WHAT TO HAVE ONBOARD

When preparing to go out on a vessel, there are a few things you need to check that are legally required to be on board. The Missouri State Highway Patrol, Water Patrol Division advises operators to make sure these items are handy.

PERSONAL FLOTATION DEVICES

Under federal law, a wearable PFD is required for each person on board regardless of vessel length. Children under the age of 7 must wear a U.S. Coast Guard-approved PFD at all times unless the child is confined to a totally enclosed area such as a houseboat or a day-cruiser.

NAVIGATION LIGHTS

The required navigation lights differ depending on the size and type of your vessel. You must display the required navigation lights between sunset and sunrise and during periods of restricted visibility.

FIRE EXTINGUISHER

All vessels (there are few restrictions) are required to have a Type B, U.S. Coast Guard-approved fire extinguisher on board in an accessible area. Check the charge level of your fire extinguishers regularly. Replace them immediately if they are not fully charged.

SOUND PRODUCING DEVICES

Vessels more than 16 feet but less than 40 feet in length are required to carry a whistle or horn to signal intentions or positions. Vessels that are 40 feet or more in length are required to carry a whistle or horn and a bell on board.

This is only a partial list. For more information and regulations go to www.mshp.dps.missouri.gov

Clown Golf Classic to be held in April under new leadership

Branches for the Lake, a non-profit organization serving the Lake of the Ozarks area, announces its undertaking of the annual Clown Golf Classic scheduled for April 26 and 27 at Osage National Golf Resort. Previously hosted by the Lake of the Ozarks RE/MAX Charitable Foundation, this community event has been held for more than 40 years supporting Lake area children in need.

"After 10 successful years of organizing this beloved charity golf tournament, the RE/MAX Charitable Foundation is transitioning its leadership to Branches for the Lake. This decision comes with a deep sense of gratitude for the countless individuals who have contributed to the tournament's success over the years," Susan Ebling, event organizer and local REALTOR, said. "We are confident that Branches for the Lake will ensure the continued success of this important community event, building upon its legacy of supporting children in need. We are excited to see this tournament continue to thrive."

The golf tournament was founded by Susan's parents Kym and Dick Ebling, former owners of The Clown, Poop Deck and Topsider - the first waterfront bar/restaurant/entertainment spot at Lake of the Ozarks which started in 1960 by Robert T. McIntosh who originally built the Floating Clown and then sold it to the Eblings in 1974. The Eblings were avid golfers, so in 1984 they decided it might be fun to host a golf tournament with all their friends during the off-season to raise some money for a local charity. Keeping the money local was important to them, Susan said. As former educators, the Eblings wanted to choose a local charity that would benefit children in the Lake area and over the years the tournament raised more than \$1.1 million for The Lake of the Ozarks Dream Factory. Funds will continue to support the local chapter to grant wishes to critically and chronically ill children in the Lake area. Money raised will also support other worthy causes including the Branches for the Lake Mentorship Program.

"We are honored to continue this tradition and contribute to the betterment of our community," Amy Hernandez, Director of Projects for Branches for the Lake, said. "We appreciate the assistance of event organizers for their tireless efforts in raising funds for important community needs. Their dedication has created a strong foundation for this event, and we are grateful for their assistance in making this transition seamless."

The Clown Golf Tournament weekend begins with an evening pairings party and cocktail reception on Saturday, April 26, at Osage National Golf Course. Cocktails,

heavy hors d'oeuvres and a silent and live auction will be held. The public is invited to attend. Donations for the auctions and sponsorships are currently being accepted.

On Sunday, April 27, the day begins with breakfast and check-in at 8 a.m., and tee off at 10 a.m. Beverages will be provided on the course to all players. A BBQ awards luncheon will be held following the tournament in the afternoon.

For more information about the tournament or to sign up, go to Clown Golf Classic on Facebook, <https://branchesforthelake.square.site>, email branches4tl@gmail.com or call 573-480-2206.

Branches for the Lake (B4TL), a 501 (c) (3) founded in December 2021, is dedicated to community-driven economic development at Lake of the Ozarks. Guided by the "4 C's" - Community, Collaboration, Connectivity, and Commerce.

