Perfection attained

Rangers win state title

Noah Riemensnider tossed a complete game as the Iberia baseball Rangers capped a perfect season with a 7-3 win over the Maysville Wolverines in the MSHSAA Class 2 Championships Tuesday, May 28, at the Ozark Mountain Sports Complex in Ozark.

Iberia (28-0) took command in the second inning, scoring four runs. Singles from Isaac Duncan, Brady Blankenship and Konnor Drace loaded the bases. Eighth-place hitter Cris Shreve then laced a single to center, scoring two runs.

"I just needed to put the ball in play," Shreve said. "I got a pitch and put a nice, easy swing on it and hit it to center," he said.

Ashtyn Duncan bunted into a fielder's choice and a wild pitch eventually put runners at second and third. Riemensnider hit a sacrifice fly to center and Tanner Patterson followed with an RBI triple, but Patterson was thrown out trying for an inside-the-park home run.

The game stayed 4-0 until the fifth. With two outs, the Rangers put together a rally on a Logan Seel single, a single by Hunter Piggott, and Isaac Duncan's two-run double followed by a Brady Blankenship hit to score Duncan.

Those three insurance runs proved extremely helpful as the Wolverines showed some fight, scoring three in the top of the sixth.

But Riemensnider made sure that would be all as he picked up two strikeouts in the final frame, the last of which caused a massive pile up on the pitching mound.

"We had great pitching and we were able to string some bunt hits together," Iberia coach Tim Vinson said.

The Rangers finished with the seventh undefeated season in MSHSAA history, but the Rangers posted 28 wins, the most of any of those seasons.

Isaac Duncan finished 3-for-3 with two doubles, two runs scored and two RBIs. Blankenship also had two hits with a run scored and an RBI. Drace was 1-for-3.

Ashtyn Duncan and Derick Shadow each scored a run.

For the Rangers, it is their first state championship since the 2005 season. It proved to be a perfect ending for the team's four seniors: Brady Blankenship, Konnor Drace, Hunter Piggott and Logan Seel.

"It was a fun season," Iberia assistant coach Kyle Blankenship said.

Tripping Tipton again

The Rangers reached the championship game with a 5-1 win over the Tipton Cardinals Monday, May 27, in semi-final No. 2.

Tanner Patterson tossed a complete game four-hitter and went 3-for-4 at the plate with two RBIs. Patterson improved to 12-0 on the season as he struck out 13 and walked only one.

Iberia used plenty of small ball and the Rangers recorded four bunt singles and took advantage of three Tipton errors.

Hunter Piggott was hit by a pitch and eventually scored on a wild pitch in the second inning to give the Rangers the lead.

Noah Riemensnider drove home one run with a sacrifice fly in the fifth inning and Patterson followed with an RBI single to increase the Rangers' lead to 3-0.

Tipton tallied a solo run in the bottom of the fifth, cutting the lead to 3-1.

The Rangers' scored twice in the bottom of the sixth, thanks to a pair of critical Tipton errors after two were out.

Patterson singled home Riemensnider and Logan Seel followed with an RBI double to score Patterson.

Brady Blankenship went 2-for-3 for the Rangers. Riemensnider and Cris Shreve each had a hit. Shreve, Piggott and Konnor Shreve each scored a run.

Rangers head to Final Four

The Iberia baseball Rangers earned their first trip to the MSHSAA Class 2 Championships with an 8-2 win over the Galena Bulldogs Wednesday, May 22,

at Ozark.

The Rangers (26-0) took advantage of 10 walks by Galena pitching. Iberia scored all eight runs in the first three innings.

Noah Riemensnider dominated the Bulldogs from the get-go. The junior right-hander allowed just four hits and walked no batters while striking out 13. An Iberia error in the fourth inning made both runs unearned.

Tanner Patterson had three of Iberia's seven hits. He had a double, scored three runs, stole three bases and drove in a run.

Isaac Duncan was 2-for-2 with two walks, a run scored and two RBIs. Riemensnider had a hit and a run scored. Brady Blankenship had a hit with an RBI.

