member, and one representative each from the City and County governments in addition to Hooper.

Commissioner Linda Yockey said she disagrees with the committee rather than County Financial Director Robert Daniel approving contracts. She requested that a decision on the interlocal agreement be deferred until October's commission meeting so details could be studied further.

That request drew a strong response from Commissioner Jeff Sweeney, who said industrial development moves at a quick pace and that the Commission has a history of repeatedly delaying decisions. Sweeney said industrial prospects need and expect fast responses.

'This is a perfect example of what's going on with development economic right now," Sweeney said. "We have companies coming in that are talking to Shane, they're very interested in our industrial park, and they have a window to make decisions based on

location, finance, opportunity, other counties pursuing their business, and when they come into a meeting discussing business with Shane it's critical that we fail to give them an answer within 30 to 45 days...At some point we have to trust the system. It's frustrating...I know for a fact we've lost a couple of deals because we could not give them an answer."

Sweeney thinks the current industrial boom taking place across middle Tennessee will eventually reduce in number and the county needs to take advantage of current opportunities quickly.

"We're going to lose those opportunities, if we sit here every 30 days arguing about it," Commissioner Mark Thomas added.

Rezoning

Rezoning of 130 acres of land north and west of the U.S. 231 North-Eady Road intersection from A-1 (Agricultural-Forestry) to C-1 (Commercial Rural Center District) was unanimously approved by the commission.

"We have periodic inquiries regarding this property on Highway 231 North, and all of them are commercial in nature," an application

filed by a representative of owner DHRK Properties LLC said.

Businesses ranging from a concrete plant to a park containing businesses connected with the restoration and repair of extremely high-end high-performance vehicles such as Ferraris and Lamborghinis have been mentioned as possible uses for the property in previous zoning-related meetings.

Smith resignation

Questions were raised about why former commissioner Brent Smith, who resigned his District 1 seat after moving to the Wartrace area from his former home near Bell Buckle, wasn't participating in the meeting.

Former Commissioner Chasity Gunn announced her resignation in July but participated in the August meetings of the full commission and a subcommittee. The commission was told that Gunn had not yet moved to her new home outside her Shelbyville district at the time of those meetings.

Smith announced his resignation after his move.

Smith was praised and recognized for his work by fellow Commissioners.

How to make a complaint

ear Heloise: Speaking as someone who's been in business for over 57 years, I have a suggestion if you have a problem with the product or service you received from a small business.

First of all, don't take it out on the person who answers the phone. Calmly ask for the manager or owner. If it's a problem with the product, remember the store didn't manufacture it. Say something like, "I realize it's not your fault, but ,Ķ"

If it is a problem with the service or installation, say something like, "I'm sure you didn't mean to, however ,Ķ" Remember, you can catch more flies with honey than vinegar. The nicer you are, the more likely your problem will be resolved to everyone's satisfaction. -- Sally Rice

Sally, this advice is spot-on. Have all of your information at hand -bills, receipts or emails -about the problem you are having. Discuss the issue calmly to work it out and get the result you want. -- Heloise

HAIRSPRAY STUCK ON CURLING IRON?

Dear Readers: If you use a curling iron, it's likely that hairspray will accumulate on it. Here's how to remove that sticky spray. First, after using the curling iron, unplug it and allow it to cool. Then use one of these two ways to get the spray off:

1. Pour a couple of drops of rubbing alcohol on an old washcloth or terry-cloth towel. Wipe over the surface of the iron. Then clean off with a water-dampened cloth.

2. Make a paste of equal parts baking soda and water. Rub this mixture over the surface and wipe off with a slightly wet cloth.

LUGGAGE STOLEN

Dear Heloise: While on my honeymoon in Hawaii, we had a twohour layover before boarding our plane. We decided to take a walk on the beach. We put our luggage and valuables in the trunk. Everything was stolen. While making a police report, the policeman informed us that the trunk is much easier to break into than the interior of the car. I now carry a towel the color of my floor mats. I place my valuables on the floor of the passenger side and cover them with the towel. Live and learn. --Judy Feldmeth, via email

PREVENTING THE POT FROM BOILING OVER

Dear Readers: When you are going to boil hot water for pasta and you don't want it to boil over, here's what to do. Rub a bit of vegetable oil or butter around the inside top inch or two of the pot before you add the water. And here's another hint passed down by our grandmothers. Put a wooden spoon across the pot to stop it from boiling over. But always pay close attention to a boiling pot. -- Heloise

Kayaking dos and don'ts

Kayaking is a healthy and enjoyable activity that attracts new enthusiasts all the time. Part of what makes the sport so popular is the relative ease with which people can get started. Kayaking requires minimal gear (kayaks can be rented if not purchased) and no advanced skills are required. However, kayaking is not to be taken lightly, as water sports can be unpredictable. Adhering to certain dos and don'ts can make kayaking safer.