Branches for the Lake exists to identify and fill unmet community needs by fostering education, workforce development, environmental stewardship, and social well-being. We validate participant needs through direct community engagement, partnerships with schools and local organizations, and data-driven research to assess gaps in resources. By conducting surveys, gathering feedback, and analyzing local trends, we ensure our initiatives address real challenges. Our mentorship program supports job preparedness, workforce development, and scholarships for non-traditional careers and skilled trades. Through these efforts, we create sustainable, impactful programs that empower individuals and strengthen the community.

Are you responsible with your **boat wake?**

Missouri waterways have become increasingly busy over the past few decades. Along with the increased boat traffic, the size of motorboats continues to grow, particularly on our larger lakes. Where there are boats, there are boat wakes. Please join the Missouri State Highway Patrol in promoting wake courtesy to minimize the danger to others using our waterways, damage to docks and erosion to our shorelines. Operating a motorboat at “plowing” speed is necessary at times, but should not be the norm.

Please make note of these reminders so you are part of the solution and not part of the problem:

- Operate your boat at idle speed, or when you are safely able to do so, operate on plane. Do not continuously plow unless absolutely necessary.
- Boats that cause excessive wakes should always operate in the middle of the lake to allow their boat wake time and distance to lose energy.
- Plowing within cove locations is discouraged, unless safety or water sport activities require you to do so.
- Water sport activities requiring excessive boat wakes should be reserved for areas of our lakes where the danger to boaters, damage to docks or significant shoreline erosion is limited.
- Cruiser and houseboat owners and operators are a significant and important part of our boating communities, but these boat owners and operators require heightened awareness of the wake they are causing.
- Remember to be courteous. If you were in a small boat attempting to navigate your boat wake, or you owned a dock that has to survive your boat wake, would you be operating in the same manner? Treat other boaters and property owners as you would want to be treated.
- Causing harm to another person or their property with an excessive boat wake may subject you to enforcement action or civil liability.

The great state of Missouri has many beautiful waterways, all of which allow for a wide variety of boating activities. Responsible and courteous boaters help make our waterways safe and enjoyable for everyone's use.

10th Annual Go Blue! BBQ

Bash Presented by Central Bank
Benefiting Kids' Harbor Child Advocacy Center

The highly anticipated 10th annual Go Blue! BBQ Bash will take place on April 26 from 1 p.m. until the food runs out at High Tide in Osage Beach. This event will bring the community together for a fun-filled day of delicious BBQ, live music and family-friendly entertainment. Presented by Central Bank, this annual event will feature an amateur BBQ competition, a silent auction and a live performance by Jacob Smalley and Morgan County Line.

This event is held in recognition of Child Abuse Prevention Month and serves as a fundraiser for Kids' Harbor Child Advocacy Center, a nationally accredited nonprofit organization that provides critical services to children and families impacted by abuse. Kids' Harbor serves ten counties in central and southwest Missouri, including the Lake of the Ozarks, Fort Leonard Wood Military Installation and surrounding communities, providing resources for children and their safe caregivers as they make their way through the process of a child abuse investigation. Their mission is to provide coordinated response, healing and prevention of child abuse.

"We are thrilled to celebrate the 10th annual Go Blue! BBQ Bash and the support it provides to Kids' Harbor," said Cara Gerdman, Executive Director. "This event is not

only a fantastic opportunity to unite our community, but it also plays a crucial role in raising funds for our mission to support and protect children in need. We deeply appreciate the ongoing support from our sponsors, volunteers, competitors and attendees, whose partnership makes this event possible."

EVENT HIGHLIGHTS:

- **Amateur BBQ Competition** – Amateur pitmasters from around the region will compete to serve up the best BBQ in various categories, including pulled pork, sauce, baked beans and the Kids' Harbor Challenge. The challenge category is a surprise, you sign up to compete but do not know what the meat is until you pick it up. By the way, all meat needed for the competition is provided to competitors as part of their minimal entry fee.
- **Online/Silent Auction** – Attendees can bid on exciting items and experiences with proceeds benefiting Kids' Harbor.
- **Live Music** – Enjoy a live performance by Jacob Smalley throughout the event.