Sectional at Bakersfield

Iberia plated two runs in the bottom of the first inning and Tanner Patterson made them stand up as the Rangers defeated Bakersfield 2-0 Monday, May 20, in Bakersfield.

With two outs in the bottom of the first, Logan Seel walked and stole second. Hunter Piggott singled him home and Isaac Duncan doubled to score Piggott.

That was plenty for Patterson as the junior southpaw allowed two hits and two walks with 12 strikeouts in winning his 10th game of the season.

Brady Blankenship had a double and Patterson had a single for the Rangers' other two hits in the contest.

Rangers claim district title

Tanner Patterson tossed a one-hitter as the Iberia baseball Rangers claim their second straight district title with an 8-0 win over Vienna Wednesday, May 15, at Hooper Field.

Patterson retired the first nine hitters before an Iberia error stopped the perfect game. Patterson promptly picked off the runner and kept the no-hit bid going until one out in the fifth. Patterson then retired the final eight hitters he faced, finishing just one over the minimum.

Patterson and Logan Seel each had consecutive run-scoring singles in the second to give the Rangers a 2-0 lead.

A pair of Vienna errors enabled the Rangers to expand their lead to 6-0 in the third inning.

Hunter Piggott drove home a run with a sacrifice fly in the fifth and Isaac Duncan cracked a solo homer to finish the scoring.

Patterson finished 3-for-5 with a run scored and two RBIs. Seel was 3-for-3 with a run scored and an RBI.

Duncan finished with two RBIs. Noah Riemensnider and Cris Shreve each had a hit and two runs scored.

Walk-off winner

Hunter Piggott singled home Tanner Patterson with the winning run in the bottom of the seventh inning as the Rangers kept their season going with a thrilling 3-2 win over Hartville in the district tournament semi-final round.

Piggott drove in Iberia's first run with a single in the home half of the first to give the Rangers a 1-0 lead.

Hartville tied the game in the top of the fourth but the Rangers re-took the lead in the bottom of the frame, Brady Blankenship singled to score Logan Seel who had doubled.

Hartville tied the game again in the top of the sixth, setting up the heroics.

With one out, Patterson walked. Seel singled him to second and Piggott then delivered his winning hit.

Noah Riemensnider started and worked the first 5-1/3 innings. He allowed four hits and two runs, one earned. He struck out six and walked one.

Patterson went 1-2/3 innings with four strikeouts to get the win on the mound.

Seel went 3-for-3 with two runs scored. Piggott had two hits and two RBIs. Blankenship, Konnor Drace and Cris Shreve each had a hit.

Seniors led the way for Rangers

A large part of the Iberia baseball Rangers' success in 2024 came from its four seniors.

All four seniors: Brady Blankenship, Konnor Drace, Hunter Piggott and Logan Seel, have been key members of the varsity team since their freshman year. Drace was a part time player his first season while Seel missed much of his sophomore season due to an injury.

But while all four took the field, they

became one of, if not the winningest group of players in school history, maybe even state history.

The Rangers went an astonishing 153-23 in their four years when you count the fall and spring seasons together.

During the spring season, the Rangers went 86-11, winning two straight district championships and ending their respective career with a state championship.

