WHAT TO HAVE ONBOARD

When preparing to go out on a vessel, there are a few things you need to check that are legally required to be on board. The Missouri State Highway Patrol, Water Patrol Division advises operators to make sure these items are handy.

PERSONAL FLOTATION DEVICES

Under federal law, a wearable PFD is required for each person on board regardless of vessel length. Children under the age of 7 must wear a U.S. Coast Guard-approved PFD at all times unless the child is confined to a totally enclosed area such as a houseboat or a day-cruiser.

NAVIGATION LIGHTS

The required navigation lights differ depending on the size and type of your vessel. You must display the required navigation lights between sunset and sunrise and during periods of restricted visibility.

FIRE EXTINGUISHER

All vessels (there are few restrictions) are required to have a Type B, U.S. Coast Guard-approved fire extinguisher on board in an accessible area. Check the charge level of your fire extinguishers regularly. Replace them immediately if they are not fully charged.

SOUND PRODUCING DEVICES

Vessels more than 16 feet but less than 40 feet in length are required to carry a whistle or horn to signal intentions or positions. Vessels that are 40 feet or more in length are required to carry a whistle or horn and a bell on board.

This is only a partial list. For more information and regulations go to www.mshp.dps.missouri.gov

FISHING EVENT

Last chance to register for bass tournament

The International Union of Operating Engineers Local 148 is hosting its 36th annual Bass Tournament to benefit Ronald McDonald House Charities of St. Louis.

The tournament will be held September 9 at PB2 on Lake of the Ozarks.

A group of dedicated and energized Local 148 volunteers, both active and retired members, have donated a weekend of their time to raise money for charities dedicated to battling childhood diseases. Since its inception at Sterett Creek on Truman Lake in 1988, this one-of-a-kind tournament has raised about \$1.9 million for Cystic Fibrosis research, the Leukemia & Lymphoma Society, Cardinal Glennon Children's Hospital, and now the Ronald McDonald House of St. Louis.

The Ronald McDonald House of St. Louis provides a home away from home for families of seriously-ill children, and support to organizations that serve the needs

of children. St. Louis' three Ronald McDonald Houses offer parents and family members a respite from hospital waiting rooms 24 hours a day, 365 days a year. Their houses provide the essential comforts of home.

The tournament is designed to allow your everyday fisherman the opportunity to have a fun day of fishing along with helping a great cause. The grand prize is \$2,500, all you have to do is register as a fisherman. You don't even have to catch a fish to qualify to win. There will also be cash prizes based upon 10 percent of the number of boats fishing. Entry fee is \$200

includes a variety of attendance prizes, brats and complimentary beverages Friday evening, and a pork steak dinner with complimentary beverages Saturday afternoon.

Friday night local guides will attend to speak about fishing conditions and other topics at the Lake.

BOATING

Boating safety tips for Shootout

Soon you will be hearing the roar of boat engines racing down a 3/4-mile straight away racecourse. This is the largest unsanctioned boat race in the midwest with over 100 racers and 100,000 spectators. This will bring the top racers and offshore racing powerboats from all over the world reaching speeds of 200 miles per hour.

You will see a local favorite, American Ethanol, a seven-time Top Gun winner at the Lake of the Ozarks Shootout. Last year, American Ethanol made a run of 207 miles per hour on Sunday's race day.

Many racers hope to beat the all-time speed of 244 miles per hour by world-renowned powerboat racer Sheikh Hassan bin Jabor Al-Thani in a 96 Spirit of Qatar catamaran.

The Shootout is much more than a race. The Lake Rescue Shootout started in 1988 as an event where many local boats participated simply to establish who had the fastest boat. As the years went by it became a bigger and bigger event that also helped supplement the Lake area fire departments water rescue efforts. In 2022, the Shootout raised and donated \$625,000 to 32 different charities and eight fire departments.

The Shootout is a must-see event. Many spectators will come by water, so please note there are no wake zones in place for each day. Saturday's no wake is from the 31 to 36-mile markers from 8 a.m.-5:30 p.m. An extended no wake applies that day as well from the 21 to 31-mile markers from 1-7 p.m. On Sunday the no wake zone remains the same as the day before – from the 31 to the 36-mile marker from 8 a.m.-5:30 p.m.

The Shootout committee's goal is to have one of the safest charity events on the water, and to protect not only the participants and spectators, but also local residents. Please help us to accomplish this goal.

Some tips to have a safe race day

1. When you arrive at Captain Ron's there will be safety boats to assist you in anchoring and positioning your boat. Please follow directions, and do not block other boaters' navigation abilities.
2. Drink plenty of water along with alcohol. If you feel that you may have too much alcohol, have a designated driver. You don't want to get arrested for boating while intoxicated.
3. Watch out for swimmers in the water when moving your boat. If you or your passengers are in the water, wear a life jacket.
4. If anchoring overnight, or if you have air conditioning onboard, be sure your on-board generator is properly vented and your CO2 detector is working properly.
5. Take your trash with you. Let's keep the Lake clean.