• DO choose the right boat. There are boats rated for kayak racing and those that are strictly for recreational purposes. Some boats are meant for calmer waters and others for waves and open seas.

• DON'T forget to check the weather forecast before heading out in the water.

NOTICE OF PUBLIC HEARING

This Notice is to inform the public that the Shelbyville Housing Authority

in accordance with Section 511 of the "Quality Housing and Work Responsibility Act (QHWRA) of 1998" and HUD's implementing Regulations, will hold a Public Hearing on the Housing Authority's Public Housing Agency Plan (Five Year Plan) for the Fiscal Year Beginning January 1, 2022 – 2026. The Draft Public Housing Agency Plan and supporting documentation may be reviewed by all interested parties at the Shelbyville Housing Authority Office. The Office is located at 316 Templeton Street, Shelbyville, Tennessee. All interested parties are requested to make comments and recommendations before the Board of Commissioners adopts the Five-Year Agency Plan and submits to HUD for approval.

The Public Hearing will be held as follows: Date: September 22, 2021 Time: 12:00 Noon Location: Tate Street Community Center 539 Tate Street Shelbyville, Tennessee Comments should be addressed to **Mr. Ronald Tillman,**

Executive Director, Shelbyville Housing Authority, P.O. Box 560, 316 Templeton Street, Shelbyville, TN 37160. Comments should be sent on or before the date of the Public Hearing.

Bedford County fire trucks were moved from the Normandy hall Sunday night due to fears from the rising Duck River wound flood the Front Street building. By early Monday, the water was well away from the building.

Vehicles attempt to avoid water-damaged pavement on Front Street in Normandy on Monday morning. Roadways were damaged in several areas around Normandy due to high water Saturday and Sunday.

Heavy rains soak Bedford County

By DAVID MELSON dmelson@t-g.com

Water was seemingly everywhere Monday as three waves of heavy rain soaked Bedford County.

Flooding was occurring Monday in Shelbyville, with all eyes on Duck River at Fisherman's Park and the possibility the city floodgate would be raised.

The National Weather Service had forecast Duck River to peak at 29.5 feet, well above the 25-foot flood stage, Monday night. But that forecast was issued before additional rains moved into the area Monday morning.

At 29 feet, water reaches the access road at St. William of Montevergine Catholic Church on South Brittain Street, property near Tyson Foods on West Jackson Street and buildings along the east side of South Cannon Boulevard.

West Jackson Street was closed due to high water Monday morning.

The first wave of storms took its main toll in a valley on Carr Creek Road at mid-afternoon Saturday. A flash flood led to a torrent pouring down one particular area, washing away property and vehicles at a home at 555 Carr Creek Road. Cars were stranded in high water on Carr Creek Road and nearby Rowesville Road. No injuries were reported. Continuous heavy rain county-wide Sunday, added to Saturday's storms, led to Duck River reaching flood state. The river also rose due to water being released at Normandy Dam, according to the Tennessee Valley Authority. Low-lying areas of College Street and Front Street in Normandy were flooded, as well as Dement Bridge north of Normandy and the Three Forks Bridge area near Wartrace.

Street flooding was occurring at mid-morning Monday in Shelbyville due to an hour-long heavy rain that tapered off before noon.

This late model Ford Mustang was caught by high waters and swept downstream on Carr Creek Road near Normandy during Saturday afternoon's heavy rain. It remained in a roadside ditch Monday.

AC NOTES

Normandy's fire trucks were moved by volunteer firefighters to Front Street, up the road from the fire hall, late Sunday night due to rising water.

FARMERS MARKET

The market will continue to be open on into October. The late planted summer crops are still in good supply. The fall vegetables are coming in and available.

Come to the market at the Pavilion next to the big blue water tower at the Celebration Grounds. The market is on Thursday afternoons at 2:30 pm.

AG ENHANCEMENT

We're coming up on the application period of October 1-7. We have the application packets at the office. I urge anyone with interest in the program from the Tennessee Department of Agriculture to come by and pick one up.