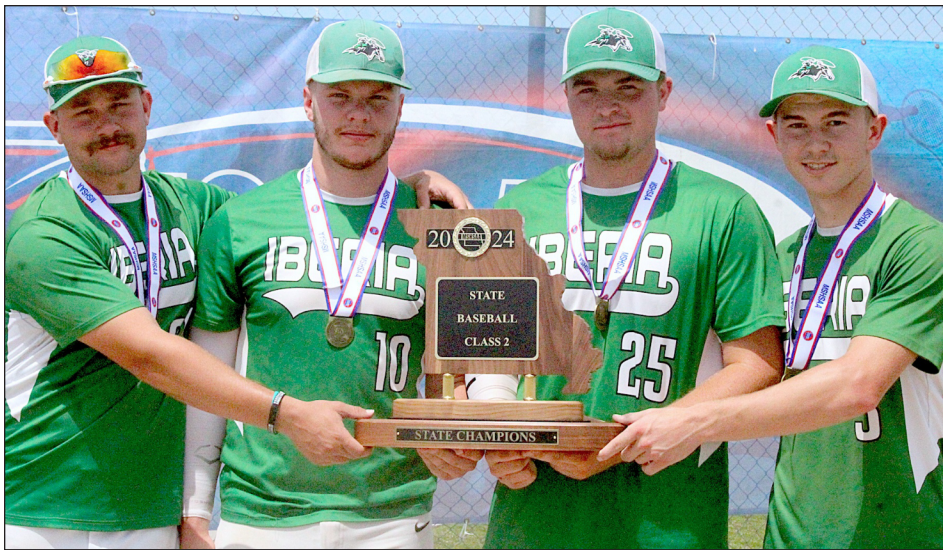

Blankenship played mostly third base

and first base for the Rangers, but he did occasionally come in to pitch. Drace played a lot of second base and a lot of right field during his tenure.

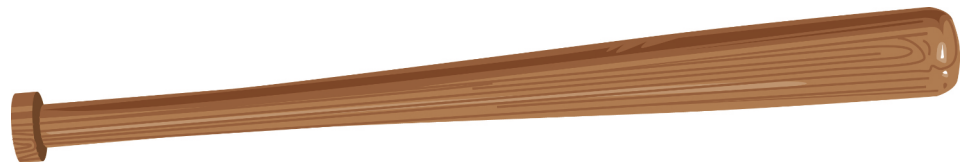

Piggott and Seel were primarily the team's defensive captains. Piggott was a mainstay on the infield, playing second base before switching to shortstop. Piggott was also counted upon to toss a few innings from the mound. Seel did the bulk of the catching, despite the injury.

All four played pivotal roles for the Rangers, when it was a close game, generally, one of the four seniors would make a crucial play or get a clutch hit in pressure situations.

Of the four, Drace is the one who is going to continue his career as he signed to play at Missouri-State West Plains. But the quartet of seniors will always have their senior season they can remember together as part of an undefeated team.

Seniors go out with a title - Iberia's four baseball seniors are, from left: Konnor Drace, Logan Seel, Brady Blankenship and Hunter Piggott. This quartet finished their high school career with more than 150 games in both the fall and spring seasons combined.

Rangers reflect on special season

The Iberia baseball Rangers had a special season in 2024, going 28-0 and winning the second state championship in program history.

The Rangers seemed to be a team on a mission from day one. This team had just about everything a coach could ask for: The team had talent, quality senior leadership, a team that was committed, a team that had chemistry and truly enjoyed being on the field together, and a plethora of community support.

This team created a lot of memories during their run to the championship and some of the players and coaches decided to share some of their thoughts and memories about the season.

• “It’s been my dream to bring home a state championship and it happened this year. This could not have happened without good coaches and playing together as a team. The season was a good one with too many highlights to mention. We took it all 28-0. In every game, I’ve seen family, friends and fans from the Iberia area and abroad cheering us on. What a great feeling it is to have that kind of support...from Karen Jenkins bringing snacks to Mike Cochran cheering us on in good times and bad. It was a great ride; one I’ll never forget! To all the ballers out there, I say keep working hard and keep practicing. Dreams do come true for those that are willing to work hard for it. Thank you to all my coaches: Tim Vinson and Kyle Blankenship, Jim Burney, Preston Duncan (my dad), Nathan Duncan and Brody Richards for molding me into the player I am today.” – **Isaac Duncan**

• “When I think about what I want my athletes to accomplish in a year, I think about making them better people, challenging them to develop into young men that make us all proud. Without a doubt, they rose to that challenge. Beyond that, I dream about the dogpile on the mound in the championship game. What a moment that was. This season has been full of moments like that. I am so grateful that I was able to be a part of these moments with such a special group of athletes. I am also grateful for the generous support we saw leading up to and even after that moment. They have accomplished our goal. They have made their coaches, families, and community proud to call them Iberia Rangers.

They make me proud because they play the game the way it’s supposed to be played. They have grit, they are good teammates, and they have had a common goal since last year’s quarterfinal loss. They knew what they wanted and they were not going to be satisfied with anything else. They picked each other up, they were patient, and they executed in any situation. Coach Blankenship and I

couldn’t have asked for anything more from them.