BOATING

George Denny photography

6. When leaving the race area, it is no wake. Stay out of the race lanes. They will be marked. Do not cross into them.

7. You have watched the performance boats all day and may be inspired to think your boat could be a race boat. This is not the time to try to emulate the professionals. Be courteous. Obey the no wake zones.

8. If you have an emergency, contact *55 for the dispatch of the Highway Water Patrol Division. To contact the United Coast Guard and the Coast Guard Auxiliary, use channel 16.

Keep it safe and enjoy the race days!

Make magic at community foundation dinner fundraiser

The annual Community Foundation of the Lake Champagne Campaign fundraiser will be held at Shawnee Bluff Vineyard in Lake Ozark Saturday, Sept. 30. Doors open at 4:30 p.m.

This year our theme is "Make Magic Happen." Magician Gerry Tritz will entertain you as well as DJ Justin Farrell. Chris Galloway of PaPPO's restaurant and Melissa Galloway of Mama Cita's restaurant will be providing dinner.

This event raises funds for the CFL's annual grant round held at the beginning of each year and helps more than 25 deserving non-profit organizations in Camden, Miller and Morgan counties.

CFL President Stacy Pyrtle states, "the CFL's mission is to build the educational, cultural, health and economic development of the Lake community. The CFL board and long-standing donors are dedicated to continued growth in gifts coming in and in grants going out. Last year alone the CFL granted \$90,000 to local nonprofits. We can be proud to live at the Lake and now must engage and cultivate "next-gen" donors through collaborative philanthropy and learning about community needs."

Since its inception in 2009, Community Foundation's annual fundraiser has led to more than \$600,000 in grants to local charities such as Wonderland Camp, Children's Learning Center, Lake Area Industries, CADV, Kids' Harbor, Medical Missions for Christ, Share the Harvest Food Pantry, Buddy Packs, Big Brothers/Big Sisters, Westlake Aquatic Center, Lake Arts Council Children's Theater and more.

Corporate and table sponsorships are available by calling Jan Amos at 321-258-5828.

Tickets are \$65 and will include dinner, games, raffles, live and silent auction items. Some of the live auction items include two Wet Steps, a half side of beef, a shadowbox showcasing commemorative law enforcement patches and a Henry .22 caliber American Law Enforcement rifle.

Event tickets or sponsorships can be purchased online at our website, www.communityfoundationofthelake.com or from the link on our Community Foundation of the Lake FB page.

Donations can be given in any amount at any time to benefit community needs identified by the CFL Board of Directors or directed by donors for a specific program or purpose.

Bid on some amazing items from Lake area businesses during the live and silent auction.

Mountain Man festival showcases frontier life

Photo provided

Above: Check out the many encampments at the festival. At right, Jesse Martin.

The Lake of the Ozarks Mountain Man Festival is returning. Held September 23 & 24 at the Laurie Hillbilly Fairgrounds, demonstrations, a traders row, primitive skills and live history will be showcased.

Organizers say the event is a mountain man encampment reminiscent of the Mountain Man Festival held Below Bag-nell Dam several years ago.

According to re-enactor and festival organizer Jesse Martin, the event celebrates the culture, skills and way of life of the mountain men and trappers who explored the country, surviving in the wilderness.

Step back in time to experience the rugged and adventurous early American frontier. A bow shoot, knife throwing, vendors selling primitive items, blacksmithing and demonstrations will be held throughout the weekend. Hours are 9 a.m.-6 p.m. Saturday and 9 a.m.-1 p.m. Sunday.

Martin says he expects between 20 to 30 campers set up representing both the eastern and western styles. He explains that the eastern long-hunters are the ones that opened the country, expanding to the Mississippi River while the western mountain men lead the way from the Mississippi west.

"They don't get a lot of credit in the history books but these were the men that lead the way on our westward expansion," Martin said.

Martin has been involved with mountain men festivals for about 30 years. He switches back and forth between both historic periods but says he covers everything from the 1740s to the 1840s with his selection of gear.

For more information, call Jesse Martin at 417-844-7916 and James Bryant at 573-374-8766.

Culpepper & Merriweather Circus on Facebook

The big top is coming to Eldon Wednesday and Thursday, Sept. 6 and 7, as the Eldon Lions Club hosts the Culpepper & Merriweather Circus at the Miller County Fairgrounds in Eldon.

Shows are at 5 and 7:30 p.m., with the raising of the big top between 9:30 and 10 a.m. Wednesday. Free tours will also be given after the circus tent is raised, including a walking tour of the circus grounds.

The two, 90-minute shows will feature aerialist Simone on the trapeze, Trey Key and the big cats, bareback horse riders, the Perez duo on the tight rope and wheel of destiny, Elizabeth Ayala's foot juggling and hair hang and circus clown Leo Acton.

The midway opens each day at 4 p.m. with pony rides, a moon bounce, giant slide, face painting, concession stand and box office open.

Advance tickets are \$13 for adults, \$8 for seniors (65 and older) and children ages 2-12, and may be purchased at Central Bank in Eldon, Citizens Bank of Eldon, the Eldon Area Chamber of Commerce office and Mid State Signs. Children under age 2 are free.