There are project costshare sections for livestock, row crop, poultry and diversified farming enterprises. Each one has operation requirements and project limits and that information is in the packets. Come by the Extension office at 2105 Midland Road and look this costshare program over to see if it will help your operation.

There certain eligibility certifications that are required, and I can do those trainings here at the office by appointment. But with a short time left, it is important to look at the requirements now to determine what is needed now.

CATTLE MARKETS

The fall run of spring-

born calves has started. Local markets have had an increase in numbers of calves. This run has caused some depression in calf prices. The Tennessee market Highlights reported steers down \$2-\$6 per cwt. and heifers down \$2-\$7.

Cow culling has started in the western states in response to dry conditions and limited feed supplies and our own culling season has begun. With an increase in cow numbers for harvest, the market for such cows dropped \$2-\$4 cwt.

Corn was up 10 cents on the December futures and closed at \$5.37/bu. Tennessee is projected to make a record crop, but other parts of the country will be well below their average yields due to the weather of extreme dry weather or wet, depending on location.

CURRENTLY

ាមមា

Soybeans were down, with lower exports reported for the pasts few weeks. November soybean futures closed down 2 cents at \$12.84. While that is not a huge drop, it is still less money. When you put 2 cents on several thousand bushels, it a lot of money. Most of our farmers have presold a good bit of their crop at a price predetermined, but those soybeans not sold are still at risk.

WISDOM

I like to share quotes that I think are thoughtful and good guidance. I get several from the Progressive Farmer's Cornerstones section.

most of my great aunts and uncles were teachers, and don't forget my wife Melody who was and is a teacher, I appreciate schools. And I have worked for the University of Tennessee for forty-plus years now. So, I believe in the importance of education. But now for the quotes.

John Dewey said "Education is not preparation for life; education is life itself." Senator Charles Grassley of Iowa said "What makes a child gifted and talented may not always be good grades I school, but a different way of looking at the world and learning." Albert Einstein said "Education is what remains after one has forgotten what one has learned in school."

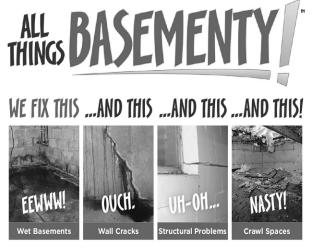

Tom Bodett said "In school, you're taught a lesson and then given a test.

In life, you're given a test that teaches you a lesson." Lily Tomlin said "I like a teacher who gives you something to take home to think about besides homework." Booker T. Washington said "I had a feeling that to get into a schoolhouse and study... would be about the same as getting into paradise." Nelson Mandela said "Education is the most powerful weapon which you can use to change the world." Malala Yousafzai said "Let us remember:

one book, one pen, one child and one teacher can change the world."

Think about all of these quotes. They really mean a lot to me. Some valued education because it was hard to get. Some valued thinking outside of normal education.

Which child will discover the cure for our deadly diseases? Solve world issues? Help humanity? I wonder.

The Cascade sideline erupts in celebration after the officials signal touchdown following Elijah Arnold's one-yard plunge into the end zone with one second left on the clock.

Kobe Inmon (4) and Dylan Crouch (36) combine to make a stop against Richland in the fourth quarter on Friday night.

Ryan Inmon barrels his way to the Raider four-yard line as the clock winds inside 30 seconds to go against Richland on Friday night.

Cascade wins fifth-straight game

LYNNVILLE — The Cascade Champions haven't had a 5-0 start since the 2008 season, until now. Cascade (5-0, 2-0) won its fifth-straight game to start the 2021 season on Friday night, scor-

ing the game-winning touchdown late in the fourth quarter to stun

unbeaten streak to start the 2021 campaign and not only had to battle a hostile road environment, but the elements as well.

Following a scoreless first quarter, the game was halted because of a lightning delay with 11:44 left in the first half.

the following drive that finished with a one-yard touchdown by Sam Edwards at the 1:25 mark in the second quarter.

Things nearly took a disastrous turn for Cascade after the Champions fumbled the ensuing kickoff on their own 20-yard line.

After Inmon's score, Richland orchestrated another lengthy drive that chewed up nearly six minutes off the clock.

The Raiders were able to keep the chains moving on the drive, twice converting on third down and once on fourth down before retaking the lead on a seven-yard run by Edwards as zeroes hit the clock.

"We were setting up all week for a wall on that side. He (Dixon) got it and went with it," Tyre said.