Their families have a lot to be proud of as well. They started them on this journey from the coach pitch field and up from there. Their families taught them fundamental skills and developed their talent, but more importantly they taught them the values that carried our program through this season. Not only are they talented ball players, they are a pleasure to be around. Their families have raised them into great young men.

It was very evident that their community was proud of them all season long. Home or away, we brought green with us wherever we went and I know the boys felt that. One of the best moments for us

was when we returned to town after the championship game. We rounded the corner coming into town following the fire trucks and police cars and saw a street full of green from the lumber yard to Johnnie’s Ice Cream. It was a moment none of us will forget and we can’t thank our community enough for being part of that moment with us.” – **Iberia head coach Tim Vinson**

• “It’s hard to put into words how amazing my senior year in baseball has been this year. Finding the words and thoughts are hard with so many great moments and memories. This season of being undefeated is one that came with a lot of hard work and dedication. Every team was out to get us since we kept that title of undefeated throughout the season and was even stronger during the playoff games. What was even cooler is that on our day of our 28th victory it was May 28! What a great coincidence with a great ending!! We all stuck together and helped each other through all the ups and downs and powered through each game with grit and patience, which was hard at times. It was the best feeling when that last out was made and heard the roar of the crowd under the dog pile of my team!!

Our school, community and family were always there to support us and with that it made us feel special and want to win even more for them and our coaches. The support from Iberia fans is the best support around, and for all that I am grateful for them. The escorts, cheers, and food made meant so much to us all!

It’s hard to think about not playing again anymore as a Ranger but will always have the pride that comes with this team and my teammates.

It was so fun and treasurable to be able to play with this team and I would have not wanted to play with any other team and be able to have the coaching through Coach Vinson and especially, my Dad, Kyle Blankenship. He has coached me and the other seniors since we were five years old and what great memories we have been able to share together over the years, but this last one is the best I will ever have and to be able to do it with him on the field and one of the leaders was so incredibly special to me. I want to also thank God for all the talent he gave me

and put this team together and made us what we are today!!

The season was sure fun and a great run with a dream ending. Thanks again to my team, coaches, family, friends, and our great community for all these amaz-

ing memories and opportunities. To become a state champion is one of the best things I will ever experience and ride this year into my life for a lifetime. On three, Sticks, #25 out but Rangers keep it going!” – **Brady Blankenship**

• “This was the funnest season of baseball I’ve ever played, and it all went so fast. I’ve dreamed of winning state my entire high school career and I’m so happy we finally got it done, it was such an amazing way to end my senior season. Not only did I win state my senior year but I got to do it with all of my best buddies. I will remember that moment and that season the rest of my life.” – **Konnor Drace**

• “This season has definitely been a season to remember. Once we started we kept on working and doing whatever we had to keep the streak rolling. It has been a great experience to win state and something I will never forget. This was something I have always wanted. All our hard work and the many hours of practices and all of the games we have played just pushed us to this goal.

It was just amazing to look up in the stands and see all of the family, friends, and the rest of the community up in the stands cheering us on and being there every game along the way. We knew they were behind us the entire way.” – **Tan-**

ner Patterson

• “It was an awesome experience and a great way to end the season with especially it being my senior year! It will definitely be an experience that I will never forget. We couldn’t have asked for better support from our community. They were there for all of us even if they had a kid playing or not. They all came and watched us and cheered us all on! I am so thankful and blessed to have gotten to experience this great event my Senior year.

Thank you to all our parents, friends, fans, and all of our community for all of their support! It was greatly appreciated. :) – **Hunter Piggott**

• This year was definitely a fun season to say the least. After making it to the quarterfinals last year the boys made it their goal to get to the final four this year. They were determined and worked hard to make it happen. I knew that we had a legitimate shot at making a run at it, but going undefeated never crossed my mind. It was just an unbelievable year.

