## MESSAGE FROM THE OUTGOING CHAMBER PRESIDENT

### ASHLEY SWEGLE

It has been my honor to serve as the President to the Board of Directors for the Camdenton Area Chamber of Commerce for the last two years. In those two years I have seen some incredible things, and I am so proud of this organization and community. We have seen membership growth and record number years for the Dogwood Festival, Lake of Ozarks Airshow, and Christmas on the Square. I see those numbers continuing to grow in the coming year. Our community has such a small town feel and sense of pride and it's so wonderful to see it on full display at these events.

None of what we do would be possible without our Executive Director, K.C. Cloke and our Administrative Assistant, Dorothy Urlicks, so a huge thank you to them. To the Board of Directors, I want to say you have a true givers spirit and your professionalism and dedication to this community did not go unnoticed by me. Also, to all the volunteers that come from the community and give of themselves, I want to give you the biggest thank you!

2024 is going to be a stellar year and I can't wait to see the amazing things that this organization will accomplish for our membership and community.

### SHOP LOCAL INITIATIVES SUPPORTED BY THE CAMDENTON AREA CHAMBER OF COMMERCE- SMALL BUSINESS SATURDAY AND THE CAMDENTON AREA CHAMBER HOLIDAY SHOP HOP

The Camdenton Area Chamber of Commerce, like many chambers of commerce, was a huge supporter of **Small Business Saturday**® on Saturday, November 26th, 2022. Small Business Saturday® is a day to support the local businesses in the community and encourage residents and visitors to get out and Shop Small® - with small businesses. Alongside of the Small Business Saturday campaign, the Camdenton Area Chamber is heavily involved with the annual Camdenton Christmas Shop Hop, which is a local campaign created by the Community Arts League that rewards shoppers for visiting participating businesses during the holiday season. Thank you to our small businesses for participating and the customers who shopped local!

**NEW for 2023**, the Camdenton Area Chamber of Commerce has fully inherited the Camdenton Shop Hop and aims to expand this shop local initiative regionally to support any Camdenton Area Chamber of Commerce member who so wishes to participate. The new Camdenton Area Chamber Holiday Shop Hop campaign is Free to participate in, and individuals are invited to pick up a Holiday Shop Hop ticket at any of the participating businesses or at the Camdenton Area Chamber of Commerce office. Individuals are then encouraged to visit as many of the participating businesses as they wish. The more visits the better the odds at winning various gift certificates to spend just in time for the holidays. The campaign runs from Mid-November until Mid-December each year.

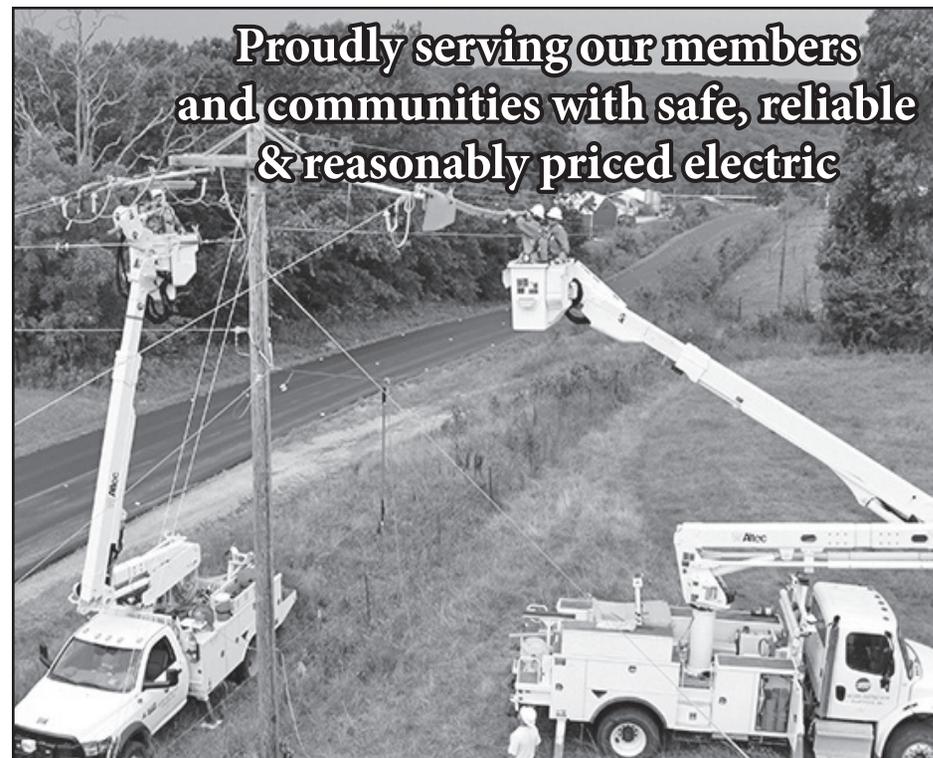

Join the Camdenton Chamber of Commerce as we continue our Small Business Initiative with Small Business Saturday on **November 25th, 2023**, and the Camdenton Area Chamber Holiday Shop Hop which will run **November 10th until December 15th**.