The two teams continued to play the field position game until Cascade punted with under five minutes left in regulation, setting up the Raiders with first down from their own 20-yard line. Three plays later, Champion sophomore Dylan Crouch came through with perhaps the biggest defensive play of the night- a tackle on a Raider pass reception that netted zero yards, prompting a Richland punt with 3:01 left on the clock. Taking over possession on the Richland 41-yard line, and a full supply of timeouts left in the arsenal, Inmon methodically moved Cascade into the red zone, gaining 36 yards on five carries before

the Richland Raiders, 21-14.

Cascade never led until it mattered most, when Elijah Arnold bulldozed his way through the Raider defensive line with one second left to score the gamewinning touchdown.

"We're the cardiac kids. We like to make it interesting. They did what they're supposed to do. They stayed in the game the whole time with the delay and all the injuries we had, we played the game until the final whistle and you can't ask for more than that," Champion coach Jake Tyre said.

Cascade entered Friday night's Region 5-AA matchup riding an

After an approximate 30-minute delay, Cascade forced a quick Richland punt and took possession on its own 21-yard line.

With a steady mix of pass and run plays, Cascade appeared to have a big gain on a pass from senior quarterback Ryan Inmon to Hayden Dowell set up the Champs into Richland territory.

But on the same play, while Cascade pushed the pile to pick up more yardage, Richland (1-4, 0-2) stripped the ball and took over possession on the 46-yard line with 8:15 left in the half.

The Raiders chewed up nearly eight minutes of game clock on

With a dwindling clock, the Cascade defense held strong and forced Richland to attempt a 28-yard field goal, which missed wide right just before the half.

After forcing a punt on the first drive of the third quarter, Cascade finally mobilized its offense on a scoring drive that spanned just over three minutes that churned out 58 yards of offense before Ryan Inmon broke loose on a 39-yard score with 6:03 left on the clock.

Drake Hodge connected on his first of three successful kicks to tie the game at seven apiece.

As the quickly as the momentum shifted in the Raiders' favor following Edwards' second score of the night, Cascade snatched it right back, barely 15 seconds later.

On the ensuing kickoff, which opened the fourth quarter, Xamarion Dixon took the return inside the Cascade 10-yard line, found his blockers along the right sideline and returned the kickoff 95 yards to once again knot the score after Hodge's second kick of the night.

Vikings drop 4-AAA opener

By RICKEY CLARDY For the T-G

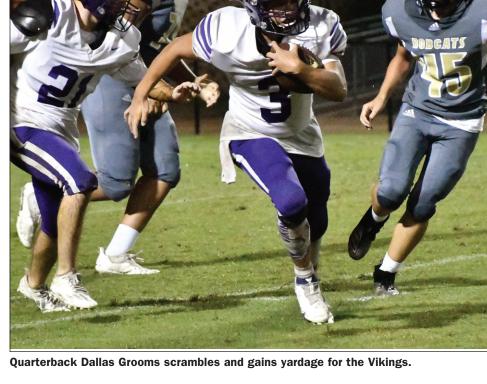

PULASKI The Vikings Community made some noise with an impressive scoring drive in the opening quarter, but couldn't maintain the momentum as the undefeated Giles County Bobcats defeated the Vikings 57-8 in a Region 4-3A football game Friday night.

After the game was delayed an hour and twenty minutes due to lightning, the first half was played in a steady rain as the Bobcats took the opening kickoff and scored in just over a minute on a run by Kamari Turner to take a 6-0 lead.

D.J. Gardner scored from 10 yards out on the next Giles County possession to give the Bobcats a 14-0 lead before the Vikings came to life.

the drive stalled inside the five.

As time dwindled, Cascade lined up and Inmon took the direct snap and appeared to break the plane of the goal line, but was eventually ruled short, with eight seconds left.

Cascade then turned to senior quarterback Elijah Arnold, who finished the drive on a quarterback sneak to secure the final score of the night.

In total, Cascade gained 231 offensive yards, with 160 coming on the ground. Inmon led the attack with 11 carries for 108 yards on the ground and also completed 3-of-7 passes for 46 yards as well.

The Raiders proved to be a resilient bunch, relying on an effective pass game on third down.

Richland quarterback Bryce Miller completed 8-of-16 passes for 97 yards. As a team, the Raiders totaled 265 yards of offense on 60 offensive plays.