This group of boys was the epitome of a team. When something did go wrong or someone made an error there was no finger pointing or blaming one another. They just took everything in stride and moved on. That’s not to say they didn’t give each other a hard time and trash talk after the game, but it was all done in a kidding manner. They seemed to take the stress of a big game or handle the adjustments in a close game much better than Coach Vinson and I. Everyone knew their role and played it perfectly.

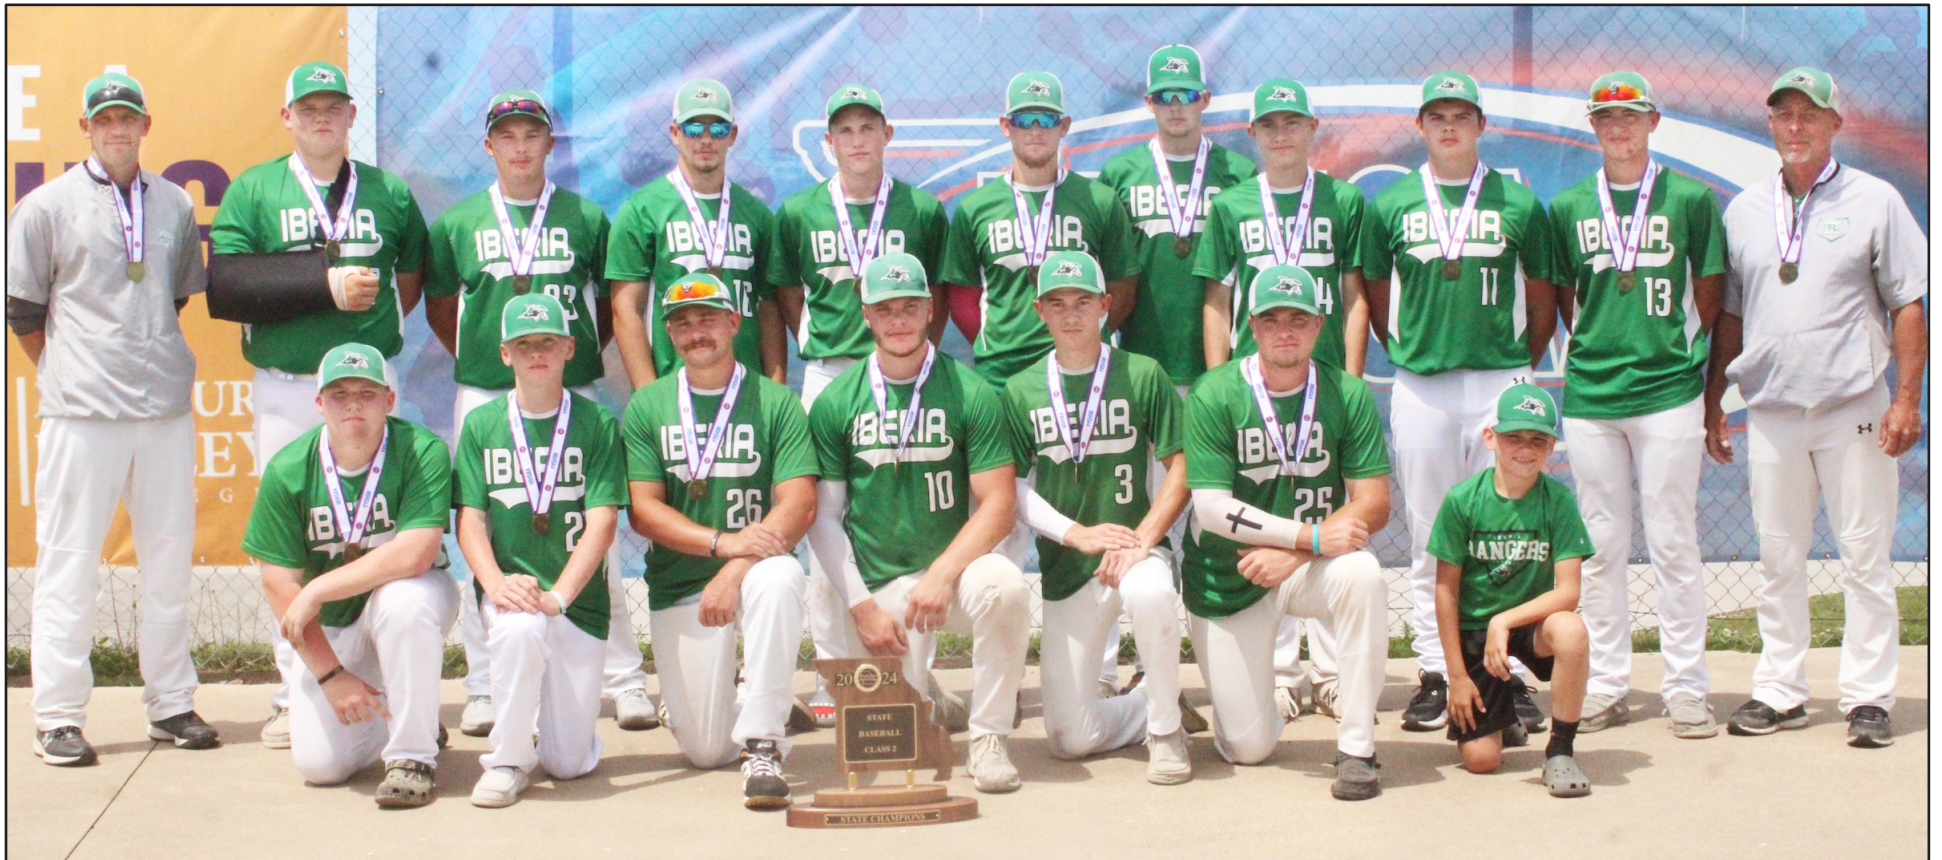

Also playing a big role in this team’s success was all the support given by the parents, school and community. Our fans outnumbered nearly everyone this year, even the road games. I think the boys realized how many people were pulling for them and it made a difference for sure. We can’t thank you enough for everything.

Going 28-0 is something that may not happen again. I’m just honored to be a part of it.” – **Assistant coach Kyle Blankenship.**

• “It was truly one of the greatest experiences I have ever had. All the hard work that we have put in over the last few years finally paying off, and it was without a doubt worth it. It was awesome seeing the whole town get together and support us. There truly is not other experience like this. We had very good coaching and our team had great chemistry and that’s how we won all those games. I sure will miss the seniors next year but I am grateful for the time I got to play with them.” – **Noah Riemensnider**

Rangers run table, despite tough slate

The 2024 baseball season was not only a historic one for Iberia, it was historic for the entire state.

Since MSHSAA record-keeping began in 1950, there have been eight undefeated state champions.