The Camdenton Area Chamber of Commerce has joined forces with a world-wide chamber industry marketing campaign, **Small Business Season**™, which is a free global marketing campaign created to help share the message and educate on the importance of shopping local. Members can sign up to receive FREE marketing images, articles, handouts, and other support tools to endorse small business shopping. Call the chamber to learn more!

### CHRISTMAS ON THE SQUARE

This holiday tradition continues to grow each year both through activities and offerings as well as attendees.

## LAKE OF THE OZARKS ANNUAL WALK/RUN FOR THE FALLEN AND CRUISE-IN SUCCESSFULLY RAISES FUNDS FOR 2024 LAKE OF THE OZARKS AIR SHOW AND PROVIDES SUICIDE PREVENTION AWARENESS

The Camdenton Area Chamber of Commerce hosted the Annual Lake of the Ozarks Walk/Run for the Fallen event on Saturday, September 9th at the Camdenton Memorial Lake Regional Airport. Staff from the Truman VA Hospital were on-site to assist with the event and the Chamber welcomed Suicide Prevention Program Manager, Katie McDannald to share a message of hope to veterans and their families while also bringing awareness to all attendees of September being National Suicide Prevention month.

New this year, the Lake of the Ozarks Corvette Club held a Cruise-in in conjunction with the Walk/Run event and welcomed a variety of classic, muscle, and unique vehicles that lined the airport taxiway giving the Walk/Run participants (and other public spectators) lots to see while they made their way through the mile route. The Fun Runners Car Club also assisted with the event by providing volunteers and had great participation from their club members. Through the Cruise-in participation fees and a 50/50 raffle, the Lake of the Ozarks Corvette Club raised \$616 to donate to the Camdenton Area Chamber of Commerce to support the 2024 Lake of the Ozarks Air Show.

The Walk/Run for the Fallen event was designed to honor the 160 Missouri service members who died in action while serving active duty since the war on terrorism began. The service members were each honored with an individual mile completed. The Camdenton Chamber would like to share a special thank you to the Camdenton High School soccer team who completed the remaining 22 miles following the event to ensure that all 160 Missouri Fallen were honored.

Just as the national Run for the Fallen tribute has merged over the course of the years, we too will be merging this event into an annual walk/run event honoring ALL of our fallen heroes. Regardless of war or conflict, branch of service or method of death, we will ultimately walk or run for them all, honoring their service and sacrifice, and remembering that they each gave up a future so that we could have ours. Stay tuned to see how the Annual Walk/Run for the Fallen will transition in conjunction with the **2024 Lake of the Ozarks Air Show Presented by Bridal Cave taking place September 7th, 2024**. Special thanks to Bridal Cave as our Presenting Sponsor and to all the other contributors as the event's continued success would not be possible without the support of the local community and surrounding areas!

## MESSAGE FROM EXECUTIVE DIRECTOR

### K.C. CLOKE

If I were to sum up the last 12 months with just one word I would choose “Overcomer”.

I believe we as a community continue to overcome many obstacles that we (along with the nation) are faced with in relation to the current business landscape. Workforce, housing, and having a unified voice has been the forefront of most conversations I’ve been included in whether listening to local businesses, addressing community leaders, or sharing insights and advocating on behalf of our members at various organizational boards. I shared last year with our membership that I would like to see (and take part) of the building of a better synergy for a broader reach across the lake region through partnerships and collaborations and I feel like we are heading in the right direction.

The Camdenton Chamber’s events continue to grow in attendance, one in particular that we’re very pleased to share is that the Dogwood Festival brought 5,000 attendees to Camdenton in the course of the 3 day festival. As many are aware, events are a great way to drive the economy and they not only have a direct impact on local businesses but also an indirect impact which includes the re-spending of dollars within the local economy by vendors/supplies and households. The Camdenton Area Chamber of Commerce has celebrated and been recognized for many accomplishments this past year. I had the honor of accepting the Employee of the Year award at the Annual Lake of the Ozarks Regional Economic Development Council meeting in February of this year and just last month, our Camdenton Area Chamber of Commerce was recognized with two “Awards of Excellence” by the Chamber of Commerce Executives of Missouri.

None of my or our organization’s celebrations would be possible if it weren’t for some incredible folks in our community. I’d like to first thank my Board of Directors for all their time, efforts, and support in driving this organization to its successes. Secondly, a big thank you to our Committee Chairs for leading, and our Committee Members for investing their time to keep our efforts moving forward. Lastly, to all the volunteers, whether you’re involved in a specific committee or reached out individually to support one of the Chamber’s activities, I appreciate you more than you know.

If you’re interested in learning more about how the Chamber works for our members, or maybe you want to get more involved, please reach out to me and I’d be happy to sit down with you and discuss how we can grow together.

To our continued success!

~K.C. Cloke
