## THINGS TO DO

# A winter wonderland

**A few of our favorite indoor and outdoor activities during winter at Lake of the Ozarks.**

### **Ice Skating & Christmas Village**

The only outdoor ice skating rink in central Missouri is open for the winter.

Strap on your skates and take a few laps around the rink. Fire pits will warm you up and a cabana has snacks and festive beverages for sale.

If getting out on the ice is intimidating, skate guides for beginners of all ages are available.

The rink will be open daily through January 2, 2024 Monday-Friday from 5-10 p.m., and Saturday and Sunday from 1-10 p.m.

Pond Hockey tournaments will be held in January and February. Hours are subject to change due to weather. When the weather is too warm, the rink may be closed so call ahead or keep an eye on social media for updates.

Skate rental is \$10 and admission is \$10.

Every Friday, Saturday and Sunday a Christmas Village is hosted through December 17. Cost is \$5 per child to participate in activities that include visits with Santa, elf storytelling, s'mores by the fire pit, DIY ornaments, Christmas crafts, games, and lots of other memorable experiences. Hayrides are offered every Friday and Saturday from 5-9 p.m. through Dec. 17. Cost is \$10 adults and free for ages four and under. Maximum of 12 people per ride.

# Tips for drawing buyers to your home

Certain areas of a home are more likely to draw the interest of prospective buyers when a house goes on the market. When that day comes, many realtors and homeowners rely on staging to make a home as attractive as possible during an open house or appointment viewing. According to a 2019 report from the National Association of Realtors, staging the living room is most important for buyers, with 47 percent of buyers indicating a well-staged living room had an effect on their view of the home. The owner's suite (42 percent) and the kitchen (35 percent) were found to be the next most important rooms to stage. Though the report is generally concerned with selling a home, the conclusions in the report are something renovation-minded homeowners can keep in mind. If prospective buyers are most impressed by well-staged living rooms, owner's suites and kitchens, it stands to reason that those same rooms, when well-designed and recently renovated, will elicit a similarly positive reaction if homeowners ultimately decide to sell their homes in the future.

## Shop 'til you drop this season

The 43rd annual School of the Osage Holiday Bazaar is one of the most popular holiday shopping events of the season. Held December 2 from 9 a.m.-3 p.m., more than 100 vendors show up to showcase their products – many are handmade and would make unique, one-of-a-kind gifts for those on your list this season.

The event is the largest fundraiser for the high school Osage Family Partnership. The Bazaar has moved to the School of the Osage High School and is so popular vendors sign up to be a part of the show months in advance, selling out the space available.

Admission is \$2 and photos with Santa will be available. The event is held at the high school located off of Hwy. 42.

### WHAT YOU'LL SEE

Campfire Ink is owned and operated by Lake local Amanda DeGraffenreid. Amanda creates fun and unique graphic tees and gifts that are screen-printed with love. This will be her 5th year at the SOTO Holiday Bazaar, and she will be bringing everyone's favorite Osage spirit wear, festive holiday tees, DIY Road Trip Pillows, and more.

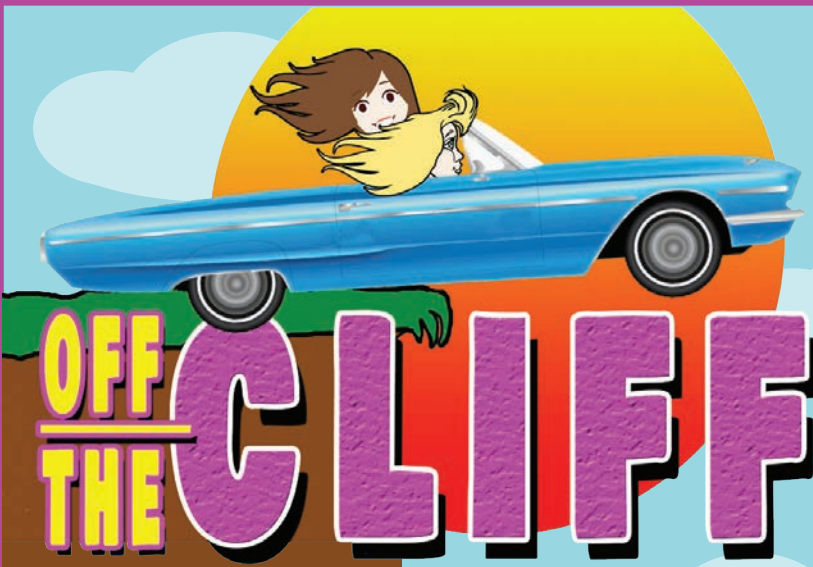

Elaine Gregory travels all the way from Olathe, Kan. to attend the show each year to showcase her selection of personalized Christmas ornaments. Her business, Christmas at Hearthside, she stays busy year-round shipping ornaments she has designed to Sandal/Beaches resort gift shops for souvenirs. She also hand-crafts ornaments each year for gift shops along the coast of Maine.

Soaps, lotions and other body care products are often spotted at booths. Sparkle & Shine Organics offers vegan face serums, coconut milk baths, body scrubs, hair oil, herbal salve, face masks, shower steamers, face wash and other products using no artificial fragrances or ingredients.