Since 1950, this is the first time that there have been undefeated teams in successive years. In 2023, Ash Grove ran the table in winning the Class 2 title, going 25-0. The last team to beat the Rangers? Why the very same Ash Grove team in the 2023 quarter-finals.

Iberia did not play a cupcake schedule. The Frisco League, Iberia's conference produced a second Final four team as Licking finished fourth in Class 3. Of the five Class 1 squads the Rangers played, two (St. Elizabeth and Sacred Heart) won

district titles and played each other in sectional.

Iberia also played seven games against opponents in Class and above (including Licking). Iberia played four Class 4 teams and one Class 6 squad (Springfield Central). Iberia played some solid competition.

Many of the Rangers' games were close. A total of 12 of the team's wins were decided by four runs or fewer.

The Rangers were ready for the post-season and proved they were the best team in Class 2.

But, when compared to the other undefeated teams in history, the Rangers may be the best of all time. The 28 wins is the most for an undefeated state championship team. St. Elizabeth's 1997 squad

went 27-0.

When it all began

Since Iberia does not field a football squad, the Rangers can prepare for the spring baseball season with a slate of games in the fall.

Iberia laid the groundwork for its state championship season by going an impressive 19-1 during the fall season, dropping a 1-0 decision to Dixon for their lone loss (Iberia defeated Dixon 8-0 in the spring).

Even though those fall games do not count toward records and state accolades, having success in those game can be a catapult to some great memories in the spring. As it did for the 2023-24 Iberia Rangers.