Kids' Harbor Impact in 2024:

- 623 new referrals for service.
- 12,000 students in 18 school districts received child abuse prevention education.
- 1,246 children and safe caregivers were served through comprehensive advocacy, forensic interviews and medical exams, as well as trauma-informed therapy services, all provided at no cost.

The Go Blue BBQ Bash is a wonderful opportunity to not only have fun and enjoy delicious BBQ but also to support an organization that plays a crucial role in the lives of local children and families. Funds raised from the event will directly benefit Kids' Harbor, allowing the center to continue its essential work throughout the region.

Sponsors and competitors are needed to ensure the success of these fundraising efforts. Please visit the event site at <https://BBQBASH2025.givesmart.com> or contact info@kharborcac.org for more information.

Tickets for the event are available now and can be purchased through the Go Blue BBQ Bash website <https://BBQBASH2025.givesmart.com> or at the event.

LAKE
Lifestyles
THE WAY WE LIVE

What began as a friendship for Julia and Charlie Barrale has evolved into a partnered musical career, marriage and a family for the duo. Through the years, the Lake area has become a favorite performance venue for the two.

The couple met in 2017 when Julia attended Charlie's album release party in St. Louis. "Our first conversation was about how we were going to play music together," Charlie said. "Then we went on a date."

That first date took place in October of 2018. In November, they performed their first show together at the Lake when they opened for Tyler Farr at Shawnee Bluff. The couple tied the knot in August of 2020.

"When we first got together we talked about our plans," Charlie said. "We realized that our dreams matched up and it propelled us to do what we do today."

"We traveled all over the country together and we did it so well," Julia added. "That alone told me."

Charlie's interest in music started at age four at the piano. He jumped to the guitar at age 11 and started writing songs at 15. He performed in an acapella group while attending St. Louis University and throughout his college years became more of a musician. He sings, plays the acoustic guitar and the piano.

Julia grew up participating in the orchestra and choir community. She began playing the violin at age seven, and at only 12 years of age she was the second chair violist at St. Mary's Symphony in Maryland. At age 16 she moved to first chair, and at 17 years of age she performed at the Kennedy Center. She plays violin, fiddle and also sings.

Appropriately named PDA Music (Public Display of Affection), the connection between the two is evident while performing.

"When we're playing together we actually make eyes at one another," Julia said. "Our music is our public display of affection."

Along with marrying Julia, Charlie was thrilled to gain 6-year-old Jett, a son from Julia's previous relationship. The family then grew with the birth of Isadora Charlotte (Izzy for short.).

Their songbook includes Charlie's originals, their originals performed together and a wide genre of cover songs from the 90s to current music.

"The Lake of the Ozarks feels like family," Julia said. "It's our home away from home." Charlie added, "You just can't keep us away. We love it there. It's never stale and the people have been so wonderful to us. On one occasion we even stayed with a family we met. The people are just amazing."

OH SNAP POETRY

celebrates 10 years of
literary loquaciousness

Among the cultural events held in and around the Lake of the Ozarks, you'd be hard pressed to find a more creative form of entertainment than the Oh Snap Poetry Open Mic at Little Brews Cafe (formerly Baristago Coffee house) at 1375 State Highway KK in Osage Beach. Hosted by Gemma Campanini, and emceed by her sister, Bailey Puppel; the event really is a family affair. Their partners, parents and grandparents can typically be found in the audience as well as participating on stage.

There is really not much of a stage, per se at Little Brews Cafe where the event is held. Anyone can sign up to read or recite their own compositions and many in attendance do. However, participation may certainly be limited to that of being part of the audience too.

When attending a poetry reading, it is proper and encouraged to provide feedback to the poets by snapping one's fingers. Snapping allows a conversation between the audience and the poet without the distraction that applause would cause.

Oh Snap occurs here on a seasonal basis and this spring event on May 10 will mark its 10 year anniversary.

So...

*Please come join us for an evening of fun
We will gather together after the work day is done.
Little Brews Cafe is the place to be
To hear your neighbors share their creativity.
And if you are moved to write and read a few lines of your own,
You'll be encouraged and welcomed as if you were a guest in our home!
There will be refreshments available for purchase and we hope that you will;
It will help out the venue to add some revenue to the till.
Sign up at 6:30 if you have something to share.
We'll begin at 7:00 for whomever is there!*