While the defense came through with the needed stops when it mattered most, defending against the effective third-down pass is something that has to be improve as the season marches on. "We weren't coming up on them like we should have been. We have to be able to attack that a little better," he said.

pass that forced the final Raider punt of the night that set up Cascade's gamewinning drive.

Friday night's win marked the second Region 5-AA win of the season and sets the Champions on a collision course with the Forrest Rockets, who also won their second region game of the season on Friday night, beating Summertown 33-7.

The 5-0 mark is the best start to the season by a Cascade team since the 2008 squad that won 12-straight, including a push to the state semifinals.

While a 5-0 start is nothing to look past, Tyre says his team is far from complacent, despite the best start in 13 years.

"We're not there yet to get complacent. We have some injuries we have to battle through. We have a lot we have to do— a lot we have to work on," he said.

Clemson, Ohio State slip; Penn State jumps to 6th in poll

By RALPH D. RUSSO

AP College Football Writer

Clemson and Ohio State slipped to the back of the top 10 in The Associated Press college football poll on Sunday and Penn State jumped four spots to No. 6 after another weekend in which lots of ranked teams had issues.

Even No. 1 Alabama.

The defending national champion Crimson Tide remained an overwhelming No. 1 after holding on to beat Florida 31-29, Alabama's closest margin of victory during its current 17-game winning streak. The Tide received 59 of 62 first-place votes.

No. 2 Georgia, which had no problem with South Carolina, received the other three first-place votes in the AP Top 25, which is presented by Regions Bank.

No. 3 Oregon moved up a spot and No. 4 Oklahoma slipped one after a close victory over Nebraska.

Iowa was No. 5 for a second straight week and Penn State has its best ranking since the Nittany Lions were fifth on Nov. 3, 2019.

Penn State beat Auburn on Saturday night to give it two victories against ranked teams, along with Wisconsin.

No. 9 Clemson and No. 10 Ohio State both won Saturday, but neither looked typically dominant. The Tigers managed only 14 points against Georgia Tech and the Buckeyes struggled defensively before pulling away late against winless Tulsa.

Clemson was last ranked this low early in 2015, when the Tigers started the season in the low teens but ended up playing for the national championship.

For Ohio State, 11th has been its lowest rankings since the 2014 season, when a Week 2 loss to Virginia Tech sent the Buckeyes tumbling as far as No. 23. They never lost again that season and won the national title.

The last time Clemson and Ohio State were both ranked below No. 8 was Nov. 2, 2014, when Ohio State was 13th and Clemson was 19th.

ous noise that hadn't been heard for nearly two years.

The Titans leaned on their All-Pro star and staged the kind comeback they haven't pulled off in a regular-season game in more than a decade.

"I don't think anyone expected us to come here and get a 'W," Henry said. "I knew if we stuck together, trust in what we preach and what coach preaches, play the way we practice, it would eventually come together for us."

Henry ran for 182 yards and two fourth-quarter touchdowns, Randy Bullock hit a 36-yard field goal midway through overtime, and the Titans rallied from a 14-point deficit to stun the Seattle Seahawks 33-30 on Sunday.

"It just never ceases to amaze me. We just got to keep being in opportunities and being in football games where he can help us affect the outcome," Titans coach Mike Vrabel said. "That's really what happened today.'

Down 24-9 at halftime and 30-16 early in the fourth quarter, the Titans leaned on their All-Pro running back, who carried them on the day Seattle welcomed fans back for a regular-season game for the first time since the end of the 2019 season.

They left in silence, thanks to Henry, a terrific fourth-quarter drive from Ryan Tannehill and Seattle's missed opportunities.

The Titans rallied from a 21-3 halftime deficit to beat Kansas City 22-21 in the 2017 playoffs. The last time Tennessee pulled off a bigger comeback in the regular season was 2006

when it erased a 21-0 halftime deficit to beat the Giants 24-21.

Seattle led by 14 after Freddie Swain busted free from coverage for a 68-yard touchdown with 13:06 left. But Jason Myers missed the extra point, hitting the upright and setting the stage for a wild conclusion.

Henry rumbled 60 yards for his second touchdown of the game less than a minute after Swain's TD catch. His 1-yard run with 29 seconds left in regulation and the extra point from Bullock tied the game at 30.

And when Tennessee needed yards in overtime after nearly ending the game with a safety, Henry had four runs for 21 yards to set up Bullock's winning kick.

Henry also had a careerhigh six receptions for 55 yards and his 182 yards rushing matched the most allowed by Seattle during coach Pete Carroll's tenure. Tannehill was 27 for 40 for 347 yards and Julio Jones had the 59th 100yard game of his career with six receptions for 128 yards.

Most important, the Titans avoided an 0-2 start.

"I don't get caught up in all the scenarios and records," Henry said.

Russell Wilson was splendid for three-plus quarters, but struggled in the closing minutes of regulation and overtime when Seattle had chances to put the game away.

Wilson was 22 of 31 for 343 yards and two touchdowns, including a 63-yard

Four runs from Henry set up Bullock, who hit from 33, 30 and 24 yards, and missed from 44 earlier in the game.

"Happy for him that he can get recognized and help his football team win," Vrabel said.

Seattle's first home regular-season game with fans since Week 17 of the 2019 season was a giant party from the pregame concert with hometown hip-hop artist Macklemore to the roar after Lockett's long touchdown reception that left the stadium swaying.

But the atmosphere turned tense in the fourth quarter and downright sour as fans headed for the exits.

Tannehill was 7 for 7 on the final drive of regulation, six of the seven passes going to running backs. The Titans faced just one Kingly company

Henry now has four career games with at least 150 yards rushing and three or more touchdowns. Only Barry Sanders (six), Jim Brown (six) and LaDainian Tomlinson (five) have more. Eric Dickerson also had four.

Henry also became the 18th player in league history with at least 10 games of 150 yards rushing. The Titans are 10-0 in those games.

"He got rolling, and when he gets rolling, he's dangerous," Seattle's Jamal Adams said.

Injuries

The Titans' offensive line took a big blow two hours before kickoff when left tackle Taylor Lewan limped off the field with a knee injury suffered in early pregame warmups. Ty Sambrailo started in Lewan's place, the same role he took on last year after Lewan was lost to a season-ending knee injury in October.

The injury woes up front persisted for Tennessee as left guard Rodger Saffold III went down with a shoulder injury briefly in the first half, returned, then left for good in the third quarter.

Seattle right tackle Brandon Shell left in the fourth quarter with an ankle injury and DK Metcalf seemed bothered late after banging his knee, Carroll said.

Up next

Titans: Host Indianapolis on Sunday.

Seahawks: At Minnesota on Sunday.

ASTROGRAPH SECOND WEEK OF SEPTEMBER

ARIES – Mar 21/Apr 20 Attention to detail is very important this week, Aries. Be sure not to lose your focus as things you do will be highly scrutinized by others. Ask a third party to check your work.

TAURUS - Apr 21/May 21

Give others room to breathe and respect how they're feeling in certain situations, Taurus. Just because vou feel comfortable doesn't mean others will as well.

GEMINI - May 22/Jun 21

Gemini, reminisce about

those people with whom you had strong connections. If you lost touch, this can be a great time to rekindle relationships and move forward.

CANCER - Jun 22/Jul 22 Feel out the crowd and make adjustments to the way you interact with others based on the vibe you're getting, Cancer. If people are outgoing and boisterous, follow suit.

LEO - Jul 23/Aug 23 Maintain a positive outlook in regard everything you encounter this week, Leo. A positive perspective can make all the difference when a lot is on your plate. VIRGO – Aug 24/Sept 22

Virgo, a quest to discover something new about yourself could prove fruitful. Take an introspective approach to the next few days and be ready to learn something new.

LIBRA - Sept 23/Oct 23 This could be an extremely creative week for you, Libra. Afford time for artsy pursuits and you may be surprised at what you can create. You may discover a new passion.

SCORPIO - Oct 24/Nov 22

Scorpio, you're not typically one who excels with last-minute details. Therefore, start planning on an upcoming event and make sure you have all of your ducks in a row.

SAGITTARIUS - Nov 23/ Dec 21

Listen to your emotions, Sagittarius. While you tend to deal with situations by acting rationally, this time around you may have to go with your gut and your heart.

CAPRICORN - Dec 22/ Jan 20

This is a week to sit back and slow down.

Channel summer vibes even if it's not quite summer any longer, Capricorn. If you didn't have a chance to get away, do so this week.

Motorists should slow down and proceed with caution around City streets. When heavy rain falls right now, streets become flooded. Plowing through rain is not beneficial for anyone. Several motorists were speeding through flooded streets on Monday morning at the intersection of **Deery and East Depot. Bedford County Fire** Department worked in the rain to help.
